MEMORANDUM

To: Orange County Housing Finance Trust

From: Townsend Public Affairs
Christopher Townsend, President
Cori Takkinen, Vice President
Eric O'Donnell, Deputy Director

Date: December 30, 2022

Subject: Advocacy Update

Townsend Public Affairs (TPA) is currently working with the Orange County Housing Finance Trust (Housing Trust) staff on executing a state and federal advocacy strategy to secure funding in Sacramento and Washington DC.

TPA is proud that after one year of working with the Housing Trust, TPA has helped secure **\$3 million** in direct funding for Housing Trusts projects and priorities.

Below is a summary of those efforts as well as an update on our current advocacy strategy.

State Legislative Calendar and Update–

The Legislature will return to Sacramento on January 4, 2023 to kick off the first year of the current two-year legislative session. Legislators will be focused on introducing bills before the bill introduction deadline on February 17, 2023. Bills must sit for 30 days after they are introduced before they can be heard in any committee and be considered for passage.

Legislators had a chance to start introducing bills shortly after they were sworn into office in December 2022. A few bills that were introduced that are of interest to the Housing Trust include:

- **SB 4 (Wiener)** requires that a housing development project be a use by right upon the request of an applicant who submits an application for streamlined approval, on any land owned by an independent institution of higher education or religious institution on or before January 1, 2024, if the development satisfies specified criteria. Includes strict affordability requirements for units.
- **SB 20 (Rubio)** allows any 2 or more cities to enter into a JPA for the purposes of establishing a Housing Trust. TPA has already scheduled a meeting with Senator Rubio's

office and Housing Trust staff to discuss SB 20 and identify opportunities to collaborate on legislation and standards for future housing trusts statewide.

State Budget Opportunities –

In 2022, TPA worked with the Housing Trust to develop a State budget ask for \$30 million in funding for the Housing Trust, to help facilitate the construction of over 900 affordable and permanent supportive units by 2025. TPA worked to secure then-Assemblymember Daly as the sponsor of the request and received support from the entire Orange County Delegation. The request was not awarded funding in the June budget bill, nor was the request awarded funding in the subsequent Budget cleanup legislation despite strong county-wide legislative support.

TPA is currently working with Trust staff to strategize on our next State ask, targeting the 2023 legislative session.

However, it is important to look at potential budget opportunities in 2023 through a different lens than 2022. The Legislative Analyst's Office (LAO) and legislative leadership have released fiscal projections for the State's 2023-24 upcoming budget cycle that identify a \$25 billion budget shortfall in the 2023-24 fiscal year due to rising inflation rates and constricted revenue projections, as well as anticipated deficits of \$17 billion and \$8 billion over the next two out years. While just a projection at this time, it is likely that the budget uncertainty for 2023-2024 will lead to a slightly more vague and disjointed budget process in 2023.

In the greater context of historical California budgets, this shortfall is manageable. The State will enter into the next fiscal year with \$23 billion in the Rainy-Day Fund as well as healthy reserve accounts, which are accessible to help offset the impact of the deficit.

TPA will continue to be diligent and aggressive when it comes to a proposed budget ask in 2023. Despite less than ideal financial predictions, legislative leadership and budget chairs are open to receiving funding requests for consideration during budget development.

Federal Budget Opportunities –

TPA coordinated with the Housing Trust to submit a request for \$3 million in funding to Senator Feinstein, as well as Congressman Correa and Congressman Kim. The request was submitted through the Transportation, Housing, and Urban Development Appropriations bill to the Housing and Urban Development Economic Development Initiative (HUD-EDI) account.

Congressman Correa selected the Trust's \$3 million request as one of his top projects, which was eventually included in a legislative package that was passed by the House of Representatives.

After continuing resolutions bought Congress additional time to negotiate a full-year appropriations funding package, TPA is proud to announce the bi-partisan compromise omnibus appropriations package was eventually introduced and passed with the Housing Trust's \$3 million included. This direct funding to the Housing Trust will be used to help develop permanent supportive housing in the County of Orange.

The President is expected to sign the omnibus appropriations package this week. It is expected that the Department of Housing and Urban Development (HUD) will be in touch with the Housing Trust in Q2 of 2023 to discuss funding disbursement.

Additionally, it is expected that the next cycle of congressionally directed spending will open in the beginning of 2023. TPA is ready to work with the Housing Trust to submit additional requests for funding to our congressional delegation once the application process opens.

Agenda Item 3

County of Orange Housing Funding Strategy Update

REQUEST FOR ORANGE COUNTY HOUSING FINANCE TRUST (TRUST) BOARD ACTION

MEETING DATE: January 18, 2023

SUBJECT: Receive and file the 2022 County of Orange Housing Funding Strategy Update.

RECOMMENDED ACTION:

RECEIVE AND FILE THE 2022 COUNTY OF ORANGE HOUSING FUNDING STRATEGY UPDATE.

Adam B. Eliason, Manager

BACKGROUND:

On June 12, 2018, the Board of Supervisors received and filed the 2018 Housing Funding Strategy (2018 Strategy) which identified the goal of developing 2,700 units of supportive housing by 2025 and the required financial resources to achieve that goal. The 2018 Strategy generated the goal based on the 2017 Point in Time Count (PIT). As the 2019 PIT count was conducted only one year into the 2018 Strategy, OC Community Resources (OCCR) made no update to the 2018 Strategy at that time.

In March 2019 the Orange County Housing Finance Trust (Trust) was created to bring additional funding into County to help finance the development of additional affordable housing and align the Trusts goals with those included in the 2018 Strategy.

Based on the most recent 2022 PIT count, OCCR worked with their consultant Corporation for Supportive Housing, who helped to complete the 2018 Strategy, to provide an update to the 2018 Strategy. The 2022 Strategy provides a progress report on the regional efforts to produce the 2,700 units of supportive housing, a review of the current homeless numbers from the 2022 PIT count and subpopulations, reviews current market forces and housing needs, and updates the financial model based on the updated housing production goal for supportive housing units in consideration of current needs.

From June 2018 to 2022, a significant regional effort has been made to leverage funding and develop supportive housing across Orange County. Current projections indicate that at the end of seven years (2025) there will be 1,643 supportive housing units produced towards the 2,700-unit goal. This includes the current supportive housing units in the pipeline totaling 1,232 units which are currently at various stages of completion, under construction and/or in the process of obtaining financing. It is also important to note that within the developments in the pipeline there are an additional 1,046 of general affordable housing units. Projecting out through 2025, there is currently a gap of 1,057 supportive housing units still needed to achieve the goal of 2,700 units.

Although capital funding for supportive housing development has increased, so have the costs of housing construction. The impacts of the COVID-19 global pandemic have resulted in significant increases to construction costs due to supply chain issues and related delays, staffing shortages and inflation. This unanticipated significant increase in costs has greatly impacted the supportive housing pipeline and limited unit production. It is anticipated that the costs of production will continue to increase due to market forces for at least the next couple of years resulting in the need for additional investments that exceed prior projections.

The 2022 Strategy identifies an updated goal of producing 2,396 new units of supportive housing by 2029 to meet the current needs based on the 2022 PIT. Current projections estimate a funding gap of \$458 million in capital and \$495 million in operating subsidies for 2,396 units. The 2022 Strategy also includes information on how these units are a subset of the region's Regional Housing Needs Assessment unit numbers that are being incorporated into Cities and County Housing Elements. The 2022 Strategy does acknowledge that achieving the aforementioned updated goal is not without its challenges; however, the 2022 Strategy continues to highlight existing opportunities to help mitigate the challenges.

The 2022 Strategy includes *Recommendations and Next Steps* that will help guide the Orange County region to continue to maximize supportive housing production, including:

- Maximize competitiveness for capital and operating funding by aligning local, flexible resource commitments.
- Dedicate additional funding to housing development and operating subsidies, continue to refine funding policies that maximizes supportive housing developers' ability to attract other investors.
- Maximize the ability of all Public Housing Authorities (PHAs) in the region to use Special Purpose Vouchers and Project-Based Section 8 Housing Choice Vouchers (HCV); up to the caps allowed for the available tenant-based vouchers managed by a PHA to be project-based to a specific unit in a development, based on available funding (the subsidy remains with the unit).

- Continue building investments from the 34 cities and the County in the Orange County Housing Finance Trust.
- Explore the outcomes of the Permanent Local Housing Allocation funding and the possibility of investing funds in supportive housing production or operations.
- Prioritize supportive housing for people experiencing chronic homelessness and design and invest in supportive housing resources for special populations, including veterans, seniors, transitional aged youth and people with a history of justice involvement.
- Build partnerships with mainstream supportive services (e.g., Federally Qualified Health Centers; Managed Care Plan/CalOptima Health; California Advancing and Innovating Medi-Cal (CalAIM) and Program for All Inclusive Care for the Elderly (PACE) initiatives, etc.).
- Build on collaborative regional investments in supportive housing development and pursue an expanded Coordinated Funding structure. This allows funders to develop shared priorities to target beneficiaries and improve service delivery. Coordinate discussions between funders focused on breaking down barriers and “silos” and helping to realize common goals and benefits.
- Incorporate the best practices, guiding principles and commitments of the Housing Pillar as detailed in the Homeless Systems Pillar Report into the development of supportive housing to ensure stability and sustainability for people exiting from homelessness into housing.

The Trust will continue to share the same goals identified in the County’s updated 2022 Strategy and work collaboratively in the region.

EXECUTIVE SUMMARY

- The 2018 Housing Funding Strategy identified a goal of creating 2,700 units of supportive housing over seven years, with an estimated funding gap of \$353 million in capital and \$350 million in operating subsidies (or an additional 1,375 Project Based Section 8 subsidies).
- Significant investments in capital and operating expenses have been made since 2018, producing a pipeline of 1,232 supportive housing units and a total projected pipeline of 2,144 supportive and affordable housing units.
- Orange County, local cities and developers have successfully leveraged local housing funding resources at a higher rate than initially anticipated. For example, for every \$1 of local funds invested/approved by Orange County, \$5.50 of other (non-County) housing funding has been invested in supportive/affordable housing.
- These investments have spurred the creation of significant new supportive and affordable housing in Orange County.
- People experiencing chronic homelessness has increased in Orange County since 2017, with decreases seen in veteran's homelessness and youth homelessness over that same time period. Persons experiencing chronic homelessness are most likely to need supportive housing units. People with long histories of homelessness and disabling health conditions need deeply affordable housing with services in order to remain successfully housed.
- There have been significant changes over the last four years, including rapidly increasing housing costs, and thus the supportive housing need continues.
- This Orange County 2022 Housing Funding Strategy Update continues to build on and refine the planning and investments to date in order to maximize supportive and affordable housing production.
- Current projections estimate a need for capital funding for 2,396 supportive housing units, including the need for 1,696 operating subsidies, with an estimated funding gap of \$458 million in capital and \$495 million in operating subsidies. This reflects significant increases in total development costs due to factors outlined in this report.
- The Housing Funding Strategy will support the creation of housing resources that will follow the best practices, guiding principles, and commitments of the Homeless Service System Pillars Report which was created by the Commission to End Homelessness and accepted by the County of Orange Board of Supervisors on October 4, 2022.

OVERVIEW 2022 ORANGE COUNTY HOUSING FUNDING STRATEGY

The 2018 Orange County Housing Funding Strategy outlined a bold vision of the creation of 2,700 supportive housing units over seven years as well as a need to create additional affordable housing. Investments in housing developments throughout Orange County have been an urgent priority and there has been catalytic investment in supportive housing opportunities over the last four years.

This 2022 Orange County Housing Funding Strategy updates the 2018 Strategy and maps out the progress that has been made toward the 2,700 unit goal, as well as provides an analysis of federal, state and local resources available to produce affordable and supportive housing. Orange County's strategic responses to homelessness and the California housing crisis is seen in the significant progress that has been made in supportive and affordable housing production locally. In addition, this 2022 Housing Funding Strategy provides an overview of current development costs, which rose significantly over the last four years, as well as the success of the County of Orange (County) in leveraging of locally invested resources to create new supportive housing as well as general affordable housing in the region.

◆ REGIONAL EFFORTS IN ORANGE COUNTY

Local regional partnerships are the engine of supportive housing production in Orange County, driven by the commitments from the Orange County Board of Supervisors as well as commitments from cities throughout the County to significantly address homelessness. Through these partnerships and regional efforts, significant investments of land, capital funding, operating funding, and services supports have spurred unprecedented supportive and general affordable housing production, creating pathways out of homelessness for those who need it most. This funding strategy focuses on the resources to be invested by the County to produce supportive housing in the region to meet the needs of persons experiencing homelessness and chronic homelessness. It is important to note, however, that the County investments also assist with the production of general affordable housing within the same developments as those providing supportive housing units. These units can also be made available to very low and extremely low income households with the assistance of other public subsidies.

Notably, since the original 2018 Housing Funding Strategy, the regional Orange County Housing Finance Trust was established as a joint powers authority between the County now 25 member cities throughout Orange County. Since 2019, the Orange County Housing Finance Trust has implemented several Notices of Funding Availability (NOFAs) using locally allocated funds from the County and matching funds from the State through a competitive process, demonstrating shared investments in ending homelessness across Orange County.

The various Public Housing Authorities in the region are investing Housing Choice Vouchers, including the Orange County Housing Authority, Anaheim Housing Authority, Santa Ana Housing Authority, and Garden Grove Housing Authority. These Public Housing Authorities are also working collaboratively to streamline access to housing, including close coordination with the Coordinated Entry System, which prioritizes people experiencing chronic homelessness for supportive housing. Additional significant resources have been dedicated through County Mental Health Services Act (MHSA) Housing and Housing Support Services Funds, Bringing Families Home and Housing and Disability Advocacy Programs. Most recently, the Orange County Continuum of Care has taken action to support the efforts of the County and the Orange County Housing Finance Trust to further advance the development of supportive housing and support the leveraging of Continuum of Care funding resources. These regional collaborative efforts will continue to drive the success of supportive housing production throughout the Orange County region.

◆ HOMELESSNESS IN ORANGE COUNTY

This report updates Orange County's 2018 Housing Funding Strategy, which was informed by the 2017 Point in Time (PIT) Count and identifies strategies to meet the housing needs of people experiencing homelessness in Orange County based on the most current 2022 Point in Time Count.¹ Over the last four years, there has been significant progress in addressing homelessness across a variety of populations, with thousands of people moving from homelessness into homes through Orange County's strategic investments in solutions to homelessness. At the same time, the housing landscape has changed significantly. For example, housing costs have increased significantly while housing availability has become increasingly constrained. This 2022 Housing Funding Strategy analyzes a variety of factors, such as trends in homelessness, and the supportive and affordable housing development landscape, in order to continue to refine priorities and strategies that effectively address homelessness in Orange County.

Overview: Change in Homeless Population 2017 to 2022²

The data from the most recent Point In Time Counts is seen in the chart below:

| | 2017 | 2019 | 2022 | Change 2017 to 2022 |
|---|----------------------------------|----------------------------------|----------------------------------|-------------------------------|
| Homeless Individuals (chronically homeless individuals and % of all people experiencing homeless) | 3,523 (893/19%) | 5,296 (2,491/36%) | 4,510 (2,408/42%) | +987 (+28%) |
| Homeless Families (households with at least one minor child) (# of people in households) | 398 households (1,265 people) | 466 households (1,550 people) | 389 households (1,201 people) | -9 households (-64 people) |
| Unaccompanied Minors | 4 | 14 | 7 | +3 |
| Total | 4,792 | 6,860 | 5,718 | +926 |

While the 2022 PIT showed a 16% decrease from the 2019 PIT that tallied 6,860 people experiencing homelessness (3,961 unsheltered and 2,889 sheltered), the overall homelessness in Orange County has continued to show an upward trend in the last five years, increasing by 19%.

¹ This document analyzes the change between the 2017 and 2022 Point in Time counts to reflect on changes since the 2018 Housing Funding Strategy. Data on the 2019 Point In Time count as well as the 2020 and 2021 Sheltered Point in Time counts are available at <http://ochmis.org/point-in-time-count-pit/>

² Note, the Point in Time Count methodology changed between 2017 and 2019. The Point in Time Counts in 2019 and 2022 utilized the same methodology.

Chronic Homelessness

An individual experiencing chronic homelessness is someone who is homeless and lives in a place not meant for human habitation, a safe haven or in an emergency shelter; and has been homeless and living or residing in a place not meant for human habitation, a safe haven or in an emergency shelter continuously for at least one year or on at least four separate occasions in the last three years where the combined length of time homeless in those occasions is at least 12 months; and has a disabling condition. A detailed definition as defined by the U.S. Department of Housing and Urban Development (HUD) can be found in Appendix A. Supportive housing is an effective solution to end chronic homelessness for individuals. Understanding chronic homelessness in Orange County is an important element of this 2022 Housing Funding Strategy. The Orange County Commission to End Homelessness Homeless Service System Pillars Report recognizes supportive housing as a best practice to end a person’s homelessness and provides a sustainable place to live long term.

The 2022 PIT count identified 2,408 individuals experiencing chronic homelessness in Orange County. While the total number of individuals experiencing chronic homelessness decreased from the 2019 PIT, the percentage of individuals experiencing chronic homelessness compared to the total homeless population had noticeably increased. It is important to note that individuals experiencing chronic homelessness makes up 42% of all homelessness in Orange County which is an increase from 19% in 2017.

>>>

In addition, 55% of unsheltered homeless individuals are chronically homeless, which makes up the largest subpopulation of unsheltered homeless individual in Orange County.

Chronic Homelessness is Increasing Across California

Increase in chronic homelessness is not unique to Orange County. 10 of the 15

large counties in California show an increase in chronic homelessness between 2017 and 2022, and 6 large counties show an increase in chronic homelessness by more than 10%.

People experiencing chronic homelessness are particularly vulnerable because they often live in unsheltered settings and typically have multiple complex and long-term health conditions, such as mental illness, substance use and physical disabilities³. Once they fall into homelessness, it becomes exponentially challenging to return to housing stability. Supportive housing has shown to be an effective intervention in stabilizing the lives of individuals experiencing chronic homelessness by decreasing shelter utilization and acute psychiatric health care usage while staying housed.⁴ Continued effort in providing and streamlining access to supportive housing in all service planning areas is crucial in curbing the number of individuals experiencing chronic homelessness in Orange County.⁵

Veteran Homelessness

As highlighted in the 2018 Housing Funding Strategy, veteran homelessness has been on the decline since 2009 due to significant and ongoing investments in affordable and supportive housing for veterans in Orange County. The PIT count from 2017 to 2022 show the impact of these investments in housing, through efforts such as the U.S. Department of Housing and Urban Development (HUD) Veterans Affairs Supportive Housing (VASH) program and the State of California Veteran Housing and Homeless Prevention (VHHP) program, resulting in a continued downward trend in veteran homelessness.

As noted in the 2018 Housing Funding Strategy, veterans were disproportionately represented in people experiencing homelessness – in 2018, veterans made up approximately 4% of the overall population in Orange County compared to 10% of the overall homeless population. The PIT count in 2022 showed progress in this regard as well – from the most recent data, veterans make up approximately 3.3% of the overall population in Orange County and 4.8% of the homeless population.

The persistent effort to providing access to affordable, supportive housing targeted to the veterans combined with the strategic planning among County agencies, local jurisdictions and housing partners are the key to successfully reducing the number of veterans experiencing homelessness.

Seniors

In 2022, Seniors ages 62 years and older, represent approximately 13% of people experiencing homelessness in Orange County. This is an increase from 2019 where 9% of people experiencing homelessness were seniors. Data on older adults was not collected in the 2017 PIT count. It is important to note that the upward trend of seniors experiencing homelessness can also be seen statewide. According to Homeless Data Integration System (HDIS), a data hub that gathers local California Continuum of Care data from the Homeless Management Information System (HMIS), the number of individuals ages 65 years and older in California accessing homeless services has increased by 53% from 2017 to 2020.⁶ In contrast, the number of individuals under 65 years old accessing homeless services in California increased by 24% during the same period.

Seniors experiencing homelessness presents a complex set of challenges for housing and service providers as issues stemming from living in places not meant for human habitation is complicated by health challenges unique to elderly individuals. A comprehensive and coordinated services plan tailored to the needs of seniors, through program such as Program of All-Inclusive Care for the Elderly (PACE), combined with ample access to affordable and supportive housing is key to addressing homelessness within this population. >>>

Youth and Transitional Aged Youth

A homeless youth is defined as an individual under the age of 18 experiencing homelessness. A homeless individual between the ages of 18 to 24 is considered homeless transitional aged youth (TAY). The data utilized in this analysis comprises of all individuals that fall within the specified age range captured

in the PIT, including youth and TAY that are unaccompanied or a part of household. An overall downward trend in youth homelessness continued in 2022 as 722 homeless youths, representing 13% of total homeless population, were identified.

It is important to note that youth and TAY experiencing homelessness, especially those who are unaccompanied, are particularly vulnerable. Many homeless youth and TAY have unmet basic needs and undiagnosed and/or untreated mental health disorders; as a result, they are susceptible to substance use, sexual exploitation and physical victimization.⁷ Housing with tailored supportive services designed to meet the developmental, social, mental and physical health needs of homeless youth and TAY is necessary to achieve success in curbing the number of youth and TAY experiencing homelessness.

Justice Involved

Justice involved individuals are broadly defined as someone who is involved with the justice system, including the jail, parole and/or probation systems. The Point in Time count does not gather data regarding people's history with the justice system, however, in California, data indicates that many people experiencing homelessness have a history with the justice system, for example for violating loitering laws or for sleeping in public spaces.

In looking at other data sources in Orange County, the 2025 Vision Integrated Services Plan identifies that 20% of individuals booked into Orange County jails between May 1, 2018 and April 30, 2019 were experiencing homelessness. These homeless individuals displayed a higher percentage of mental health diagnoses, substance use disorder and co-occurring disorder when compared to the general jail population. The more recent data provided by Orange County's Office of Care Coordination on high utilizers of the justice system, defined as individuals booked into Orange County jail system for four or more times during a twelve month period, further demonstrated barriers to housing for justice involved individuals. During fiscal year 2021 – 2022, there were 1,256 high utilizers of the justice system and 31% of these individuals have also accessed the homeless service system during the same time period.

As seen through the data, justice involved individuals who are experiencing homelessness face additional barriers in attaining stability upon re-entry to the community, which often leads to prolonged periods of homelessness. Communities have seen success in utilizing the Housing First model to support the justice involved population with focus on reducing housing barriers. This can be done using an "in-reach" model which is designed to provide immediate access to low barrier shelter and/or housing upon release, with planned connection to permanent housing placement. This approach

>>>

ensures participants are engaged in services and prevents any periods of homelessness. Further, housing coupled with strong service coordination is crucial in achieving success for justice-involved individuals. Early case planning, prior to release from jail, ensures individuals are care-connected upon release, which is a key contributor to one’s stability during the transition period. Strong coordination and wrap-around services post release is crucial to address legal, mental health, substance use, medical, employment and housing needs, as well as reduce recidivism in the justice system.

Race Equity Considerations

National data has shown that Black, Indigenous, and People of Color (BIPOC) experience homelessness at a higher rate than their white counterparts;⁸ this is also apparent in Orange County. According to the 2022 Point in Time Count, Black or African American and American Indian or Alaskan Native represents 12% of the total unhoused population while the same group represents only 3.3% of the total Orange County population. In planning for housing and supportive services, additional consideration and intentional effort to address structural and systemic discrimination is crucial in addressing the disproportionate impact.

◆ UPDATING THE FINANCIAL MODELING

The Point in Time (PIT) Count data and special population considerations provide critical information which informs this 2022 Housing Funding Strategy. In addition, this updated Housing Funding Strategy considers trends related to supportive housing development costs, the amount of supportive housing that has been produced since 2018, as well as funding resources that will continue to support the creation of supportive housing in Orange County.

Supportive Housing Development Costs

Development costs in Orange County (as well as the State of California) have been increasing at a steady rate over the past four years and are expected to continue to increase in the next few years. The range of total development costs (TDC) per unit (see summary chart on the next page) for supportive and affordable housing currently under development are:

- a low of approximately \$380,000 per unit to a high of \$713,000 per unit
- an average of \$497,570 per unit (supportive housing projects 2018 to 2022)
- more recent projects estimating development costs at \$500,000 to \$600,000 per unit

An analysis of the supportive housing developments funded in Orange County from 2018 to 2022 indicate an average per unit cost of \$497,570, which is significantly higher (nearly 45%) than the initial 2018 projection of \$344,444/unit. If current development cost trends continue, it is projected that the average per unit cost for supportive/affordable housing in Orange County will be approximately \$550,000. Because approximately 70% of the development costs (materials, wages, land) are heavily impacted by market forces, there is very little local government can do on its own to reverse the upward trend in development costs. However, the County of Orange can positively impact the production of supportive/affordable housing by serving as a lender of below market financing, partnering with other public financing and health care agencies, and pursuing grants and other funding from state and national sources. Various market forces and funding strategies are discussed further below to inform the recommendations set forth within this updated Housing Funding Strategy.

COVID-19 Impacts on Housing Construction

As a result of COVID-19 pandemic, housing developers saw an increase in development costs due to supply chain issues and related delays (such as the impact of quarantine on construction crews, delays in various site inspections and inspection sign-offs, etc.), staffing shortages, and inflation. While the cost of construction materials normally increases on an annual basis due to inflation (which was an issue prior to the pandemic), experts have indicated that the inflation that accompanied the pandemic has been significantly different and has largely impacted construction costs. The United States construction industry is heavily dependent on foreign construction materials such as steel and stone. Because

>>>

COVID-19 was a global pandemic, it caused closures and delays at international factories that produce the needed materials. The supply of construction materials dramatically decreased in the United States; demand remained high for the materials, but the supply was low so prices increased dramatically. Associated Builders and Contractors Chief Economist, Anirban Basu, opined that the supply chain troubles may last until 2024 because it takes a long time to rebuild capacity. According to the Bureau of Labor Statistics, construction material prices were up by 25% in 2021 and so far in 2022 construction costs are trending upwards.

In the supportive housing project financing example noted below, the per unit cost for the affordable/supportive housing development is \$588,488. While this is high in comparison to the average for all projects, it is not an unusual financial scenario for current (FY2021/22) projects due to steadily increasing land, construction, and financing costs. Costs can vary widely between projects due to location (coastal or inland), land acquisition costs (donated, below market, market rate), type of project (new construction vs. rehabilitation) and the use of funding which triggers increases in construction costs, such as federal or state prevailing wage developments (e.g. nine or more project based rental assistance vouchers trigger federal prevailing wage). The most recent projects in Orange County’s supportive housing projected pipeline have been in the range of \$500,000 to \$600,000 per unit (total development costs for all units, which include a portion of supportive housing units).

Example: Uses of Funds

| Use | Total | Per unit | Percentage |
|---|---------------------|------------------|------------|
| Land Acquisition Costs (including interest reserve) | \$6,925,000 | \$81,470 | 14% |
| Total Hard Costs (construction) | \$29,623,485 | \$348,512 | 59% |
| Construction Interest & Fees | \$1,200,000 | \$14,117 | 2% |
| Construction Contingency | \$1,481,174 | \$17,426 | 3% |
| Loan Fees/Permanent Financing | \$155,545 | \$1,830 | .3% |
| Architectural & Engineering Fees | \$800,000 | \$9,412 | 2% |
| Soft Costs/Other | \$3,204,424 | \$37,698 | 6% |
| Reserves (Operating & Capitalized Transition) | \$1,319,519 | \$15,524 | 3% |
| Developer Fee | \$5,312,375 | \$62,499 | 11% |
| Total Uses of Funds | \$50,021,522 | \$588,488 | |

It is currently anticipated that the impacts of the COVID-19 pandemic on development costs and the trend upwards will continue until at least 2024. There may be a leveling off of development costs, but it is unlikely that we will experience a reduction in these costs for many years.

Leveraging Public Resources and Subsidies

In order for developments to be successful in obtaining other public, low-cost financial assistance, loans, grants, etc., it continues to be critical for the County of Orange to invest in new, proposed developments. Since June 12, 2018, the County has approved financial assistance for 24 housing developments which continue to move forward in the process to obtain full financing. As of June, 2022, there remains only 5 projects (out of the 24) which have not been awarded all of the funding required to proceed with construction of the housing developments. While some of the developments required several funding applications/cycles to obtain full financing and some projects had to return to the County for additional funding when costs unpredictably increased, the track record for the Orange County region has been steadily improving over the past few years, with 20 new projects completing their financing and closing on construction loans and moving towards construction in the past couple of years. It is anticipated that there will continue to be a highly competitive environment in the next few years for all funding available for affordable/supportive housing. The County of Orange, in partnership with cities throughout the region, intends to continue diligent collaborative efforts to financially assist projects in a responsible and cost-effective manner in order to expand the inventory of affordable/supportive housing, and assist housing developers to submit as competitive funding applications as possible to continue award success.

Leveraging is key to a successful supportive/affordable housing production strategy. The County can use its funding to leverage other sources of funding, such as tax-exempt bond proceeds, tax credit equity, conventional financing, housing trust funds and other grant and loan programs from the state and/or federal government. Without public subsidies from many sources, the number of units produced would be severely limited.

Success of County of Orange in Leveraging Public Resources

It is critical to leverage County resources in order to maximize affordable/supportive housing production. The total number of units produced would be limited if Orange County was required to provide 100% financing. As noted above, the cost of producing housing is increasing, and financial partnerships have become essential to any successful funding strategy. Through its low cost, flexible financial assistance, the County has demonstrated its success in assisting affordable/ supportive housing developers to compete for the additional public subsidies and other funding needed to produce the housing. Leveraging public resources is critical to this overall housing financing strategy.

To date, the County of Orange has been successfully leveraging its capital funding investment in about a 1:5.5 ratio. This means for every \$1 of County capital funding invested/approved there has been approximately \$5.50 of other public subsidies and/or private investment contributed or approved for the 24 affordable/ supportive housing developments noted below. It is anticipated that this approach to leveraging public resources will continue as long as other public/private resources remain available for developments within the County of Orange.

>>>

Through the state, federal tax-exempt financing (bonds and tax credit equity) program, developers of a supportive/affordable housing development can obtain approximately 55% to 65% of their total project financing, depending on their competitiveness and investment partner relationships. This means there is a gap of about 35% to 45% of total financing to be filled by other public financing agencies or other public/private subsidies. Typically, about 10% to 15% of the gap financing can come from other special funding programs at the state or federal level. Developers often defer a portion of their fee (5% to 10%) as well and have it financed over time through residual receipts once a development is operational, which reflects the developer financial investment. If cities, and/or the County can contribute 20% to 25% of the total financing gap amount, the developments can successfully compete for the other public subsidies, which is demonstrated in the success of the County to date in financing 24 new supportive/affordable housing developments since 2018. In this strategy, it is assumed that the County will fund 18% of the gap and local cities will fund 7% of the gap, for 25% total in gap financing. By using city and County resources to leverage state and federal sources of funding, much more housing can be produced in Orange County and throughout the State of California.

◆ MARKET FORCES AND HOUSING NEED

The Joint Center for Housing Studies of Harvard University recently released the “State of the Nation’s Housing 2022.” In this report, the authors shared that the “the costs of both owner-occupied and rental housing continue to climb. Home price appreciation reached a nationwide high of 20.6% in March, 2022. Rents for apartments were up 12% nationally.” Nationwide and in California, including Orange County, there are a large number of apartments under construction or soon to be under construction; this will bring some relief to the rental side of the housing market. However, for lower-income households and households of color, the Harvard report indicates “the pressure of high housing costs is unlikely to relent. The surge in gas, food and other necessities has made matters worse, especially now that most emergency government supports have ended.”

From a supportive housing perspective, the need for more housing units continues for those households in the lowest income brackets, specifically extremely low income. Discussion about the impact of market forces is important to understanding why there continues to be a growing need for the County of Orange to assist in the effort to provide more funding for more affordable/supportive housing for those persons experiencing homelessness and with very limited means. The County of Orange has made significant strides in financing the production of supportive housing in the past few years. With that said, the need continues to grow for several reasons. Here are some of the market forces, needs assessments and related impacts that are driving the focus of this housing funding strategy:

■ **Imbalance in Housing Supply.** There has been for many years and remains today an imbalance in the housing market between supply and demand; this has caused housing costs to soar. To correct the imbalance, demand must be reduced and/or supply increased. Since it is very unlikely that demand for housing in the County will be reduced, this economic theory holds that supply must be increased to a point where supply exceeds demand. In the 6th cycle of the final Regional Housing Needs Assessment (RHNA) allocation for the County of Orange, it is noted that a total of 183,861 housing units need to be constructed Countywide for households at all income levels – very low, low, moderate and above moderate/upper income – over the next 8 years.

■ **Housing Need – Very Low and Extremely Low Income.** Within the RHNA allocation, it is noted that 25% of the Countywide housing need (46,416 units) is for very low-income households; 50% of these units (23,208) are estimated to be needed for extremely low-income households, which are typically those households who are receiving social security as their only source of income and/or households experiencing homelessness with very limited financial resources. The extremely low populations are most often those in need of supportive housing and the specific focus of this funding strategy.

>>>

■ **Unincorporated County RHNA.** The RHNA allocation for the unincorporated area of the County is 10,406 housing units total, of which 3,059 housing units are identified for very low-income households; again, it is anticipated that 50% of the housing units allocated for very low income (or 1,530 units) need to be affordable to extremely low income households.

■ **Overcrowded Housing.** Based on the 2020 Census, the percentage of overcrowded housing units (10.11%) within the County of Orange exceeds the national average of 6.76%. This means that households are very likely doubling and sometimes tripling up to be able to afford housing within the County, which is reflected in the imbalance of affordable housing inventory and demand for that housing.

■ **Cost-Burdened Households.** According to the 2020 Census, 69.88% of the lower income households in the County are paying more than 30% of their incomes on housing costs; this is 10.88% higher than the national average.

■ **Rent Arrears.** According to Household Pulse Survey data for December 2021 through April 2022, 10% of all households nationwide were still behind on their housing payments due to the pandemic. Renters with household incomes below \$25,000 (extremely low-income households) are at 20%, which is alarmingly high.

■ **Poverty Rate.** Nationwide, the poverty rate in 2020 was 11.4%, up 1.0 percentage point from 2019; this was the first increase in poverty after five consecutive annual declines according to the American Community Survey (census data). In the County of Orange, 9% of the population have incomes at poverty level (which is 285,103 persons total); housing insecurity is a continuing threat for a significant number of households in the County.

■ **Housing Supply Outlook.** While the outlook for ongoing demand and supply is positive, it will take time for any additional supply to catch up with the demand and produce any meaningful improvement in affordability.

■ **Scaling Housing Production.** Ongoing effort is critical by both the private and public sectors to bring housing production to scale in a way that will significantly impact the imbalance currently being experienced throughout the nation, including the County of Orange.

Considering the above noted market forces and related impacts, there continues to be an ongoing need for additional affordable housing, and more specifically supportive housing for very low and extremely low income households, in the County of Orange. While this updated Housing Funding Strategy focuses on resources needed specifically for the production of supportive housing to meet the projected needs in Orange County, the financial investments made by the County for supportive housing support the overall

>>>

development of general affordable housing units as well. Supportive housing units are typically only a small portion of an overall affordable housing development. The County can be credited with not only the supportive housing units created through its investments, but also the general affordable housing units built as a result of the County's financial investments in all of the developments.

Generally speaking, there are two basic financial strategies to be pursued in combination or individually to address the need and impact the supply of supportive/affordable housing throughout the County:

1. Invest in production of affordable/supportive housing and record a regulatory agreement to restrict rents for the life of the development (typically 55 years) to be affordable to households with very low and extremely low incomes, which means the rents will not exceed 30% of the Orange County Area Median Income for the targeted households; and/or,
2. Provide rental assistance and/or operating subsidies to the targeted households directly, or provide operating subsidies to the developments through project based rental assistance (e.g. housing choice vouchers) or capitalized operating subsidy reserves (COSR).

This Housing Funding Strategy Update is focused on both 1) the level of capital funding investments required to produce supportive housing to meet the need, by restricting rents for the life of the assisted developments to be affordable to households at 30% of the gross household income of the extremely low-income residents, and 2) the provision of rental assistance/operating subsidies. These two funding strategies are intended to work together to increase the supply of supportive housing within Orange County, together with the added benefit of ensuring the development of general affordable housing within the same developments.

SUPPORTIVE HOUSING UNIT PRODUCTION: 2018 TO DATE

The section below outlines supportive housing production goals for Orange County by year, along with the number of actual units by type that have been developed and are leased up/leasing up/in the supportive housing pipeline. In addition, the chart details cumulative estimated supportive housing production as projected from through 2025. The 2018 Housing Funding Strategy projected unit goals starting in 2019 to recognize the time it takes from the announcement of funding opportunities and for projects to enter the supportive housing pipeline.

As noted above, the unanticipated significant increase in total development costs has greatly impacted the supportive housing pipeline and limited unit production. Current projections indicate that at the end of seven years (the original projected timeframe to produce 2,700 units of supportive housing), that there will be 1,643 supportive housing units produced towards the 2,700 unit goal.⁹ Based on current information and assumptions, there is a gap of 1,057 units between the projected need in 2018 and what is anticipated to be in the supportive housing development pipeline by 2025.

In addition to the supportive housing development, during the same time period a total of 2,144 general affordable housing units, including the noted supportive housing units, were produced or are anticipated to be produced as a result of the combined investment in supportive housing developments throughout the County.

⁹ This assumes that an additional 235 SH units will be added to the pipeline in both 2024 and 2025.

>>>

2022 FUNDING STRATEGY SUPPORTIVE HOUSING PROJECTIONS

In updating the 2018 Housing Funding Strategy, it is important to recognize the initial 2,700 unit production goal, and to review the progress made towards achieving that goal. The current supportive housing pipeline projections identify a gap of 1,057 units of supportive housing. In addition, it is important to review the projections and estimates that were made in 2018 in order to determine current supportive housing need.

Based on the updated Point in Time (PIT) Count data, in 2022, there is an updated estimated need for 3,225 supportive housing units in the Orange County region to meet the current need (3,150 units for individuals and 75 units for families). Taking into account the current supportive housing units in the County’s production pipeline (829 total); as a result, the updated goal is 2,396 supportive housing units to meet the needs of people experiencing homelessness in Orange County.

The number of supportive housing units projected to be needed within Orange County is based on the number of people experiencing chronic homelessness in Orange County, who by definition have long histories of homelessness and disabling health conditions. In the production goal, it is anticipated that the vast majority of people experiencing chronic homelessness need a combination of housing and wrap around support services to end their homelessness and remain stably housed.

The table below projects the unit breakdown to create 3,225 units of supportive housing over the next seven years to meet the housing needs of people with disabling health conditions who are experiencing homelessness in Orange County. There are an anticipated 829 supportive housing units that are leasing up in 2022 after the Point in Time Count was conducted, as well as units projected in the supportive housing pipeline, leaving a need for the creation of 2,396 supportive housing units during the period of this updated strategy.

Projected Revised Supportive Housing (SH) Unit Goal (by Population and Unit Type):

| Supportive Housing Goal by Population | Studio/1 Bedroom | 2 or 3 Bedroom | Total |
|--|------------------|----------------|--------------|
| Homeless Individual | 330 | | 330 |
| Chronically Homeless Individual | 2,820 | | 2,820 |

| Units not leased up by 02/22 + Orange County Supportive Housing pipeline units currently assembling financing | | | 829 |
| Supportive Housing Unit Production Goal (2022 - 2029) | | | 2,396 |

The Supportive Housing Unit production goal is a subset of the Regional Housing Needs Assessment (RHNA) numbers that communities are planning for with the update of their Housing Elements. It recognizes a specific type of housing that needs to be funded and developed as part of the plans to develop the housing needed for extremely low-income households in Orange County.

AFFORDABLE/SUPPORTIVE HOUSING RESOURCES

Financing affordable and supportive housing requires the use of diverse funding sources, including local, state, and federal funds as well as private equity. There is no single source of public or private funding that will fully fund any single supportive/affordable housing development. Funding partnerships and leveraging of public resources are critical to the success of providing for new supportive/affordable housing opportunities within the County of Orange, California.

Affordable/Supportive Housing requires three types of funding resources:

1. Capital Funding – to build the housing infrastructure;
2. Operating Funding – to ensure the affordability of housing for tenants and the long-term operation of the housing development; and,
3. Resident/Supportive Services Funding – to provide support services to residents to ensure their housing stability and promote housing retention.

Capital Funding Sources

The funding programs described below have been identified as potential investment sources or public subsidies available from state and/or federal agencies to build the housing infrastructure for the production of supportive/affordable housing in Orange County that meets the goals set forth within this funding strategy.

Federal and State Low-Income Housing Tax Credits (LIHTC) and Tax-Exempt Bond Financing

The LIHTC financing program subsidizes the acquisition, construction and rehabilitation of affordable rental housing for low- and moderate-income tenants. Through the tax credit program, private investors make cash investments in return for reductions in tax liabilities from the state and/or federal government. The 9% tax credit program is highly competitive and is combined with taxable hard debt. The 4% tax credit program is combined with tax-exempt bonds, which now has a competitive process for the allocation. This is a very complicated and competitive financing program, but critical to the long-term financing of affordable/supportive housing developments. Typically, 30% to 50% of total funding needed for a housing development is provided through the federal and state LIHTC financing programs. Local funding must be contributed in order for developers to be competitive in obtaining tax credit and bond financing.

| Funding Program | Type of Housing Activity Funded | Est. Amount Available Funds Annually (CA state-wide) |
|------------------|---|--|
| 9% Federal LIHTC | New construction and rehabilitation projects | \$100 million |
| 4% Federal LIHTC | New construction and rehabilitation projects, and funded with federal subsidies and/or tax-exempt bonds | \$125 million |
| California LIHTC | New construction of multifamily housing projects. | \$300 to \$500 million |

HOME Investment Partnerships Program (HOME), Community Development Block Grant (CDBG) Program, and Section 108 Loans

HOME is a federally funded program and assists cities, counties, developers, Native American Entities and nonprofit Community Housing Development Organizations (CHDOs) to create and retain affordable housing. Grants and low-interest loans are available. Eligible activities include: housing rehabilitation, new construction and acquisition and rehabilitation, for multifamily projects. It also provides new construction and down payment assistance for single-family projects, first-time homebuyer assistance, owner-occupied rehabilitation, and tenant-based rental assistance programs, and predevelopment loans for CHDOs. All activities must benefit low-income renters, homebuyers and homeowners.

CDBG is a federally funded program and assists in meeting the community needs of lower income households, aids in the prevention or elimination of slums and blight, or meets an urgent need. For housing purposes, CDBG funds can be used for single and multi-family rehabilitation, rental housing acquisition or homeownership assistance, and other activities that support new housing construction (such as acquisition of property).

Section 108 Loan Program is a federally funded program and provides CDBG recipients with the ability to leverage their annual grant allocation to access low-cost, flexible financing for housing and other CDBG eligible projects. Communities can use Section 108 guaranteed loans to either finance specific projects or launch loan funds to finance multiple projects over several years. Flexible repayment terms allow it to be layered with other sources of community and economic development financing including, but not limited to, New Market Tax Credits (NMTC), Low Income Housing Tax Credits (LIHTC), and Opportunity Zone equity investments.

HUD 811 and 202 (Federal)

HUD 811 and 202 HUD 811 and 202 is federal funding which may be available in the future. When funding is available, HUD will issue Notice of Funding Availability (NOFA) and solicit applications for Section 811 and Section 202 funding. This funding can be used for capital and operating subsidies (through rental assistance). HUD provides project rental assistance contracts for properties developed using Section 811 capital advances; this covers the difference between the HUD-approved operating cost of the project and the amount the residents pay — usually 30% of adjusted income. The initial term of the project rental assistance contract is 3 years and can be renewed if funds are available. The Section 202 HUD program also provides interest free capital advances to finance the construction, rehabilitation or acquisition with or without rehabilitation of structures that provide supportive housing for very low income elderly persons, and also provides rent subsidies. Both programs are provided to private, nonprofit sponsors. Public agencies are not eligible for the funding.

State of California, Grants and Loans - Housing and Community Development (HCD) Department

The State Housing and Community Development (HCD) Department, administers a number of funding programs that provide grants and loans (from both state and federal housing programs) to create more rental and homeownership opportunities throughout the State of California. These programs are diverse and funding developments which meet the special needs of a variety of populations, including veterans, seniors, young families starting out, people with disabilities, farmworkers and individuals and families who are experiencing

>>>

homelessness. Over the past 30 years, HCD has provided more than \$3 billion in state and federal funding for the development of affordable housing and associated infrastructure. Each year HCD posts its Notice of Funding Availability (NOFA) Calendar and indicates its targeted release dates for draft guidelines, NOFAs, and awards as well as NOFA application due dates. Link to calendar: [Notice of Funding Availability \(NOFA\) Calendar | California Department of Housing and Community Development](#)

In 2022, HCD combined four programs into a **SuperNOFA**: Infill Infrastructure Grant Program (IIG); Joe Serna Jr. Farmworker Housing Grant, Multifamily Housing Program (MHP); and Veterans Housing and Homelessness Prevention Program (VHHP). This action was taken to streamline the funding programs and provide for a coordinated single application and award process, and speed up the processing time in accordance with Assembly Bill 434. The goal is to accelerate housing production.

Affordable Housing and Sustainable Communities Program (AHSC) funds land-use, housing, transportation, and land preservation projects to support infill and compact development that reduces greenhouse emissions. Three project areas have been identified to implement this funding strategy: transit-oriented development area; integrated connectivity project area; or rural innovation project area.

No Place Like Home Program (NPLH) was created through legislation in 2016 and dedicates up to \$2 billion in bond proceeds to invest in the development of supportive housing for persons who need mental health services and are experiencing homelessness, chronic homelessness, or who are at risk of chronic homelessness. The bonds are repaid by funding from the Mental Health Services Act (MHSA). In 2018, voters approved Proposition 2, authorizing the sale of up to \$2 billion of revenue bonds and the use of a portion of Proposition 63 taxes for the program. There are two parts to this funding program: 1) noncompetitive allocation which is distributed by formula allocation to each County based on their 2017 homeless point-in-time count with a minimum of \$500,000; and 2) competitive allocation. It is important to note that the last anticipated round of No Place Like Home (NPLH) funding occurred in 2022.

NPLH funding is for supportive housing utilizing low barrier tenant selection practices that prioritize vulnerable populations and offer flexible, voluntary, and individualized supportive services. Counties must commit to provide mental health services and help coordinate access to other community-based supportive services.

Homekey 2.0 builds upon the success of Project Room Key and the first Homekey round; it continues a statewide effort to sustain and rapidly expand housing for persons experiencing homelessness or at risk of homelessness, and who are inherently impacted by COVID-19 and other communicable diseases. The money is available to cities, counties, or other local public entities, such as a housing authority or tribal entity within California (as well as in partnership with a private housing developer). The deadline for capital expenditures is eight

months from the date of funding award, per statute. Operating funds are also available through this funding program, and must be fully expended by June 30, 2026. (Anticipate Homekey 3.0 NOFA in early 2023).

Local Housing Trust Fund

The Orange County Housing Finance Trust (OCHFT) was formed in 2019 as a joint powers authority between the County of Orange and the cities throughout the County. The OCHFT was created for the specific purpose of funding housing for persons experiencing homelessness and for persons and families of extremely low, very low and low income within the County of Orange. For projects to be eligible for this funding, the project location must be within the unincorporated County of Orange or within Trust member cities. The only exception is for projects seeking only MHSA funding from OCHFT, which is required to be available County wide (including non-member cities). Projects must include a minimum of 5 units which are assisted by funding through the OCHFT. All projects must provide permanent supportive or affordable housing restricted to persons or families who qualify as extremely low income; they must also provide a plan for supportive services and eventually funding for the provision of those services.

| Funding Program | Type of Housing Activity Funded | Est. Amount Available Funds Annually (CA state-wide) |
|-------------------------------------|---|---|
| Orange County Housing Finance Trust | Permanent supportive or affordable rental housing through new construction, acquisition/rehabilitation, and/or conversion of commercial and light industrial to residential use on a case-by- case basis for extremely low income households. | 10-12 million Note: Funds are comprised of County Mental Health Services Act, County General Fund, and State of California – Local Housing Trust Fund Program. |

Permanent Local Housing Allocation Formula Program

In 2017, the Building Homes and Jobs Act (SB 2) established a \$75 recording fee on real estate documents to increase the supply of affordable homes in California. The amount of funding available from year to year fluctuates because the number of real estate transactions vary each year. From 2019 and beyond, 70% of the funding available provides assistance to locally administered affordable housing activities; the remaining 30% of funding is used for other state administered programs with 15% to mixed-income multifamily rental housing, 5% for a production incentive program and 10% for farmworker housing. This funding is provided in the form of grants to local governments in California for housing-related projects and programs that assist in addressing the unmet housing needs of their communities.

Cities within the County of Orange also receive PLHA funding, which could provide some financial partnership opportunities. The amounts of funding for 2022 and anticipated funding activities are noted below:

California Housing Accelerator Program

The funding for this program came from the Coronavirus State Fiscal Recovery Fund, established by the federal American Rescue Plan Act (ARPA) of 2021. In the Budget Act of 2021, the State of California allocated ARPA funds to this program. This program will make funding available for shovel-ready projects that may have received one or more awards from other HCD funding programs, but did not receive low income housing tax credits or tax-exempt bond allocations. The application must have noted tax-exempt bonds and 4% low income housing tax credits as development sources to be eligible for this funding. The funding will be provided in the form of a forgivable loan, with zero percent interest for 20 years, with no residual receipts or periodic payment during the life of the loan.

The HHC program creates supportive housing for individuals who are recipients of or eligible for health care provided through the California Department of Health Care Services, Medi-Cal program. The financing is provided as a deferred payment loan or forgivable loan.

Through the Housing for a Healthy California, capital loans and operating reserve grants will be provided to developers for the creation of Supportive housing for people who are experiencing chronic homelessness, or are homeless and high-cost health users.

Operating Funding Sources

The funding programs described below have been identified as potential investment sources or public subsidies available from state and/or federal agencies to ensure the affordability of housing for tenants and the long-term operation of the supportive/affordable housing produced in Orange County that meets the goals set forth within this funding strategy.

Operating funding or subsidies are a key element of supportive housing in order to ensure that housing is affordable to tenants with histories of homelessness and disabling health conditions, while enabling a property to be financially feasible over the long term. Operating subsidies are required due to the very low affordable rents which are necessary to allow for rehousing of people experiencing homelessness, and other very low and extremely low-income households. Partnerships with Public Housing Authorities (PHAs), successor redevelopment and/or housing agencies, and cities located within Orange County offers opportunities for operating subsidies. There are also some state and federal funding programs which can assist with operating subsidies, and/or provide funding for resident supportive services.

The following programs or funding sources can assist with subsidizing the operations of supportive/affordable housing:

Project-Based Vouchers – Section 8 Rental Assistance (Federal) – provide rental subsidies to supportive housing developments that backfill extremely low-income affordable rental rates for supportive housing tenants that assists with meeting operational needs of the developments. Project-based housing choice vouchers are specific to each development and are not portable; the subsidies remain with the unit when the tenant relocates to another development.

- **HUD VASH** – This program combines U.S Department of Housing and Urban Development's (HUD) Housing Choice Voucher rental assistance for Veterans experiencing homelessness with case management and clinical services provided by the U.S Department of Veterans Affairs (VA). The program is administered in partnership with HUD and the VA. HUD publishes an annual HUD-VASH Registration of Interest Notice containing detailed instructions that PHA must follow if they are interested in receiving a portion of the available vouchers. HUD-VASH vouchers are renewed annually based on actual PHA leasing along with all other housing choice vouchers.

Tenant-Based Vouchers – Section 8 Rental Assistance (Federal) - provide rental subsidies that backfill lower income affordable rental rates for permanent supportive/affordable housing tenants that assists with meeting operational needs of the developments. Tenant-based housing choice vouchers, however, are portable; the subsidies move with the tenant. They can provide operational subsidies, however, both short and long term depending on how long a tenant retains housing at the development.

>>>

Non-Elderly Disabled (NED) Vouchers – Section 8 Rental Assistance (Federal) provide rental assistance to enable non-elderly disabled families, who would have been eligible for PHA unit if occupancy of the unit or entire project had not been restricted to elderly families only through an approved Designated Housing Plan. The NED vouchers may also assist non-elderly families living in a designated unit/project/building to move from that project if they so choose.

- **Category 2 NED Vouchers** – these vouchers enable non-elderly persons with disabilities to transition from nursing homes and other healthcare institutions into the community. Only persons currently living in healthcare institutions (excluding board and care facilities) are eligible to apply for these vouchers. To be eligible, a person must be transitioning from a nursing home or other healthcare institution and must be provided services needed to live independently in the community.

No Place Like Home (NPLH) – provides funding for a Capitalized Operating Subsidy Reserve (COSR) that can be used to backfill operational revenue gaps due to extremely low income rents set for supportive housing tenants; the rental income provided by the tenant is not sufficient to meet operational needs for the extremely low income unit, and the COSR can be used to supplement the rental revenue for that unit to all for full operational cost reimbursement.

Housing for A Healthy California (HHC) – provides funding to create supportive housing for individuals who are recipients of or eligible for health care provided through the California Department of Health Care Services, Medi-Cal Program. These monies can be used for acquisition, new construction, reconstruction, rehabilitation, administrative costs, as well as COSR and rental subsidies/rental assistance for existing and new supportive housing opportunities to assist the target population.

HUD 811 and 202 (Federal) - When funding is available, HUD will issue Notice of Funding Availability (NOFA) and solicit applications for Section 811 and Section 202 funding. This funding can be used for capital and operating subsidies (through rental assistance). HUD provides project rental assistance contracts for properties developed using Section 811 capital advances; this covers the difference between the HUD-approved operating cost of the project and the amount the residents pay – usually 30% of adjusted income. The initial term of the project rental assistance contract is three years and can be renewed if funds are available. The Section 202 HUD program also provides interest free capital advances to finance the construction, rehabilitation or acquisition with or without rehabilitation of structures that provide supportive housing for very low income elderly persons, and also provides rent subsidies. Both programs are provided to private, nonprofit sponsors. Public agencies are not eligible for the funding.

Multifamily Housing Program (MHP) - provides funding through low-interest, long-term deferred-payment loans for new construction, rehabilitation, and preservation of permanent and transitional rental housing for lower-income households. Eligible use of funds include capitalized operating reserves and capitalized replacement reserves up to the amount of the initial deposit required by the Department pursuant to UMR Sections 8303(b) and 8309(b).

Services Funding Sources and Partnerships

The funding programs described below have been identified as potential investment sources, public subsidies or funding partnerships available to provide support services to residents to ensure their housing stability. This is aligned with the best practices, guiding principles and commitments of the Housing Pillar as detailed in the Homeless Systems Pillar Report for the development of supportive and affordable housing.

Supportive housing is a combination of affordable housing and supportive services designed to help vulnerable individuals and families use stable housing as a platform for health, recovery and personal growth. The Homeless System Pillar Report states, “All people can achieve housing stability in permanent housing if they are provided the right supports, such as coordinating and building access to services is equally valuable for residents in affordable developments serving low- and moderate-income households as in supportive housing developments for the most vulnerable individuals and families.” Quality affordable and supportive housing requires resources for capital to build or renovate the housing unit, revenue to support operations at the property, and funding to support direct service or coordination to connect residents to services. Property owners and providers are challenged to identify and coordinate resources from a wide range of sources – public and private – and to repeat the resource search year after year to maintain continued services for existing and new residents.

This 2022 Housing Funding Strategy provides information on various funding sources for supportive services, but also acknowledges the need to continuously seek new opportunities for partnerships and additional funding. There are many stakeholders across communities that have vested interest in supporting services for vulnerable populations, including mainstream and special population health programs. The following programs can provide service partnerships in supportive housing with careful attention to the agreements and relationships that enable services for supportive housing tenants:

California Advancing and Innovating Medi-Cal (CalAIM)

CalAIM is a multi-year initiative by the State of California Department of Health Care Services (DHCS) to transform and strengthen Medi-Cal, offering the people served a more equitable, coordinated, and person-centered approach to service delivery. CalAIM is the state’s multiyear plan to transform and expand California’s Medi-Cal program with the goal of improving participants’ health outcomes by meeting participants’ comprehensive needs through coordinated services and the whole person care approach. CalAIM services in Orange County are delivered through CalOptima Health. A wide-array of new benefit are available to Medi-Cal recipient in Orange County, including enhanced care management, housing transition navigation services, housing tenancy and sustaining services, housing deposit support, recuperative and medical respite care, short-term post-hospitalization housing, day habilitation programs, personal care and homemaker services, medically tailored meals and medically supportive food as well as sobering center.

>>>

Program of All-inclusive Care for the Elderly (PACE)

The PACE program is a community-based Medicare and Medi-Cal program that provides a wide range of medical and social services to frail, community-dwelling elderly individuals. A person qualifies for PACE if she or he is 55 years of age or older, meets the requirement for skilled nursing home care, lives within a PACE service area and is able to live in the community safely. PACE program consists of an interdisciplinary team of health professionals that provides participants with coordinated care. Services include medical care, in-home care, therapy, rehabilitation services, social services, nutritional services, and transportation support. PACE providers also contract with mental health specialists to deliver behavioral health support. The array of services allows the participants to live independently at home and in the community. In Orange County PACE is provided by CalOptima Health, AltaMed and Innovative Integrated Health. There are successful models PACE supports provided in conjunction with affordable/supportive housing developments to create a coordinated and robust wrap-around service for seniors exiting homelessness and transition.

Mental Health Services Act (MHSA) Services

MHSA programs provide a variety of services to low-income adults living with severe and persistent mental illness, and children living with severe emotional disorders and their families. In conjunction with supportive housing, MHSA programs are designed to help individuals and families break the cycle of homelessness, improve mental and physical health well-being, enhance employment readiness and ultimately be successful in their housing placements, and integration into the community. Supportive services programs are provided on-site or in the participant's homes, promoting easy access to services. In addition, most housing sites are located near public transportation routes in order to enhance residents' access to transportation, as many residents do not own a car. To be eligible for MHSA-funded supportive housing, a person must be diagnosed with severe and persistent mental illness or children diagnosed with severe emotional disorders and are experiencing homelessness or at risk of homelessness.

Federally Qualified Health Centers (FQHCs)

FQHCs are community-based health service providers that deliver health care and other supportive services to vulnerable and underserved population in a specific geographic area. FQHCs are designed to provide comprehensive and culturally competent primary health care, as well as supportive services such as case management, behavioral health, health education, nutritional services, translation, and transportation. FQHCs in Orange County is a vital service utilized by supportive housing tenant. Through the multitude of health and supportive services, participants are able to meet their health needs, enhance their individual wellbeing and thus improve their housing stability and break the cycle of homelessness.

Community Development Block Grant (CDBG) Funding – Public Services Allocation

The County of Orange (County) and Entitlement Cities in Orange County can use up to 15% of their annual CDBG entitlement for social service type programs. These jurisdictions could potentially fund private, non-profit or other organizations that provide resident supportive services to tenants in supportive housing developments. This is not an ongoing operational source of funding because organizations must compete for the funding each year, but it could provide some additional resources for programming on an annual basis for supportive housing developments.

Additional Service Partners:

- Health Partners: It is important to identify local health partners (such as hospitals, crisis centers, substance use disorder treatment services, and other health resources in Orange County) who provide responsive services that can assist in maintaining residential stability in housing.
- Local Philanthropy: In addition, local philanthropy will be a critical partner in all of these efforts, providing crucial supports to address funding gaps and spurring innovative approaches to ending homelessness in Orange County.

Potential Future Funding Sources for production and/or operation of affordable/supportive housing:

- Homeless Housing, Assistance and Prevention Program (HHAP)
- HOME American Rescue Plan Act (ARPA)
- Portfolio Reinvestment Program (PRP)
- Excess Sites Local Government Matching Grant Program (LGMG)
- Current funding proposals/propositions that are expected as upcoming ballot measures

Support Services Needs and Funding Gap

A critical element of supportive housing is tenant centered support services which enable supportive housing tenants to connect with the services that meet their health and behavioral health needs and support housing retention. It is estimated that the funding gap for the support services needed for the 2,396 unit goal is \$350 million.¹⁰

¹⁰ This is the projected annual services cost gap over 15 years of operations. This estimate takes into account available programs and services that are projected to be available for supportive housing tenants such as County of Orange Health Care Agency Mental Health and Recovery Services, Veterans Affairs Medical Center, CalAIM, and other in-kind support services. It is estimated that the majority of tenants will have experiences of chronic homelessness and an average services costs of \$15,000/year in the first year.

CAPITAL FUNDING AND OPERATING SUBSIDY NEEDS

Cumulatively, in planning to create 2,700 units of supportive housing in the original 2018 Housing Funding Strategy, there was a funding “gap” estimated at a total of \$703 million (representing \$353 million in funding needed for capital expenses to develop the properties and \$350 million in rental/operating subsidies to ensure the supportive housing units are affordable to people with histories of homelessness), along with an additional gap in resources to provide services in supportive housing. This significant funding gap in capital and ongoing operating subsidies has greatly limited the supportive housing development pipeline to date, and will continue to limit future development if additional resources are not committed to supportive housing production.

Capital Funding Review

For comparison and analysis purposes, a review of the financial modeling used in 2018 was completed and then updated for 2022. In reviewing the projections provided below, please note that the 2018 Housing Funding Strategy estimated that the noted units (2,700) would be financed over six years but produced over a seven-year period. The 2022 funding projections are estimated for the anticipated units that need to be financed (2,396 total) over six years and also produced over a seven-year period.

- 11 This includes the updated 1,926 supportive housing unit production goal, plus the 470 supportive housing units that are assumed will be added in 2024 and 2025 to the current Orange County supportive housing pipeline.
- 12 Projections also show a shortfall off \$458,350,000 in funding from other sources that will need to be identified in order to meet the projected unit goal, on the next page.

The 2018 Housing Funding Strategy identified the importance of attracting significant additional capital investment in Orange County to maximize housing development, including ensuring affordable and supportive housing projects in Orange County were successful in securing funding from State of California Department of Housing and Community Development (HCD), such as the Multi-Family Housing Program (MHP),¹³ the Veterans Housing and Homelessness Prevention (VHHP) Program, as well as annual requests for State Budget funding. The Housing Funding Strategy also noted that new funding sources were needed to meet the demand for funding.

In the financial modeling for the 2022 Housing Funding Strategy, the funding projections builds upon the success experienced by the County to date in attracting financial investment in supportive/affordable housing from non-local sources. The assumptions for development costs and funding availability were also updated, with the impacts heavily influenced by the pandemic. The total development cost estimate for supportive housing increased from approximately \$345,000 per unit (2018) to approximately \$550,000 per unit (2022); this represents a 59% increase in development costs over four years largely due to increasing land costs as well as pandemic-related construction supply cost increases which are expected to have an ongoing cost accelerator impact for several more years.

The assumptions were also updated for projections of gap financing needed from local sources (city and County). On average, since 2018 about 5% to 7% of project gap financing was contributed by local cities and 18% to 20% by the County. These financial contributions were sufficient to allow housing developers to leverage other state, federal and/or private funding sources to finance the development of supportive/affordable housing in the County.

The following chart summarizes the projections of capital financing needed to develop supportive housing in Orange County, based on the projected goals

Operating and Supportive Services Subsidy Review

The 2018 Housing Funding Strategy identified a clear need for additional operating/ rental subsidies to successfully develop 2,700 financially viable supportive housing units, recognizing the extremely low incomes of people coming from homelessness. There was operating subsidy gap as well as an estimated shortfall in subsidy for supportive housing units. In 2022, unfortunately, the situation is not better. The County is committing all available locally controlled operating subsidies (including Project Based Section 8 Housing Choice Vouchers, as well as other special purpose operating subsidies), and actively pursuing any opportunities to bring additional operating subsidies to Orange County. This means that there is a projected operating subsidy gap for all of the projected operating subsidy need (2,396) for supportive housing units in Orange County.

◆ 2022 HOUSING FUNDING STRATEGY RECOMMENDATIONS & NEXT STEPS

In building on the successful and unprecedented investments in supportive housing across Orange County since 2018, the following recommendations outline specific strategies to continue to maximize supportive housing production in the Orange County region:

- Maximize competitiveness for capital and operating funding by aligning local, flexible resource commitments.
- Dedicate additional funding to housing development and operating subsidies; continue to refine funding policies that maximizes supportive housing developers' ability to attract other investors.
- Maximize the ability of all Public Housing Authorities (PHA) in the region to use Special Purpose Vouchers and Project-Based Section 8 Housing Choice Vouchers; up to the caps allowed for the available tenant-based vouchers managed by a PHA to be project-based to a specific unit in a development, based on available funding (the subsidy remains with the unit).
- Continue building investments from the 34 cities and the County of Orange in the Orange County Housing Finance Trust.
- Explore the outcomes of the Permanent Local Housing Allocation funding and the possibility of investing funds in supportive housing production or operations.
- Prioritize supportive housing for people experiencing chronic homelessness and design and invest in supportive housing resources for special populations, including veterans, seniors, Transitional Aged Youth, and people with a history of justice involvement.
- Build partnerships with mainstream supportive services (e.g. Federally Qualified Health Centers; Managed Care/CalOptima Health; California Advancing and Innovating Medi-Cal (CalAIM) and Program for All Inclusive Care for the Elderly (PACE) initiatives; etc.).
- Build on collaborative regional investments in supportive housing development and pursue an expanded Coordinated Funding structure. This allows funders to develop shared priorities to target beneficiaries and improve service delivery. Coordinate discussions between funders focused on breaking down barriers and "silos" and helping to realize common goals and benefits.
- Incorporate the best practices, guiding principles and commitments of the Housing Pillar as detailed in the Homeless Systems Pillar Report into the development of supportive housing to ensure stability and sustainability for people exiting from homelessness into housing, as created by the County's Commission to End Homelessness and accepted by the Board of Supervisors.

◆ APPENDIX | ACRONYMS/DEFINITIONS

Affordable housing: A general term applied to public- and private-sector efforts to help low- and moderate-income people purchase or lease housing. As defined by the U.S. Department of Housing and Urban Development (HUD), any housing accommodation for which a resident/tenant household pays 30% or less of its income.

Area Median Income (AMI): A figure calculated by HUD based on census data, for specific size households in a specific area. The median income divides the income distribution into two equal groups, one having incomes above the median, and the other having incomes below the median.

At risk of chronic homelessness: An adult or older adult with a serious mental disorder or seriously emotionally disturbed children or adolescents who are exiting institutionalized settings such as jail or prison, hospitals, or long-term residential treatment and were experiencing homelessness prior to admission; transition- age youth (TAY) experiencing homelessness or with significant barriers to housing stability and with a history of foster care or involvement with the juvenile justice system; and persons, including TAY, who prior to entering into a facility or institutional care such as a state hospital, hospital behavioral health unit, hospital emergency room, institute for mental disease, psychiatric health facility, mental health rehabilitation center, skilled nursing facility, developmental center, residential treatment program, residential care facility, community crisis center, board and care facility, prison, parole, jail or juvenile detention facility, or foster care, have a history of experiencing homelessness with one or more episodes in the 12 months prior to entering into one of the above-mentioned facilities. A person's history of experiencing homelessness may be documented within a local coordinated entry system. The definition of "homeless" according to HUD 24 CFR Section 578.3 and its length-of-stay limitations shall not apply to those who have resided in the above-named settings; and homeless persons who prior to entry into the above-named settings resided in any kind of publicly or privately operated temporary housing, including congregate shelters, transitional, interim, or bridge housing, or hotels/motels.

At risk of homelessness: An individual or family that is coming out of a treatment program, institution, transitional living program, halfway house, or jail and has no place to go; is living in a situation where they are at great risk of losing their housing; is in need of supportive services to maintain their tenancy; or is living in an inappropriate housing situation (i.e., substandard housing, overcrowding, etc.).

Capitalized operating subsidy reserve (COSR): The reserve established to address project operating deficits attributable to units assisted with rental subsidies.

Case management: The overall coordination of an individual's use of services, which may include medical and mental health services, substance use services, and vocational training and employment. Although the definition of case management varies with the model it follows, local requirements, and staff roles, a case manager often assumes responsibilities for outreach, advocacy, and referral on behalf of individual clients.

Chronic Homeless/Chronically homeless: HUD defines this as an individual or family who: (i) is homeless and lives or resides in a place not meant for human habitation, a safe haven, or in an emergency shelter; (ii) has been homeless and living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter continuously for at least year or on at least four separate occasions in the last three years; and (iii) has an adult head of household (or a minor head of household if no adult is present in the household) with a diagnosable substance use disorder, serious mental illness, developmental disability, post-traumatic stress disorder, cognitive impairments resulting from a brain injury, or chronic physical illness or disability, including the co-occurrence of two or more of those conditions. Additionally, the statutory definition includes as chronically homeless a person who currently lives or resides in an institutional care facility, including a jail,

>>>

substance abuse or mental health treatment facility, hospital, or other similar facility, and has resided there for fewer than 90 days if such person met the other criteria for homeless prior to entering that facility.

Continuum of Care: Defined by HUD as “a community plan to organize and deliver housing and services to meet the specific needs of people who are homeless as they move to stable housing and maximize self-sufficiency. It includes action steps to end homelessness and prevent a return to homelessness.”

Coordinated Entry System (CES): The system that ensures all people experiencing a housing crisis have fair and equal access, and are quickly identified, assessed for, referred, and connected to housing and homeless assistance based on their needs and strengths, no matter where or when they present for services. This moves from being project focused to client focused and eliminates different forms and assessment processes, maximizes resources by matching highest need clients with most intensive resources, and increases coordination.

Cost Burdened Households: A household is said to be cost-burdened when it pays more than 30 percent of its income toward housing expenses.

Disability Income: Social Security Disability Income (SSDI) offers cash benefits for people with disabilities who have made payroll contributions to the federal social security program while they were employed.

Dually diagnosed/co-occurring: Dual diagnosis (also referred to as co-occurring) is a term for when someone simultaneously experiences a mental illness and substance use diagnosis. Either diagnosis — mental illness or substance use - can develop first.

Extremely Low-Income Household/Rent: A household that has a gross household income that does not exceed the greater of the Poverty Guidelines as published and periodically updated by the Department of Health and Human Services or the 30% of the Area Median Income for the county in which the household is located, as calculated by the US Department of Housing and Urban Development (HUD). Low Income Rent is the annual rental rate that is charged to an extremely low-income household that does not exceed 30% of 30% of the Area Median Income for the county in which the household is to reside.

Homeless: HUD defines literal homelessness as an: (1) individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning: (i) has a primary nighttime residence that is a public or private place not meant for human habitation; (ii) is living in a publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state, and local government programs); (iii) is exiting an institution where (s)he has resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution; (2) an individual or family who will imminently lose their primary residence: (i) within 14 days of application for homeless assistance; (ii) no subsequent residence has been identified; (iii) the individual or family lacks the resources or support networks — such as family, friends, faith-based or other social networks — needed to obtain other permanent housing; (3) unaccompanied youth under age 25, or families with children and youth who do not otherwise qualify as homeless; (4) an individual or family who: (i) is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, or stalking and (ii) has no other residence and; (iii) lacks the resources or support networks, such as family, friends, and faith-based or other social networks, to obtain other permanent housing.

Housing and Urban Development (HUD): The U.S. Department of Housing and Urban Development was created in 1965 to administer programs of the federal government that provide housing assistance as a way to develop the nation's communities.

>>>

HUD Homeless Management Information System (HMIS): A local information technology system used to collect client-level data and data on the provision of housing and services to individuals and families experiencing homelessness and persons at risk of experiencing homelessness.

Justice Involved Individuals: Someone who has been subject to an arrest and/or the adjudication process or otherwise involved with the justice system, including the jail, parole and/or probation systems.

Low Income Household/Rent: A household that has a gross household income that does not exceed 80% of the Area Median Income for the county in which the household is located, as published by the US Department of Housing and Urban Development. Low Income Rent is the annual rental rate that is charged to a low-income household that does not exceed 30% of 80% of the Area Median Income for the county in which the household is to reside.

Medi-Cal: California's Medicaid health care program. It pays for a variety of medical services for children and adults with limited income and resources. Medi-Cal is supported by federal and state taxes.

Noncompetitive Allocation: NPLH funds that are distributed by formula allocation to each county based on their 2017 homeless Point-In-Time Count.

No Place Like Home (NPLH) population: Populations identified in Welfare and Institutions Code Section 5600.3(a) and (b), adults and older adults with a serious mental disorder or seriously emotionally disturbed children or adolescents who are homeless, chronically homeless, or at risk of chronic homelessness. This includes persons with co-occurring mental and physical disabilities or co-occurring mental and substance use disorders.

Overcrowded Housing: A home where the number of occupants is greater than the number of total rooms; an average of more than one person per room. In overcrowded homes, it is not uncommon for people to double up or triple up in the available bedrooms or for people to convert a living room or kitchen into a sleeping space.

Permanent supportive housing: Permanent supportive housing is an intervention that combines affordable housing assistance with voluntary support services to address the needs of chronically homeless people. The services are designed to build independent living and tenancy skills and connect people with community-based health care, treatment, and employment services.

Point-in-Time Count (PITC): A count of sheltered and unsheltered people experiencing homelessness on a single night in January. HUD requires that Continuums of Care conduct an annual count of people experiencing homelessness who are sheltered in emergency shelter, transitional housing, and safe havens on a single night. Continuums of Care also must conduct a count of unsheltered people experiencing homelessness every other year (odd numbered years).

Poverty Rate: The ratio of the number of people (in a given age group) whose income falls below the poverty line; taken as half the median household income of the total population.

Rapid rehousing: An intervention designed to help individuals and families that do not need intensive and ongoing supports to quickly exit homelessness and return to permanent housing. Rapid rehousing assistance is offered without preconditions (i.e., employment, income, absence of criminal record, or sobriety) and the resources and services provided are tailored to the unique needs of the individuals and families.

>>>

Regional Housing Needs Assessment (RHNA): Quantifies the need for housing within each local government jurisdiction during a specified land use planning period; it is mandated by State Housing Law as part of the periodic process of updating local housing elements of the General Plan. Communities use RHNA in land use planning, prioritizing local resource allocation, and in deciding how to address identified existing and future housing needs resulting from population, employment and household growth.

Section 8 Rental Assistance: A rental subsidy that makes up the difference between what those in the low-income household can afford to pay for rent, and a contract rent established by HUD for an adequate housing unit. Subsidies are either attached to specific units in a property (project-based), or are portable and move with the tenants that receive them (tenant-based).

Subsidy: Financial assistance from the government to make the cost of housing affordable based on the household's income level.

Supplemental Security Income (SSI): Federal cash benefits for people aged 65 and over, the blind, or disabled. Benefits are based on income and living arrangement.

Supportive Housing: Permanent housing that has no time limit on residency and in which housing assistance (long term leasing or rental assistance) and supportive services are provided to assist households with at least one member (adult or child) with a disability in achieving housing stability. It is typically for those persons lacking housing who face a multitude of complex medical, mental health and/or substance use issues that are co-occurring.

Transitional-Aged Youth (TAY): This group is often characterized as unaccompanied youth and young adults between the ages of 18-24. Reasons for TAY experiencing homelessness are diverse and can include family conflict, abuse or neglect, poverty, aging out of foster care, and rejection over sexual orientation. As such, the service needs of this population are unique and vary from those of adults and younger youth.

Very Low-Income Household/Rent: A household that has a gross household income that does not exceed 50% of the Area Median Income for the county in which the household is located, as published by the US Department of Housing and Urban Development (HUD). Low Income Rent is the annual rental rate that is charged to a very low-income household that does not exceed 30% of 50% of the Area Median Income for the county in which the household is to reside.

Agenda Item 4

Apply for grant funding to create a new Trust Accessory Dwelling Unit Loan Program.

REQUEST FOR ORANGE COUNTY HOUSING FINANCE TRUST (TRUST) BOARD ACTION

MEETING DATE: January 18, 2023

SUBJECT: Authorize the Trust Manager to apply for grant funding to create a new Trust Accessory Dwelling Unit Loan Program.

RECOMMENDED ACTION:

AUTHORIZE THE TRUST MANAGER TO APPLY FOR CALOPTIMA HEALTH NOTICE OF FUNDING OPPORTUNITY AND SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS REGIONAL EARLY ACTION PLANNING GRANT FUNDING TO CREATE A NEW TRUST ACCESSORY DWELLING UNIT LOAN PROGRAM.

Adam B. Eliason, Manager

BACKGROUND:

The updated 2022 Trust Strategic Plan includes a strategic component goal of aggressive fundraising strategy and specifically to “subscribe and track various other funding possibilities and explore ways in which the Trust can apply for funding.”

Trust staff has identified two additional funding sources and seeks Board approval to apply for these funding sources to create a new Trust Accessory Dwelling Unit (ADU) Loan Program. ADU’s have been known by many names: granny flats, in-law units, backyard cottages, secondary units and more. An ADU is accessory to a primary residence and has complete independent living facilities for one or more persons and has a few variations:

- Detached: The unit is separated from the primary structure.
- Attached: The unit is attached to the primary structure.
- Converted Existing Space: Space (e.g., master bedroom, attached garage, storage area, or similar use, or an accessory structure) on the lot of the primary residence that is converted into an independent living unit.

- Junior ADU: A specific type of conversion of existing space that is contained entirely within an existing or proposed single-family residence.

BENEFITS:

ADUs are an affordable type of home to construct because they do not require paying for land, major new infrastructure, or structured parking. ADUs can provide a source of income for homeowners. ADUs can provide as much living space as many newly built apartments and condominiums.

The intent of new Trust ADU Loan Program would be to create additional affordable housing units in a short period of time and for a low subsidy amount per unit.

FUNDING:

On January 3, 2023, CalOptima Health released a Notice of Funding Opportunity (NOFO) to support the increase of permanent housing units throughout Orange County. All applications are due by January 31, 2023.

Additionally, Trust Staff has been discussing with Southern California Association of Governments (SCAG) Staff regarding their Regional Early Action Planning (REAP 2.0) grant funding. SCAG will be releasing their NOFO sometime in January or February and has prioritized funding directly to housing trusts in the SCAG region. Preliminary discussions indicate that their REAP 2.0 NOFO will allow an ADU Loan Program to be funded. The REAP 2.0 application deadline will likely be in April 2023.

ADU LOAN PROGRAM:

The details of the proposed new Trust ADU Loan Program have not been completed and will depend upon the parameters set by both funding sources and what will be acceptable to homeowners considering an ADU on their property.

In summary, the Trust ADU Loan Program will likely be a deferred loan and/or forgivable loan to the homeowner. In either case the homeowner will not make monthly payments on the loan and either repay the loan at time of resale or be forgiven at some point in the future. In return, the homeowner will covenant that the ADU will be rented to income qualifying tenants for a certain period of years. That affordability covenant is still being determined and will hopefully provide a Regional Housing Needs Allocation (RHNA) credit to the city where the ADU is located.

The Trust will manage the ADU loan program with administrative funding provided from a portion of the grant funding. Trust staff will work collaboratively with other service agencies and partners that will help establish a team approach that connects homeowners with those entities that can make the process as smooth as possible. The Trust is speaking with service providers and housing navigators that will provide tenant selection options, permitting

consultants, manufactured ADU companies, financing entities, housing authorities for voucher tenants, and others.

The California Housing Finance Agency (CalHFA) provides a \$40,000 pre-development grant to homeowners that construct an ADU. The Trust ADU loan program will provide between 30%-50% of the construction funding needed to build the ADU, depending upon the size and other homeowner selection options. The remaining costs to complete the ADU will need to be either cash from the homeowner and/or some sort of loan the homeowner would obtain such as a home equity loan/line of credit.

Agenda Item 5
Request for Proposal for
mapping services.

REQUEST FOR ORANGE COUNTY HOUSING FINANCE TRUST (TRUST) BOARD ACTION

MEETING DATE: January 18, 2023

SUBJECT: Authorize Trust Manager to issue Request for Proposal for mapping services.

Adam B. Eliason, Manager

RECOMMENDED ACTION:

AUTHORIZE TRUST MANAGER TO ISSUES REQUEST FOR PROPOSAL FOR MAPPING SERVICES.

BACKGROUND:

In 2021, the Trust was the recipient of \$600,000 in administrative grant funding from the Orange County Council of Governments (OCCOG). One of the grant funded tasks for the Trust to complete is an upgrade to the existing Trust website regarding mapping and project data of affordable housing developments in Orange County.

The grant agreement describes this task as:

“OCHFT’s deliverables shall include the updated website GIS map to help OCHFT identify communities within Orange County that are most in need of housing resources, and to track the progress of the development of 2,700 new PSH units by 2025. The website includes existing affordable housing developments throughout Orange County, links to housing resources for residents in need of housing assistance, and statistical information about neighborhoods throughout the County collected from the US Census and the Orange County Homeless Point-in-Time Count to identify where the housing needs are most acute in Orange County.”

The grant agreement provides for \$70,000 in funding for this task, which is included in the Trust's approved operating budget for FY22/23.

Trust staff has prepared a Request for Proposal (RFP) (see attachment A) to solicit bids to complete this task in accordance with the Trust's procurement policy. Trust staff has met with and discussed how an enhanced GIS mapping tool for affordable housing in Orange County would be most beneficial to affordable housing developers, those seeking affordable housing, and the public at large. Additionally, Trust staff did an informal survey of affordable housing mapping tools for other regions to identify best practices and other features that would benefit the Trust's efforts in creating a mapping tool. The attached Mapping Services RFP incorporates the requirements of the grant agreement with OCCOG, as well as other features identified by Trust staff that would enhance the Trust's mapping tool.

A copy of the Mapping Services RFP is attached to this staff report. If approved, Staff will issue the RFP, review applications, and bring a recommendation to the Trust Board at the March 2023 meeting. Staff recommends approval of this agenda item.

Key RFP Dates

Issue Date: January 23, 2023

Proposal Submittal Deadline: February 17, 2023

The Orange County Housing Finance Trust (“OCHFT” or “Trust”) is issuing this Request for Proposal for Affordable Housing Mapping Services to engage the services of an individual or firm (Consultant) to create an affordable housing dashboard map as more specifically described below. This RFP is not a solicitation for employment or posting of a job opening with the Trust.

OCHFT Background

The Orange County Housing Finance Trust is a Joint Powers Authority formed in March 2019 between the County of Orange and 26 cities in Orange County, California. A complete list of member cities can be found in Attachment 1.

The mission of the Trust is to strengthen the communities in Orange County by financing the development of affordable housing for homeless and low-income individuals and families. The Trust is working to achieve this mission by contributing to the construction of 2,700 permanent supportive housing units and working to secure funding that will contribute to additional affordable housing units by 2025.

During its first three years of operation, the Trust has awarded over \$28.4 million to 16 affordable housing communities throughout Orange County. The Trust expects to be able to award approximately \$10 million per year through 2025 for additional affordable communities in the County, and is looking for additional funding from private donations and other government sources so it may continue to provide financing for communities past 2025.

Scope of Services

Consultant shall provide services and advice to the Trust’s Board of Directors and staff, and be informed about the Trust’s mission, finances, operations, history, and accomplishments. As more precisely detailed below, Consultant shall develop an online mapping application hosted through ArcGIS Hub, Mapbox, or similar platform.

The mapping application will include two separate maps, intended for different audiences.

The first map is intended to be for the general public. It will include information about existing and proposed affordable housing developments. The intent is for people looking for affordable housing to be able to use this map to identify affordable communities where they can apply to live. This map needs to have a filter that allows people to select criteria such as bedroom count, income level, and population served so they can limit the results to properties for which they are eligible.

This map will include some of the same information that is currently included on the map provided on the Trust’s website at ochft.org/developments, which the Trust has available as an Excel spreadsheet. Information about each development will include:

- Development name
- Development status
- Development address
- Developer name
- Service Planning Area
- Total number of units
- Number of affordable units

- Number of permanent supportive housing units
- Estimated construction start date
- Estimated construction completion date
- Unit Mix (including income and bedroom count)
- Populations served (families, veterans, special needs, homeless)
- Property manager contact information

The second map is intended to be used by affordable housing developers, county and city staff, and housing advocates. The map will be a county-wide heatmap showing potential neighborhood amenity scoring for 9% tax credits. Amenities that are scored include:

- Bus & rail stops with frequency of service
- Public parks
- Community centers
- Public libraries
- Grocery stores
- Public elementary schools
- Senior Centers
- Medical clinics
- Hospitals
- Pharmacies
- CTCAC/HCD Opportunity Areas

Specific tasks to be undertaken are described below.

1) Kickoff Meeting

- Meet with Trust staff to fully develop a scope of needs and desires for the mapping application.
- Prepare meeting agenda and notes.

Deliverables

- Meeting agenda
- Meeting notes

2) Develop Mockup

- Prepare graphical mockup of website for review by Trust staff. It is expected that the mockup will be a static, non-working representation of what the mapping application will look like.
- Include as many different views of the mapping application as necessary to convey the complete user and administrative experience of using the application. Views may include, but should not be limited to, landing page, property information display, finance scoring map, and administrative backend.
- Revise mockup according to Trust staff direction. (Up to three rounds of revisions.)

Deliverables

- Website mockup with revisions

3) Develop Mapping Application

- Create the mapping application in accordance with the Trust’s approved mockup.
- Populate map with initial information, including existing housing developments and community amenities for finance scoring calculations.

Deliverables

- Mapping application

4) Mapping Application Training & Hosting

- Train Trust Staff on updating mapping information, including adding and modifying mapped housing developments, and adding and modifying community amenities.
- Host mapping application for a period of three years.

Deliverables

- Mapping training
- Mapping hosting

A model professional services contract for this Scope of Services is included as Attachment 2

Preparation of Proposals

Proposals shall be accepted via email only to ghenninger@ochft.org no later than February 17, 2023, at 5:00 PM. Proposals should be sent as a single PDF file. Do not send hard-copy of proposal.

- 3) Validity Period. The proposer shall specify a proposal validity period of no less than 120 days from the Proposal Submittal Deadline.
- 4) Subcontractors. The proposer shall designate each entity that is proposed to perform work or render services pursuant to a subcontract, detailing the extent of subcontracting contemplated. Information regarding suppliers is required only if the supply subcontract is anticipated to have a value exceeding 10% of the proposed value of the prime contract.
- 5) Conflicts of Interest. The proposer shall provide a completed Attachment 3, *Conflict-of-Interest Disclosure Statement*.

Disclosure of Contributions.

The proposer shall deliver, with their proposal, Attachment 5, *Disclosure of Contributions*, identifying all Trust Board members who received contributions from proposer within the preceding 12 months in excess of \$250, or stating that no contributions were made that require disclosure. This disclosure requirement includes all "Parties" and "Participants" to this action as those terms are defined in Government Code §84308 (use extra forms as required).

Confidential and Proprietary Information

Proposals are not to be marked as confidential or proprietary. The County may refuse to consider any proposal so marked. Proposals submitted in response to this RFP may become subject to public disclosure per the requirements of the California Public Records Act, Government Code Section 6250 et seq. The County shall not be liable in any way for disclosure of any such records. Additionally, all Proposals shall become the property of the Trust. The Trust reserves the right to make use of any information or ideas in the Proposals submitted.

Proposal Review and Selection

1. The proposals shall be reviewed in accordance with the Trust's Procurement Policy.
2. The Trust shall convene an evaluation panel of at least three members to evaluate each responsive proposal. Criteria used as the basis for evaluation and ranking shall include:
 - Professional capability, demonstrated competence and specialized experience of the proposer, including existing workload and ability to meet schedules – 25%;
 - Work plan/methodology – 50%; including examples of previous work with public agencies.
 - Compensation Proposal – 25%;

Proposals deemed to meet all minimum RFP requirements will be scored based on established criteria, which have been weighted and will be assigned points that measure the responsiveness to each identified criterion. The total number of points earned will be tallied for each Proposal, and the Proposals will be rank-ordered, based upon Offeror(s) submitted written materials.

3. The Trust will rank the proposals, applying the foregoing evaluation criteria to the proposals. Upon completion of the evaluation process, the evaluation panel will summarize the strengths of each proposal, their scoring, and their rank-ordering for a decision by the Trust Board.
4. The Trust may reject all proposals without further discussion or commence negotiations with the highest ranked proposer. If the Trust commences negotiations, the Trust may negotiate any component of the proposal. The proposer on the other hand, may raise issues only to the extent they are interrelated with negotiated topics raised by the Trust.
5. Discussions and/or negotiations may be conducted with one or more Offerors. Each Offeror shall be accorded fair and equal treatment in conducting negotiations and there shall be no disclosure of any information derived from proposals submitted by competing Offerors.
 - a. Concurrent negotiations. Negotiations may be conducted concurrently with Offerors for the purpose of determining source selection and/or contract award.
 - b. Exclusive negotiations. Exclusive negotiations may be conducted with the Offeror whose proposal is determined in the source selection process to be most advantageous to the Trust. Exclusive negotiations may be conducted subsequent to concurrent negotiations or may be conducted without requiring previous concurrent negotiations. Exclusive negotiations shall not constitute a contract award nor shall it confer any property rights to the successful Offeror. If exclusive negotiations are conducted and an agreement is not reached, the Trust may enter into exclusive negotiations with the next highest ranked Offeror without the need to repeat the formal solicitation process.

Instructions – Protest Procedures

Any actual or prospective Proposer or Contractor who alleges a grievance by the solicitation or award of a contract may submit a grievance or protest to the Trust Manager at aeliason@ochft.org.

1. All protests shall be typed under the protester's letterhead and submitted in accordance with the provisions stated herein. All protests shall include at a minimum the following information:

In the event the protest of specifications is denied and the protester wishes to continue in the solicitation process, they must still submit a proposal prior to the close of the solicitation in accordance with the bid/proposal submittal procedures stated in this RFP.

3. Protest of Award of Contract:

In protests related to the award of a contract, the protest must be submitted no later than seven (7) business days after the notice of the proposed contract award is provided. Protests relating to a proposed contract award which are received after the seven (7) business day deadline will not be considered by the Trust.

4. Protest Process:

While a protest is in progress, the Trust may proceed with the solicitation or the contract unless the Trust Manager determines there is a reasonable probability that the protest will be sustained or that the stay of procurement is not contrary to the substantial interests of the Trust. The Trust Manager shall issue a written decision to the protestor within 14 days, including an explanation of the basis of the decision and a statement of the available appeals process. If the protest is sustained, in whole or part, the Trust Manager shall implement a remedy appropriate to the circumstances.

5. Appeal Process:

A protestor may appeal the decision of the Trust Manager to the Trust Board of Directors within seven (7) days from the date the decision is issued. The appeal shall contain all the information originally set forth in the protest, a copy of the decision of the Trust Manager; and the specific factual or legal error in the decision of the Trust Manager that forms the basis of the appeal. NOW, THEREFORE, the parties mutually agree as follows:

ii. ARTICLES

I. GENERAL TERMS AND CONDITIONS:

- A. Governing Law and Venue:** This Contract has been negotiated and executed in the state of California and shall be governed by and construed under the laws of the state of California. In the event of any legal action to enforce or interpret this Contract, the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California, and the parties hereto agree to and do hereby submit to the jurisdiction of such court, notwithstanding Code of Civil Procedure Section 394. Furthermore, the parties specifically agree to waive any and all rights to request that an action be transferred for adjudication to another county.
- B. Entire Contract:** This Contract, including Attachments A, B, and C which are attached hereto and incorporated herein by this reference, contains the entire Contract between the parties with respect to the matters herein, and there are no restrictions, promises, warranties or undertakings other than those set forth herein or referred to herein. No exceptions, alternatives, substitutes or revisions are valid or binding on Trust unless authorized by Trust in writing. Electronic acceptance of any additional terms, conditions or supplemental Contracts by any Trust employee or agent, including but not limited to installers of software, shall not be valid or binding on Trust unless accepted in writing by Trust's Agent or designee.
- C. Amendments:** No alteration or variation of the terms of this Contract shall be valid unless made in writing and signed by the parties; no oral understanding or agreement not incorporated herein shall be binding on either of the parties; and no exceptions, alternatives, substitutes or revisions are valid or binding on Trust unless authorized by Trust in writing.
- D. Taxes:** Unless otherwise provided herein or by law, price quoted does not include California state sales or use tax. Out-of-state Contractors shall indicate California Board of Equalization permit number and sales permit number on invoices, if California sales tax is added and collectable. If no permit numbers are shown, sales tax will be deducted from payment. The Auditor-Controller will then pay use tax directly to the State of California in lieu of payment of sales tax to the Contractor.
- E. Delivery:** Time of delivery of goods or services is of the essence in this Contract. Trust reserves the right to refuse any goods or services and to cancel all or any part of the goods not conforming to applicable specifications, drawings, samples or descriptions or services that do not conform to the prescribed statement of work. Acceptance of any part of the order for goods shall not bind Trust to accept future shipments nor deprive it of the right to return goods already accepted at Contractor's expense. Over shipments and under shipments of goods shall be only as agreed to in writing by Trust. Delivery shall not be deemed to be complete until all goods or services have actually been received and accepted in writing by Trust.
- F. Acceptance/Payment:** Unless otherwise agreed to in writing by Trust, 1) acceptance shall not be deemed complete unless in writing and until all the goods/services have actually been received, inspected, and tested to the satisfaction of Trust, and 2) payment shall be made in arrears after satisfactory acceptance.

- G. Warranty:** Contractor expressly warrants that the goods covered by this Contract are 1) merchantable and good for the ordinary purposes for which they are used, and 2) fit for the particular purpose for which they are intended. Acceptance of this order shall constitute an agreement upon Contractor's part to indemnify, defend and hold Trust and its indemnitees as identified in paragraph "Z" below, and as more fully described in paragraph "Z," harmless from liability, loss, damage and expense, including reasonable counsel fees, incurred or sustained by Trust by reason of the failure of the goods/services to conform to such warranties, negligent or unlawful acts, and non-compliance with any applicable state or federal codes, ordinances, orders, or statutes. Such remedies shall be in addition to any other remedies provided by law.
- H. Patent/Copyright Materials/Proprietary Infringement:** Unless otherwise expressly provided in this Contract, Contractor shall be solely responsible for clearing the right to use any patented or copyrighted materials in the performance of this Contract. Contractor warrants that any software as modified through services provided hereunder will not infringe upon or violate any patent, proprietary right, or trade secret right of any third party. Contractor agrees that, in accordance with the more specific requirement contained in paragraph "Z" below, it shall indemnify, defend and hold Trust and Trust Indemnitees harmless from any and all such claims and be responsible for payment of all costs, damages, penalties and expenses related to or arising from such claim(s), including, costs and expenses but not including attorney's fees.
- I. Assignment:** The terms, covenants, and conditions contained herein shall apply to and bind the heirs, successors, executors, administrators and assigns of the parties. Furthermore, neither the performance of this Contract nor any portion thereof may be assigned by Contractor without the express written consent of Trust. Any attempt by Contractor to assign the performance or any portion thereof of this Contract without the express written consent of Trust shall be invalid and shall constitute a breach of this Contract.
- J. Non-Discrimination:** In the performance of this Contract, Contractor agrees that it will comply with the requirements of Section 1735 of the California Labor Code and not engage nor permit any subcontractors to engage in discrimination in employment of persons because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, or sex of such persons. Contractor acknowledges that a violation of this provision shall subject Contractor to penalties pursuant to Section 1741 of the California Labor Code.
- K. Termination:** In addition to any other remedies or rights it may have by law, Trust has the right to immediately terminate this Contract without penalty for cause or after 30 days' written notice without cause, unless otherwise specified. Cause shall be defined as any material breach of contract, any misrepresentation or fraud on the part of the Contractor. Exercise by Trust of its right to terminate the Contract shall relieve Trust of all further obligation.

L. Consent to Breach Not Waiver: No term or provision of this Contract shall be deemed waived and no breach excused, unless such waiver or consent shall be in writing and signed by the party claimed to have waived or consented. Any consent by any party to, or waiver of, a breach by the other, whether express or implied, shall not constitute consent to, waiver of, or excuse for any other different or subsequent breach.

M. Independent Contractor: Contractor shall be considered an independent contractor and neither Contractor, its employees, nor anyone working under Contractor shall be considered an agent or an employee of Trust. Neither Contractor, its employees nor anyone working under Contractor shall qualify for workers' compensation or other fringe benefits of any kind through Trust.

N. Performance: Contractor shall warrant all work under this Contract, taking necessary steps and precautions to perform the work to Trust's satisfaction. Contractor shall be responsible for the professional quality, technical assurance, timely completion and coordination of all documentation and other goods/services furnished by the Contractor under this Contract. Contractor shall perform all work diligently, carefully, and in a good and workmanlike manner; shall furnish all necessary labor, supervision, machinery, equipment, materials, and supplies, shall at its sole expense obtain and maintain all permits and licenses required by public authorities, including those of Trust required in its governmental capacity, in connection with performance of the work. If permitted to subcontract, Contractor shall be fully responsible for all work performed by subcontractors.

O. Insurance Provisions: Prior to the provision of services under this Contract, the Contractor agrees to purchase all required insurance at Contractor's expense, including all endorsements required herein, necessary to satisfy the Trust that the insurance provisions of this Contract have been complied with. Contractor agrees to keep such insurance coverage, Certificates of Insurance, and endorsements on deposit with the Trust during the entire term of this Contract. In addition, all subcontractors performing work on behalf of Contractor pursuant to this Contract shall obtain insurance subject to the same terms and conditions as set forth herein for Contractor.

Contractor shall ensure that all subcontractors performing work on behalf of Contractor pursuant to this Contract shall be covered under Contractor's insurance as an Additional Insured or maintain insurance subject to the same terms and conditions as set forth herein for Contractor. Contractor shall not allow subcontractors to work if subcontractors have less than the level of coverage required by Trust from Contractor under this Contract. It is the obligation of Contractor to provide notice of the insurance requirements to every subcontractor and to receive proof of insurance prior to allowing any subcontractor to begin work. Such proof of insurance must be maintained by Contractor through the entirety of this Contract for inspection by Trust representative(s) at any reasonable time.

All self-insured retentions (SIRs) shall be clearly stated on the Certificate of Insurance. Any self-insured retention (SIR) in an amount in excess of Fifty Thousand Dollars (\$50,000) shall specifically be approved by the Trust's Risk Manager, or designee, upon review of Contractor's current audited financial report. If Contractor's SIR is approved, Contractor, in addition to, and without limitation of, any other indemnity provision(s) in this Contract, agrees to all of the following:

- 1) In addition to the duty to indemnify and hold the Trust harmless against any and all liability, claim, demand or suit resulting from Contractor's, its agents, employee's or subcontractor's performance of this Contract, Contractor shall defend the Trust at its sole cost and expense with counsel approved by Board of Directors against same; and
- 2) Contractor's duty to defend, as stated above, shall be absolute and irrespective of any duty to indemnify or hold harmless; and
- 3) The provisions of California Civil Code Section 2860 shall apply to any and all actions to which the duty to defend stated above applies, and the Contractor's SIR provision shall be interpreted as though the Contractor was an insurer and the Trust was the insured.

If the Contractor fails to maintain insurance acceptable to the Trust for the full term of this Contract, the Trust may terminate this Contract.

Qualified Insurer:

The policy or policies of insurance must be issued by an insurer with a minimum rating of A- (Secure A.M. Best's Rating) and VIII (Financial Size Category as determined by the most current edition of the Best's Key Rating Guide/Property-Casualty/United States or ambest.com). It is preferred, but not mandatory, that the insurer be licensed to do business in the state of California (California Admitted Carrier).

If the insurance carrier does not have an A.M. Best Rating of A-/VIII, the Trust retains the right to approve or reject a carrier after a review of the company's performance and financial ratings.

The policy or policies of insurance maintained by the Contractor shall provide the minimum limits and coverage as set forth below:

| Coverage | Minimum Limits |
|---|---|
| Commercial General Liability | \$1,000,000 per occurrence \$2,000,000 aggregate |
| Automobile Liability including coverage for owned, non-owned and hired vehicles | \$1,000,000 per occurrence |
| Workers' Compensation | Statutory |
| Employers' Liability Insurance | \$1,000,000 per occurrence |
| Professional Liability Insurance | \$1,000,000 per claims made per occurrence |

Required Coverage Forms:

The Commercial General Liability coverage shall be written on Insurance Services Office (ISO) form CG 00 01, or a substitute form providing liability coverage at least as broad.

The Business Auto Liability coverage shall be written on ISO form CA 00 01, CA 00 05, CA 0012, CA 00 20, or a substitute form providing coverage at least as broad.

Required Endorsements:

The Commercial General Liability policy shall contain the following endorsements, which shall accompany the Certificate of insurance:

- 1) An Additional Insured endorsement using ISO form CG 20 26 04 13 or a form at least as broad naming the *Trust, its elected and appointed officials, officers, agents and employees* as Additional Insureds, or provide blanket coverage, which will state ***AS REQUIRED BY WRITTEN CONTRACT.***
- 2) A primary non-contributing endorsement using ISO form CG 20 01 04 13, or a form at least as broad evidencing that the Contractor's insurance is primary and any insurance or self-insurance maintained by the Trust shall be excess and non-contributing.

The Workers' Compensation policy shall contain a waiver of subrogation endorsement waiving all rights of subrogation against the *Trust, its elected and appointed officials, officers, agents and employees* or provide blanket coverage, which will state ***AS REQUIRED BY WRITTEN CONTRACT.***

All insurance policies required by this Contract shall waive all rights of subrogation against the Trust, its elected and appointed officials, officers, agents and employees when acting within the scope of their appointment or employment.

Contractor shall notify Trust in writing within thirty (30) days of any policy cancellation and ten (10) days for non-payment of premium and provide a copy of the cancellation notice to Trust. Failure to provide written notice of cancellation may constitute a material breach of the Contract, upon which the Trust may suspend or terminate this Contract.

The Commercial General Liability policy shall contain a severability of interest's clause also known as a "separation of insured" clause (standard in the ISO CG 0001 policy).

Insurance certificates should be forwarded to the agency/department address listed on the solicitation.

If the Contractor fails to provide the insurance certificates and endorsements within seven (7) days of notification by CEO/Purchasing or the agency/department purchasing division, award may be made to the next qualified vendor.

Trust expressly retains the right to require Contractor to increase or decrease insurance of any of the above insurance types throughout the term of this Contract. Any increase or decrease in insurance will be as deemed by Trust Risk Manager as appropriate to adequately protect Trust.

Trust shall notify Contractor in writing of changes in the insurance requirements. If Contractor does not deposit copies of acceptable Certificates of Insurance and endorsements

with Trust incorporating such changes within thirty (30) days of receipt of such notice, this Contract may be in breach without further notice to Contractor, and Trust shall be entitled to all legal remedies.

The procuring of such required policy or policies of insurance shall not be construed to limit Contractor's liability hereunder nor to fulfill the indemnification provisions and requirements of this Contract, nor act in any way to reduce the policy coverage and limits available from the insurer.

P. Changes: Contractor shall make no changes in the work or perform any additional work without the Trust's specific written approval.

Q. Change of Ownership/Name, Litigation Status, Conflicts with Trust Interests: Contractor agrees that if there is a change or transfer in ownership of Contractor's business prior to completion of this Contract, and the Trust agrees to an assignment of the Contract, the new owners shall be required under the terms of sale or other instruments of transfer to assume Contractor's duties and obligations contained in this Contract and complete them to the satisfaction of the Trust.

Trust reserves the right to immediately terminate the Contract in the event the Trust determines that the assignee is not qualified or is otherwise unacceptable to the Trust for the provision of services under the Contract.

In addition, Contractor has the duty to notify the Trust in writing of any change in the Contractor's status with respect to name changes that do not require an assignment of the Contract. The Contractor is also obligated to notify the Trust in writing if the Contractor becomes a party to any litigation against the Trust, or a party to litigation that may reasonably affect the Contractor's performance under the Contract, as well as any potential conflicts of interest between Contractor and Trust that may arise prior to or during the period of Contract performance. While Contractor will be required to provide this information without prompting from the Trust any time there is a change in Contractor's name, conflict of interest or litigation status, Contractor must also provide an update to the Trust of its status in these areas whenever requested by the Trust.

The Contractor shall exercise reasonable care and diligence to prevent any actions or conditions that could result in a conflict with Trust interests. In addition to the Contractor, this obligation shall apply to the Contractor's employees, agents, and subcontractors associated with the provision of goods and services provided under this Contract. The Contractor's efforts shall include, but not be limited to establishing rules and procedures preventing its employees, agents, and subcontractors from providing or offering gifts, entertainment, payments, loans or other considerations which could be deemed to influence or appear to influence Trust staff or elected officers in the performance of their duties.

R. Force Majeure: Contractor shall not be assessed with liquidated damages or unsatisfactory performance penalties during any delay beyond the time named for the performance of this Contract caused by any act of God, war, civil disorder, employment strike or other cause beyond its reasonable control, provided Contractor gives written notice of the cause of the delay to Trust within 36 hours of the start of the delay and Contractor avails himself of any available remedies.

S. Confidentiality: Contractor agrees to maintain the confidentiality of all Trust and Trust-related records and information pursuant to all statutory laws relating to privacy and confidentiality that currently exist or exist at any time during the term of this Contract. All such records and information shall be considered confidential and kept confidential by Contractor and Contractor's staff, agents and employees.

Contractor's confidentiality obligations in this Contract and the obligations of this Section shall survive the termination or expiration of the Contract and all related subordinate contracts.

T. Compliance with Laws: Contractor represents and warrants that services to be provided under this Contract shall fully comply, at Contractor's expense, with all standards, laws, statutes, restrictions, ordinances, requirements, and regulations (collectively "laws"), including, but not limited to those issued by Trust in its governmental capacity and all other laws applicable to the services at the time services are provided to and accepted by Trust. Contractor acknowledges that Trust is relying on Contractor to ensure such compliance, and pursuant to the requirements of paragraph "Z" below, Contractor agrees that it shall defend, indemnify and hold Trust and Trust Indemnities harmless from all liability, damages, costs and expenses arising from or related to a violation of such laws.

U. [INTENTIONALLY OMITTED.]

V. Severability: If any term, covenant, condition or provision of this Contract is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.

W. Attorney Fees: In any action or proceeding to enforce or interpret any provision of this Contract, each party shall bear their own attorney's fees, costs and expenses.

X. Interpretation: This Contract has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with in this Contract. In addition, each party had been represented by experienced and knowledgeable independent legal counsel of their own choosing or has knowingly declined to seek such counsel despite being encouraged and given the opportunity to do so. Each party further acknowledges that they have not been influenced to any extent whatsoever in executing this Contract by any other party hereto or by any person representing them, or both. Accordingly, any rule or law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Contract against the party that has drafted it is not applicable and is waived. The provisions of this Contract shall be interpreted in a reasonable manner to effect the purpose of the parties and this Contract.

Y. Employee Eligibility Verification: The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirement set forth in Federal statutes and regulations. The Contractor shall obtain,

from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal or State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, 8 U.S.C. §1324 et seq., as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by the law. The Contractor shall indemnify, defend with counsel approved in writing by Trust, and hold harmless, the Trust, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the Trust or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

Z. Indemnification: Contractor agrees to indemnify, defend with counsel approved in writing by Trust, and hold Trust, its elected and appointed officials, officers, employees, agents and those special districts and agencies which Trust's Board of Directors acts as the governing Board ("Trust Indemnitees") harmless from any claims, demands or liability of any kind or nature, including but not limited to personal injury or property damage, arising from or related to the services, products or other performance provided by Contractor pursuant to this Contract. If judgment is entered against Contractor and Trust by a court of competent jurisdiction because of the concurrent active negligence of Trust or Trust Indemnitees, Contractor and Trust agree that liability will be apportioned as determined by the court. Neither party shall request a jury apportionment.

AA. Audits/Inspections: Contractor agrees to permit the Trust's Auditor-Controller or the Auditor-Controller's authorized representative (including auditors from a private auditing firm hired by the Trust) access during normal working hours to all books, accounts, records, reports, files, financial records, supporting documentation, including payroll and accounts payable/receivable records, and other papers or property of Contractor for the purpose of auditing or inspecting any aspect of performance under this Contract. The inspection and/or audit will be confined to those matters connected with the performance of the Contract including, but not limited to, the costs of administering the Contract. The Trust will provide reasonable notice of such an audit or inspection.

The Trust reserves the right to audit and verify the Contractor's records before final payment is made.

Contractor agrees to maintain such records for possible audit for a minimum of three years after final payment, unless a longer period of records retention is stipulated under this Contract or by law. Contractor agrees to allow interviews of any employees or others who might reasonably have information related to such records. Further, Contractor agrees to include a similar right to the Trust to audit records and interview staff of any subcontractor related to performance of this Contract.

Should the Contractor cease to exist as a legal entity, the Contractor's records pertaining to this agreement shall be forwarded to the Trust's project manager.

BB. Contingency of Funds: Contractor acknowledges that funding or portions of funding for this Contract may be contingent upon state budget approval; receipt of funds from, and/or

obligation of funds by, the state of California to Trust; and inclusion of sufficient funding for the services hereunder in the budget approved by Trust's Board of Directors for each fiscal year covered by this Contract. If such approval, funding or appropriations are not forthcoming, or are otherwise limited, Trust may immediately terminate or modify this Contract without penalty.

- CC. Expenditure Limit:** The Contractor shall notify the Trust assigned Agent in writing when the expenditures against the Contract reach 75 percent of the dollar limit on the Contract. The Trust will not be responsible for any expenditure overruns and will not pay for work exceeding the dollar limit on the Contract unless a change order to cover those costs has been issued.

II. ADDITIONAL TERMS AND CONDITIONS:

1. **Scope of Contract:** This Contract specifies the contractual terms and conditions by which the Trust will procure services from Contractor as set forth in the Scope of Work, attached hereto as Attachment A and incorporated by this reference.
2. **Term of Contract:** This Contract shall commence on **TBD** or upon execution of all necessary signatures, whichever comes later, and continue for five calendar years from that date, unless otherwise terminated by Trust.
3. **Compensation/Payment:** The Contractor agrees to accept the specified compensation, as set forth in Attachment B – Compensation/Payment, as full remuneration for performing all services and materials called for. The Contractor assumes responsibility for performance of all its duties and obligations hereunder.
5. **Usage:** No guarantee is given by the Trust to the Contractor regarding usage of this Contract. Usage figures, if provided, are approximations. The Contractor agrees to supply services and/or commodities requested, as needed by the Trust, at rates/prices listed in the Contract, regardless of quantity requested.
6. **Adjustments-Scope of Work:** No adjustments made to the scope of work will be authorized or paid for without prior written approval of the Trust assigned Agent.
7. **Authorization Warranty:** The Contractor represents and warrants that the person executing this Contract on behalf of and for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition and obligation of this Contract and that all requirements of the Contractor have been fulfilled to provide such actual authority.
8. **[INTENTIONALLY OMITTED.]**
9. **Breach of Contract:** The failure of the Contractor to comply with any of the provisions, covenants or conditions of this Contract shall be a material breach of this Contract. In such event the Trust may, and in addition to any other remedies available at law, in equity, or otherwise specified in this Contract:

- a. Terminate the Contract immediately, pursuant to Section K herein;
- b. Afford the Contractor written notice of the breach and ten (10) calendar days or such shorter time that may be specified in this Contract within which to cure the breach;
- c. Discontinue payment to the Contractor for and during the period in which the Contractor is in breach; and

11. [INTENTIONALLY OMITTED.]

12. Conditions Affecting Work: The Contractor shall be responsible for taking all steps reasonably necessary to ascertain the nature and location of the work to be performed under this Contract and to know the general conditions which can affect the work or the cost thereof. Any failure by the Contractor to do so will not relieve Contractor from responsibility for successfully performing the work without additional cost to the Trust. The Trust assumes no responsibility for any understanding or representations concerning the nature, location(s) or general conditions made by any of its officers or agents prior to the execution of this Contract, unless such understanding or representations by the Trust are expressly stated in the Contract.

13. Conflict of Interest – Contractor’s Personnel: The Contractor shall exercise reasonable care and diligence to prevent any actions or conditions that could result in a conflict with the best interests of the Trust. This obligation shall apply to the Contractor; the Contractor’s employees, agents, and subcontractors associated with accomplishing work and services hereunder. The Contractor’s efforts shall include, but not be limited to establishing precautions to prevent its employees, agents, and subcontractors from providing or offering gifts, entertainment, payments, loans or other considerations which could be deemed to influence or appear to influence Trust staff or elected officers from acting in the best interests of the Trust.

14. Conflict of Interest – Trust Personnel: The Trust Board of Directors policy prohibits its employees from engaging in activities involving a conflict of interest. The Contractor shall not, during the period of this Contract, employ any Trust employee for any purpose.

15. Contractor’s Records: The Contractor shall keep true and accurate accounts, records, books and data which shall correctly reflect the business transacted by the Contractor in accordance with generally accepted accounting principles. Storage of records in another county will require written approval from the Trust assigned Agent.

16. Contractor Personnel – Reference Checks: The Contractor warrants that all persons employed to provide service under this Contract have satisfactory past work records indicating their ability to adequately perform the work under this Contract. Contractor's employees assigned to this project must meet character standards as demonstrated by background investigation and reference checks, coordinated by the agency/department issuing this Contract.

17. Covenant against Contingent Fees: Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of getting business.

For breach or violation of this warranty, the Trust shall have the right to terminate this Contract in accordance with the termination clause and, its sole discretion, to deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee from the Contractor.

18. Data-Title to: All materials, documents, data or information obtained from the Trust data files or any Trust medium furnished to the Contractor in the performance of this Contract will at all times remain the property of the Trust. All materials, documents, data or information, including copies, must be returned to the Trust at the end of this Contract.

19. Debarment: Contractor certifies that neither contractor nor its principles are presently debarred, proposed for debarment, declared ineligible or voluntarily excluded from participation in the transaction by any Federal department or agency. Where contractor as the recipient of recipient of federal funds, is unable to certify to any of the statements in the certification, Contractor must include an explanation with their bid/proposal. Debarment, pending debarment, declared ineligibility or voluntary exclusion from participation by any Federal department or agency may result in the bid/proposal being deemed non-responsible.

20. Disputes – Contracts:

A. The parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute concerning a question of fact arising under the terms of this Contract is not disposed of in a reasonable period of time by the Contractor's Project Manager and the Trust's Project Manager, such matter shall be brought to the attention of the Trust Agent by way of the following process:

1. The Contractor shall submit to the agency/department assigned Deputy Purchasing Agent a written demand for a final decision regarding the disposition of any dispute

between the parties arising under, related to, or involving this Contract, unless the Trust, on its own initiative, has already rendered such a final decision.

2. The Contractor's written demand shall be fully supported by factual information, and, if such demand involves a cost adjustment to the Contract, the Contractor shall include with the demand a written statement signed by a senior official indicating that the demand is made in good faith, that the supporting data are accurate and complete, and that the amount requested accurately reflects the Contract adjustment for which the Contractor believes the Trust is liable.

B. Pending the final resolution of any dispute arising under, related to, or involving this Contract, the Contractor agrees to diligently proceed with the performance of this Contract, including the delivery of goods and/or provision of services. The Contractor's failure to diligently proceed shall be considered a material breach of this Contract.

Any final decision of the Trust shall be expressly identified as such, shall be in writing, and shall be signed by the Trust Agent or his designee. If the Trust fails to render a decision within 90 days after receipt of the Contractor's demand, it shall be deemed a final decision adverse to the Contractor's contentions. For breach or violation of this warranty, the Trust shall have the right to terminate the Contract, either in whole or in part, and any loss or damage sustained by the Trust in procuring on the open market any goods or services which the Contractor agreed to supply shall be borne and paid for by the Contractor. the Contractor's Project Manager from providing services to the Trust under this Contract. The Trust's Project manager shall notify the Contractor in writing of such action. The Trust is not required to provide any additional information, reason or rationale in the event it requires the removal of Contractor's Project Manager from providing further services under the Contract.

- 29. Remedies Not Exclusive:** The remedies for breach set forth in this Contract are cumulative as to one another and as to any other provided by law, rather than exclusive; and the expression of certain remedies in this Contract does not preclude resort by either party to any other remedies provided by law.

- 30. Reports/Meetings:** The Trust's Project Manager and the Contractor's Project Manager will meet on reasonable notice to discuss the Contractor's performance and progress under this Contract. If requested, the Contractor's Project Manager and other project personnel shall attend all meetings. The Contractor shall develop reports and any other relevant documents necessary to complete the services and requirements as set forth in Attachment A, Scope of Work.

- 32. Subcontracting:** No performance of this Contract or any portion thereof may be subcontracted by the Contractor without the express written consent of the Trust. Any attempt by the Contractor to subcontract any performance of this Contract without the

express written consent of the Trust shall be invalid and shall constitute a breach of this Contract.

In the event that the Contractor is authorized by the Trust to subcontract, this Contract shall take precedence over the terms of the Contract between Contractor and subcontractor, and shall incorporate by reference the terms of this Contract. The Trust shall look to the Contractor for performance and indemnification and not deal directly with any subcontractor. All work performed by a subcontractor must meet the approval of the Trust.

- 33. Substitutions:** The Contractor is required to meet all specifications and requirements contained herein. No substitutions will be accepted without prior Trust written approval.
- 34. Termination – Default:** If Contractor is in default of any of its obligations under this Contract and has not commenced cure within ten days after receipt of a written notice of default from Trust and cured such default within the time specified in the notice, the Trust shall immediately be entitled to either commence resolution in accordance with this paragraph or to terminate this Contract by giving written notice to take effect immediately. Default shall include failure to carry out any of the requirements of this Contract, including but not limited to not providing enough properly skilled workers or proper materials, persistently disregarding laws and or ordinances, not proceeding with the work as agreed to herein, or otherwise substantially violating any provision of this Contract. Upon termination of the Contract with Contractor, the Trust may begin negotiations with a third-party contractor to provide services as specified in this Contract.
- 35. Termination – Orderly:** After receipt of a termination notice from the Trust, the Contractor shall submit to the Trust a termination claim, if applicable. Such claim shall be submitted promptly, but in no event later than sixty (60) days from the effective date of the termination, unless one or more extensions in writing are granted by the Trust upon written request of the Contractor. Upon termination, Trust agrees to pay the Contractor for all services performed prior to termination which meet the requirements of the Contract, provided, however, that such compensation plus previously paid compensation shall not exceed the total compensation set forth in the Contract. Upon termination or other expiration of this Contract, each Party shall promptly return to the other Party all papers, materials, and other properties of the other held by each for purposes of execution of the Contract. In addition, each Party will assist the other Party in orderly termination of this Contract and the transfer of all aspects, tangible and intangible, as may be necessary for the orderly, non-disruptive business continuation of each Party.
- 36. Title to Data:** All materials, documents, data or information obtained from the Trust data files or any Trust medium furnished to the Contractor in the performance of this Contract will at all times remain the property of the Trust. Such data or information may not be used or copied for direct or indirect use by the Contractor after completion or termination of this Contract. All materials, documents, data or information, including any copies, and all Trust Employees Workers' Compensation claim files, must be returned to the Trust at the end of this Contract.

37. Waivers-Contract: The failure of the Trust in any one or more instances to insist upon strict performance of any of the terms of this Contract or to exercise any option contained herein shall not be construed as a waiver or relinquishment to any extent of the right to assert or rely upon any such terms or option on any future occasion.

38. Contract Award – Multiple: The Trust reserves the right, at its sole discretion, to make multiple awards to bidders/proposers for services requested in this solicitation.

The mission of the Trust is to strengthen the communities in Orange County by financing the development of affordable housing for homeless and low-income individuals and families. The Trust is working to achieve this mission by contributing to the construction of 2,700 permanent supportive housing units and working to secure funding that will contribute to additional affordable housing units by 2025.

During its first three years of operation, the Trust has awarded over \$28.4 million to fifteen affordable housing communities throughout Orange County. The Trust expects to be able to award approximately \$10 million per year through 2025 for additional affordable communities in the County, and is looking for additional funding from private donations and other government sources so it may continue to provide financing for communities past 2025.

Agenda Item 6
2023 Notice of Funding
Availability

REQUEST FOR ORANGE COUNTY HOUSING FINANCE TRUST (TRUST) BOARD ACTION

MEETING DATE: January 18, 2023

SUBJECT: Approve 2023 Notice of Funding Availability (NOFA); and authorize issuance of NOFA on January 24, 2023.

Adam B. Eliason, Manager

RECOMMENDED ACTION:

APPROVE THE TRUST 2022 NOTICE OF FUNDING AVAILABILITY (NOFA) TO FINANCE THE DEVELOPMENT OF AFFORDABLE AND PERMANENT SUPPORTIVE HOUSING AND AUTHORIZE THE ISSUANCE OF THE NOFA ON FEBRUARY 6, 2023.

BACKGROUND:

The Trust 2023 NOFA is substantially similar to the NOFAs issued by the Trust in 2022. The Trust 2023 NOFA has been updated to incorporate changes requested by the Trust Board and to clarify questions submitted by applicants.

The Trust 2023 NOFA will make \$18,188,987.20 available for project financing of affordable and permanent supportive housing. The available funds come from four sources:

1. 2023 County Mental Health Services Act (MHSA) (\$2,438,987.20)
2. Contingent County Mental Health Services Act (MHSA) (\$10,000,000)
3. County General Fund (\$1,000,000)
4. State of California - Local Housing Trust Fund (LHTF) Program (\$4,750,000)

This NOFA only includes a portion of the Trust's 2023 MHSA funds. The other portion is being used in the Second Round 2022 NOFA for Irvine and Yorba Linda as matching funds for 2022 LHTF Program funds.

However, the 2023 NOFA also includes \$10 million in additional MHSA funds that Trust and County staff are currently working on to transfer to the Trust. These additional MHSA funds are listed in the NOFA as contingent funds, based on future Trust Board and Board of Supervisors approval. It is anticipated that an agreement for these additional funds will come to the Trust Board at the next Board meeting in March, and that the agreement would go before the Board of Supervisors for consideration prior to the Trust Board making its funding commitments under this NOFA in May.

The State of California's Housing and Community Development (HCD) Local Housing Trust Fund (LHTF) program requires a dollar-for-dollar match to receive their funds. The Trust is eligible for up to \$5 million through the LHTF program, as long as, the Trust has at least \$5 million in matching funds that will be used for eligible projects. If the Trust secures the maximum \$5 million award under the LHTF program, then \$4,750,000 will be available for capital funding of eligible projects and \$250,000 (5%) will be allocated and available for Trust administrative operating expenses.

The following is a summary of the substantive changes to the 2023 NOFA:

1. Additional \$10 million in contingent MHSA funds;
2. Added requirement that projects must be in cities that are in compliance with State housing law to be eligible for LHTF funds;
3. Updated per unit loan limit for MHSA funded units to 2023 rates;
4. Limited borrower partnership management fees to \$15,000/year;
5. Removed Veterans Affairs Supportive Housing (VASH) vouchers as an eligible source of operating subsidy for MHSA-funded units since the funding sources are not compatible with one another;
6. Increased the number of points for projects found on the Trust's development pipeline report from 1 to 10; and,
7. Added a requirement to include a 55-year cashflow analysis in the project proforma in the event that the project does not show any repayment of the Trust's loan during the first 15 years of operation.

It is proposed that this NOFA be issued on February 6, 2023, with the application deadline on March 22, 2023. Trust staff will bring a project funding recommendation to the Board at the May 17, 2023, Board Meeting.

A clean and redlined version of the 2023 Trust NOFA is provided as Attachment A and B. Staff recommends approval of this agenda item.

Section 1 INTRODUCTION

This 2023 Permanent Supportive and Affordable Housing Notice of Funding Availability (NOFA) announces the availability of eighteen million, one-hundred eighty-eight thousand, nine-hundred eighty-seven dollars and twenty cents (\$18,188,987.20) in Orange County Housing Finance Trust (OCHFT) (the “Trust”) funds to promote the new construction or acquisition/rehabilitation of Permanent Supportive and Affordable Housing for Orange County’s extremely low-income households, and those experiencing homelessness by providing below market rate financing. Interested and qualified developers who can successfully demonstrate their ability to acquire, build or substantially rehabilitate, and operate Permanent Supportive and Affordable Housing are encouraged to submit proposals.

The initial NOFA application deadline shall be approximately 50 days after the release of this NOFA. All applications submitted within the NOFA application period shall be reviewed by Trust staff to ensure compliance with all threshold requirements and shall be competitively scored. Applications received after the NOFA application period will be considered if funding is still available from the initial round of applications.

The Trust is committed to serving the County’s needs for Permanent Supportive and Affordable Housing. Projects in each County Service Planning Area (North, Central, and South) shall compete only against other projects within their Service Planning Area, with the goal of each Service Planning Area receiving an equal amount of funding through this NOFA. If all the funds are not committed in each Service Planning Area, then any remaining funds shall be made available to the other Service Planning Areas if there is remaining demand for funds.

The sources of capital funds made available for this NOFA are the following:

| | |
|--|-----------------|
| 1. 2023 County Mental Health Services Act | \$2,438,987.20 |
| 2. Contingent County Mental Health Services Act ¹ | \$10,000,000 |
| 3. County General Fund | \$1,000,000 |
| 4. State of California - Local Housing Trust Fund Program ² | \$4,750,000 |
| TOTAL | \$18,188,987.20 |

NOTES:

- 1. The Trust is currently working with the County for additional Mental Health Services Act (MHSA) funds. It is anticipated that an amendment to the Grant Agreement for MHSA funds will be considered by the Board of Supervisors and Trust Board in the first half of 2023.*
- 2. The Trust will be applying for funding from the State of California – Local Housing Trust Funds in 2023. These funds are contingent upon actual award from the State in the winter of 2023.*

The Trust reserves the right to increase or decrease the amount in this NOFA at the direction of the Orange County Housing Finance Trust Board.

Section 2 PROGRAM DESCRIPTION

2.01 FUNDS AVAILABLE

Up to eighteen million, one-hundred eighty-eight thousand, nine-hundred eighty-seven dollars and twenty cents (\$18,188,987.20) is made available from Trust. Of that, four million, seven-hundred fifty thousand dollars (\$4,750,000) is from the Local Housing Trust Fund (LHTF) Program, which requires a local match to receive. To maximize the Orange County Housing Finance Trust's award under this program, the Trust must award at least \$5 million from other funding sources. The only other funding sources available to the Trust are \$1 million from the County of Orange General Fund and over \$12.4 million in Mental Health Services Act (MHSA) funds.

Funding will be made available to projects with and without MHSA units. Up to one million, nine-hundred fifty thousand dollars (\$1,950,000) will be made available to projects without MHSA units. Up to sixteen million, two-hundred thirty-eight thousand, nine-hundred eight-seven dollars and twenty cents (\$16,238,987.20) will be made available for funding of projects that include MHSA units. Funds originating from the LHTF program may be used for non-MHSA units within projects receiving MHSA funds through the Trust.

2.02 FUNDING REALLOCATION

In the event that the Trust does not receive the maximum award from the LHTF Program for which it is eligible, or the Trust does not receive the additional \$10 million in MHSA funds from the County, the amount of funds available through this NOFA will be decreased. If the LHTF Program award is less than what is anticipated, or the Trust does not receive the additional MHSA funds from the County, at the time of Trust Board approval of project funding, the Trust will reduce the funding of each project awarded funds by a proportional amount to the reduction in LHFT and/or MHSA funding. The purpose of this even proportional reduction to all projects is to ensure that no single project, or subset of projects, receives the majority of the funding cut, and to ensure that all projects funded by the Trust remain viable. By applying for funding under this NOFA, Applicants agree and understand that the funding awards for projects funded with LHFT funding may be lower than initially awarded.

2.03 MENTAL HEALTH SERVICES ACT (MHSA) ALLOCATION

Projects seeking MHSA funds must be reviewed by the Orange County Health Care Agency. Applicants are encouraged to submit their projects to the Health Care Agency, as soon as possible, and must meet with the Health Care Agency no later than March 8, 2023 to initiate the Health Care Agency's review process. More information regarding this requirement can be found in Section 5.10, *Health Care Agency Acknowledgement Letter*.

2.04 SERVICE PLANNING AREA ALLOCATION

The County of Orange has divided the County into three County Service Planning Areas (SPAs), North, Central, and South. The Orange County Housing Finance Trust shall use the SPAs to ensure equal distribution of Trust loan money across the County. Each SPA will be allocated one-third (1/3rd) of the funding available under this NOFA. In the event there are not enough eligible projects in each SPA to use the full allocation, those funds may be allocated to fund other projects in other SPAs at the discretion of the Trust Board.

2.05 ELIGIBLE PROJECTS

Projects eligible under this NOFA must be located within unincorporated County of Orange or within Trust member cities (See Attachment A). The only exception is for projects seeking only MHSA funding from this NOFA, which is required to be available county wide, including non-member cities. To be eligible for LHTF funds, projects must be in cities that are in compliance with State housing law, as determined by the California Department of Housing and Community Development (HCD) as of the date the Trust applies for LHTF funds. HCD has not yet specified the deadline for this year's LHTF application, but it is anticipated to be towards the end of May 2023. At the time of issuance of this NOFA, the Trust member cities in compliance with State housing law are:

- Dana Point;
- Fountain Valley;
- Irvine;
- Newport Beach;
- San Juan Capistrano;
- Santa Ana;
- Stanton;
- Tustin; and
- Yorba Lina.

It is encouraged that applicants with projects in member cities not in compliance with State housing law at the time of issuance of this NOFA contact the city's planning department to determine if the city will be in compliance by May 2023 prior to applying for LHTF funds through this NOFA.

Projects must include a minimum of five (5) units which are assisted under this NOFA and must provide permanent supportive or affordable housing restricted to persons or families who qualify as extremely low income. Proposals must include a plan and eventual funding for the provision of supportive services appropriate to the needs of the designated population, if supportive services are being proposed.

Applicants who are awarded LHTF funds through this NOFA must comply with the State of California Housing and Community Development (HCD) 2017 Uniform Multifamily Regulations (UMR). The 2017 UMR can be found on HCD's website at <https://www.hcd.ca.gov/grants-and-funding/uniform-multifamily-regulations>.

2.06 ELIGIBLE APPLICANTS

Proposals will be accepted from non-profit and for-profit organizations, joint ventures, or partnerships that serve extremely low-income households, and those experiencing homelessness.

2.07 ELIGIBLE ACTIVITIES

Funds shall be used to develop permanent supportive or affordable rental housing through new construction, acquisition/rehabilitation and/or conversion of commercial and light industrial to residential use on a case-by-case basis.

2.08 ELIGIBLE COSTS

Under this NOFA, funds may be used for construction loan financing and/or permanent loan financing. To the extent that all sources of project funding has been secured and are a part of either the construction loan and/or the permanent loan the following costs are eligible: "hard" costs of construction or rehabilitation of housing, "soft" costs associated with acquisition, financing, and/or rehabilitation. "Soft" costs include marketing costs (not to exceed \$1,500 per unit), appraisals, architectural and engineering fees, individual apartment furnishings, certain common area

furnishings (not to exceed \$1,000 per unit), building permit fees, credit reports, environmental assessments, impact fees, legal and accounting costs, private lender origination fees, recording fees, surety fees, and title insurance. An overall cost limitation of fourteen percent (14%) of the cost of construction shall apply to contractor overhead, profit, and general requirements, excluding contractor's general liability insurance. For purposes of contractor overhead and profit, the cost of construction includes site work, structures, prevailing wages, and general requirements. For purposes of general requirements, the cost of construction includes offsite improvements, demolition and site work, structures, and prevailing wages.

2.09 AFFORDABILITY COVENANT

Restricted units must remain affordable for the remaining life of the project, which shall be no less than fifty-five (55) years. A restrictive covenant will be recorded against the property to ensure affordability during the term of the agreement. All projects shall be required to agree to maintain the project's affordability for the term of the restrictive covenant, regardless of whether the loan is fully repaid.

The annual reporting requirements will be outlined in the Regulatory Agreement. Projects receiving funds from the Trust shall report annually certifying that they are in compliance with the occupancy and affordability requirements of the Regulatory Agreement.

Program Compliance shall utilize a two-step monitoring process that provides for monitoring of all affordable housing developments financed with funds from the Trust. Monitoring of each development will occur in two phases: Phase 1: In-house review of annual reports, and Phase 2: Annual on-site monitoring visit, which shall include monitoring of tenant files in accordance with the affordability and income restrictions of the restrictive covenant and a Housing Quality Standards (HQS) inspection.

2.10 LOAN AWARD TERMS & CONDITIONS

Applicants shall agree to the Loan Award Terms and Conditions detailed in this section, and included in Attachment E, *Loan Application Underwriting Criteria*, as part of any funding award. Failure to accept these Loan Award Term and Conditions will result in forfeiture of any funding award.

2.10.1 **Funding Timing:** Loan funds will be made available at the closing of the construction loan and/or closing of the permanent loan and is subject to the timing of HCD final approval of the Loan documents. However, no loan funds, or hard loan commitments, will be made available prior to the award of funds to the Trust through the LHTF Program. The Trust **will not** bifurcate award funding in order to meet closing dates occurring before additional funding is awarded through the LHTF Program.

2.10.2 **Interest Rate:** Loans will bear an interest rate of three percent (3%) simple interest. Interest will be calculated based on a 360-day year and the actual number of days elapsed. The Orange County Housing Finance Trust reserves the right to renegotiate this rate for the benefit of the Trust and the project.

2.10.3 **Term:** Loans will be for a term of fifty-five (55) years, from the date of Certificate of Occupancy.

2.10.4 **Loan Repayment:** The Trust loan will be repaid through residual receipts.

An amount equal to fifty percent (50%) of Net Operating Income (as defined in Section 2.10.5, *Residual Receipts Loans*, below), if any, will be paid to the Trust and other public agencies (if any) providing residual receipts loans, and fifty percent (50%) to the developer. The 50% of cash flow payable to public agencies shall be shared by agencies in an amount proportional to the loan provided by such agencies. The value of non-loan contributions by other agencies (i.e. ground lease, project-based vouchers) shall not be considered as part of the loan value when calculating the Trust's share of the residual receipts split.

2.10.5 Residual Receipts Loans: The following is the definition of a residual receipts loan, which will be used by the Trust to underwrite projects:

The loan for the project will be repaid from the Net Operating Income (NOI), if any, from the project as calculated ninety (90) days after the close of each fiscal year. NOI shall mean all of the rental revenue from the residential portion of the project (the "Annual Project Revenue") less (i) operating expenses of the project as approved by the Trust (the "Annual Operating Expenses") in an annual audit submitted by the developer and approved by the Trust; (ii) obligated debt service payments on the Project as approved by the Trust; (iii) scheduled deposits to reserves, as approved by the Trust; (iv) deferred developer fees, as approved by the Trust; and (v) partnership management or asset management fees as approved by the Trust.

Annual Project Revenue shall not include tenant security deposits, capital contributions, insurance or condemnation proceeds, income received for the purpose of completing the project, or funding received for the purpose of social services to the residents.

By applying to this NOFA, Applicant understands and agrees to the definitions stated above and must use these assumptions in the further underwriting of their project.

Exclusions to NOI: It is the policy of the Trust that the following costs, fees, charges, penalties, judgments and the like shall not be deducted from the Annual Project Revenue by the developer thereby reducing the amount of NOI available to pay the Trust's loan, including those arising out of: (i) a breach or default of the Trust's loan or any other mortgage loan on the project, (ii) the fraud, negligence or willful misconduct of developer, (iii) the failure to make timely payments under any loan secured by the project, (iv) the breach or default by developer under any other contract, lease or agreement pertaining to the project; and (v) any other cost, expense, fee or the like which is not first approved by the Trust. The approved Operating Expenses of the project shall also not include other expenses such as intra-partnership or other internal loans of the operating entity, depreciation, amortization, accrued principal and interest expense on the deferred payment debt and capital improvement expenditures unless approved by the Trust.

2.10.6 **Security:** The loan shall be evidenced by a promissory note and secured by a deed of trust.

2.10.7 **Subordination:** The Orange County Housing Finance Trust may, at its sole discretion, subordinate repayment, security positions, and affordability covenants to a conventional lender or other public agency lenders such as the State of California HCD, County of Orange, city loans, and CalHFA or AHP loans.

2.11 MAXIMUM LOAN AMOUNT/SUBSIDY LIMITS

The maximum loan/subsidy amounts shall be calculated on the basis of the number of units assisted by the Trust and shall vary by unit size. However, in no case shall the Trust’s investment in a single development exceed two-million five-hundred thousand dollars (\$2,500,000). This cap may be waived at the sole discretion of the Trust Board. Final award amounts shall be at the discretion of the Trust Board. The maximum unit subsidy limits are shown below:

| Unit Size | Maximum Loan Amount | |
|---------------------|---------------------|------------|
| | Non-MHSA Units | MHSA Units |
| 0 Bedroom | \$110,000 | \$184,230 |
| 1 Bedroom | \$125,000 | \$184,230 |
| 2 Bedroom or larger | \$135,000 | \$184,230 |

Under no circumstances may a development exceed a total MHSA subsidy per unit regardless of sources of MHSA funds. In the event that a project has already been awarded the maximum loan amount per unit in MHSA funds, that project will not be eligible for additional MHSA funds from the Trust. If a project has received an award of MHSA funds less than the maximum loan amount per unit, the applicant may apply for additional MHSA funds to bring their total award up to the maximum loan amount per unit.

2.12 DEVELOPER FEE LIMIT

The maximum Developer Fee shall be the same as the maximum allowed under the State Tax Credit Allocation Committee regulations for those projects that have been or will be awarded Low-Income Housing Tax Credits, as adopted at the time this NOFA was issued. For projects not receiving Low-Income Housing Tax Credits, the maximum Developer Fee shall be the same as the maximum allowed under the State of California Housing and Community Development 2017 Uniform Multifamily Regulations.

2.13 PARTNERSHIP MANAGEMENT FEE LIMIT

The maximum combined partnership management fee for all members of the borrower shall not exceed \$15,000 per year.

2.14 NOFA SCHEDULE MILESTONES

2.16 FORM OF LOAN DOCUMENTS

The Orange County Housing Finance Trust's standard loan document is included with this NOFA as Attachment B. These loan documents will be modified and negotiated on a project by project basis.

Section 3 THRESHOLD REQUIREMENTS

3.01 COORDINATED ENTRY SYSTEM

To be eligible to live in units assisted with Orange County Housing Finance Trust funding through this NOFA, each potential tenant must be referred by and go through the County of Orange Coordinated Entry System (a process developed to ensure that a fair and equal access to housing are quickly identified, assessed for, referred, and connected to housing and assistance based on their strengths and needs). Trust funded units shall not have additional residency restrictions placed on tenancy by local municipalities.

3.02 INCOME LIMITS

All units assisted with Orange County Housing Finance Trust funding through this NOFA will be required to be restricted to households whose income does not exceed Thirty Percent (30%) Area Median Income, as adjusted for household size with rents that are affordable to such households. Utility costs shall be deducted from the tenants rent so that rent and utilities combined remain at an affordable level. Projects receiving funding through the California Department of Housing and Community Development's (HCD's) Local Housing Trust Fund Program must meet the income limits as published by HCD (<https://www.hcd.ca.gov/docs/grants-and-funding/inc2k22.pdf>).

3.03 SUPPORTIVE SERVICES

MHSA units funded by the Trust shall include supportive services to ensure the maximum possible self-sufficiency by the tenants. Applicants must meet with the Orange County Health Care Agency prior to March 8th, 2023 to ensure the project meets all of the requirements for MHSA funding. Requirements for submission to the Health Care Agency can be found in Attachment C. See Attachment D – Mental Health Services Act Funding Term Sheet for loan terms and conditions applicable to all MHSA funded units.

For projects not applying for MHSA funds through this NOFA, a Social Services Plan and budget is required to document anticipated services that will be provided for all other supportive and non-supportive units in the proposed project. This Social Services Plan shall identify a lead service provider and other service providers who will be working with residents. A list of services should be included for each population that will be served at the property.

3.04 RESERVES

Projects funded by the Trust shall include a Capitalized Operating Reserve. Projects that have project-based rental assistance, such as Project Based Section 8 Vouchers, may forego the Capitalized Operating Reserve. The Capitalized Operating Reserve shall provide for the ongoing operation and maintenance of the project and the provision of required supportive services throughout the term of the of the loan agreement.

In addition to the Capitalized Operating Reserve, projects shall provide for a Replacement Reserve to cover replacement of capitalized cost items. Projects not requesting MHSA funds through the Trust shall provide Replacement Reserve at no less than \$350/unit/year. Projects requesting MHSA funds through the Trust shall provide Replacement Reserves at no less than \$500/unit/year, increasing 5% every five years.

3.05 COMPLIANCE MONITORING FEE

The Orange County Housing Finance Trust shall charge all projects an annual compliance monitoring fee of \$103 per unit per year, increasing annually in accordance with the Consumer Price Index for Los Angeles – Anaheim – Riverside (All Urban Consumers – All Items) (CPI).

3.06 FINANCIAL COMMITMENTS

Projects must have all financing committed within 18 months of the Trust’s award letter or risk losing their project funding. The Trust reserves the right to extend this time limit at its sole discretion.

3.07 UNDERWRITING ASSUMPTIONS

The Orange County Housing Finance Trust has developed a set of underwriting assumptions to evaluate the financial feasibility of each project. These underwriting assumptions as based on the requirements of the Trust’s funding sources and industry best practices. The underwriting assumptions can be found in Attachment E. Applicants are encouraged to use these underwriting assumptions in their project proforma that will be submitted as part of their application to this NOFA. Further underwriting requirements are contained in the California Department of Housing and Community Development Uniform Multifamily Regulations located at <https://www.hcd.ca.gov/grants-and-funding/uniform-multifamily-regulations>

Section 4 SCORING

Applications will be competitively scored and ranked against other projects requesting the same type of funding and located within the same County Service Planning Area (SPA). Scoring serves as a basis to compare applications but ultimately the decision to award funds is based upon the Trust Board approval.

Project scoring shall be based on the following categories:

1. Project readiness;
2. Developer experience;
3. Service enriched location;
4. Development Pipeline; and,
5. Affirmatively Furthering Fair Housing.

Projects that have identical scores based on the project scoring will be ranked by a tie-breaker detailed below in Section 4.04, *Tiebreaker*.

4.01 PROJECT READINESS

Projects shall be scored on how quickly they will have units ready for occupancy. Projects will receive a maximum of 35 points for project readiness. For acquisition/rehab projects, projects will be deducted one point for each month past June 1, 2023 for its scheduled loan closing. For new construction projects, projects will be deducted one point for each month past December 1, 2023 for its scheduled loan closing.

4.02 DEVELOPER EXPERIENCE & FINANCIAL STRENGTH

A maximum of 40 points will be available for applicants based on their prior development experience and financial strength. One point will be awarded for every ten (10) units of Permanent Supportive and Affordable Housing that the applicant developed and currently operates. Discretionary scoring may adjust this number downward based upon the financial strength of the applicant.

4.03 SERVICE ENRICHED LOCATION

Projects will be awarded a maximum of 25 points based on proximity to nearby amenities. Distances must be measured using a standardized radius from the development site to the target amenity, unless that line crosses a significant physical barrier or barriers. Such barriers include highways, railroad tracks, regional parks, golf courses, or any other feature that significantly disrupts the pedestrian walking pattern between the development site and the amenity. The radius line may be struck from the corner of development site nearest the target amenity, to the nearest corner of the target amenity site. However, a radius line shall not be struck from the end of an entry drive or on-site access road that extends from the central portion of the site itself by 250 feet or more. Rather, the line shall be struck from the nearest corner of the site's central portion. Where an amenity such as a grocery store resides within a larger shopping complex or commercial strip, the radius line must be measured to the amenity exterior wall, rather than the site boundary. The resulting distance shall be reduced in such instances by 250 feet to account for close-in parking.

Amenity definitions and criteria mentioned below shall have the same definition as the California Tax Credit Allocation Committee Regulations in effect at the time this NOFA was issued.

<https://www.treasurer.ca.gov/ctcac/programreg/2021/20210616/2021-regulations-clean.pdf>

4.03.1 Grocery Store

4.03.2 Medical Care

Projects will be awarded 5 points if they are within 0.5 miles of a hospital. Projects will be awarded 3 points if they are within 0.5 miles of an urgent care facility or qualifying medical clinic with a physician, physician's assistant, or nurse practitioner onsite for a minimum of 40 hours each week (not merely a private doctor's office). A qualifying medical clinic must accept Medi-Cal payments, or Medicare payments or have an equally comprehensive subsidy program for low-income patients.

4.03.3 Community Center

Projects will be awarded 5 points if they are within 0.5 miles of a public library or community center that is open at least 5 days a week to the general public.

4.03.4 Public Park

Projects will be awarded 5 points if they are within 0.5 miles of a public park.

4.03.5 Transit

Projects will be awarded 5 points if they are within 0.5 miles of a bus station, or bus stop that provides service at least every 30 minutes during the hours of 7-9 a.m. and 4-6 p.m., Monday through Friday. If frequency and hours cannot be met but the project is still within 0.5 miles, 3 points will be awarded.

4.04 DEVELOPMENT PIPELINE

Projects will be awarded 10 points if they are included on the Trust's Development Pipeline no later than December 1, 2022. New projects can be added to the Trust's Development Pipeline at any time on the Trust's website at <https://ochft.org/development-pipeline>. Applicants do not need to show evidence of project inclusion on the Trust's Development Pipeline as part of their application.

4.05 AFFIRMATIVELY FURTHERING FAIR HOUSING

- 3.3. Construction Agreement. Borrower and Contractor have entered, or will soon enter into a Construction Agreement, as approved by the Trust, pursuant to the terms and conditions of which Contractor is to construct the Project. Borrower shall require Contractor to perform in accordance with the terms of the Construction Agreement and, except with respect to change orders approved under Section 3.5 below, shall not amend, modify or alter the responsibilities of Contractor under the Construction Agreement without the Trust's prior written consent. Borrower shall execute, upon the Trust's written request, an assignment of Borrower's rights under the Construction Agreement to Trust as security for Borrower's performance and obligations under this Agreement and the other Loan Documents and shall cause Contractor to consent to any such assignment, as necessary.
- 3.4. Architect's Agreement. Borrower and Architect have entered, or will soon enter into an Architect's Agreement, as approved by the Trust, pursuant to the terms

Borrower shall require Architect to perform in accordance with the terms of the Architect's Agreement and shall not amend, modify or alter the responsibilities of Architect under the Architect's Agreement without the Trust's prior written consent. Borrower shall execute, upon the Trust's written request, an assignment of the Architect's Agreement and the Plans and Specifications to Trust as additional security for Borrower's performance and obligations under this Agreement and the other Loan Documents and shall cause Architect to consent to any such assignment, as necessary.

3.5. Plans and Specifications.

(a) Changes; Trust Consent. Except as otherwise provided in this Agreement, Borrower shall not make any changes in the Plans and Specifications without Trust's prior written consent if such change: (i) constitutes a material change in the building material or equipment specifications, or in the architectural or structural design, value or quality of the Project; (ii) would result in an increase of construction costs in excess of one hundred thousand dollars (\$100,000) for any single change, or in excess of five hundred thousand dollars (\$500,000) for all such changes; (iii) would affect the structural integrity, quality or building materials, or overall efficiency of operating systems of the Project; or (iv) requires the approval of the Permanent Lender, Tax Credit Investor or any other third party. Without limiting the above, the Trust agrees that Borrower may make minor changes in the Plans and Specifications without Trust's prior written consent, provided that such changes do not violate any of the conditions specified herein, and provided that Borrower obtains the consent of the Permanent Lender and Tax Credit Investor to all such changes to the extent required by the permanent loan documents or any applicable partnership documents. Borrower shall at all times maintain, for inspection by Trust, a full set of working drawings of the Project.

(b) Changes; Submission Requirements. If Trust's consent to a change is required hereunder, then Borrower shall submit any proposed change in the Plans and Specifications to Trust at least ten (10) days prior to the commencement of construction relating to such proposed change; otherwise, Borrower shall submit plans and changes, which do not require Trust's consent, with Borrower's subsequent draw request. Requests for any change which requires consent shall be accompanied by working drawings and/or specifications sheet and a written description of the proposed change, submitted on a change order form acceptable to the Trust, signed by Borrower and, if required by Trust, also by the Architect and Contractor. At its option, Trust may require Borrower to provide: (i) evidence satisfactory to Trust of the cost and time necessary to complete the proposed change; (ii) a deposit in the amount of any increased costs into Borrower's construction account; and (iii) a complete set of "as built" Plans and Specification for the completed Project, including any changes.

(c) Consent Process. Borrower acknowledges that Trust's review of any changes and required consents may result in non-material delays in construction and hereby consents to any such non-material delays, so long as such non-

material delays do not result in penalties or fines imposed on Borrower (e.g., liquidated damages under the construction contract, etc.), and the Borrower notifies Trust of the possibility of such penalties or fines; provided, however, that Trust shall use commercially reasonable efforts to review such changes in a timely manner. Trust shall review and respond to any proposed change order that requires Trust's consent hereunder within ten (10) business days of receipt of the requested change order. If Trust fails to timely respond to a change order request, then Borrower may submit to Trust a second request for review and approval, which request will include a bolded and capitalized statement that **“THIS IS A SECOND REQUEST FOR REVIEW AND APPROVAL OF A CHANGE ORDER – FAILURE TO RESPOND WITHIN FIVE (5) BUSINESS DAYS SHALL CONCLUSIVELY BE DEEMED TRUST CONSENT THERETO.”** If Trust fails to respond to the second request for said change order within five (5) business days of receipt of the second request, then the applicable change order shall be conclusively deemed approved by the Trust.

(d) Final Plans and Specifications. Upon Completion of Construction, Borrower shall deliver to Trust within thirty (30) days a set of final Plans and Specifications.

Within ten (10) days of Trust's written request, Borrower shall deliver to Trust from time to time in a form acceptable to Trust: (a) a list detailing the name, address and phone number of each contractor, subcontractor and material supplier to be employed or used for construction of the Project together with the dollar amount, including changes, if any, of each contract and subcontract, and the portions, thereof, if any, paid through the date of such list; (b) copies of each contract and subcontract identified in such list, including changes thereto; (c) a cost breakdown of the projected total cost of constructing the Project, and that portion, if any, of each cost item which has been incurred; and (d) a construction progress schedule detailing the progress of construction and the projected sequencing and completion time for the uncompleted work, all as of the date of such schedule.
- 3.7. Prohibited Contracts. Without Trust's prior written consent, Borrower shall not contract for any materials, furnishings, equipment, fixtures or other parts or components of the Project, if any third party shall retain any ownership interest (other than lien rights created by operation of law) in such items after funds have been disbursed to pay for such items. Borrower shall have five (5) days to effect the removal of any such retained interest.
- 3.8. Liens and Stop Notices. If a claim of lien is recorded which affects the Property or the Project, or a bonded stop notice is served upon Trust or Borrower, Borrower shall, within twenty (20) calendar days of such recording or service or within five (5) business days of Trust's demand, whichever occurs first: (a) pay or discharge the claim of lien or bonded stop notice; (b) effect the release thereof by recording or delivering to Trust a surety bond in sufficient form and amount; or (c) provide Trust with other assurances which Trust deems, in its sole discretion, to be satisfactory for the payment of such claim of lien or bonded

stop notice and for the full and continuous protection of Trust for the effect of such lien or bonded stop notice.

- 3.9. Construction Responsibilities. Borrower shall construct the Project in a workmanlike manner in accordance with the approved Plans and Specification and the recommendations of any soils or engineering reports approved by Trust. Borrower shall comply with all applicable laws, ordinances, rules, regulations, building restrictions, recorded covenants and restrictions (as approved by the Trust), requirements of all regulatory authorities having jurisdiction over the Property and Project. Borrower shall be solely responsible for all aspects of Borrower's business and conduct in connection with the Property and Project, including, without limitation, for the quality and suitability of the Plans and Specification and their compliance with all governmental requirements, the supervision of the work of construction, the qualifications, financial conditions and performance of all architects, engineers, contractors, material suppliers, consultants and property managers, and the accuracy of all applications for payment and the proper application of all disbursements. Trust is not obligated to supervise, inspect or inform Borrower or any third party of any aspect of the construction of the Project or any other matter referred to above.
- 3.10. Assessments and Community Facilities Districts. Without Trust's prior written consent, Borrower shall not cause or allow to become effective or otherwise consent to the formation of any assessment district or community facilities district which includes all or any part of the Property and Project pursuant to: (a) the Mello-Roos Community Facilities Act of 1982; (b) the Municipal Improvement Act of 1913; or (c) any other comparable or similar statute or regulation. Nor shall Borrower cause or otherwise consent to the levying of special taxes or assessments against the Property or Project by any such assessment district or community facilities district.
- 3.11. Delay. Borrower shall promptly notify Trust in writing of any event causing delay or interruption of construction, or the timely Completion of Construction. The notice shall specify the particular work delayed, and the cause and period of each delay.
- 3.12. Inspections. Trust, or Trust's authorized representative, shall have the right to enter upon the Property at all reasonable times to inspect the Project and the construction work to verify information disclosed or required pursuant to this Agreement. Any inspection or review of the Project by the Trust is solely to determine whether the Borrower is properly discharging its obligations to Trust under this Agreement and may not be relied upon by Borrower or any third party as a representation or warranty of compliance with this Agreement or any other agreement. Trust owes no duty of care to Borrower or any third party with regard to any negligent, faulty, inadequate or defective design or construction of the Project as determined by Trust.
- 3.13. Surveys. Upon Trust's written request, Borrower shall promptly deliver to Trust: (a) a perimeter survey of the property; (b) upon completion of the foundations of the Project, a survey showing the location of the improvements constituting the

Project on the Property and confirming that the Project is located entirely within the Property and does not encroach upon any easement or breach or violate any governmental requirement; and (c) upon Completion of the Construction, an “as built” survey as set forth in Section 6.1(d) below. All such surveys shall be performed and certified by a licensed engineer or surveyor acceptable to the title insurer.

- 3.14. Letter of Credit. Borrower’s contractor on the Project has provided a letter of credit in compliance with the Senior Mortgage Loan Document. If requested by Trust, within five (5) calendar days of such request, Borrower shall deliver to Trust evidence of such letter of credit. If requested, by Trust, Borrower shall record said letter of credit, the Plans and Specifications and the Construction Agreement, if any, in the Office of the County Recorder.
- 3.15. Trust’s Cessation of Construction. If Trust reasonably determines at any time that the Project is not being constructed in accordance with the Plans and Specification and all governmental requirements, Trust may immediately cause all construction to cease on any of the Project improvements affected by the condition of nonconformance. Borrower shall thereafter not allow any construction work, other than corrective work, to be performed on any of the Project affected by the condition of nonconformance until such time as the Trust notified the Borrower in writing that the nonconforming condition has been corrected to Trust’s reasonable satisfaction.

(iii) any lien or charge upon payments by the Borrower to the Trust, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Trust in respect of any portion of the Project;

(iv) any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof;

In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the

Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment and payment for counsel selected by the Indemnified Party, and shall assume the payment of all reasonable expenses related thereto, with full power to litigate, compromise or settle the same; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement.

(vi) If judgment is entered against Borrower and Trust by a court of competent jurisdiction because of the concurrent active negligence of Trust or Indemnified Parties, Borrower and Trust agree that liability will be apportioned as determined by the court. Neither Party shall request a jury apportionment.

- 9.5. Entry by the Trust. Borrower shall permit the Trust, through its officers, agents, or employees, at all reasonable times to enter into or onto the Property or the Project and inspect the Project to determine that the same is in conformity with the Loan Documents and all the requirements hereof. Borrower acknowledges that the Trust is under no obligation to supervise, inspect, or inform Borrower of the results of its said inspection(s) and Borrower shall not rely upon the Trust therefor. Any inspection by the Trust is entirely for its purposes in determining whether Borrower is in default under this Agreement or the Loan Documents. Borrower shall rely entirely upon its own supervision and inspection.
- 9.6. Entry by HCD. As required by the HCD as a condition of the LHTF Program, Borrower shall permit HCD, through its officers, agents, or employees, at all reasonable times to enter into or onto the Property or the Project and inspect the Project to determine that the same is in conformity with the Loan Documents and all the requirements hereof. Borrower acknowledges that HCD is under no obligation to supervise, inspect, or inform Borrower of the results of its said inspection(s) and Borrower shall not rely upon HCD therefor. Any inspection by HCD is entirely for its purposes in determining whether Borrower is in default under this Agreement or the Loan Documents. Borrower shall rely entirely upon its own supervision and inspection.
- 9.7. Hazardous Materials. Borrower shall indemnify, defend and hold harmless the Trust, and its respective elected and appointed officials, members, directors, officers, employees, agents, successors and assigns from and against any loss, damage, cost, expense or liability directly or indirectly arising out of or attributable to the use, generation, storage, release, threatened release, discharge, disposal, or presence of hazardous materials on, under, or about the Project, including without limitation: (a) all foreseeable consequential damages; (b) the costs of any required or necessary repair, cleanup or detoxification of the Project and the preparation and implementation of any closure, remedial or other required plans; and (c) all reasonable costs and expenses incurred by the Trust or Trust in connection with clauses (a) and (b), including but not limited to reasonable attorneys' fees.

- 9.8. Signage During Construction. As required by the HCD as a condition of the LHTF Program, during the Construction Period, if Borrower elects to place a sign or signs identifying the Project that is visible to the public, Borrower shall include the following language on the sign, “Funding provided by the Orange County Housing Finance Trust and the California Department of Housing and Community Development.” If the Borrower does not elect to place a sign on the Property identifying the Project, HCD may place one or more signs on the property stating that it is providing financing for the development.
- 9.9. Transfers. During the Term, Borrower shall not sell or otherwise transfer the Project or any portion thereof, and none of the constituent general partners of Borrower shall sell or otherwise transfer their interests in Borrower, and none of the constituent general partners in a partnership that is a partner in Borrower shall sell or otherwise transfer their interest in such partnership without first obtaining the approval of the Trust, which consent the Trust may withhold or grant in the exercise of its good faith discretion. The Trust shall not approve any such transfer request if the Borrower is in default under any of the Loan Documents or the Management Plan.
- 9.10. Management; Annual Marketing and Management Plans. Any management company of the Project and the management agreement with such management company shall be subject to the prior written approval of the Trust. The management agreement shall not be amended, modified, supplemented, terminated or canceled without the prior written consent of the Trust. Borrower and the Trust (if it so elects) will cooperate in the marketing of the units on the Property pursuant to a marketing plan (the “Marketing Plan”) prepared by the Borrower and approved by the Trust. Said Marketing Plan and the Management Plan described in Section 6.1 hereof shall be prepared by the Borrower and approved by the Trust on an annual basis; however, the Borrower shall provide quarterly written supplements to said approved plans (or more frequently if requested by the Trust).
- 9.11. Operation and Maintenance of Project.
- (a) Operation. During the Qualified Project Period, Borrower shall at all times operate on the Project an affordable housing rental facility in compliance with this Agreement and the Regulatory Agreement.
- (b) Maintenance. During the Qualified Project Period, Borrower agrees to maintain all interior and exterior improvements, including landscaping (and all abutting ground, sidewalks, roads, parking and landscape areas) on the Project in good condition, repair and sanitary condition (and, as to landscaping, in a healthy condition) and in accordance with any Management Plan approved by the Trust under the Loan Agreement (including without limitation any landscape and signage plans), as the same may be amended from time to time, and all other applicable laws, rules, ordinances, orders, and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having jurisdiction and all their respective departments, bureaus, and officials. Borrower acknowledges the great emphasis the Trust places on quality maintenance to

protect its investment and to provide quality low income housing for its constituents and to ensure that all Trust-subsidized affordable housing projects within the Trust are not allowed to deteriorate due to deficient maintenance. In addition, Borrower shall keep the Project free from all graffiti and any accumulation of debris or waste material. Borrower shall promptly make all repairs and replacements necessary to keep the Project in good condition and repair and shall promptly eliminate all graffiti and replace dead and diseased plants and landscaping with comparable approved materials. Borrower shall not commit or permit any waste or deterioration of the Project, shall not abandon any portion of the Project, and shall not otherwise act, or fail to act, in such a way as to unreasonably increase the risk of damage to the Project.

In the event that Borrower breaches any of the covenants contained in this Section 9.9 and such default continues for a period of five (5) days after written notice from Trust (with respect to graffiti, debris, waste material, and general maintenance) or thirty (30) days after written notice from Trust (with respect to landscaping and building improvements), then Trust, in addition to whatever other remedies it may have under this Agreement, the other Loan Documents or at law or in equity, shall have the right to enter upon the Project and perform or cause to be performed all such acts and work necessary to cure the default. Pursuant to such right of entry, the Trust shall be permitted (but not required) to enter upon the Project and perform all acts and work necessary to protect, maintain and preserve the improvements and landscaped areas on the Project, in the amount of the expenditure arising from such acts and work of protection, maintenance, and preservation by Trust and/or reasonable costs of such cure, including a fifteen percent (15%) administrative charge, which amount shall be promptly paid by Borrower to Trust upon demand.

(c) Removal of Personal Property. During the Qualified Project Period, Borrower shall not cause or permit the removal from the Project of any items of Borrower's personal property (other than tools and equipment used in the operation of the Project) unless (i) no Event of Default remains uncured and (ii) Borrower promptly substitutes and installs on the Project other items of equal or greater value in the operation of the Project, all of which shall be free of liens and shall be subject to the liens of the Deed of Trust and the Financing Statement and executes and delivers to Trust all documents required by Trust in connection with the attachment of such liens to such items. Borrower shall keep detailed records of such removal and shall make such records available to Trust upon written request from time to time.

9.12. Status of Borrower. Borrower shall at all times maintain its legal status and all material licenses, rights, franchises and privileges in the jurisdiction of its formation in good standing and comply with all laws, rules and regulations of California and the United States and of any political subdivision thereof applicable to it or its business.

9.13. Insurance. While any obligation of Borrower under any Loan Document remains outstanding, Borrower shall maintain at Borrower's sole expense, the following policies of insurance in form and substance as follows:

- (a) Statutory Workers' Compensation insurance and Employers' Liability insurance with a minimum limit of \$1,000,000 per occurrence;
- (b) Builder's all-risk insurance covering one hundred percent (100%) of the replacement cost of the Project during the course of any construction or reconstruction in the event of fire, lightning, windstorm, vandalism, malicious mischief, and all other risks normally covered by extended coverage policies in the locality where the Project is situated (including insurance against loss by flood if the Project is located in an area now or hereafter designated as subject to the danger of flood);
- (c) Fire and hazard "all risk" insurance with boiler and machinery coverage, covering one hundred percent (100%) of the replacement cost of the Project in the event of fire, lightning, windstorm, vandalism, malicious mischief and all other risks normally covered by "all risk" coverage policies in the locality where the Project is situated (including insurance against loss by flood if the Project is located in an area now or hereafter designated as subject to the danger of flood, but excluding insurance against loss by earthquake), which coverage shall also include Project fixtures, furniture and equipment owned by Borrower and business income of at least one (1) year ;
- (d) General liability insurance in an amount not less than \$5,000,000 for combined single limit per occurrence to cover bodily injury and property damage and \$5,000,000 in the aggregate;
- (e) All such insurance shall be endorsed to provide that said insurance may not be canceled or materially modified without 30 days' prior written notice to the Trust. The policies required pursuant to subparagraphs (b) and (c), above, shall include a "lender's loss payable endorsement" (Form 438BFU) in form and substance satisfactory to the Trust assuring Trust that all proceeds shall be paid to Trust as provided in the Deed of Trust subject to the interests of the senior lenders on the Project. The Trust shall be an additional insured as to the policies required pursuant to subparagraph (d) above, and such insurance shall be primary and any insurance maintained by the Trust shall be excess and non-contributing. All policies shall waive all rights of subrogation against the Trust, its elected and appointed officials, officers, agents, and employees. The general liability policy shall contain a severability of interests endorsement. Certificates of insurance and endorsements for all of the above policies (and/or original policies, if required by the Trust from time to time), showing the same to be in full force and effect, shall be delivered to the Trust. All policies insuring against damage to the Project shall contain an agreed value clause sufficient to eliminate any risk of co-insurance. Trust expressly retains the right to require Borrower when reasonable to increase or decrease insurance of any of the above insurance types throughout the term of this Loan. Any increase or decrease in insurance will be as deemed by Trust Risk Manager as appropriate to adequately protect Trust.
- (f) No such insurance shall include deductible amounts to which the Trust has not previously consented in writing. All insurance policies required by this Loan Agreement shall declare any deductible or self-insured retention (SIR). Amounts

in excess of \$25,000 shall specifically be approved by the Trust's Risk Manager, CEO/Risk Management. Borrower shall be solely responsible for the reimbursement of any deductible to the insurer.

(g) The policy or policies of insurance must be issued by an insurer licensed to do business in the State of California (California Admitted Carrier). Minimum insurance company ratings as determined by the most current edition of the Best's Key Rating Guide/Property-Casualty/United States or by ambest.com shall be A- (Secure Best's Rating) and VIII (Financial Size Category). If the proposed carrier is a non-admitted carrier in the State of California, the Trust's Risk Manager, Trust Risk Management reserves the right to approve or reject said proposed carrier after a review of said carrier's performance and financial ratings.

(h) Borrower shall file with the Trust, prior to the funding of the Loan, an original Certificate of Insurance together with all required endorsements evidencing that the coverage required under this Loan Agreement is in full force and effect.

(i) All contractors performing work on behalf of Borrower shall be covered under Borrower's insurance or shall obtain insurance subject to the same terms and conditions as set forth herein for Borrower, with the Trust named as an additional insured on all such policies.

(j) The Trust retains the rights at any time to review the coverage, form and amount of the insurance required hereby. If, in the opinion of the Trust, the insurance provisions in this Loan Agreement do not provide adequate protection for the Trust, the Trust may require Borrower to obtain insurance sufficient in coverage, form, and amount to provide adequate protection. The Trust's said additional requirements shall be reasonable and shall be designed to assure protection from and against the kind and extent of risks that exist at the time a change in insurance is required. Trust shall notify Borrower in writing of changes in the insurance requirements. If Borrower does not deposit copies of acceptable certificates of insurance and endorsements with the Trust incorporating such changes within thirty (30) days of receipt of such notice, said failure shall constitute, at the option of Trust, an Event of Default (hereinafter defined in Article IX) this Loan Agreement without further notice to Borrower.

(k) The procuring of such required policy or policies of insurance shall not be construed to limit Borrower's liability hereunder nor to fulfill the indemnification provisions and requirements of this Loan Agreement.

(l) The Trust shall also be named as an additional insured on any insurance policies required by the Senior Construction Deed of Trust or any related loan documents evidencing such construction loan.

- 9.14. Alterations and Repair. Except with the prior consent of the Trust, during the Qualified Project Period, Borrower shall not remove, demolish or materially alter any improvement constituting the Project, except to make non-structural repairs which preserve or increase the Project's value, and shall promptly restore, in

good and workmanlike manner, any said improvement (or other aspect of the Project) that is damaged or destroyed from any cause.

- 9.15. Changes in Property Restrictions. Borrower shall not initiate, join in or consent to any change in any applicable zoning ordinance, general plan or similar law, or to any private restrictive covenant or any similar public or private restriction on the use of the Project, except with the prior written consent of the Trust.
- 9.16. Books, Records and Annual Statement. Borrower shall maintain complete books of account and other records reflecting the construction and operation of the Project in accordance with generally accepted accounting principles applied on a consistent basis. During the Qualified Project Period, the amount of the Residual Receipts (as defined in the Note) shall be determined on the basis of an annual audited financial statement (“Annual Statement”), for the preceding year, beginning with the first year of operation of all or any part of the Project, prepared at the Borrower’s expense by an independent certified public account firm acceptable to the Trust. Such Annual Statement shall be prepared based on the guidelines, and taking into account the information, set forth on Exhibit “C,” attached hereto and incorporated herein. During the Qualified Project Period, the Borrower shall submit the Annual Statement and any payment to the Trust not later than six (6) months after closing of the Borrower’s previous year’s books. The first Annual Statement submitted by the Borrower for the Loan shall include the period from the Completion of Construction to the close of that year’s books. The Trust shall review and approve such statement, or request revisions, within ninety (90) days after receipt. In the event that as the result of Trust review, there is an increase in the amount of Residual Receipts, Borrower shall pay to the Trust the full amount of such increase within ten (10) days of notice of such increases. The terms of this subsection shall not be the exclusive method by which the Trust may review Residual Receipts payments by the Borrower. In the event that an increase in the amount of Residual Receipts for any annual period is discovered at any time subsequent to the ninety (90) day period for that year’s books, no previous action or inaction by the Trust shall prohibit the Trust from requesting repayment of those amounts at any time during the term of this Agreement or thereafter. The Borrower shall pay to the Trust the full amount of such increase within thirty (30) days of notice of such increase for periods prior to the previous year.
- 9.17. Notices of Certain Matters. Borrower shall give notice to Trust, within ten (10) days after Borrower receives actual knowledge thereof, of each of the following:
- (a) Any litigation or claim against the Borrower relating to the Property or the Project and involving an amount in excess of \$25,000 and any litigation or claim that might subject Borrower or any constituent partner of Borrower to liability in excess of \$50,000, whether covered by insurance or not;
 - (b) Any dispute between Borrower and any governmental or public agency relating to the Property or the Project, the adverse determination of which might materially affect the Project;

- (c) Any trade name hereafter used by Borrower and any change in Borrower's principal place of business;
 - (d) Any Event of Default or event, which, with the giving of notice or the passage of time, without ameliorative action, or both, would constitute an Event of Default;
 - (e) Any default by Borrower or any other party under any Loan Document or Mortgage Document, or the receipt by Borrower of any notice of default under any Loan Document or Mortgage Document;
 - (f) The creation or imposition of any mechanics' lien or other lien against the Project;
 - (g) The presence of any hazardous materials on, under or about the Property or the Project; any enforcement, clean-up, removal or other action or requirement of any local, state or federal governmental or quasi-governmental authority with jurisdiction relating to any such hazardous materials; and the existence of any occurrence of conditions on any property in the vicinity of the Project that could cause any portion of the Project to be classified as "border-zone property" under the provisions of the California Health and Safety Code or any related regulations, or that could cause the Project to be otherwise subject to any restrictions relating to hazardous materials; and
 - (h) Any material adverse change in the financial condition of Borrower or any of its constituent general partners.
- 9.18. Further Assurances. Borrower shall execute and acknowledge (or cause to be executed and acknowledged) and deliver to Trust all documents, and take all actions, reasonably required by Trust from time to time to confirm the rights created or now or hereafter intended to be created under the Loan Documents, to protect and further the validity, priority and enforceability of the Loan Documents, to subject to the Loan Documents any property intended by the terms of any Loan Document to be covered by the Loan Documents, or otherwise to carry out the purpose of the Loan Documents and the transactions contemplated thereunder.
- 9.19. Liens. Borrower shall not cause or suffer to become effective any lien, restriction or other title limitation affecting any part of the Project other than the (a) Regulatory Agreement, the Deed of Trust, the Financing Statement and the senior first deed of trust Mortgage Documents (including the Senior Acquisition Deed of Trust, Senior Construction Deed of Trust and the Senior Permanent Deed of Trust, as applicable) and (ii) taxes not delinquent.
- 9.20. Payment of Expenses. Borrower shall pay the Trust's costs and expenses incurred in connection with the making, disbursement and administration of the Loan and the conversion of the acquisition loan to a permanent loan, as well as any revisions, transfers, extensions, renewals, modifications, refinancing or "workouts," and providing estoppels or subordinations of the Loan, and in the exercise of any of Trust's rights or remedies under this Agreement. The Trust

will receive from Borrower a nonrefundable fee in the amount of Five Hundred Dollars (\$500) and Borrower shall reimburse Trust for all of the Trust's reasonable out-of-pocket expenses (including reasonable attorney's fees) incurred in the administration and review of such changes, to the extent such expenses exceed Five Hundred Dollars (\$500). Such costs and expenses may include title insurance, recording and escrow charges, survey charges, hazard insurance, premiums, fees for any appraisals and any appraisal reviews, architectural and engineering review, construction services and environmental and toxic services and reviews, zoning and entitlement services and reviews, mortgage taxes, legal fees and any other reasonable fees and costs for services, regardless of whether such services are furnished by the Trust's employees or agents or independent contractors.

- 9.21. Loan Monitoring Fees. Unless prohibited by Federal, State or local laws, the Borrower shall pay an annual loan monitoring fee during the Term. Loan monitoring fees shall be incorporated into the operating pro forma. Orange County Housing Finance Trust shall charge all projects an annual compliance monitoring fee ("Annual Fee") of sixty-five dollars (\$95) per unit per year. The Annual Fee will be payable to the Trust at the Close of Escrow. The Annual Fee will be due each subsequent year for the Qualified Project Period on or within thirty (30) days of the day and month that this Agreement was entered into as set forth on page one hereof. Loan monitoring fees will be adjusted annually. The annual adjustment shall be in accordance with the change in the Consumer Price Index for Los Angeles – Anaheim – Riverside (All Urban Consumers – All Items) promulgated by the Bureau of Labor Statistics of the U.S. Department of Labor. This adjustment shall be calculated by means of the following formula:

$$A = B \times C/D$$

Where: A = Adjusted Annual Fee

B = Annual Fee (as such Annual Fee may have been previously adjusted)

C = Average monthly index for the most recent twelve-month period

D = Average monthly index for the twelve-month period preceding the date of this Loan Agreement.

In the event that the Consumer Price Index (CPI) ceases to use 1982-84 = 100 as the basis of calculation, or if, in Trust's sole judgment, a substantial change is made in the method used by the federal government to determine the CPI or the items used to calculate the CPI, then the CPI shall be converted to the figure that would have been calculated at (or as close to such figures as shall be practical) had the manner of calculating the CPI in effect at the date of this Loan Agreement not been altered.

In the event that the CPI is not issued or published for the period for which such minimum Annual Fees are to be adjusted and computed hereunder, or in the event that the Bureau of Labor Statistics of the United States Department of Labor should cease to publish said index figures, then any similar index published by any other branch or department of the United States Government selected by Trust, shall be used and if none is so published, then another index general recognized as authoritative shall be substituted by Trust.

9.22. Subcontracts.

(a) Upon request of Trust, or their designated agent, Borrower shall submit any requested subcontract agreements to the Trust for review and consent. Any requested Subcontracts shall be submitted to Trust within forty-eight (48) hours of such request.

(b) Borrower shall assume responsibility for all subcontracted services to assure compliance with this Agreement.

(c) Borrower shall cause all of the applicable provisions of this Agreement in its entirety to be included in and made a part of any subcontract executed in the performance of this Agreement.

9.23. Relocation. Borrower shall, if applicable, in all matters relating to the Project:

(a) Take all reasonable steps to minimize displacement by providing tenants a reasonable opportunity to lease and occupy dwelling units in the Project being improved, if applicable;

(b) Submit to Trust a plan outlining financial and advisory assistance in securing temporary housing for any eligible tenant who is temporarily or permanently relocated due to the Project; and,

(c) Comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and 49 CFR 24 in providing relocation assistance for persons displaced by the Project.

(d) Has in effect, and follows a residential anti-displacement and relocation plan required under Section 104 (d) of the Housing and Community Development Act of 1974, as amended, in conjunction with any activity assisted with funds under the subject program.

9.24. Mental Health Services Act Requirements. The Borrower shall carry out the design, construction and operation of the Project, and operate the Program, in conformity with all applicable laws, regulations, and rules of governmental agencies having jurisdiction, including without limitation, the requirements set forth in California Welfare and Institutions Code Section 5771.1 *et. seq.* and, without limitation, the requirements found in Exhibit D attached to this Agreement.

- 9.25. Lender Recognition. The owner shall ensure recognition of the role of the Trust in providing funds through this Agreement. All activities, facilities and items utilized pursuant to the Agreement shall be prominently labeled as to funding source.
- 9.26. Labor Standards. To the extent applicable, the Borrower agrees to comply with the requirements of the California Department of Industrial Relations Prevailing Wage Requirements and the Secretary of Labor in accordance with the Davis-Bacon Act as amended, the provisions of Contract Work Hours, the Safety Standards Act, the Copeland “Anti-Kickback” Act (40 U.S.C. 276, 327-333) and all other applicable federal, state and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. The Borrower shall maintain documentation, which demonstrates compliance with hour, and wage requirements of this part. Such documentation shall be made available to the Trust for review upon request. The Borrower agrees that, except with respect to the rehabilitation or construction of residential property designed for residential use for less than twelve (12) units, all contractors engaged under contracts in excess of \$2,000.00 for construction, renovation or repair of any building or work financed in whole or in part with assistance provided under this Agreement, shall comply with federal requirements adopted by the Trust pertaining to such contracts and with the applicable requirements of the regulations of the U.S. Department of Labor, under 29 CFR, Parts 1, 3, 5, 7 and 1926 governing the payment of wages and ratio of apprentices and trainees to journeymen; provided, that if wage rates higher than those required under the regulations are imposed by state or local law, nothing herein is intended to relieve the Borrower of its obligation, if any, to require payment of the higher rate. The Borrower shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph, for such contracts in excess of \$10,000.00.

9.27. Annual Audit.

Following the Conversion Date and commencing on the date six (6) months after closing of the Borrower’s previous year’s books and every one year anniversary date thereafter during the Term, Borrower shall submit to Trust the following audit reporting package (the “Audit Reporting Package”). Trust reserves the right to revise the Audit Reporting Package requirements in accordance with changed Federal, State or County rules, regulations, ordinances, laws and statutes. The Audit Reporting Package shall include the following:

- (a) Financial Statements for the Project preferably with a classified Balance Sheet identifying Current Assets and Current Liabilities;
- (b) Schedule of expenditures of Federal awards;
- (c) Independent Auditor’s report;
- (d) Summary schedule and prior audit findings, if applicable;

- (e) Corrective action plan, if applicable; and
- (f) Management Letter.

9.28. Operating Reserve. [REMOVE IF PROJECT HAS PROJECT BASED SECTION
8 VOUCHERS]

Borrower shall establish an interest bearing account to be known as the Operating Reserve Account. Upon the Conversion Date shall deposit an amount into the Operating Reserve Account sufficient to pay three (3) months of operating expenses and three (3) months of mandatory debt service payments (“Target Balance”).

Funds shall be invested subject to the prior written approval of the Trust, which approval shall not be unreasonably withheld, and any earnings shall become and remain a part of the Operating Reserve. Funds may be drawn only when revenue is insufficient to pay operating expenses. The Borrowers shall not draw funds from the Operating Reserve Account without the prior written approval of the Trust, which approval shall not be unreasonably withheld.

If the balance in the Operating Reserve Account falls below the amount required to pay three (3) months of operating expenses and three (3) months of mandatory debt service payments, then Borrower shall apply Residual Receipts, when and if available, or other funds, to the replenishment of Operating Reserves until the Target Balance is achieved.

In the event of a failure by the Borrower to pay operating expenses, mandatory debt service payments, or other payments required under the Loan Documents or Mortgage Loan Documents, or during the continuance of an event of default by Borrower under the Loan Documents or Mortgage Loan Documents that would provide for the acceleration of the Loan or Mortgage Loan, then Trust may, after delivery of notice to Borrower and the expiration of any applicable cure periods, apply the funds in the Operating Reserve Account to the Loan, a Mortgage Loan, or use such funds for the continued operation of the Project.

9.29. Replacement Reserve. [WITHOUT MHSA THIS IS APPROPRIATE. WITH
MHSA FUNDS \$350 GOES TO \$500 AND GO UP 5% EVERY 5 YEARS]

At or before the Conversion Date, Borrower shall establish an interest bearing account to be known as the Replacement Reserve Account. Annually prior to March 31 of each year, Borrower shall deposit into the Replacement Reserve Account an amount equal to three hundred and fifty dollars (\$350) per unit or such higher amount as may be required by a tax creditor investor or senior Mortgagee and approved by Trust, which approval shall not be unreasonably withheld. The Funds shall be invested subject to the prior written approval of the Trust and any earnings shall become and remain a part of the Replacement Reserve. The Borrowers shall not draw funds from the Replacement Reserve Account without the prior written approval of the Trust, which approval shall not be unreasonably withheld.

Funds may only be drawn from the Replacement Reserve Account to replace or maintain Project assets which have a useful life of more than one (1) year in accordance with Generally Accepted Accounting Principles ("GAAP"), and have been or will be depreciated on the Partnership Tax Return, Form 1040P, filed with the Internal Revenue Service by the Borrower's accountant.

In the event of a failure by the Borrower to adequately maintain the Project, or pay operating expenses, mandatory debt service payments, or other payments required under the Loan Documents or Mortgage Loan Documents, or during the continuance of an event of default by Borrower under the Loan Documents or Mortgage Loan Documents that would provide for the acceleration of the Loan or Mortgage Loan, then Trust may, after delivery of notice to Borrower and the expiration of any applicable cure periods, apply the funds in the Replacement Reserve Account to the Loan, a Mortgage Loan, or use such funds for the maintenance, improvement, or continued operation of the Project.

ARTICLE X

DEFAULT AND REMEDIES

10.1. Events of Default. Each of the following shall constitute an "Event of Default" by Borrower under this Agreement:

(a) Failure to Make Note Payments. Borrower fails to make any payment of principal and/or interest under the Note when due, after ten (10) days notice from Trust. Any payment that falls due on a non-business day may be made the next succeeding business day without penalty and shall not be considered a past-due payment;

(b) Failure to Make Other Payments. Borrower fails to perform any other obligation for the payment of money (other than payments described in subparagraph (a) above) under any Loan Document within ten (10) days after Trust gives Borrower written notice that such obligation was not performed or paid for;

(c) Non-Monetary Failure to Perform. Borrower fails to timely perform, comply with or observe any of the terms, covenants, or conditions of this Agreement or any other Loan Document (other than those provisions elsewhere referred to in this Section 10.1) and such failure continues uncured or without Borrower commencing to diligently cure for thirty (30) days after notice thereof in writing is given by the Trust to Borrower, provided that if Borrower has commenced cure but cannot complete such cure reasonably within thirty (30) days, Borrower shall have ninety (90) days from the date of notice to cure such failure without such failure constituting an event of default;

(d) Mortgage Loan Document Breach. Any default or breach of Borrower that continues uncured after the expiration of any applicable cure period under

any other loan document including, but not limited to, the Mortgage Loan Documents;

(e) Voluntary Suspension. The voluntary suspension of Borrower's business or the dissolution or termination of the partnership (if any) constituting Borrower;

(f) Unauthorized Transfer. Borrower's sale or other transfer of the Property or the Project in violation of Section 9.7 above;

(g) Fraud or Material Misstatement or Omissions. Any fraudulent act or omission of Borrower's, or intentional misrepresentation of Borrower's, pertaining to or made in connection with the Loan, Loan Documents or the Project;

The occurrence of any of the events of default in this paragraph shall act to accelerate automatically, without the need for any action by the Trust, the indebtedness evidenced by the Note; or

(i) Project Monies. Borrower's misapplication or embezzlement of Project monies.

10.2. Remedies. The occurrence of any Event of Default shall, either at the option of the Trust or automatically where so specified, relieve the Trust of any obligation to make or continue the Loan and shall give the Trust the right to proceed with any and all remedies set forth in this Agreement and the Loan Documents or otherwise available at law or in equity or by statute (and all of the Trust's rights and remedies shall be cumulative), including but not limited to the following:

(a) Acceleration of Note. The Trust shall have the right to cause all indebtedness of the Borrower to the Trust under this Agreement and the Note, together with any accrued interest thereon, to become immediately due and payable. The Borrower waives all right to presentment, demand, protest or notice of protest, or dishonor. The Trust may proceed to enforce payment of the indebtedness and to exercise any or all rights afforded to the Trust as a creditor and secured party under the law including the Uniform Commercial Code, including foreclosure under the Deed of Trust. The Borrower shall be liable to pay the Trust on demand all expenses, costs and fees (including, without

limitation, attorneys' fees and expenses) paid or incurred by the Trust in connection with the collection of the Loan and the preservation, maintenance, protection, sale, or other disposition of the security given for the Loan.

(b) Specific Performance. The Trust shall have the right to mandamus or other suit, action or proceeding at law or in equity to require Borrower to perform its obligations and covenants under the Loan Documents or to enjoin acts on things that may be unlawful or in violation of the provisions of the Loan Documents.

(c) Right to Cure at Borrower's Expense. The Trust shall have the right to cure any monetary default by Borrower under a loan other than the Loan. The Borrower agrees to reimburse the Trust for any funds advanced by the Trust to cure a monetary default by Borrower upon demand therefore, together with interest thereon at the rate of twelve percent (12%) per annum (which rate shall in no event exceed the maximum rate permitted by law and if it does, said rate shall be reduced to the maximum rate then permitted by law), from the date of expenditure until the date of reimbursement.

10.3. Remedies Cumulative. No right, power, or remedy given to the Trust by the terms of this Agreement or the Loan Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given to the Trust by the terms of any such instrument, or by any statute or otherwise against Borrower and any other person. Neither the failure nor any delay on the part of the Trust to exercise any such rights and remedies shall operate as a waiver thereof, nor shall any single or partial exercise by the Trust of any such right or remedy preclude any other or further exercise of such right or remedy, or any other right or remedy.

10.4. Waiver of Terms and Conditions. No waiver of any default or breach by Borrower hereunder shall be implied from any omission by the Trust to take action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the waiver, and such waiver shall be operative only for the time and to the extent therein stated. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition. The consent or approval by the Trust to or of any act by Borrower requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act. The exercise of any right, power, or remedy shall in no event constitute a cure or a waiver of any default under this Agreement or the Loan Documents, nor shall it invalidate any act done pursuant to notice of default, or prejudice the Trust in the exercise of any right, power, or remedy hereunder or under the Loan Documents, unless in the exercise of any such right, power, or remedy all obligations of Borrower to Trust are paid and discharged in full.

Borrower may not terminate the tenancy or refuse to renew the lease of a Qualified Tenant except for serious or repeated violation of the terms and conditions of the Lease; for violation of applicable federal, state, or local law; for completion of the transitional housing tenancy period (if the housing is transitional); or for other good cause. Any termination or refusal to renew must be

preceded by not less than thirty (30) days by the Borrower's service upon the Qualified Tenant of a written notice specifying the grounds for the action.

(e) Nondiscrimination Covenant. By acceptance hereof, the Borrower agrees, for itself, its successors and assigns, to refrain from restricting the rental, or lease of the Project on the basis of race, color, creed, religion, ancestry, sex, marital status, national origin or age of any person. All leases or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses: "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through them, and this lease or sublease is made and accepted upon and subject to the following conditions: That there be no discrimination against or segregation of, any person or group of persons, on account of race, color, creed, religion, handicap, national origin, sex, sexual orientation, marital status, age or ancestry in the leasing, subleasing, transferring, use or enjoyment of the land herein leased or subleased, nor shall the lessee himself or herself, or any persons claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subleases, or subtenants in the land herein leased."

(f) Non-Qualifying Adjusted Income. Subject to the applicable requirements and provisions of, and changes to, Section 42 of the Code, if, upon recertification of the income of a Qualified Tenant of a Restricted Unit, the Borrower determines that a Qualified Tenant has an Adjusted Income exceeding 30% of Median Income for the Area, adjusted for household size in accordance with the Act, as defined in Section 1.2 above, such Qualified Tenant may be permitted to continue to occupy the Restricted Unit at the rental rate as provided for in Exhibit B, until the Qualified Tenant chooses to vacate the Restricted Unit. After the Restricted Unit is vacated, the Restricted Unit shall be re-rented to a Qualified Tenant pursuant to the terms, covenants and conditions of this Agreement.

(g) Loss of Project Based Voucher Subsidy.

1. It is anticipated that during the Qualified Project Period the Project will maintain Project Based Voucher ("PBV") Restricted Units, supported by Project-Based Section 8 rental subsidy payments (the "**Rental Subsidy**"). If, during the Qualified Project Period, any change in federal law or regulations occurs, or any action (or inaction) by Congress or any federal or State agency occurs, which results in a reduction, termination, or nonrenewal of the Rental Subsidy through no fault of Borrower, such that the Rental Subsidy shown on the Financing Plan (as defined in the Loan Agreement) is no longer available (or available in a lesser amount), Borrower may request approval of the Trust to increase the rent on one or more of the PBV Restricted Units, to an adjusted income that does not exceed sixty percent (60%) of Area Median Income, adjusted for actual household.

2. The rent increase is subject to the following requirements: (a) concurrently with the request, Borrower shall provide the Trust with evidence of the

anticipated reduction, termination, or nonrenewal of the Rental Subsidy, (b) a Management Plan (as defined in Section 1.19 of the Loan Agreement) for the Project for the Trust's approval pursuant to Sections 4.1 and 7.8 of the Loan Agreement, showing the impact of the loss or reduction of the Rental Subsidy, (c) a proposed operating budget reflecting the rent increases (the “**Operating Budget**”), and (d) a description of efforts to obtain alternate sources of rent. The number of PBV Restricted Units subject to the rent increase and the amount of the proposed increase may not be greater than the number or amount required to ensure that the Project generates sufficient income to cover its operating costs, required deposits to replacement reserves, and debt service on approved financing as shown on the Operating Budget, and as is necessary to maintain the financial stability of the Project. In addition, upon a reduction, termination or nonrenewal of the Rental Subsidy as described above, Borrower hereby agrees to the following:

i. Borrower shall use good faith efforts to obtain alternative sources of rental subsidies and shall provide the Trust with annual progress reports on efforts to obtain alternative sources of rental subsidies that would allow the rents to be reduced. Upon receipt of any alternative rental subsidies, Borrower shall reduce the rents back to the original restrictions found in Exhibit B to the extent that the alternative rental subsidies provide sufficient income to cover the operating costs, required replacement reserves and debt service of the Project as shown on the Operating Budget.

ii. Borrower shall provide Qualified Tenants in the PBV Restricted Units with notice of any rent increase pursuant to Section 2.(g)(4), below, and shall notify the Qualified Tenant that if they have received a tenant-based voucher from the Orange County Housing Authority they may use the tenant-based voucher for their Restricted Unit.

3. All rent increases are subject to County approval pursuant to the terms of this Section 2 (g). No later than sixty (60) days prior to the proposed implementation of any rent increase, Borrower shall submit to the County a schedule of any proposed increase in the rent. The County will disapprove a rent increase allowed pursuant to Section 2(g)(1) if it does not comply with the restrictions set forth in Section 2(g)(2). Notwithstanding the foregoing, rent increases for the PBV Restricted Units shall be subject to review and approval of the County.

4. Borrower shall give Qualified Tenants of all PBV Restricted Units written notice at least sixty (60) days prior to any rent increase.

3. Qualified Tenants; Records, Reports and Monitoring. During the Qualified Project Period, the Borrower shall submit to the Trust (i) not later than July 15, of each year, a report showing the necessary information to allow the Trust to determine the Owner’s compliance with this Regulatory Agreement, and (ii) within fifteen (15) days after receipt of a written request, any other information or completed forms requested by the Trust in order to comply with reporting requirements of HUD, or the State of California. Borrower agrees to fully comply with Trust’s requirements for monitoring the affordability of the Project.

4. Management. Borrower shall manage the Restricted Units in accordance with a management plan prepared by Borrower and approved by the Trust Manager, describing Borrower's standards for operating, managing and maintaining the Restricted Units, including, but not limited to, the components listed below (the "Management Plan"). The Management Plan shall provide for occupancy standards that are appropriate for the Restricted Units. Borrower shall manage the Restricted Units in accordance with the approved Management Plan, including such amendments as may be approved in writing from time to time by the Trust Manager, for the Qualified Project Period. The components of the Management Plan shall include:

(a) Management Agent. During the Qualified Project Period, Borrower shall be the management agent or Borrower shall submit the name and qualifications of the proposed management agent. If the management agent is not Borrower, the Trust shall approve or disapprove the proposed management agent in writing based on the experience and qualifications of the management agent.

(b) Management Agreement. At the outset of the Qualified Project Period, Borrower shall submit a copy of the proposed management agreement specifying the amount of the management fee, and the relationship and division of responsibilities between Borrower and management agent.

(c) Marketing Plan. The marketing plan will apply to all of the units in the Project, including the Restricted Units, except the Manager's Unit. The Borrower shall submit a marketing plan for review and approval by the Trust Manager. The marketing plan must contain procedures that ensure marketing of the Restricted Units to Qualified Tenants throughout Orange County (including both unincorporated areas and other incorporated cities). Such procedures shall be applicable for initial rent-up and ongoing marketing of the units throughout the Qualified Project Period. Borrower shall advertise vacancies of the Restricted Units in general distribution newspapers that circulate throughout the County. Where the Borrower utilizes other forms of advertising, such advertising shall also be distributed throughout the County.

(d) Annual Budget and Projected Cash Flows. Concurrently with the beginning of the Qualified Project Period, and annually thereafter not later than seventy-five (75) days after the close of each calendar year (December 31) thereafter, Borrower shall submit, in a form that is acceptable to the Trust, a projected operating budget and cash flow for the Project to the Trust.

(e) Trust Right to Replace Management Agent. If at any time the Trust determines that the Project is not being managed or maintained in accordance with the approved Management Plan, Borrower shall change the management agent or the practices complained of, upon receipt of written notice from the Trust. The Trust may require Borrower to change management practices or to terminate the management contract and designate and retain a different management agent, to be approved by the Trust. The management agreement shall provide that it is subject to termination by

Borrower without penalty, upon thirty (30) days prior written notice, at the direction of the Trust. Within ten (10) days following a direction of the Trust to replace the management agent, Borrower shall select another management agent or make other arrangements satisfactory to the Trust for continuing management of the Project.

5. Maintenance; Compliance with Law. During the Qualified Project Period, Borrower agrees to maintain all interior and exterior improvements, including landscaping, on the Project in good condition, repair and sanitary condition (and, as to landscaping, in a healthy condition) and in accordance with any Management Plan approved by the Trust under this Agreement (including without limitation any landscaping and signage), as the same may be amended from time to time, and all other applicable laws, rules, ordinances, orders, and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials. Borrower acknowledges the great emphasis the Trust places on quality maintenance to protect its investment and to provide quality low income housing for its constituents and to ensure that all Trust subsidized affordable housing projects within the County are not allowed to deteriorate due to deficient maintenance. In addition, Borrower shall keep the Project free from all graffiti and any accumulation of debris or waste material. Borrower shall promptly make all repairs and replacements necessary to keep the Project in good condition and repair and shall promptly eliminate all graffiti and replace dead and diseased plants and landscaping with comparable approved materials.

In the event that Borrower breaches any of the covenants contained in this Section 5 and such default continues for a period of five (5) days after written notice from the Trust (with respect to graffiti, debris, waste material, and general maintenance) or thirty (30) days after written notice from the Trust (with respect to landscaping and building improvements), then the Trust, in addition to whatever other right or remedy it may have under the Loan Agreement, the other Loan Documents, this Regulatory Agreement or at law or in equity, shall have the right to enter upon the Project and perform or cause to be performed all such acts and work necessary to cure the default. Pursuant to such right of entry, the Trust shall be permitted (but is not required) to enter upon the Project and perform all acts and work necessary to protect, maintain and preserve the improvements and landscaped areas on the Project. Borrower shall promptly pay to the Trust, as applicable, the amount of the expenditure arising from such acts and work of protection, maintenance, and preservation by the Trust and/or costs of such cure, including a fifteen percent (15%) administrative charge.

6. Consideration. The Trust has made the Loan for the purpose, among others, of inducing the Borrower to provide affordable housing in the County of Orange. In consideration of the Loan to the Borrower, the Borrower has entered into this Agreement and has agreed to restrict the Restricted Units of the Project on the terms and conditions set forth herein.

7. Sale or Transfer of the Project. The Borrower hereby covenants and agrees not to voluntarily sell, transfer or otherwise dispose of the Property or the Project, or any

portion thereof (other than for individual tenant use as contemplated hereunder), without obtaining the prior written consent of the Trust. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Property or the Project in violation of this Section 7 shall be null, void and without effect, shall cause a reversion of title to the Borrower and shall be ineffective to relieve the Borrower of its obligations under this Agreement. Any transfer of the Property or the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 7.

8. Term. This Agreement and all and each of the provisions hereof shall become effective upon its execution and delivery, shall remain in full force and effect for the period provided herein and in the Loan Agreement, and, shall terminate in its entirety at the expiration of the Qualified Project Period, it being expressly agreed and understood that the provisions hereof are intended to survive the discharge of the Loan and termination of the Loan Agreement. In the event that the Conversion Date, as defined in the Loan Agreement, does not occur and the Qualified Project period does not commence, as set forth in the Loan Agreement, the restrictions of this Agreement shall have no effect and the Trust shall provide the Borrower with a release of this Agreement.

9. Covenants to Run with the Land.

(a) All conditions, covenants, and restrictions contained in this Agreement shall be covenants running with the land, and shall, in any event, and without regard to technical classification or designation, legal or otherwise, be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and enforceable by Trust, its successors and assigns, against Borrower, its successors and assigns, to or of the Project or any portion thereof or any interest therein, and any party in possession or occupancy of said Project or portion thereof.

(b) In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that Trust shall be deemed a beneficiary of the agreements and covenants provided hereinabove both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of the Trust and such covenants shall run in favor of the Trust for the entire period during which such covenants shall be in force and effect, without regard to whether the Trust is or remains an owner of any land or interest therein to which such covenants relate. The Trust shall have the right, in the event of any breach of any such agreement or covenant, to exercise all the rights and remedies, and to maintain any action at law or suit in equity or other proper proceedings to enforce the curing of such breach of agreement or covenant.

(c) The Trust and its successors and assigns, and Borrower and the permitted successors and assigns of Borrower in and to all or any part of the fee title to the Project, shall jointly have the right upon written agreement signed by both parties to consent and agree to changes in, or to eliminate in whole or in part, any of the covenants, easements, or restrictions contained in this Agreement without the consent of any tenant, lessee, easement holder, licensee, mortgagee, trustee, beneficiary under a deed of trust, or any

other person or entity having any interest less than a fee in the Project. The covenants contained in this Agreement, without regard to technical classification shall not benefit or be enforceable by any owner of any other real property within or outside the Project, or any person or entity having any interest in any other such realty.

(d) No breach of any of the provisions of this Agreement shall impair, defeat or render invalid the lien of any mortgage, deed of trust or like encumbrance made in good faith and for value encumbering the Property or the Project or any portion thereof.

10. Burden and Benefit. The Trust and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the Property and the Project in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Trust and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touching and concerning the land is the enhancement and increased enjoyment and use of the Project by Qualified Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by the furthering of public purposes for which the Loan was made.

11. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project.

12. Default. Each of the following shall constitute an "Event of Default" by Borrower under this Agreement:

(a) Failure to Make Payments. Borrower fails to make any payment of due the Trust under this Agreement within ten (10) days after receiving written notice for said payment from the Trust;

(b) Non-Monetary Failure to Perform. Borrower fails to timely perform, comply with or observe any of the terms, covenants, or conditions of this Agreement (other than those provisions elsewhere referred to in this Section 12) and such failure continues uncured or without Borrower commencing to diligently cure for thirty (30) days after notice thereof in writing is given by the Trust to Borrower;

(c) Mortgage Loan Document Breach. Any default or breach of Borrower which continues uncured after the expiration of any applicable cure period under the Loan Agreement (including, but not limited to, the obligations of the Borrower under Article VI of the Loan Agreement), any Loan Document or any other loan document including, but not limited to, the Mortgage Loan Documents, as defined and set forth in the Loan Agreement;

(d) Voluntary Suspension. The voluntary suspension of Borrower's business or the dissolution or termination of the partnership (if any) constituting Borrower;

(e) Unauthorized Transfer. Borrower's sale or other transfer of the Project in violation of this Agreement;

(f) Fraud or Material Misstatement or Omissions. Any fraudulent act or omission of Borrower pertaining to or made in connection with the Loan, Loan Documents or the Project;

(g) Insolvency. A court having jurisdiction shall have made or entered any decree or order (i) adjudging Borrower to be bankrupt or insolvent, (ii) approving as properly filed a petition seeking reorganization of Borrower or seeking any arrangement for Borrower under the bankruptcy law or any other applicable debtor's relief law or statute of the United States or any state or other jurisdiction, (iii) appointing a receiver, trustee, liquidator, or assignee of Borrower in bankruptcy or insolvency or for any of their properties, or (iv) directing the winding up or liquidation of Borrower, if any such decree or order described in clauses (i) to (iv), inclusive, shall have continued unstayed or undischarged for a period of sixty (60) days unless a lesser time period is permitted for cure under any other mortgage on the Property, in which event such lesser time period will apply under this subsection 12(g) as well; or Borrower shall have admitted in writing its inability to pay its debts as they fall due or shall have voluntarily submitted to or filed a petition seeking any decree or order of the nature described in clauses (i) to (iv), inclusive. The occurrence of any of the events of default in this paragraph shall act to accelerate automatically, without the need for any action by the Trust, the indebtedness evidenced by the Note; or

(h) Project Monies. Borrower's misapplication or embezzlement of Project monies.

13. Remedies. The occurrence of any Event of Default shall, either at the option of the Trust or automatically where so specified, relieve the Trust of any obligation to make or continue the Loan and shall give the Trust the right to proceed with any and all remedies set forth in this Agreement and the Loan Documents or otherwise available at law or in equity or by statute (and all of the Trust's rights and remedies shall be cumulative), including but not limited to the following:

(a) Acceleration of Note. The Trust shall have the right to cause all indebtedness of the Borrower to the Trust under the Note, together with any accrued interest thereon, to become immediately due and payable. The Borrower waives all right to presentment, demand, protest or notice of protest, or dishonor. The Trust may proceed to enforce payment of the indebtedness and to exercise any or all rights afforded to the Trust as a creditor and secured party under the law including the Uniform Commercial Code, including foreclosure under the Deed of Trust. The Borrower shall be liable to pay the Trust on demand all expenses, costs and fees (including, without limitation, attorneys' fees and expenses) paid or incurred by the Trust in connection with the collection of the Loan and the preservation, maintenance, protection, sale, or other disposition of the security given for the Loan.

(b) Specific Performance. The Trust shall have the right to mandamus or other suit, action or proceeding at law or in equity to require Borrower to perform its obligations and covenants under this Agreement and/or the Loan Documents or to enjoin acts on things, which may be unlawful, or in violation of the provisions of this Agreement and/or the Loan Documents.

(c) Right to Cure at Borrower's Expense. The Trust shall have the right to cure any monetary default by Borrower under this Agreement. The Borrower agrees to reimburse the Trust for any funds advanced by the Trust to cure a monetary default by Borrower upon demand therefore, together with interest thereon at the rate of twelve percent (12%) per annum or the maximum rate permitted by law, whichever rate is lesser, from the date of expenditure until the date of reimbursement.

(d) Remedies Cumulative. No right, power, or remedy given to the Trust by the terms of this Agreement or the Loan Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given to the Trust by the terms of any such instrument, or by any statute or otherwise against Borrower and any other person. Neither the failure nor any delay on the part of the Trust to exercise any such rights and remedies shall operate as a waiver thereof, nor shall any single or partial exercise by the Trust of any such right or remedy preclude any other or further exercise of such right or remedy, or any other right or remedy.

(e) Waiver of Terms and Conditions. No waiver of any default or breach by Borrower hereunder shall be implied from any omission by the Trust to take action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the waiver, and such waiver shall be operative only for the time and to the extent therein stated. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition. The consent or approval by the Trust to or of any act by Borrower requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act. The exercise of any right, power, or remedy shall in no event constitute a cure or a waiver of any default under this Agreement or the Loan Documents, nor shall it invalidate any act done pursuant to notice of default, or prejudice the Trust in the exercise of any right, power, or remedy hereunder or under the Loan Documents, unless in the exercise of any such right, power, or remedy all obligations of Borrower to the Trust are paid and discharged in full.

14. Recording and Filing. The Borrower shall cause this Agreement, and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of Orange and in such other places as the Trust may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

15. Governing Law. This Agreement shall be governed by the laws of the State of California. In the event of any legal action to enforce or interpret this Agreement, the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California, and the parties hereto agree to and do hereby submit to the jurisdiction of such court, notwithstanding Code of Civil Procedure Section 394

16. Amendments. This Agreement shall be amended only by a written instrument executed by the parties hereto, or their successors in title and duly recorded in the real property records of the County of Orange.

17. Notices.

18. Severability. If any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

19. Additional Terms.

(a) Indemnity. To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Trust and its elected officials, officers, governing members, employees, attorneys and agents (collectively, the "Indemnified Parties"), from and against any and all losses, damages, claims, actions, liabilities, costs and expenses of any and every conceivable nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in

iii. any lien or charge upon payments by the Borrower to the Trust, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Trust in respect of any portion of the Project;

iv. any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Property or the Project or any part thereof;

v. any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower contained in any Loan Document or any of the documents or instruments relating to said Loan Documents that the Trust relied upon in making the Loan; except to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment and payment for of counsel selected by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement.

(c) Construction. Except where the context otherwise requires, words imparting the singular number shall include the plural number and vice versa, words imparting persons shall include firms, associations, partnerships and corporations, and words of either gender shall include the other gender.

(d) Waiver of Jury Trial. Unless prohibited by Federal, State or local laws, each party to this Agreement hereby expressly waives any right to trial by jury of any

claim, demand, action or cause of action arising under any Loan Document or in any way connected with or related or incidental to the dealings of the parties hereto or any of them with respect to any Loan Document, or the transactions related thereto, in each case whether now existing or hereafter arising, and whether sounding in contract or tort or otherwise; and each party hereby agrees and consents that any such claim, demand, action or cause of action shall be decided by court trial without a jury, and that any party to this Agreement may file an original counterpart or a copy of this section with any court as written evidence of the consent of the parties hereto to the waiver of their right to trial by jury.

(e) Nonliability. By accepting or approving anything required to be performed or given to Trust under this Agreement, Trust shall not be deemed to have warranted or represented the sufficiency or legal effect of the same, and no such acceptance or approval shall constitute a warranty or representation by Trust to anyone.

(f) Obligations Unconditional and Independent. Notwithstanding the existence at any time of any obligation or liability of Trust to Borrower, or any claim by Borrower against Trust, in connection with this Agreement or otherwise, Borrower hereby waives any right it might otherwise have (a) to offset any such obligation, liability or claim against Borrower's obligations under this Agreement or (b) to claim that the existence of any such obligation, liability or claim excuses the nonperformance by Borrower of any of its obligations under this Agreement.

(g) Department of Housing and Community Development Underwriting Standards. The Trust attests that the underwriting standards being utilized for this transaction are those that have been submitted and approved by the Department of Housing and Community Development.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date and year first above written.

of its rights hereunder. The power of attorney granted hereunder is coupled with an interest and is irrevocable.

Section 2.7. Financing Statement.

The Trustor shall execute and deliver to the Beneficiary such financing statements pursuant to the appropriate statutes, and any other documents or instruments as are required to convey to the Beneficiary a valid perfected security interest in the Security. The Trustor agrees to perform all acts that the Beneficiary may reasonably request so as to enable the Beneficiary to maintain such valid perfected security interest in the Security in order to secure the payment of the Note in accordance with its terms. The Beneficiary is authorized to file a copy of any such financing statement in any jurisdiction(s) as it shall deem appropriate from time to time in order to protect the security interest established pursuant to this instrument.

Section 2.8. Operation of the Security.

The Trustor agrees and covenants to operate the Security in full compliance with the Loan Agreement and the Debt Instruments.

Section 2.9. Inspection of the Security.

The Trustor covenants and agrees that at any and all reasonable times, the Beneficiary and its duly authorized agents, attorney's experts, engineers, accountants and representatives, shall have the right, without payment of charges or fees, to inspect all or any portion of the Security, including, but not limited to, the right to inspect and copy all reports and records pertaining thereto.

Section 2.10. Nondiscrimination.

The Trustor herein covenants by and for itself, its heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, sexual orientation, age, marital status, national origin, ancestry or disability in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Security, nor shall the Trustor itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the Security. The foregoing covenants shall run with the land.

Section 2.11. Subrogation and Waiver of Offset.

(a) Trustor waives any and all right to claim or recover against Beneficiary, its officers, employees, agents and representatives, for loss of or damage to Trustor, the Security, Trustor's property or the property of others under Trustor's control from any cause insured against or required to be insured against by the provisions of this Deed of Trust; provided, however, that this waiver of subrogation shall not be effective with respect to any policy of insurance permitted or required by this Deed of Trust if (i) such policy prohibits, or if coverage thereunder would be reduced as a result of, such waiver of subrogation and (ii) Trustor is unable

to obtain from a carrier issuing such insurance a policy that, by special endorsement or otherwise, permits such a waiver of subrogation.

(b) Except as otherwise specifically provided herein, all amounts payable by Trustor pursuant to this Deed of Trust shall be paid without notice, demand, counterclaim, setoff, deduction or defense and without abatement, suspension, deferment, diminution or reduction, and the obligations and liabilities of Trustor hereunder shall in no way be released, discharged or otherwise affected (except as expressly provided herein) by reason of: (i) any damage to or destruction of or any condemnation or similar taking of the Security or any part thereof; (ii) any restriction or prevention of or interference by any third party with any use of the Security or any part thereof; (iii) any title defect or encumbrance or any eviction from the Security or any part thereof by title paramount or otherwise; (iv) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding relating to Beneficiary, or any action taken with respect to this Deed of Trust by any trustee or receiver of Beneficiary, or by any court, in any such proceeding; (v) any claim which Trustor has or might have against Beneficiary; (vi) any default or failure on the part of Beneficiary to perform or comply with any of the terms hereof or of any other agreement with Trustor; or (vii) any other occurrence whatsoever, whether similar or dissimilar to the foregoing. Except as expressly provided herein, Trustor waives all rights now or hereafter conferred by statute or otherwise to any abatement, suspension, deferment, diminution or reduction of any sum secured hereby and payable by Trustor.

Section 2.12. Utilities.

Trustor shall pay or cause to be paid when due all utility charges which are incurred for the benefit of the Security or which may become a charge or lien against the Security for gas, electricity, water, sewer services or other fees and charges for utilities furnished to the Security and all other assessments or charges of a similar nature, whether public or private, affecting or related to the Security or any portion thereof, whether or not such taxes, assessments or charges are or may become liens thereon.

Section 2.13. Actions by Beneficiary to Preserve Property.

If Trustor fails to make any payment or to do any act as and in the manner provided in this Deed of Trust, Beneficiary and Trustee, and each of them, each in its own discretion, without obligation to do so, without releasing Trustor from any Obligation, and subject only to the notice and cure provisions of the Loan Agreement, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof. In connection therewith (without limiting their general and other powers, whether conferred herein, in another Loan Document or by law), Beneficiary and Trustee shall each and are hereby given the right, but not the obligation: (i) to enter upon and take possession of the Security; (ii) to make additions, alterations, repairs and improvements to the Security which either of them consider necessary or proper to keep the Security in good condition and repair; (iii) to appear and participate in any action or proceeding which may affect the security hereof or the rights or powers of Beneficiary or Trustee; (iv) to pay, purchase, contest or compromise any encumbrance, claim, charge, lien or debt which in the judgment of either may affect the security of this Deed of Trust or be prior or superior hereto; and (v) in exercising such powers to pay necessary expenses, including

employment of counsel or other necessary or desirable consultants. Trustor shall reimburse Beneficiary on demand for all costs incurred by Beneficiary in connection with actions which Beneficiary deems advisable to protect its interest under the Loan Agreement and all such amounts shall bear interest at the Agreed Rate following demand and be secured hereby.

Section 2.14. Transfer of Property by Trustor.

Prior to repayment of the Note, Trustor agrees that Trustor shall not sell or transfer the Security or any interest therein or sell or transfer all or substantially all of the assets of Trustor or any of them except as may be provided in the Loan Agreement.

Section 2.15. Additional Security.

No other security now existing, or hereafter taken, to secure the Obligations secured hereby or the liability of any maker, surety guarantor or endorser with respect to such Obligations, or any of them, shall be impaired or affected by the execution of this Deed of Trust; and all additional security shall be taken, considered and held as cumulative. The taking of additional security, execution of partial releases of the Security, or any extension of the time of payment of the indebtedness shall not diminish the force, effect or lien of this Deed of Trust and shall not affect or impair the liability of any maker, surety, guarantor or endorser for the payment of said indebtedness. In the event Beneficiary at any time holds additional security for any of the Obligations secured hereby, it may enforce the sale thereof or otherwise realize upon the same, at its option, either before, concurrently, or after a sale is made hereunder.

Section 2.16. Liens.

Trustor shall not cause, incur suffer or permit to exist or become effective any lien, encumbrance or charge upon all or any part of the Property, the Improvements or any interest therein other than (a) easements, rights of way, covenants, conditions, restrictions, liens and other title limitations approved in writing by Beneficiary prior to the execution of this Deed of Trust, and (b) immaterial easements and rights of way which are required by governmental authorities as a condition to the use and operation of the Improvements which are approved in writing by Beneficiary after the execution of this Deed of Trust (the “**Permitted Encumbrances**”). Trustor shall pay and promptly discharge, at Trustor’s cost and expense, all liens, encumbrances and charges upon the Security, or any part thereof or interest therein other than the Permitted Encumbrances; provided, that the existence of any mechanic’s, laborer’s, materialman’s, supplier’s or vendor’s lien or right thereto shall not constitute a violation of this Section if payment is not yet due under the contract which is the foundation thereof. Trustor shall have the right to contest in good faith the validity of any such lien, encumbrance or charge, provided Trustor shall first deposit with the Beneficiary a bond or other security satisfactory to Beneficiary in such amounts as Beneficiary shall reasonably require, but not more than one hundred fifty percent (150%) of the amount of the claim or shall post a bond authorized by statute in lieu thereof, and provided further that Trustor shall thereafter diligently proceed to cause such lien, encumbrance or charge to be removed and discharged. If Trustor shall fail to remove and discharge any such lien, encumbrance, or charge, then, in addition to any other right or remedy of Beneficiary, Beneficiary may, but shall not be obligated to, discharge the same, without inquiring into the validity of such lien, encumbrance or charge nor into the existence of

any defense or offset thereto, either by paying the amount claimed to be due, or by procuring the discharge of such lien, encumbrance or charge by depositing in court a bond or the amount claimed, or otherwise giving security for such claim, in such manner as is or may be prescribed by law. Trustor shall, immediately upon demand therefor by Beneficiary, pay to Beneficiary an amount equal to all costs and expenses incurred by Beneficiary in connection with the exercise by Beneficiary of the foregoing right to discharge any such lien, encumbrance or charge, together with interest thereon from the date of such expenditure at the Agreed Rate and, until paid, such sums shall be secured hereby.

Section 2.17. Beneficiary's Powers.

Without affecting the liability of any other person liable for the payment of any Obligation herein mentioned, and without affecting the lien or charge of this Deed of Trust upon any portion of the Security not then or theretofore released as security for the full amount of all unpaid Obligations, Beneficiary may, from time to time and without notice: (a) release any person so liable, (b) extend the maturity or alter any of the terms of any such Obligation (to the extent that Beneficiary is so allowed under the Loan Agreement), (c) grant other indulgences, (d) release or reconvey, or cause to be released or reconveyed at any time at Beneficiary's option any parcel, portion or all of the Security, (e) take or release any other or additional security for any Obligation herein mentioned, or (f) make compositions or other arrangements with debtors in relation thereto. By accepting payment or performance of any Obligation secured by this Deed of Trust after the payment or performance thereof is due or after the filing of notice of default and election to sell (other than satisfaction in full of the Obligations), Beneficiary shall not have thereby waived its right to require prompt payment or performance, when due, of all other Obligations secured hereby, or to declare a default for failure so to pay or perform, or to proceed with the sale under any notice of default and election to sell theretofore given by Beneficiary, or with respect to any unpaid balance of the indebtedness secured hereby. The acceptance by Beneficiary of any sum in an amount less than the sum then due shall not constitute a waiver of the obligation of Trustor to pay the entire sum then due. Trustor's failure to pay the entire sum then due shall continue to be a default, notwithstanding the acceptance of partial payment, and, until the entire sum then due shall have been paid, Beneficiary or Trustee shall at all times be entitled to declare a default and to exercise all the remedies herein conferred, and the right to proceed with a sale under any notice of default and election to sell shall in no way be impaired, whether or not such amounts are received prior or subsequent to such notice. No delay or omission of Trustee or Beneficiary in the exercise of any other right or power hereunder shall impair such right or power or any other right or power nor shall the same be construed to be a waiver of any default or any acquiescence therein.

Section 2.18. Suits to Protect Property. Trustor agrees to appear in and defend any action or proceeding purporting to affect the security of this Deed of Trust or any additional or other security for the obligations secured, the interest of Beneficiary of the rights, powers and duties of Trustee, and to pay all costs and expenses, including without limitation, cost of evidence of title and attorneys' fees, in any action or proceeding in which Beneficiary or Trustee may appear to be made a party, including, but not limited to, foreclosure or other proceeding commenced by those claiming a right to any part of the Property under subordinate liens, in any action to partition or condemn all or part of the Property, whether pursued to final judgment, and

in any exercise of the power of sale in this Deed of Trust, whether the sale is actually consummated.

ARTICLE III

TAXES AND INSURANCE; ADVANCES

Section 3.1. Taxes, Other Governmental Charges and Utility Charges.

(a) Trustor shall pay, prior to delinquency, all real property taxes and assessments, general and special, and all other charges of any kind, including without limitation non-governmental levies or assessments such as maintenance charges, levies or other charges resulting from covenants, conditions and restrictions affecting the Security, which are assessed or imposed upon the Security or upon Trustor as owner or operator of the Security, or become due and payable, and which create or may create a lien upon the Security, or any part thereof, or upon any personal property, equipment or other facility used in the operation or maintenance thereof (all the above collectively hereinafter referred to as "Impositions"); provided, however, that if, by law, any Imposition is payable, or may at the option of the taxpayer be paid, in installments, Trustor may pay the same in installments (together with any interest charged) as the same become due and before any fine, penalty or cost may be added thereto for the nonpayment of any such installment. Notwithstanding the foregoing, Trustor shall have the right to diligently contest, in good faith and by appropriate proceedings, the validity of any Imposition, so long as Trustor demonstrates to Beneficiary that Trustor is maintaining sufficient reserves for the payment of all contested liabilities and so long as the security and value of Beneficiary's interest under this Deed of Trust are not impaired as a result of such contest.

(b) If at any time after the date hereof there shall be assessed or imposed (1) a tax or assessment on the Security in lieu of or in addition to the Impositions payable by Trustor pursuant to this Section 3.1 hereof, or (2) a license fee, tax or assessment imposed on Beneficiary and measured by or based in whole or in part upon the amount of the outstanding Obligations secured hereby, then all such taxes, assessments or fees shall be deemed to be included within the term "Impositions" as defined in this Section and Trustor shall pay and discharge the same as herein provided with respect to the payment of Impositions. If Trustor fails to pay such Impositions prior to delinquency or if Trustor is prohibited by law from paying such Impositions, Beneficiary may at its option declare all Obligations secured hereby, together with all accrued interest thereon, immediately due and payable. Anything to the contrary herein notwithstanding, Trustor shall have no obligation to pay any franchise, estate, inheritance, income, excess profits or similar tax levied on Beneficiary or on the Obligations secured hereby.

(c) Trustor shall deliver to Beneficiary within thirty (30) days after the date upon which any such Imposition is due and payable by Trustor official receipts of the appropriate taxing authority, or other proof satisfactory to Beneficiary, evidencing the payment thereof. Trustor shall not suffer, permit or initiate the joint assessment of any real and personal property which may constitute all or a portion of the Security and the personal property or suffer, permit or initiate any other procedure whereby the lien of real property taxes and the lien of personal property taxes shall be assessed, levied or charged to the Security as a single Lien. Trustor shall

cause to be furnished to Beneficiary a tax reporting service, covering the Property, of a type and duration, and with a company, reasonably satisfactory to Beneficiary.

(d) In the event that Trustor shall fail to pay any of the foregoing items required by this Section to be paid by Trustor, Beneficiary may (but shall be under no obligation to) pay the same, after the Beneficiary has notified the Trustor of such failure to pay and the Trustor fails to fully pay such items within seven (7) business days after receipt of such notice. Any amount so advanced therefor by Beneficiary, together with interest thereon from the date of such advance at the greater of twelve percent (12%) per annum or the maximum rate permitted by law (hereinafter the "Agreed Rate"), shall become an additional Obligation of Trustor to the Beneficiary and shall be secured hereby, and Trustor agrees to pay all such amounts.

Section 3.2. Insurance.

(a) Trustor agrees to provide insurance conforming in all respects to that required under the Loan Agreement at all times until all amounts secured by this Deed of Trust have been paid and all other Obligations secured hereunder fulfilled, and this Deed of Trust reconveyed. All such insurance policies and coverages shall be maintained at Trustor's sole cost and expense.

(b) All said insurance shall have attached thereto a lender's loss payable endorsement for the benefit of Beneficiary in form satisfactory to the Beneficiary and/or shall name Beneficiary as an additional insured, as Beneficiary may require, and shall contain an endorsement or agreement by the insurer that any loss shall be payable in accordance with the terms of such policies notwithstanding any act or negligence of Trustor or any party holding under Trustor which might otherwise result in forfeiture of said insurance and the further agreement of the insurer waiving all rights of setoff, counterclaim and deduction against Trustor. At Beneficiary's option, Trustor shall furnish Beneficiary with an original of all required policies of insurance and/or a certificate of insurance with all required endorsements for each required policy setting forth the coverage, the limits of liability, the deductible, if any, the name of the carrier, the policy number, and the period of coverage, which certificates and endorsements shall be executed by authorized officials of the companies issuing such insurance, or any agents or attorneys-in-fact authorized to issue said certificates and endorsements (in which event each such certificate and endorsements shall be accompanied by a notarized affidavit, agency agreement or power of attorney evidencing the authority of the signatory to issue such certificate on behalf of the insurer named therein), accompanied by a certificate from Trustor that the insurance satisfies the requirements of the Loan Agreement, and that Beneficiary may conclusively rely on such certificates. If Beneficiary consents, Trustor may provide any of the required insurance through blanket policies carried by Trustor and covering more than one location; provided, however, all such policies shall be in form and substance and issued by companies satisfactory to Beneficiary.

(c) At least thirty (30) days prior to the expiration of each required policy, Trustor shall deliver to Beneficiary evidence satisfactory to Beneficiary of the payment of premium and the renewal or replacement of such policy continuing insurance in form as required by this Deed of Trust or the Loan Agreement. All such policies shall contain a provision that, notwithstanding any contrary agreement between Trustor and the insurance company, such policies will not be canceled, allowed to lapse without renewal, surrendered or materially amended (which term shall

include any reduction in the scope, or limits of coverage) without at least thirty (30) days prior written notice to Beneficiary.

(d) In the event of foreclosure of this Deed of Trust or other transfer of title or assignment of the Property in extinguishment, in whole or in part, of the debt secured hereby, all right, title and interest of Trustor in and to all policies of insurance required by Section 3.2 hereof and any unearned premiums paid thereon shall, without further act, be assigned to and shall inure to the benefit of and pass to the successor in interest to Trustor or the purchaser or grantee of the Property, and Trustor hereby appoints Beneficiary its lawful attorney-in-fact to execute an assignment thereof and any other document necessary to effect such transfer.

Section 3.3. Advances.

In the event the Trustor shall fail to maintain the full insurance coverage required by this Deed of Trust or shall fail to keep the Security in accordance with the Loan Agreement, the Beneficiary, after at least twenty (20) days prior written notice to Trustor, may (but shall be under no Obligation to) take out the required policies of insurance and pay the premiums on the same or may make such repairs or replacements as are necessary and provide for payment thereof; and all amounts so advanced therefor by the Beneficiary shall become an additional Obligation of the Trustor to the Beneficiary (together with interest as set forth below) and shall be secured hereby, which amounts the Trustor agrees to pay on the demand of the Beneficiary, and if not so paid, shall bear interest from the date of the advance at the Agreed Rate.

ARTICLE IV

DAMAGE, DESTRUCTION OR CONDEMNATION

Section 4.1. Casualties.

Trustor shall give prompt written notice to Beneficiary upon the occurrence of casualty to or in connection with the Security or any part thereof, whether or not covered by insurance. In the event of such casualty Trustor hereby absolutely and unconditionally assigns to Beneficiary all insurance proceeds which it may be entitled to receive and such proceeds shall be delivered to and held by Beneficiary to be applied to Beneficiary's expenses in settling, prosecuting or defending any insurance claim, and then to the restoration of any portion of the Security that has been damaged or destroyed to the same condition, character and value as existed prior to such damage or destruction so long as the following conditions are satisfied: (i) Trustor is not in default hereunder (other than any default resulting from such casualty), (ii) Beneficiary's security is not materially impaired, (iii) all income (from the Security or otherwise) required to pay all debt service and operating expenses of the Security during such restoration and thereafter will be equal to or greater than the income which was required to pay such debt service and operating expenses prior to the casualty, (iv) Trustor evidences to the satisfaction of Beneficiary that the insurance required to be maintained hereunder will be available to the Trustor during restoration and thereafter, (v) Beneficiary shall have approved the plans and specifications for such restoration, which approval shall not be unreasonably withheld or delayed, and (vi) in the event that in Beneficiary's sole judgment the insurance proceeds and any amounts deposited with a senior lender are not sufficient to accomplish restoration, Trustor deposits with the Beneficiary

or senior lender, as required by that senior lender pursuant to the terms of the senior Debt Instrument, within five days of demand by Beneficiary, the additional amounts necessary to accomplish restoration. Proceeds disbursed for restoration will be released to Trustor in accordance with Beneficiary's then current customary disbursement procedures. In the event any of the conditions set forth above are not satisfied or if the insurance proceeds shall not be applied to the restoration of the Security within thirty days after receipt of such proceeds by Beneficiary, Beneficiary may release such proceeds to Trustor without such release being deemed a payment of any indebtedness secured hereby, rather than apply such proceeds to the restoration of the Security. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. If the Security is restored at a cost less than the available insurance proceeds, then such excess proceeds shall, if Trustor is not then in default hereunder, be paid over to Trustor. Beneficiary may commence, appear in, defend or prosecute any assigned claim or action, and may adjust, compromise, settle and collect all claims, proceeds and awards assigned to Beneficiary, but shall not be responsible for any failure to collect any claim, proceeds or award, regardless of the cause of the failure.

Section 4.2. Condemnation.

Immediately upon its obtaining knowledge of the institution or the threatened institution of any proceeding for the condemnation or other taking for public or quasi-public use of the Security or any part thereof, or if the same be taken or damaged by reason of any public improvement or condemnation proceeding, or in any other manner, or should Trustor receive any notice or other information regarding such proceedings, action, taking or damage, Trustor shall promptly notify Trustee and Beneficiary of such fact. Trustor shall then, if requested by Beneficiary, file or defend its right thereunder and prosecute the same with due diligence to its final disposition and shall cause any award or settlement to be paid to Beneficiary in accordance with the provisions of the Loan Agreement. At Beneficiary's option, Beneficiary or Trustor may be the nominal party in such proceeding but in any event Beneficiary shall be entitled, without regard to the adequacy of its security, to participate in, appear in, prosecute and settle, jointly with Trustor to control the same and to be represented therein by counsel of its choice, and Trustor will deliver, or cause to be delivered, to Beneficiary such instruments as may be requested by it from time to time to permit such participation. Trustor and Beneficiary agree to act in good faith with respect to any consent, settlement, or award arising out of said prosecution. If the Security or any part thereof is taken or diminished in value, or if a consent settlement is entered, by or under threat of such proceedings, all compensation, awards, damages, rights of action proceeds and settlements payable to Trustor by virtue of its interest in the security shall be and hereby are assigned, transferred and set over into Beneficiary to be held by it, in trust, subject to the lien and security interest of this Deed of Trust. All such proceeds shall be first applied to reimburse Trustee and Beneficiary, for all costs and expenses, including reasonable attorneys' fees, incurred in connection with the collection of such award or settlement, and then to the restoration of any portion of the Security that has been taken to the similar condition, character and value as existed prior to such taking so long as the following conditions are satisfied: (i) Trustor is not in default hereunder, (ii) Beneficiary's security is not materially impaired, (iii) all income (from the Security or otherwise) required to pay all debt service and operating expenses of the Security during such restoration and thereafter will be equal to or greater than the income which was required to pay such debt service and operating expenses prior to the casualty, (iv) Trustor evidences to the satisfaction of Beneficiary that the insurance

required to be maintained hereunder will be available to the Trustor during restoration and thereafter, (v) Beneficiary shall have approved the plans and specifications for such restoration, and (vi) in the event that in Beneficiary's sole judgment the insurance proceeds and any amounts deposited with a senior lender are not sufficient to accomplish restoration, Trustor deposits with the Beneficiary or senior lender, as required by that senior lender pursuant to the terms of the senior Debt Instrument, within five days of demand by Beneficiary, the additional amounts necessary to accomplish restoration. Application or release of proceeds as provided herein shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

ARTICLE V

(j) to the best of its knowledge after diligent inquiry, there exists no occurrence or condition on any real property adjoining or within 2,000 feet of the Property that would cause the Property or any part of it to be designated as "hazardous waste property" or "border zone property" under the provisions of Health and Safety Code §§ 25220 et seq., and any regulation adopted in accordance with that section;

Section 5.2 Covenants of Trustor. Trustor agrees, except in the ordinary course of business and in strict compliance with all applicable Hazardous Substance Laws, as follows:

(a) not to cause or permit the property to be used as a site for the use, generation, manufacture, storage, treatment, Release, discharge, disposal, transportation, or presence of any Hazardous Substance;

(f) if Trustor discovers a Release or the presence of any Hazardous Substance on or about the Property in violation of any Hazardous Substance Law, to:

- (1) notify Beneficiary of that discovery together with a reasonably detailed description;

- (2) engage promptly after a request by Beneficiary, a qualified environmental engineer reasonably satisfactory to Beneficiary to investigate these matters and prepare and submit to Beneficiary a written report containing the findings and conclusions resulting from that investigation, all at the sole expense of Trustor, and

- (3) take, at Trustor's sole expense, all necessary actions to remedy, repair, clean up, or detoxify any Release or Hazardous Substance, including, but not limited to, any remedial action required by any Hazardous Substance Laws or any judgment, consent, decree, settlement, or compromise in respect of any Hazardous Substance Claims, these actions to be performed:

- A. in accordance with Hazardous Substance Laws,
- B. in a good and proper manner,

- (g) immediately furnish to Beneficiary copies of all written communications received by Trustor from any governmental authority or other person or given by Trustor to any person and any other information Beneficiary may reasonably request concerning any Release, threatened Release, Hazardous Substance Claim, or the discovery of any Hazardous Substance on or about the Property in violation of any Hazardous Substance Law; and

(h) keep Beneficiary generally informed regarding any Release, threatened Release, Hazardous Substance Claim, or the discovery of any Hazardous Substance on or about the Property in violation of any Hazardous Substance Law.

Section 5.3 Rights of Beneficiary. Upon Beneficiary's reasonable belief of the existence of a past or present Release or threatened Release not previously disclosed by Trustor in connection with the making of the Loan or the execution of this Deed of Trust or upon Beneficiary's reasonable belief that Trustor has failed to comply with any environmental provision of this Deed of Trust or any other Loan Document and upon reasonable prior notice (except in the case of an emergency) to Trustor, Beneficiary or its representatives, employees, and agents, may from time to time and at all reasonable times (or at any time in the case of an emergency) enter and inspect the Property and every part of it (including all samples of building materials, soil, and groundwater and all books, records, and files of Trustor relating to the Property) and perform those acts and things that Beneficiary deems necessary or desirable to inspect, investigate, assess, and protect the Security of this Deed of Trust, for the purpose of determining:

(a) the existence, location, nature, and magnitude of any past or present Release or threatened Release,

(b) the presence of any Hazardous Substances on or about the Property in violation of any Hazardous Substance Law, and

(c) the compliance by Trustor of every environmental provision of this Deed of Trust and every other Loan Document.

In furtherance of the purposes above, without limitation of any of its other rights, Beneficiary may:

(1) obtain a court order to enforce Beneficiary's right to enter and inspect the Property under Civil Code § 2929.5; and

(2) have a receiver appointed under Code of Civil Procedure § 564 to enforce Beneficiary's right to enter and inspect the Property for the purpose set forth above.

All costs and expenses incurred by Beneficiary with respect to the audits, tests, inspections, and examinations that Beneficiary or its agents, representatives, or employees may conduct, including the fees of the engineers, laboratories, contractors, consultants, and attorneys, will be paid by Trustor. All costs or expenses incurred by Trustee and Beneficiary pursuant to this Section (including without limitation court costs, consultant's fees, and attorney fees, whether incurred in litigation and whether before or after judgment) will bear interest at the Agreed Rate from the date they are incurred until those sums have been paid in full. Except as provided by law, any inspections or tests made by Beneficiary or its representatives, employees, and agents will be for Beneficiary's purposes only and will not be construed to create any responsibility or liability on the part of Beneficiary to Trustor or to any other person. Beneficiary will have the right, but not the obligation, to communicate with any governmental authority regarding any fact or reasonable belief of Beneficiary that constitutes or could

constitute a breach of any of Trustor's obligations under any environmental provision contained in this Deed of Trust or any Loan Document.

Section 5.4 Waiver and Indemnity. Trustor:

(a) releases and waives any future claims against Beneficiary for indemnity or contribution in the event Trustor becomes liable for cleanup or other costs under any Hazardous Substance Laws or under any Hazardous Substance Claim;

(b) agrees to reimburse Beneficiary, on demand, for all costs and expenses incurred by Beneficiary in connection with any review, approval, consent, or inspection relating to the environmental provisions in this Deed of Trust together with interest, after demand, at the Agreed Rate; and

(c) agrees to indemnify, defend, and hold Beneficiary and Trustee harmless from all losses, costs, claims, damages, penalties, liabilities, causes of action, judgments, court costs, attorney fees and other legal expenses, costs of evidence of title, cost of evidence of value, and other expenses (collectively, "**Expenses**"), including, but not limited to, any Expenses incurred or accruing after the foreclosure of the lien of this Deed of Trust, which either may suffer or incur and which directly or indirectly arises out of or is in any way connected with the breach of any environmental provision either in this Deed of Trust or in any Loan Document or as a consequence of any Release or threatened Release on the presence, use, generation, manufacture, storage, disposal, transportation, Release, or threatened Release of any Hazardous Substance on or about the Property, including the soils and groundwater, caused or permitted by Trustor, any prior owner or operator of the Property, any adjoining landowner or any other party, including, without limitation, the cost of any required or necessary repair, cleanup, remedy, or detoxification of any hazardous Substance and the preparation of any closure, remedial action, or other required plans, whether that action is required or necessary by reason of acts or omissions occurring prior to or following the recordation of this Deed of Trust. Trustor's obligations will survive the satisfaction, release, or cancellation of the indebtedness, the release and reconveyance or partial release and reconveyance of this Deed of Trust, and the foreclosure of the lien of this Deed of Trust or deed in lieu of the Deed of Trust.

Section 5.5 Additional Covenants of Trustor.

(a) Trustor and Beneficiary agree that:

(1) this Section is intended as Beneficiary's written request for information and Trustor's written response concerning the environmental condition of the Property as provided by Code of Civil Procedure § 726.5; and

(2) each representation, warranty, covenant, or indemnity made by Trustor in this Article or in any other provision of this Deed of Trust or any Loan Document that relates to the environmental condition of the Property is intended by Trustor and Beneficiary to be an "environmental provision" for purposes of Code of Civil Procedure § 736 and will survive the payment of the indebtedness and the termination or expiration of this Deed of Trust and will not be affected by Lender's acquisition of any interest in the Property, whether by full credit bid at foreclosure, deed in lieu of that, or otherwise. If there is any transfer of any portion of

Trustor's interest in the Property, any successor-in-interest to Trustor agrees by its succession to that interest that the written request made pursuant to this Article will be deemed remade to the successor-in-interest without any further or additional action on the part of Beneficiary and that by assuming the debt secured by this Deed of Trust or by accepting the interest of Trustor subject to the lien of this Deed of Trust, the successor remakes each of the representations and warranties in this Deed of Trust and agrees to be bound by each covenant in this Deed of Trust, including, but not limited to, any indemnity provision.

(b) Even though Trustor may have provided Beneficiary with an environmental site assessment or other environmental report together with other relevant information regarding the environmental condition of the Property, Trustor acknowledges and agrees that Beneficiary is not accepting the Property as security for the Loan based on that assessment, report, or information. Rather, Beneficiary has relied on the representations and warranties of Trustor in this Deed of Trust, and Beneficiary is not waiving any of its rights and remedies in the environmental provisions of this Deed of Trust or any other Loan Document.

(c) Beneficiary or its agents, representatives, and employees may seek a judgment that Trustor has breached its covenants, representations, or warranties in Article II of this Deed of Trust or any other covenants, representations, or warranties that are deemed to be "environmental provisions" pursuant to Code of Civil Procedure § 736 (each an "**Environmental Provision**"), by commencing and maintaining an action or actions in any court of competent jurisdiction pursuant to Code of Civil Procedure § 736, whether commenced prior to or after foreclosure of the lien of this Deed of Trust. Beneficiary or its agents, representatives, and employees may also seek an injunction to cause Trustor to abate any action in violation of any Environmental Provision and may seek the recovery of all costs, damages, expenses, fees, penalties, fines, judgments, indemnification payments to third parties, and other out-of-pocket costs or expenses actually incurred by Beneficiary (collectively, "**Environmental Costs**") incurred or advanced by Beneficiary relating to the cleanup, remedy, or other response action required by any Hazardous Substances Law or any Hazardous Substance Claim, or which Beneficiary believes necessary to protect the Property. It will be conclusively presumed between Beneficiary and Trustor that all Environmental Costs incurred or advanced by Beneficiary relating to the cleanup, remedy, or other response action of or to the Property were made by Beneficiary in good faith. All Environmental Costs incurred by Beneficiary under this Section (including without limitation court costs, consultant fees, and attorney fees, whether incurred in litigation and whether before or after judgment) will bear interest at the Agreed Rate from the date of expenditure until those sums have been paid in full. Beneficiary will be entitled to bid, at any trustee's or foreclosure sale of the Property, the amount of the costs, expenses, and interest in addition to the amount of other indebtedness.

(d) Beneficiary or its agents, representatives, and employees may waive its lien against the Property or any portion of it, including but not limited to the Improvements, to the extent that the Property or any portion of the Security is found to be environmentally impaired in accordance with Code of Civil Procedure § 726.5, and to exercise all rights and remedies of an unsecured creditor against Trustor and all of Trustor's assets and property for the recovery of any deficiency and Environmental Costs, including, but not limited to, seeking an attachment order under Code of Civil Procedure § 483.010. As between Beneficiary and Trustor, for purposes of Code of Civil Procedure § 726.5, Trustor will have the burden of

proving that Trustor or any related party (or any affiliate or agent of Trustor or any related party) was not in any way negligent in permitting the Release or threatened Release of the Hazardous Substances.

ARTICLE VI

ASSIGNMENTS OF RENTS, ISSUES AND PROFITS

Section 6.1. Assignment.

Trustor hereby absolutely, irrevocably and unconditionally assigns to Beneficiary, as security for the Obligations, all rents, profits, deposits, royalties, income and other issues and similar benefits derived from the Security (collectively, the “**Rents**”), and hereby confers upon Beneficiary the right, power and authority to collect such Rents. Trustor irrevocably appoints Beneficiary its true and lawful attorney-in-fact, at the option of Beneficiary, at any time and from time to time, to demand, receive and enforce payment, to give receipts, releases and satisfactions, and to sue, in its name or in the name of Trustor, for all Rents, and apply the same to the Obligations secured hereby; provided, however, that Trustor shall have the right, as between Trustor and Beneficiary, to collect the Rents but not more than one (1) month in advance of the date due unless the written approval of Beneficiary has first been obtained, with the exception of security deposits and “first and last months’ rent” collected from tenants in connection with Trustor’s ordinary leasing of residential apartments within the Property), and to retain and enjoy the same, so long as an Event of Default shall not have occurred hereunder and be continuing.

Section 6.2. Collection Upon Default.

While any Event of Default remains uncured, Beneficiary may, at any time without notice, either in person, by agent or by a receiver appointed by a court, and without regard to the adequacy of any security for the Obligations hereby secured, enter upon and take possession of the Security, or any part thereof, and, with or without taking possession of the Security or any part thereof, in its own name sue for or otherwise collect such Rents (including those past due and unpaid, and all prepaid Rents and all other monies which may have been or may hereafter be deposited with Trustor by any tenant to secure the payment of any Rent or for any services thereafter to be rendered by Trustor for any other obligation of any tenant to Trustor arising under any lease, and Trustor agrees that, upon the occurrence of any Event or Default hereunder, Trustor shall promptly deliver all Rents and other moneys to Beneficiary), and Beneficiary may apply the same, less costs and expenses of operation and collection, including, without limitation, attorneys fees, whether or not suit is brought or prosecuted to judgment, against any indebtedness or Obligation of Trustor secured hereby, and in such order as Beneficiary may determine notwithstanding that said indebtedness or the performance of said Obligation may not then be due. The collection of Rents, or the entering upon and taking possession of the Security, or the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done in response to such default or pursuant to such notice of default or be deemed or construed to make Beneficiary a mortgagee-in-possession of the Security or any portion thereof.

Section 6.3. Further Assignments.

Upon demand of Beneficiary, Trustor shall, from time to time hereafter, execute, and deliver to Beneficiary recordable assignments of Trustor's interest in any or all leases, subleases, contracts, rights, licenses and permits now or hereafter affecting the Security or any portion thereof. Such assignments shall be made by instruments in form and substance satisfactory to Beneficiary; provided, however, that no such assignment shall be construed as imposing upon Beneficiary any obligation with respect thereto. Beneficiary may, at its option, exercise its rights hereunder or under any such specific assignment and such exercise shall not constitute a waiver of any right hereunder or under any such specific assignment.

ARTICLE VII

DEFAULTS

Section 7.1. Events of Default.

Each of the following shall constitute Events of Default: (1) the occurrence of an "Event of Default" as defined in the Loan Agreement or as defined in any Debt Instrument; or (2) the failure to make any payment or perform any of Trustor's other Obligations now or hereafter secured by this Deed of Trust (subject to any applicable cure period).

Section 7.2. Acceleration of Maturity.

If an Event of Default shall have occurred and be continuing, then at the option of the Beneficiary, the amount of any payment related to the Event of Default, the unpaid Principal of the Note and any other indebtedness and other Obligations secured hereby shall immediately become due and payable without presentment, protest notice or demand, all of which are hereby expressly waived, upon written notice by the Beneficiary to the Trustor and no omission on the part of the Beneficiary to exercise such option when entitled to do so shall be construed as a waiver of such right.

Section 7.3. The Beneficiary's Right to Enter and Take Possession.

If an Event of Default shall have occurred and be continuing, the Beneficiary may:

(a) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, and without regard to the adequacy of its security, enter upon the Security and take possession thereof (or any part thereof) and of any of the Security, in its own name or in the name of Trustee, and do any acts which it deems necessary or desirable to preserve the value or marketability of the Security, or part thereof or interest therein, increase the income therefrom or protect the security thereof and, with or without taking possession of the Security, sue for or otherwise collect the Rents, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection including without limitation attorneys fees, against any indebtedness secured hereby, all in such order as Beneficiary may determine. The entering upon and taking possession of the Security the collection of such Rents and the application thereof as aforesaid shall not cure or waive any Event of Default or notice of default hereunder or invalidate any act done in response to such Event of Default or pursuant to such notice of default, and, notwithstanding the continuance in possession of the Security, Beneficiary shall be entitled to exercise every right provided for in

this Deed of Trust, or by law upon occurrence of any Event of Default, including the right to exercise the power of sale;

(b) Commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver, or specifically enforce any of the covenants hereof;

(c) Deliver to Trustee a written declaration of default and demand for sale, and a written notice of default and election to cause Trustor's interest in the Security to be sold, which notice Trustee or Beneficiary shall cause to be duly filed for record in the Official Records of Orange County; or

(d) Exercise all other rights and remedies provided herein, in the instruments by which the Trustor acquires title to any Security, or in any other document or agreement now or hereafter evidencing, creating or securing all or any portion of the Obligations secured hereby, or provided by law.

Section 7.4. Foreclosure by Power of Sale.

Should the Beneficiary elect to foreclose by exercise of the power of sale herein contained, the Beneficiary shall notify Trustee and shall deposit with Trustee this Deed of Trust, the Loan Agreement and the Note which is secured hereby (and the deposit of which shall be deemed to constitute evidence that the unpaid Principal amount of the Note is immediately due and payable), and such receipts and evidence of any expenditures made that are additionally secured hereby as Trustee may require.

(a) Upon receipt of such notice from the Beneficiary ("**Notice of Default**"), Trustee shall cause to be recorded, published and delivered to Trustor such Notice of Default and election to sell as then required by law and by this Deed of Trust. Trustee shall, without demand on Trustor, after lapse of such time as may then be required by law and after recordation of such Notice of Default and after notice of sale having been given as required by law ("**Notice of Sale**"), sell the Security, at the time and place of sale fixed by it in said Notice of Sale, whether as a whole or in separate lots or parcels or items as Trustee shall deem expedient and in such order as it may determine unless specified otherwise to the Trustor according to California Civil Code Section 2924g(b), at public auction to the highest bidder, for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed or any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee or Beneficiary, may purchase at such sale.

(b) After deducting all reasonable costs, fees and expenses of Trustee, including costs of evidence of title in connection with such sale, Trustee shall apply the proceeds of sale to payment of: (1) the unpaid Principal amount of the Note; (2) all other sums then secured hereby; and (3) the remainder, if any, to Trustor.

(c) Trustee may postpone sale of all or any portion of the Security by public announcement at such time and place of sale, and from time to time thereafter, and without

further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new notice of sale.

Section 7.5. Receiver

If an Event of Default shall have occurred and be continuing, Beneficiary, as a matter of right and without further notice to Trustor or anyone claiming under the Security, and without regard to the then value of the Security or the interest of Trustor therein, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers of the Security (or a part thereof), and Trustor hereby irrevocably consents to such appointment and waives further notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases, and all the powers and duties of Beneficiary in case of entry as provided herein, and shall continue as such and exercise all such powers until the date of confirmation of sale of the Security, unless such receivership is sooner terminated.

Section 7.6. Application of Funds After Default.

Except as otherwise herein provided, upon the occurrence of an Event of Default hereunder, Beneficiary may, at any time without notice, apply any or all sums or amounts received and held by Beneficiary to pay insurance premiums, Impositions, or either of them, or as Rents or income of the Security, or as insurance or condemnation proceeds, and all other sums or amounts received by Beneficiary from or on account of Trustor or the Security, or otherwise, against any indebtedness or Obligation of the Trustor secured hereby, in such manner and order as Beneficiary may elect. The receipt, use or application of any such sum or amount shall not be construed to affect the maturity of any indebtedness secured by this Deed of Trust, or any of the rights or powers of Beneficiary under the terms of the Loan Agreement, this Deed of Trust or the Note, or any of the Obligations of Trustor or any guarantor under any other instruments or documents now or hereafter delivered in connection with the Loan Agreement or to cure or waive any default or notice of default under the Loan Agreement or any such instruments or documents; or to invalidate any act of Trustee or Beneficiary.

Section 7.7. Costs of Enforcement.

If any Event of Default occurs, Beneficiary and Trustee, and each of them, may employ an attorney or attorneys to protect their rights hereunder. Trustor promises to pay to Beneficiary, on demand, the fees and expenses of such attorneys and all other costs of enforcing the Obligations secured hereby, including, without limitation, recording fees, the expense of a trustee, sale guarantee, Trustee's fees and expenses, receivers fees and expenses, and all other expenses, of whatever kind or nature, incurred by Beneficiary and Trustee, and each of them, in connection with the enforcement of the Obligations secured hereby, whether or not such enforcement includes the filing of a lawsuit. Until paid, such sums shall be secured hereby and shall bear interest at the Agreed Rate.

Section 7.8. Remedies Cumulative.

No right, power or remedy conferred upon or reserved to the Beneficiary by this Deed of Trust is intended to be exclusive of any other right, power or remedy, but each and every such

right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law or in equity.

Section 7.9. No Waiver.

(a) No delay or omission of the Beneficiary to exercise any right, power or remedy accruing upon any Event of Default shall exhaust or impair any such right, power or remedy, or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power and remedy given by this Deed of Trust to the Beneficiary may be exercised from time to time and as often as may be deemed expeditious by the Beneficiary. No consent or waiver, expressed or implied, by the Beneficiary to or any breach by the Trustor in the performance of the Obligations hereunder shall be deemed or construed to be a consent to or waiver of Obligations of the Trustor hereunder. Failure on the part of the Beneficiary to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by the Beneficiary of its right hereunder or impair any rights, power or remedies consequent on any Event of Default by the Trustor.

(b) If the Beneficiary (1) grants forbearance or an extension of time for the payment of any sums secured hereby, (2) takes other or additional security or the payment of any sums secured hereby, (3) waives or does not exercise any right granted in the Loan Agreement, (4) releases any part of the Security from the lien of this Deed of Trust, or otherwise changes any of the terms, covenants, conditions or agreements in the Loan Agreement, (5) consents to the granting of any easement or other right affecting the Security, or (6) makes or consents to any agreement subordinating the lien hereof, any such act or omission shall not release, discharge, modify, change or affect the original liability under this Deed of Trust, or any other obligation of the Trustor or any subsequent purchaser of the Security or any part thereof, or any maker, co-signer, endorser, surety or guarantor (unless expressly released); nor shall any such act or omission preclude the Beneficiary from exercising any right, power or privilege herein granted or intended to be granted in any Event of Default then made or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by the Beneficiary shall the lien of this Deed of Trust be altered thereby.

Section 7.10. Suits to Protect the Security.

The Beneficiary shall have power to: (1) institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Security and the rights of the Beneficiary as may be unlawful or any violation of this Deed of Trust, (2) preserve or protect its interest (as described in this Deed of Trust) in the Security, and (3) restrain the enforcement of or compliance with any legislation or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement for compliance with such enactment, rule or order would impair the Security thereunder or be prejudicial to the interest of the Beneficiary.

Section 7.11. Trustee May File Proofs of Claim.

In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other proceedings affecting the Trustor, its creditors or its property,

the Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of the Beneficiary allowed in such proceedings and for any additional amount which may become due and payable by the Trustor hereunder after such date.

**ARTICLE VIII
MISCELLANEOUS**

Section 8.2. Reconveyance by Trustee.

Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed of Trust to Trustee for cancellation and retention, and upon payment by Trustor of Trustee's reasonable fees, Trustee shall reconvey, without warranty, the Security to Trustor, or to the person or persons legally entitled thereto.

Section 8.3. Notices.

Annual Operating Expenses shall also not include other expenses not related to the Project’s operations such as depreciation, amortization, accrued principal and interest expense on deferred payment debt and capital improvement expenditures.

3. Payments.

(a) All amounts due and payable under the Note are payable at the address provided to the Borrower by the Trust, or at such other place or places as the Trust may designate to the Borrower in writing from time to time. Any payment under this Note shall be paid in advance, on the first day of the month in currency of the United States of America, which at the time of payment is lawful for the payment of public and private debts and which on the respective dates on which such payments are due shall be in immediately available funds.

(b) All payments and prepayments received by the Trust pursuant to the terms hereof shall be applied in the following manner: first, to the payment of all expenses, charges, costs and fees incurred by or payable to the Trust by Borrower pursuant to the terms of the Loan Documents; second to the payment of all interest accrued to the date of such payment; and third, to the payment of the outstanding principal until paid in full. Notwithstanding anything to the contrary contained herein, after the occurrence and during the continuation of an Event of Default (as such term is defined in the Loan Agreement), all amounts received by the Trust from any party shall be applied in such order as the Trust, in its sole discretion, may elect.

4. Prepayments. Borrower may prepay all or part of the principal balance and accrued interest due under this Note without penalty.

5. Term. The term shall be 55 years or more to match the term of the Regulatory Agreement on rental properties

6. Security. This Note is secured by, among other things, a Deed of Trust covering real and personal property including, but not limited to, the Property and the Project (as such terms are defined in the Loan Agreement).

7. Waivers.

(a) Borrower expressly agrees that this Note or any payment hereunder may be extended from time to time at the Trust's sole discretion and that the Trust may accept security in consideration for any such extension or release any security for this Note at its sole discretion all without in any way affecting the liability of Borrower.

(b) No extension of time for payment of this Note or any installment hereof made by agreement by the Trust with any person now or hereafter liable for payment of this Note shall operate to release, discharge, modify, change, or affect the original liability of Borrower under this Note, either in whole or in part.

(c) The obligations of Borrower under this Note shall be absolute and Borrower waives any and all rights:

(1) to offset, deduct, or withhold any payments or charges due under this Note for any reasons whatsoever;

(2) of presentment for payment, demand, protest and notices of dishonor and protest; and

9. Joint and Several Obligations. This Note is the joint and several obligation of all makers, sureties, guarantors, and endorsers, and shall be binding upon them and their successors and assigns.

10. Acceleration. If any of the payments required by the terms hereof shall not be paid when the same becomes due, or if the payment due on the maturity date of this Note is not paid when due, whether by acceleration or otherwise, or if an Event of Default (as defined in the Loan Agreement) occurs under the Loan Agreement or other default under any other Loan Document occurs, then, or at any time thereafter, the whole of the unpaid principal and interest owing on this Note shall, at the option of the Trust and without notice, become immediately due and payable. This option may be exercised at any time after any such event and the acceptance of one or more installments or other payments from any person thereafter shall not constitute a waiver of the Trust's option. The Trust's failure to exercise said option in connection with any particular event or series of events shall not be construed as a waiver of the provisions hereof as regards that event or any subsequent event. The Loan Agreement and other Loan Documents may also contain provisions, which provide for the automatic acceleration of amounts owing under this Note upon the occurrence of certain specified events. The Trust shall have, and be entitled to exercise, upon the occurrence of any Event of Default or other event described above, all rights and remedies available to the Trust under the Loan Agreement, this Note, the other Loan Documents or at law or in equity. All such rights and remedies shall be cumulative.

twelve percent (12%) per annum (which rate shall in no event exceed the highest interest rate then permitted at law and if it does, it will be reduced to said lower amount) (the “Default Rate”), compounded annually upon the failure of the Borrower to make any payment hereunder as and when due (after expiration of any cure period); upon the failure of the Borrower to perform or observe any other term or provision of this Note; or upon the occurrence of any event (whether termed default, event of default, or similar term) which (after the expiration of any cure period) under the terms of this Note, the Loan Agreement, the Regulatory Agreement, the Deed of Trust or other Loan Document shall entitle the Trust to exercise rights or remedies thereunder.

13. Definitions. Capitalized terms not defined in this Note shall have the same meanings as defined in the Loan Agreement, the terms of which are incorporated into this Note by this reference.

14. Governing Law. This Note shall be construed in accordance with and be governed by the laws of the State of California.

15. Severability. If any provision of this Note shall be judicially determined to be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions hereof shall not in any way be affected or impaired thereby.

16. Captions. The captions and headings in this Note are merely for convenience and substantively are not part of this Note.

21. Number and Gender. In this Note the singular shall include the plural and the masculine gender shall include the feminine and neuter genders, and vice versa, if the context so requires.

24. Amendments and Modifications. This Note may not be changed orally, but only by an amendment in writing signed by Borrower and the Trust. The parties agree and acknowledge that the Trust must obtain the approval of any amendments or modifications to this Note from the California Department of Housing and Community Development prior to signing any such amendments.

25. Non-Recourse. The Trust will neither seek nor obtain judgment against the Borrower for payment of principal or interest under the Note or for other obligations under the Loan Documents following a judicial foreclosure (or to the extent permitted by law, a nonjudicial foreclosure of the Deed of Trust), and the Trust's sole recourse against the Borrower for any default in the payment of principal or interest is limited to the Property and the Project and any other collateral of the Loan; provided, however, nothing in this Paragraph 24 will be deemed to limit or prejudice the rights of the Trust to:

(a) foreclose the Deed of Trust or enforce any of its other rights or remedies under the Loan Documents; or

(b) name the Borrower or the general partners of Borrower as a party defendant in any action, proceeding or arbitration, subject to the limitations of this Section; or

(c) assert any unpaid amounts on the Loan as a defense or offset to or against any claim or cause of action arising out of or pertaining to the Project made or alleged against the Trust by the Borrower or any of its general partners; or

(d) exercise self-help remedies such as set off or nonjudicial foreclosure against or sale of any real or personal property collateral or security; or

(e) proceed against any entity or person, including Borrower and the general partners of Borrower with respect to the enforcement of any leases, bonds, policies of insurance, or other agreements (other than the Loan Documents); or

(f) recover damages against Borrower or the general partners of Borrower for fraud, breach of warranty, failure to maintain insurance, waste, or material misrepresentation; or

(g) recover any condemnation proceeds or insurance proceeds or other similar funds or payments attributable to the Property and/or the Project that under the terms of the Loan Documents should have been paid to Lender; or

(k) recover any amounts owing to the Trust under indemnity provisions (including indemnity provisions pertaining to Hazardous Materials as such term is defined in the Loan Agreement) in the Loan Documents; or

(l) recover funds to reimburse the Trust for sums expended by the Trust for the protection or preservation of the Property, the Project or the Trust's interest therein (including, without limitation, payment of any real property taxes, assessments or other charges which would create liens on any portion of the Property or Project

The limitation of liability set forth in this Section 24 shall be deemed void and have no force or effect if Borrower or any general partner of Borrower attempts to materially delay any foreclosure of or on the Deed of Trust or any other collateral for the Loan, or if the Borrower or any of its general partners claim that this Agreement or any related documents are invalid or unenforceable to an extent that would preclude foreclosure. Notwithstanding anything to the contrary set forth in the immediately preceding sentence, in the event Borrower contests any foreclosure proceeding in good faith and Borrower prevails in such action, or in the event Borrower and the Trust agree to a settlement of any such action which gave rise to the foreclosure proceeding, the Loan shall remain nonrecourse. Any liability of Borrower or any of the general partners of Borrower for any obligations arising in connection with the matters set forth in clauses (a) through (l) inclusive will be personal liability, and may be asserted against and recovered from its or their interest in the Property and/or Project as well as against any of its and their other assets. Nothing contained in this Section impairs the validity of this Note or any related documents or any lien or security interest created or perfected by it.

Project Requirements and Desirable Features

Orange County continues to update its planning for Project Requirements and Desirable features, including feedback heard from clients and peers. As needed, the County will issue updated guidance for applications for MHSA Program funds. In order to ensure that the projects developed with MHSA Program funds in Orange County meet the needs expressed by people with lived experience, the following requirements will be applicable to projects:

- All units must incorporate full kitchens, full baths, and adequate storage and closet space within each apartment.
- Buildings shall be well designed and well maintained, include on-site laundry services, and have cable access and internet/computer access. Projects must be located close to transportation, shopping and services.¹
- To meet consumer need for safety and security, projects applying for funds will be required to document how they incorporate considerations for the safety of tenants on the property and surrounding neighborhood.
- Buildings shall include security design features such as architectural and landscape security design configurations, cameras in common areas, and/or security services.
- Project designs shall be non-institutional in feeling and blend in with the community. Designs shall include a case management office and adequate space for resident activities. The size of the community/resident activity space and case management office is particularly important for projects with unit sizes that are smaller.
- Services shall be available either on or accessible off site.
- Projects shall include dedicated services space and community rooms, with kitchens if possible.
- All units shall include air conditioning.
- All units shall have microwave ovens.
- At least 5% of units must be accessible to the physically disabled and at least 2% of units must be accessible to the sensory disabled.
- All units shall be furnished with standard furnishings applicable to the unit type.

In addition, the following recommended amenities or features are encouraged to better meet the needs of the target population:

- Clients prefer to reside one-bedroom apartments.
- There should be planned smoking areas for projects that have non-smoking units.
- Units are encouraged to be at least 450 square feet, with the consideration for tenant space needs such as service animals, space to store a bike within the unit, and accessibility needs for aging clients/tenants.

¹ At minimum, public transit that comes with reasonable frequency must be accessible within 0.5 mile. It is preferred that, where possible, other services be walkable within 0.5 mile (e.g. not including physical barriers that prevent access by foot or public transit).

- To the greatest extent feasible, the Developer shall utilize the local coordinated entry system to identify referrals for the MHSA Units.
- Housing units and building features must meet the needs of the MHSA tenants to be served at the development, including privacy, housing activities and community interaction. There shall be no requirement for non-related, single, adult tenants to share bedrooms. There shall be adequate number of bedrooms to accommodate the housing composition. Units are encouraged to have at least one-bedroom and be at least 450 square feet.
- Rental homes must have an identifiable and private living area, sleeping area, full kitchen area and a full bathroom, including air conditioning. The kitchen area shall at a minimum include a full size sink, full size refrigerator, cupboard/cabinet space for storage, counter area for food preparation, microwave or oven, and a two burner stove or built-in cook top.
- All units should be furnished with standard furnishings applicable to the unit type.

- The building must include a designated office space to provide services to MSHA tenants.
- The design and operation of the housing shall incorporate features designed to increase efficiency and reduce ongoing expenses.

Capitalized replacement reserve for rehabilitation projects shall be based on a physical needs assessment and/or one or more Building Inspection Reports and a Replacement Reserve Needs Analysis. New construction projects shall have a capitalized replacement reserve of at least \$500 per unit/annually for all units in a project, increasing by 5% every five years.

Capitalized operating subsidy reserve ("COSR") shall be required for projects without rental assistance vouchers (or other rental subsidies) to subsidize operating costs for the MSHA Regulated Units. COSR's must be funded to allow for operating cost subsidies for a minimum of 17 full years.

Tenant Rent & Utility Reserve may be required by the Trust to be funded by the Developer by Certificate of Occupancy for the development. This Reserve is used to assist MSHA eligible clients with rent and utility payments while waiting to get approved for SSI/SSP and/or rental assistance. The Reserve should provide 2 to 3 years rental income for the MSHA-assisted units (assuming rents that include utilities at 30% of SSI/SSP). This Reserve is held by Borrower as a revolving fund and is intended to be replenished over time from tenant rent back payments once the tenants qualify for SSI/SSP.

Developer/Borrower is required to continually seek future commitments of rental or operating subsidies for the MHSA Regulated Units (e.g., project-based Section 8 vouchers) for the life of the MHSA Loan.

Section 1 INTRODUCTION

This ~~2022-2023~~ Permanent Supportive and Affordable Housing Notice of Funding Availability (NOFA) announces the availability of ~~ten-eighteen~~ million, ~~fiveone~~-hundred ~~ninety-oneeighty-eight~~ thousand, nine-hundred ~~ten-eighty-seven~~ dollars and twenty cents (~~\$10,591,910~~18,188,987.20) in Orange County Housing Finance Trust (OCHFT) (the “Trust”) funds to promote the new construction or acquisition/rehabilitation of Permanent Supportive and Affordable Housing for Orange County’s extremely low-income households, and those experiencing homelessness by providing below market rate financing. Interested and qualified developers who can successfully demonstrate their ability to acquire, build or substantially rehabilitate, and operate Permanent Supportive and Affordable Housing are encouraged to submit proposals.

The initial NOFA application deadline shall be approximately 50 days after the release of this NOFA. All applications submitted within the NOFA application period shall be reviewed by Trust staff to ensure compliance with all threshold requirements and shall be competitively scored. Applications received after the NOFA application period will be considered if funding is still available from the initial round of applications.

The Trust is committed to serving the County’s needs for Permanent Supportive and Affordable Housing. Projects in each County Service Planning Area (North, Central, and South) shall compete only against other projects within their Service Planning Area, with the goal of each Service Planning Area receiving an equal amount of funding through this NOFA. If all the funds are not committed in each Service Planning Area, then any remaining funds shall be made available to the other Service Planning Areas if there is remaining demand for funds.

The sources of capital funds made available for this NOFA are the following:

| | |
|--|--|
| <u>1.</u> 2023 County Mental Health Services Act | \$4,841,910 <u>2,438,987.20</u> |
| 1-2. <u>2.</u> Contingent County Mental Health Services Act ¹ | \$10,000,000 |
| 2-3. County General Fund | \$1,000,000 |
| 3-4. State of California - Local Housing Trust Fund Program ^{2*} | \$4,750,000 |
| TOTAL | \$10,591,910 <u>18,188,987.20</u> |

**NOTES:-*

- 1. The Trust is currently working with the County for additional Mental Health Services Act (MHSA) funds. It is anticipated that an amendment to the Grant Agreement for MHSA funds will be considered by the Board of Supervisors and Trust Board in the first half of 2023.*
- 2. The Trust will be applying for funding from the State of California – Local Housing Trust Funds in ~~2022~~2023. These funds are contingent upon actual award from the State in the winter of ~~2022~~2023.*

The Trust reserves the right to increase or decrease the amount in this NOFA at the direction of the Orange County Housing Finance Trust Board.

Section 2 PROGRAM DESCRIPTION

2.01 FUNDS AVAILABLE

Up to ~~eighteen million, one-hundred eighty-eight thousand, nine-hundred eighty-seven dollars and twenty cents~~~~ten million, five hundred ninety-one thousand, nine hundred ten dollars~~ (~~\$18,188,987.20~~~~10,591,910~~) is made available from Trust. Of that, four million, seven-hundred fifty thousand dollars (\$4,750,000) is from the Local Housing Trust Fund (LHTF) Program, which requires a local match to receive. To maximize the Orange County Housing Finance Trust's award under this program, the Trust must award at least \$5 million from other funding sources. The only other funding sources available to the Trust are \$1 million from the County of Orange General Fund and over ~~\$5.84~~12.4 million in Mental Health Services Act (MHSA) funds.

Funding will be made available to projects with and without MHSA units. Up to one million, nine-hundred fifty thousand dollars (\$1,950,000) will be made available to projects without MHSA units. Up to ~~eight-sixteen~~ million, ~~sixtwo~~-hundred ~~forty-one-thirty-eight~~ thousand, nine-hundred ~~ten-eight-seven~~ dollars and twenty cents (~~\$16,238,987.20~~~~8,641,910~~) will be made available for funding of projects that include MHSA units. Funds originating from the LHTF program may be used for non-MHSA units within projects receiving MHSA funds through the Trust.

2.02 FUNDING REALLOCATION

In the event that the Trust does not receive the maximum award from the LHTF Program for which it is eligible, or the Trust does not receive the additional \$10 million in MHSA funds from the County, the amount of funds available through this NOFA will be decreased. If the LHTF Program award is less than what is anticipated, or the Trust does not receive the additional MHSA funds from the County, at the time of Trust Board approval of project funding, the Trust will reduce the funding of each project awarded funds by a proportional amount to the reduction in LHFT and/or MHSA funding. The purpose of this even proportional reduction to all projects is to ensure that no single project, or subset of projects, receives the majority of the funding cut, and to ensure that all projects funded by the Trust remain viable. By applying for funding under this NOFA, Applicants agree and understand that the funding awards for projects funded with LHFT funding may be lower than initially awarded.

2.03 MENTAL HEALTH SERVICES ACT (MHSA) ALLOCATION

Projects seeking MHSA funds must be reviewed by the Orange County Health Care Agency. Applicants are encouraged to submit their projects to the Health Care Agency, as soon as possible, and must meet with the Health Care Agency no later than March 8, ~~2022-2023~~ to initiate the Health Care Agency's review process. More information regarding this requirement can be found in Section 5.10, *Health Care Agency Acknowledgement Letter*.

2.04 SERVICE PLANNING AREA ALLOCATION

The County of Orange has divided the County into three County Service Planning Areas (SPAs), North, Central, and South. The Orange County Housing Finance Trust shall use the SPAs to ensure equal distribution of Trust loan money across the County. Each SPA will be allocated one-third (1/3rd) of the funding available under this NOFA. In the event there are not enough eligible projects in each SPA to use the full allocation, those funds may be allocated to fund other projects in other SPAs at the discretion of the Trust Board.

2.05 ELIGIBLE PROJECTS

Projects eligible under this NOFA must be located within unincorporated County of Orange or within Trust member cities (See Attachment A). The only exception is for projects seeking only MHSA funding from this NOFA, which is required to be available county wide, including non-member cities. To be eligible for LHTF funds, projects must be in cities that are in compliance with State housing law, as determined by the California Department of Housing and Community Development (HCD) as of the date the Trust applies for LHTF funds. HCD has not yet specified the deadline for this year's LHTF application, but it is anticipated to be towards the end of May 2023. At the time of issuance of this NOFA, the Trust member cities in compliance with State housing law are:

- Dana Point;
- Fountain Valley;
- Irvine;
- Newport Beach;
- San Juan Capistrano;
- Santa Ana;
- Stanton;
- Tustin; and
- Yorba Lina.

It is encouraged that applicants with projects in member cities not in compliance with State housing law at the time of issuance of this NOFA contact the city's planning department to determine if the city will be in compliance by May 2023 prior to applying for LHTF funds through this NOFA.

Projects must include a minimum of five (5) units which are assisted under this NOFA and must provide permanent supportive or affordable housing restricted to persons or families who qualify as extremely low income. Proposals must include a plan and eventual funding for the provision of supportive services appropriate to the needs of the designated population, if supportive services are being proposed.

Applicants who are awarded LHTF funds through this NOFA must comply with the State of California Housing and Community Development (HCD) 2017 Uniform Multifamily Regulations (UMR). The 2017 UMR can be found on HCD's website at <https://www.hcd.ca.gov/grants-and-funding/uniform-multifamily-regulations>~~<https://hed.ca.gov/grants-funding/already-have-funding/uniform-multifamily-regulations.shtml>~~.

2.06 ELIGIBLE APPLICANTS

Proposals will be accepted from non-profit and for-profit organizations, joint ventures, or partnerships that serve extremely low-income households, and those experiencing homelessness.

2.07 ELIGIBLE ACTIVITIES

Funds shall be used to develop permanent supportive or affordable rental housing through new construction, acquisition/rehabilitation and/or conversion of commercial and light industrial to residential use on a case-by-case basis.

2.08 ELIGIBLE COSTS

Under this NOFA, funds may be used for construction loan financing and/or permanent loan financing. To the extent that all sources of project funding has been secured and are a part of either the construction loan and/or the permanent loan the following costs are eligible: "hard" costs of construction or rehabilitation of housing, "soft" costs associated with acquisition, financing, and/or rehabilitation. "Soft" costs include marketing costs (not to exceed \$1,500 per unit), appraisals,

architectural and engineering fees, individual apartment furnishings, certain common area furnishings (not to exceed \$1,000 per unit), building permit fees, credit reports, environmental assessments, impact fees, legal and accounting costs, private lender origination fees, recording fees, surety fees, and title insurance. An overall cost limitation of fourteen percent (14%) of the cost of construction shall apply to contractor overhead, profit, and general requirements, excluding contractor's general liability insurance. For purposes of contractor overhead and profit, the cost of construction includes site work, structures, prevailing wages, and general requirements. For purposes of general requirements, the cost of construction includes offsite improvements, demolition and site work, structures, and prevailing wages.

2.09 AFFORDABILITY COVENANT

Restricted units must remain affordable for the remaining life of the project, which shall be no less than fifty-five (55) years. A restrictive covenant will be recorded against the property to ensure affordability during the term of the agreement. All projects shall be required to agree to maintain the project's affordability for the term of the restrictive covenant, regardless of whether the loan is fully repaid.

The annual reporting requirements will be outlined in the Regulatory Agreement. Projects receiving funds from the Trust shall report annually certifying that they are in compliance with the occupancy and affordability requirements of the Regulatory Agreement.

Program Compliance shall utilize a two-step monitoring process that provides for monitoring of all affordable housing developments financed with funds from the Trust. Monitoring of each development will occur in two phases: Phase 1: In-house review of annual reports, and Phase 2: Annual on-site monitoring visit, which shall include monitoring of tenant files in accordance with the affordability and income restrictions of the restrictive covenant and a Housing Quality Standards (HQS) inspection.

2.10 LOAN AWARD TERMS & CONDITIONS

Applicants shall agree to the Loan Award Terms and Conditions detailed in this section, and included in Attachment E, *Loan Application Underwriting Criteria*, as part of any funding award. Failure to accept these Loan Award Term and Conditions will result in forfeiture of any funding award.

2.10.1 **Funding Timing:** Loan funds will be made available at the closing of the construction loan and/or closing of the permanent loan and is subject to the timing of HCD final approval of the Loan documents. However, no loan funds, or hard loan commitments, will be made available prior to the award of funds to the Trust through the LHTF Program. The Trust **will not** bifurcate award funding in order to meet closing dates occurring before additional funding is awarded through the LHTF Program.

2.10.2 **Interest Rate:** Loans will bear an interest rate of three percent (3%) simple interest. Interest will be calculated based on a 360-day year and the actual number of days elapsed. The Orange County Housing Finance Trust reserves the right to renegotiate this rate for the benefit of the Trust and the project.

2.10.3 **Term:** Loans will be for a term of fifty-five (55) years, from the date of

Certificate of Occupancy.

2.10.4 **Loan Repayment:** The Trust loan will be repaid through residual receipts. An amount equal to fifty percent (50%) of Net Operating Income (as defined in Section 2.10.5, *Residual Receipts Loans*, below), if any, will be paid to the Trust and other public agencies (if any) providing residual receipts loans, and fifty percent (50%) to the developer. The 50% of cash flow payable to public agencies shall be shared by agencies in an amount proportional to the loan provided by such agencies. The value of non-loan contributions by other agencies (i.e. ground lease, project-based vouchers) shall not be considered as part of the loan value when calculating the Trust’s share of the residual receipts split.

2.10.5 **Residual Receipts Loans:** The following is the definition of a residual receipts loan, which will be used by the Trust to underwrite projects:

The loan for the project will be repaid from the Net Operating Income (NOI), if any, from the project as calculated ninety (90) days after the close of each fiscal year. NOI shall mean all of the rental revenue from the residential portion of the project (the “Annual Project Revenue”) less (i) operating expenses of the project as approved by the Trust (the “Annual Operating Expenses”) in an annual audit submitted by the developer and approved by the Trust; (ii) obligated debt service payments on the Project as approved by the Trust; (iii) scheduled deposits to reserves, as approved by the Trust; (iv) deferred developer fees, as approved by the Trust; and (v) partnership management or asset management fees as approved by the Trust.

Annual Project Revenue shall not include tenant security deposits, capital contributions, insurance or condemnation proceeds, income received for the purpose of completing the project, or funding received for the purpose of social services to the residents.

By applying to this NOFA, Applicant understands and agrees to the definitions stated above and must use these assumptions in the further underwriting of their project.

Exclusions to NOI: It is the policy of the Trust that the following costs, fees, charges, penalties, judgments and the like shall not be deducted from the Annual Project Revenue by the developer thereby reducing the amount of NOI available to pay the Trust’s loan, including those arising out of: (i) a breach or default of the Trust’s loan or any other mortgage loan on the project, (ii) the fraud, negligence or willful misconduct of developer, (iii) the failure to make timely payments under any loan secured by the project, (iv) the breach or default by developer under any other contract, lease or agreement pertaining to the project; and (v) any other cost, expense, fee or the like which is not first approved by the Trust. The approved Operating Expenses of the project shall also not include other expenses such as intra-partnership or other internal loans of the operating entity, depreciation, amortization, accrued principal and

interest expense on the deferred payment debt and capital improvement expenditures unless approved by the Trust.

2.10.6 **Security:** The loan shall be evidenced by a promissory note and secured by a deed of trust.

2.10.7 **Subordination:** The Orange County Housing Finance Trust may, at its sole discretion, subordinate repayment, security positions, and affordability covenants to a conventional lender or other public agency lenders such as the State of California HCD, County of Orange, city loans, and CalHFA or AHP loans.

2.11 MAXIMUM LOAN AMOUNT/SUBSIDY LIMITS

The maximum loan/subsidy amounts shall be calculated on the basis of the number of units assisted by the Trust and shall vary by unit size. However, in no case shall the Trust’s investment in a single development exceed two-million five-hundred thousand dollars (\$2,500,000). This cap may be waived at the sole discretion of the Trust Board. Final award amounts shall be at the discretion of the Trust Board. The maximum unit subsidy limits are shown below:

| Unit Size | Maximum Loan Amount | |
|---------------------|---------------------|---|
| | Non-MHSA Units | MHSA Units |
| 0 Bedroom | \$110,000 | \$ 184,230 ^{177,} 145 |
| 1 Bedroom | \$125,000 | \$ 184,230 ^{177,} 145 |
| 2 Bedroom or larger | \$135,000 | \$ 184,230 ^{177,} 145 |

Under no circumstances may a development exceed a total MHSA subsidy per unit regardless of sources of MHSA funds. In the event that a project has already been awarded the maximum loan amount per unit in MHSA funds, that project will not be eligible for additional MHSA funds from the Trust. If a project has received an award of MHSA funds less than the maximum loan amount per unit, the applicant may apply for additional MHSA funds to bring their total award up to the maximum loan amount per unit.

2.12 DEVELOPER FEE LIMIT

The maximum Developer Fee shall be the same as the maximum allowed under the State Tax Credit Allocation Committee regulations for those projects that have been or will be awarded Low-Income Housing Tax Credits, as adopted at the time this NOFA was issued. For projects not receiving Low-Income Housing Tax Credits, the maximum Developer Fee shall be the same as the maximum allowed under the State of California Housing and Community Development 2017 Uniform Multifamily Regulations.

2.13 PARTNERSHIP MANAGEMENT FEE LIMIT

The maximum combined partnership management fee for all members of the borrower shall not exceed \$15,000 per year.

Utility costs shall be deducted from the tenants rent so that rent and utilities combined remain at an affordable level. Projects receiving funding through the California Department of Housing and Community Development's (HCD's) Local Housing Trust Fund Program must meet the income limits as published by HCD (<https://www.hcd.ca.gov/docs/grants-and-funding/inc2k22.pdf>~~<https://www.hcd.ca.gov/grants-funding/income-limits/state-and-federal-income-limits/docs/Income Limits 2021.pdf>~~).

Applicants are encouraged to use these underwriting assumptions in their project proforma that will be submitted as part of their application to this NOFA. Section 4 SCORING

Applications will be competitively scored and ranked against other projects requesting the same type of funding and located within the same County Service Planning Area (SPA). Scoring serves as a basis to compare applications but ultimately the decision to award funds is based upon the Trust Board approval.

Project scoring shall be based on the following categories:

1. Project readiness;
2. Developer experience; ~~and,~~
3. Service enriched location;
4. Development Pipeline; and,
- 3.5. Affirmatively Furthering Fair Housing.

Projects that have identical scores based on the project scoring will be ranked by a tie-breaker detailed below in Section 4.04, *Tiebreaker*.

4.01 PROJECT READINESS

Projects shall be scored on how quickly they will have units ready for occupancy. Projects will receive a maximum of 35 points for project readiness. For acquisition/rehab projects, projects will be deducted one point for each month past June 1, 2023 for its scheduled loan closing. For new construction projects, projects will be deducted one point for each month past December 1, 2023 for its scheduled loan closing.

4.02 DEVELOPER EXPERIENCE & FINANCIAL STRENGTH

A maximum of 40 points will be available for applicants based on their prior development experience and financial strength. One point will be awarded for every ten (10) units of Permanent Supportive and Affordable Housing that the applicant developed and currently operates. Discretionary scoring may adjust this number downward based upon the financial strength of the applicant.

4.03 SERVICE ENRICHED LOCATION

Projects will be awarded a maximum of 25 points based on proximity to nearby amenities. Distances must be measured using a standardized radius from the development site to the target amenity, unless that line crosses a significant physical barrier or barriers. Such barriers include highways, railroad tracks, regional parks, golf courses, or any other feature that significantly disrupts the pedestrian walking pattern between the development site and the amenity. The radius line may be struck from the corner of development site nearest the target amenity, to the nearest corner of the target amenity site. However, a radius line shall not be struck from the end of an entry drive or on-site access road that extends from the central portion of the site itself by 250 feet or more. Rather, the line shall be struck from the nearest corner of the site's central portion. Where an amenity such as a grocery store resides within a larger shopping complex or commercial strip, the radius line must be measured to the amenity exterior wall, rather than the site boundary. The resulting distance shall be reduced in such instances by 250 feet to account for close-in parking.

Amenity definitions and criteria mentioned below shall have the same definition as the California Tax Credit Allocation Committee Regulations in effect at the time this NOFA was issued.

<https://www.treasurer.ca.gov/ctcac/programreg/2021/20210616/2021-regulations-clean.pdf>

Projects will be awarded 3 points if they are within 0.5 miles of an urgent care facility or qualifying medical clinic with a physician, physician's assistant, or nurse practitioner onsite for a minimum of 40 hours each week (not merely a private doctor's office). A qualifying medical clinic must accept Medi-Cal payments, or Medicare payments or have an equally comprehensive subsidy program for low-income patients.

The tie breaker is a calculation of the requested Trust loan amount per unit in the project. (Total project request / total number of affordable units in the project = Trust dollars/unit.) The total number of affordable units in the project includes all affordable units, not limited to the number of units the applicant is requesting be funded through this NOFA. - 3.3. Construction Agreement. Borrower and Contractor have entered, or will soon enter into a Construction Agreement, as approved by the Trust, pursuant to the terms and conditions of which Contractor is to construct the Project. material delays do not result in penalties or fines imposed on Borrower (e.g., liquidated damages under the construction contract, etc.), and the Borrower notifies Trust of the possibility of such penalties or fines; provided, however, that Trust shall use commercially reasonable efforts to review such changes in a timely manner. Trust shall review and respond to any proposed change order that requires Trust's consent hereunder within ten (10) business days of receipt of the requested change order. - 7.4. No Changes. Borrower shall not materially modify the approved Standard Lease or materially deviate from the approved rental rate schedule for the Units without the Trust’s prior written consent in each instance, which consent shall not be unreasonably withheld or delayed.
- 7.5. Landlord’s Obligations. Borrower shall timely and in good faith, perform all obligations required to be performed by it as landlord under any lease affecting any part of the Project or any space within the Project. If any tenant at any time claims any breach of landlord’s obligations and the amount of such claim (in excess of available insurance coverage) is \$10,000 or more, Borrower shall promptly notify Trust of such claim.

ARTICLE VIII

REPRESENTATIONS AND WARRANTIES OF BORROWER

- 8.1. Representations and Warranties. Borrower hereby makes the following representations and warranties to the Trust, each of which shall also be deemed a covenant and all of the following, Borrower agrees, shall continue to be true and accurate in all material respects so long as the Loan or any portion thereof remains outstanding:
 - (a) Organization. Borrower is duly organized, validly existing and in good standing under the laws of the State of California and has the power and authority to own its property and carry on its business as now being conducted. The copies of the documents evidencing the organization of Borrower delivered to the Trust are true and correct copies of the originals, as amended to the date of this Agreement, and Borrower will promptly provide the Trust with copies of any modifications thereto.

(b) Authority of Borrower. Borrower has full power and authority to execute and deliver this Agreement and to make and accept the borrowings contemplated hereunder, to execute and deliver the Loan Documents and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, and to perform and observe the terms and provisions of all of the above.

(c) Authority of Persons Executing Documents. This Agreement and the Loan Documents and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement have been executed and delivered by persons who are duly authorized to execute and deliver the same for and on behalf of Borrower, and all actions required under Borrower's organizational documents and applicable governing law for the authorization, execution, delivery and performance of this Agreement and the Loan Documents and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, have been duly taken.

(d) Valid Binding Agreements. This Agreement and the Loan Documents and all other documents or instruments which have been executed and delivered pursuant to or in connection with this Agreement constitute or, if not yet executed or delivered, will when so executed and delivered constitute, legal, valid and binding obligations of Borrower enforceable against the Borrower in accordance with their respective terms.

(e) No Breach of Law or Agreement. Neither the execution nor delivery of this Agreement and the Loan Documents or of any other documents or instruments executed and delivered, or to be executed or delivered, pursuant to this Agreement, nor the performance of any provision, condition, covenant or other term hereof or thereof, will conflict with or result in a breach of any statute, rule or regulation, or any judgment, decree or order of any court, board, commission or agency whatsoever binding on Borrower and in effect at the time of execution of this Agreement, or any provision of the organizational documents of Borrower or, if applicable, of its constituent partners, or will conflict with or constitute a breach of or a default under any agreement to which Borrower, or, if applicable, its constituent partners, is a party, or will result in the creation or imposition of any lien upon any assets or property of Borrower, other than liens established pursuant hereto.

(f) Pending Proceedings. Borrower is not in default under any law or regulation or under any order of any court, board, commission or agency whatsoever, and there are no claims, actions, suits or proceedings pending or, to the knowledge of Borrower, threatened against Borrower or the Property or Project, at law or in equity, before or by any court, board, commission or agency whatsoever which might, if determined adversely to Borrower, materially affect Borrower's ability to repay the Loan or impair the security to be given to the Trust pursuant hereto.

(g) Compliance with Laws; Consents and Approvals. The Project shall comply at all times with all applicable laws (including but not limited to all

Hazardous Substances Laws), ordinances, rules and regulations of federal, state, and local governments and agencies, and with all applicable directions, rules and regulations of the fire marshal, health officer, building inspector, and other officers of any such government or agency. All consents, permissions and licenses required by any federal, state, or local government or agency to which the Borrower, the Property or the Project is subject, which may be necessary in relation to this Agreement or the ownership or operation of the Project, have been or will be obtained.

(h) Financial Statements. The financial statements of the Borrower and its constituent partners, if any, and other financial data and information furnished by the Borrower for review by the Trust relating to the financial condition of Borrower or any of Borrower's constituent partners or the Project, fairly present the information contained therein. As of the date of Loan disbursement, there will not have been any adverse material change in the financial condition of the Borrower or its constituent partners from that shown by such financial statements and other data and information.

(i) Adequacy of Loan. The amount of the Loan, together with any funds to be provided by the Borrower or to the Borrower from any other sources, is adequate to pay all costs incurred in connection with the acquisition of the Property and to enable the Borrower to satisfy the covenants contained in this Agreement.

(j) Payment of Taxes. All federal, state, county, and municipal taxes required to be paid by the Borrower or on account of the Property have been paid in full as of the date of this Agreement or will be paid in full by the Close of Escrow. Borrower knows of no basis for any additional assessment of taxes as of this date.

(k) Regulatory Agreement. The Project is, and will at all times remain, in compliance with all requirements of this Agreement and the Regulatory Agreement. The units in the Project shall be rented or available for rental on a basis which satisfies the requirements of the Regulatory Agreement. All leases will comply with all applicable laws and the Regulatory Agreement.

ARTICLE IX

CONTINUING OBLIGATIONS OF BORROWER

- 9.1. Applicability. For the longer of the entire Term, or so long as the Note remains outstanding, the Borrower shall comply with the provisions of this Article IX.
- 9.2. Compliance with Loan Documents. Borrower shall promptly comply with all the terms, covenants and provisions of the Loan Documents.
- 9.3. Taxes and Assessments. So long as Borrower owns the Property and the Project, Borrower shall pay all real and personal property taxes, assessments and charges, and all franchise, income, unemployment, old age benefit, withholding, sales,

and other taxes assessed against it, or payable by it, at such times and in such manner as to prevent any delinquency or penalty from accruing, or any lien or charge from attaching to the Project; provided, however, that Borrower shall have the right to contest in good faith any such taxes, assessments, or charges. In the event Borrower exercises its right to contest any tax, assessment, or charge against it, Borrower, on final determination of the proceeding or contest, shall immediately pay or discharge any decision or judgment rendered against it, together with all costs, charges, and interest.

9.4. Indemnity.

(a) To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Trust and its elected officials, officers, governing members, employees, attorneys and agents (collectively, the "Indemnified Parties"), from and against any and all losses, damages, claims, actions, liabilities, reasonable costs and expenses of any and every conceivable nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject to under any statutory law (including federal or state securities laws) or at common law or otherwise, arising out of or based upon or in any way relating to:

(i) the Loan Documents or the execution or amendment thereof or in connection with the transactions contemplated thereby;

(ii) Borrower's ownership or operation of the Project or any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation, operation or rehabilitation of, the Project or any part thereof;

(iii) any lien or charge upon payments by the Borrower to the Trust, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Trust in respect of any portion of the Project;

(iv) any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof;

(v) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower contained in any Loan Document or any of the documents or instruments relating to said Loan Documents that the Trust relied upon in making the Loan except to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the

Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment and payment for counsel selected by the Indemnified Party, and shall assume the payment of all reasonable expenses related thereto, with full power to litigate, compromise or settle the same; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement.

(vi) If judgment is entered against Borrower and Trust by a court of competent jurisdiction because of the concurrent active negligence of Trust or Indemnified Parties, Borrower and Trust agree that liability will be apportioned as determined by the court. Neither Party shall request a jury apportionment.

- 9.5. Entry by the Trust. Borrower shall permit the Trust, through its officers, agents, or employees, at all reasonable times to enter into or onto the Property or the Project and inspect the Project to determine that the same is in conformity with the Loan Documents and all the requirements hereof. Borrower acknowledges that the Trust is under no obligation to supervise, inspect, or inform Borrower of the results of its said inspection(s) and Borrower shall not rely upon the Trust therefor. Any inspection by the Trust is entirely for its purposes in determining whether Borrower is in default under this Agreement or the Loan Documents. Borrower shall rely entirely upon its own supervision and inspection.
- 9.6. Entry by HCD. As required by the HCD as a condition of the LHTF Program, Borrower shall permit HCD, through its officers, agents, or employees, at all reasonable times to enter into or onto the Property or the Project and inspect the Project to determine that the same is in conformity with the Loan Documents and all the requirements hereof. Borrower acknowledges that HCD is under no obligation to supervise, inspect, or inform Borrower of the results of its said inspection(s) and Borrower shall not rely upon HCD therefor. Any inspection by HCD is entirely for its purposes in determining whether Borrower is in default under this Agreement or the Loan Documents. Borrower shall rely entirely upon its own supervision and inspection.
- 9.7. Hazardous Materials. Borrower shall indemnify, defend and hold harmless the Trust, and its respective elected and appointed officials, members, directors, officers, employees, agents, successors and assigns from and against any loss, damage, cost, expense or liability directly or indirectly arising out of or attributable to the use, generation, storage, release, threatened release, discharge, disposal, or presence of hazardous materials on, under, or about the Project, including without limitation: (a) all foreseeable consequential damages; (b) the costs of any required or necessary repair, cleanup or detoxification of the Project and the preparation and implementation of any closure, remedial or other required plans; and (c) all reasonable costs and expenses incurred by the Trust or Trust in connection with clauses (a) and (b), including but not limited to reasonable attorneys' fees.

- 9.8. Signage During Construction. As required by the HCD as a condition of the LHTF Program, during the Construction Period, if Borrower elects to place a sign or signs identifying the Project that is visible to the public, Borrower shall include the following language on the sign, “Funding provided by the Orange County Housing Finance Trust and the California Department of Housing and Community Development.” If the Borrower does not elect to place a sign on the Property identifying the Project, HCD may place one or more signs on the property stating that it is providing financing for the development.
- 9.9. Transfers. During the Term, Borrower shall not sell or otherwise transfer the Project or any portion thereof, and none of the constituent general partners of Borrower shall sell or otherwise transfer their interests in Borrower, and none of the constituent general partners in a partnership that is a partner in Borrower shall sell or otherwise transfer their interest in such partnership without first obtaining the approval of the Trust, which consent the Trust may withhold or grant in the exercise of its good faith discretion. The Trust shall not approve any such transfer request if the Borrower is in default under any of the Loan Documents or the Management Plan.
- 9.10. Management; Annual Marketing and Management Plans. Any management company of the Project and the management agreement with such management company shall be subject to the prior written approval of the Trust. The management agreement shall not be amended, modified, supplemented, terminated or canceled without the prior written consent of the Trust. Borrower and the Trust (if it so elects) will cooperate in the marketing of the units on the Property pursuant to a marketing plan (the “Marketing Plan”) prepared by the Borrower and approved by the Trust. Said Marketing Plan and the Management Plan described in Section 6.1 hereof shall be prepared by the Borrower and approved by the Trust on an annual basis; however, the Borrower shall provide quarterly written supplements to said approved plans (or more frequently if requested by the Trust).
- 9.11. Operation and Maintenance of Project.
- (a) Operation. During the Qualified Project Period, Borrower shall at all times operate on the Project an affordable housing rental facility in compliance with this Agreement and the Regulatory Agreement.
- (b) Maintenance. During the Qualified Project Period, Borrower agrees to maintain all interior and exterior improvements, including landscaping (and all abutting ground, sidewalks, roads, parking and landscape areas) on the Project in good condition, repair and sanitary condition (and, as to landscaping, in a healthy condition) and in accordance with any Management Plan approved by the Trust under the Loan Agreement (including without limitation any landscape and signage plans), as the same may be amended from time to time, and all other applicable laws, rules, ordinances, orders, and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having jurisdiction and all their respective departments, bureaus, and officials. Borrower acknowledges the great emphasis the Trust places on quality maintenance to

protect its investment and to provide quality low income housing for its constituents and to ensure that all Trust-subsidized affordable housing projects within the Trust are not allowed to deteriorate due to deficient maintenance. In addition, Borrower shall keep the Project free from all graffiti and any accumulation of debris or waste material. Borrower shall promptly make all repairs and replacements necessary to keep the Project in good condition and repair and shall promptly eliminate all graffiti and replace dead and diseased plants and landscaping with comparable approved materials. Borrower shall not commit or permit any waste or deterioration of the Project, shall not abandon any portion of the Project, and shall not otherwise act, or fail to act, in such a way as to unreasonably increase the risk of damage to the Project.

In the event that Borrower breaches any of the covenants contained in this Section 9.9 and such default continues for a period of five (5) days after written notice from Trust (with respect to graffiti, debris, waste material, and general maintenance) or thirty (30) days after written notice from Trust (with respect to landscaping and building improvements), then Trust, in addition to whatever other remedies it may have under this Agreement, the other Loan Documents or at law or in equity, shall have the right to enter upon the Project and perform or cause to be performed all such acts and work necessary to cure the default. Pursuant to such right of entry, the Trust shall be permitted (but not required) to enter upon the Project and perform all acts and work necessary to protect, maintain and preserve the improvements and landscaped areas on the Project, in the amount of the expenditure arising from such acts and work of protection, maintenance, and preservation by Trust and/or reasonable costs of such cure, including a fifteen percent (15%) administrative charge, which amount shall be promptly paid by Borrower to Trust upon demand.

(c) Removal of Personal Property. During the Qualified Project Period, Borrower shall not cause or permit the removal from the Project of any items of Borrower's personal property (other than tools and equipment used in the operation of the Project) unless (i) no Event of Default remains uncured and (ii) Borrower promptly substitutes and installs on the Project other items of equal or greater value in the operation of the Project, all of which shall be free of liens and shall be subject to the liens of the Deed of Trust and the Financing Statement and executes and delivers to Trust all documents required by Trust in connection with the attachment of such liens to such items. Borrower shall keep detailed records of such removal and shall make such records available to Trust upon written request from time to time.

- 9.12. Status of Borrower. Borrower shall at all times maintain its legal status and all material licenses, rights, franchises and privileges in the jurisdiction of its formation in good standing and comply with all laws, rules and regulations of California and the United States and of any political subdivision thereof applicable to it or its business.
- 9.13. Insurance. While any obligation of Borrower under any Loan Document remains outstanding, Borrower shall maintain at Borrower's sole expense, the following policies of insurance in form and substance as follows:

- (a) Statutory Workers' Compensation insurance and Employers' Liability insurance with a minimum limit of \$1,000,000 per occurrence;
- (b) Builder's all-risk insurance covering one hundred percent (100%) of the replacement cost of the Project during the course of any construction or reconstruction in the event of fire, lightning, windstorm, vandalism, malicious mischief, and all other risks normally covered by extended coverage policies in the locality where the Project is situated (including insurance against loss by flood if the Project is located in an area now or hereafter designated as subject to the danger of flood);
- (c) Fire and hazard "all risk" insurance with boiler and machinery coverage, covering one hundred percent (100%) of the replacement cost of the Project in the event of fire, lightning, windstorm, vandalism, malicious mischief and all other risks normally covered by "all risk" coverage policies in the locality where the Project is situated (including insurance against loss by flood if the Project is located in an area now or hereafter designated as subject to the danger of flood, but excluding insurance against loss by earthquake), which coverage shall also include Project fixtures, furniture and equipment owned by Borrower and business income of at least one (1) year ;
- (d) General liability insurance in an amount not less than \$5,000,000 for combined single limit per occurrence to cover bodily injury and property damage and \$5,000,000 in the aggregate;
- (e) All such insurance shall be endorsed to provide that said insurance may not be canceled or materially modified without 30 days' prior written notice to the Trust. The policies required pursuant to subparagraphs (b) and (c), above, shall include a "lender's loss payable endorsement" (Form 438BFU) in form and substance satisfactory to the Trust assuring Trust that all proceeds shall be paid to Trust as provided in the Deed of Trust subject to the interests of the senior lenders on the Project. The Trust shall be an additional insured as to the policies required pursuant to subparagraph (d) above, and such insurance shall be primary and any insurance maintained by the Trust shall be excess and non-contributing. All policies shall waive all rights of subrogation against the Trust, its elected and appointed officials, officers, agents, and employees. The general liability policy shall contain a severability of interests endorsement. Certificates of insurance and endorsements for all of the above policies (and/or original policies, if required by the Trust from time to time), showing the same to be in full force and effect, shall be delivered to the Trust. All policies insuring against damage to the Project shall contain an agreed value clause sufficient to eliminate any risk of co-insurance. Trust expressly retains the right to require Borrower when reasonable to increase or decrease insurance of any of the above insurance types throughout the term of this Loan. Any increase or decrease in insurance will be as deemed by Trust Risk Manager as appropriate to adequately protect Trust.
- (f) No such insurance shall include deductible amounts to which the Trust has not previously consented in writing. All insurance policies required by this Loan Agreement shall declare any deductible or self-insured retention (SIR). Amounts

in excess of \$25,000 shall specifically be approved by the Trust's Risk Manager, CEO/Risk Management. Borrower shall be solely responsible for the reimbursement of any deductible to the insurer.

(g) The policy or policies of insurance must be issued by an insurer licensed to do business in the State of California (California Admitted Carrier). Minimum insurance company ratings as determined by the most current edition of the Best's Key Rating Guide/Property-Casualty/United States or by ambest.com shall be A- (Secure Best's Rating) and VIII (Financial Size Category). If the proposed carrier is a non-admitted carrier in the State of California, the Trust's Risk Manager, Trust Risk Management reserves the right to approve or reject said proposed carrier after a review of said carrier's performance and financial ratings.

(h) Borrower shall file with the Trust, prior to the funding of the Loan, an original Certificate of Insurance together with all required endorsements evidencing that the coverage required under this Loan Agreement is in full force and effect.

(i) All contractors performing work on behalf of Borrower shall be covered under Borrower's insurance or shall obtain insurance subject to the same terms and conditions as set forth herein for Borrower, with the Trust named as an additional insured on all such policies.

(j) The Trust retains the rights at any time to review the coverage, form and amount of the insurance required hereby. If, in the opinion of the Trust, the insurance provisions in this Loan Agreement do not provide adequate protection for the Trust, the Trust may require Borrower to obtain insurance sufficient in coverage, form, and amount to provide adequate protection. The Trust's said additional requirements shall be reasonable and shall be designed to assure protection from and against the kind and extent of risks that exist at the time a change in insurance is required. Trust shall notify Borrower in writing of changes in the insurance requirements. If Borrower does not deposit copies of acceptable certificates of insurance and endorsements with the Trust incorporating such changes within thirty (30) days of receipt of such notice, said failure shall constitute, at the option of Trust, an Event of Default (hereinafter defined in Article IX) this Loan Agreement without further notice to Borrower.

(k) The procuring of such required policy or policies of insurance shall not be construed to limit Borrower's liability hereunder nor to fulfill the indemnification provisions and requirements of this Loan Agreement.

(l) The Trust shall also be named as an additional insured on any insurance policies required by the Senior Construction Deed of Trust or any related loan documents evidencing such construction loan.

- 9.14. Alterations and Repair. Except with the prior consent of the Trust, during the Qualified Project Period, Borrower shall not remove, demolish or materially alter any improvement constituting the Project, except to make non-structural repairs which preserve or increase the Project's value, and shall promptly restore, in

good and workmanlike manner, any said improvement (or other aspect of the Project) that is damaged or destroyed from any cause.

- 9.15. Changes in Property Restrictions. Borrower shall not initiate, join in or consent to any change in any applicable zoning ordinance, general plan or similar law, or to any private restrictive covenant or any similar public or private restriction on the use of the Project, except with the prior written consent of the Trust.
- 9.16. Books, Records and Annual Statement. Borrower shall maintain complete books of account and other records reflecting the construction and operation of the Project in accordance with generally accepted accounting principles applied on a consistent basis. During the Qualified Project Period, the amount of the Residual Receipts (as defined in the Note) shall be determined on the basis of an annual audited financial statement (“Annual Statement”), for the preceding year, beginning with the first year of operation of all or any part of the Project, prepared at the Borrower’s expense by an independent certified public account firm acceptable to the Trust. Such Annual Statement shall be prepared based on the guidelines, and taking into account the information, set forth on Exhibit “C,” attached hereto and incorporated herein. During the Qualified Project Period, the Borrower shall submit the Annual Statement and any payment to the Trust not later than six (6) months after closing of the Borrower’s previous year’s books. The first Annual Statement submitted by the Borrower for the Loan shall include the period from the Completion of Construction to the close of that year’s books. The Trust shall review and approve such statement, or request revisions, within ninety (90) days after receipt. In the event that as the result of Trust review, there is an increase in the amount of Residual Receipts, Borrower shall pay to the Trust the full amount of such increase within ten (10) days of notice of such increases. The terms of this subsection shall not be the exclusive method by which the Trust may review Residual Receipts payments by the Borrower. In the event that an increase in the amount of Residual Receipts for any annual period is discovered at any time subsequent to the ninety (90) day period for that year’s books, no previous action or inaction by the Trust shall prohibit the Trust from requesting repayment of those amounts at any time during the term of this Agreement or thereafter. The Borrower shall pay to the Trust the full amount of such increase within thirty (30) days of notice of such increase for periods prior to the previous year.
- 9.17. Notices of Certain Matters. Borrower shall give notice to Trust, within ten (10) days after Borrower receives actual knowledge thereof, of each of the following:
- (a) Any litigation or claim against the Borrower relating to the Property or the Project and involving an amount in excess of \$25,000 and any litigation or claim that might subject Borrower or any constituent partner of Borrower to liability in excess of \$50,000, whether covered by insurance or not;
 - (b) Any dispute between Borrower and any governmental or public agency relating to the Property or the Project, the adverse determination of which might materially affect the Project;

- (c) Any trade name hereafter used by Borrower and any change in Borrower's principal place of business;
 - (d) Any Event of Default or event, which, with the giving of notice or the passage of time, without ameliorative action, or both, would constitute an Event of Default;
 - (e) Any default by Borrower or any other party under any Loan Document or Mortgage Document, or the receipt by Borrower of any notice of default under any Loan Document or Mortgage Document;
 - (f) The creation or imposition of any mechanics' lien or other lien against the Project;
 - (g) The presence of any hazardous materials on, under or about the Property or the Project; any enforcement, clean-up, removal or other action or requirement of any local, state or federal governmental or quasi-governmental authority with jurisdiction relating to any such hazardous materials; and the existence of any occurrence of conditions on any property in the vicinity of the Project that could cause any portion of the Project to be classified as "border-zone property" under the provisions of the California Health and Safety Code or any related regulations, or that could cause the Project to be otherwise subject to any restrictions relating to hazardous materials; and
 - (h) Any material adverse change in the financial condition of Borrower or any of its constituent general partners.
- 9.18. Further Assurances. Borrower shall execute and acknowledge (or cause to be executed and acknowledged) and deliver to Trust all documents, and take all actions, reasonably required by Trust from time to time to confirm the rights created or now or hereafter intended to be created under the Loan Documents, to protect and further the validity, priority and enforceability of the Loan Documents, to subject to the Loan Documents any property intended by the terms of any Loan Document to be covered by the Loan Documents, or otherwise to carry out the purpose of the Loan Documents and the transactions contemplated thereunder.
- 9.19. Liens. Borrower shall not cause or suffer to become effective any lien, restriction or other title limitation affecting any part of the Project other than the (a) Regulatory Agreement, the Deed of Trust, the Financing Statement and the senior first deed of trust Mortgage Documents (including the Senior Acquisition Deed of Trust, Senior Construction Deed of Trust and the Senior Permanent Deed of Trust, as applicable) and (ii) taxes not delinquent.
- 9.20. Payment of Expenses. Borrower shall pay the Trust's costs and expenses incurred in connection with the making, disbursement and administration of the Loan and the conversion of the acquisition loan to a permanent loan, as well as any revisions, transfers, extensions, renewals, modifications, refinancing or "workouts," and providing estoppels or subordinations of the Loan, and in the exercise of any of Trust's rights or remedies under this Agreement. The Trust

will receive from Borrower a nonrefundable fee in the amount of Five Hundred Dollars (\$500) and Borrower shall reimburse Trust for all of the Trust's reasonable out-of-pocket expenses (including reasonable attorney's fees) incurred in the administration and review of such changes, to the extent such expenses exceed Five Hundred Dollars (\$500). Such costs and expenses may include title insurance, recording and escrow charges, survey charges, hazard insurance, premiums, fees for any appraisals and any appraisal reviews, architectural and engineering review, construction services and environmental and toxic services and reviews, zoning and entitlement services and reviews, mortgage taxes, legal fees and any other reasonable fees and costs for services, regardless of whether such services are furnished by the Trust's employees or agents or independent contractors.

- 9.21. Loan Monitoring Fees. Unless prohibited by Federal, State or local laws, the Borrower shall pay an annual loan monitoring fee during the Term. Loan monitoring fees shall be incorporated into the operating pro forma. Orange County Housing Finance Trust shall charge all projects an annual compliance monitoring fee ("Annual Fee") of sixty-five dollars (\$95) per unit per year. The Annual Fee will be payable to the Trust at the Close of Escrow. The Annual Fee will be due each subsequent year for the Qualified Project Period on or within thirty (30) days of the day and month that this Agreement was entered into as set forth on page one hereof. Loan monitoring fees will be adjusted annually. The annual adjustment shall be in accordance with the change in the Consumer Price Index for Los Angeles – Anaheim – Riverside (All Urban Consumers – All Items) promulgated by the Bureau of Labor Statistics of the U.S. Department of Labor. This adjustment shall be calculated by means of the following formula:

$$A = B \times C/D$$

Where: A = Adjusted Annual Fee

B = Annual Fee (as such Annual Fee may have been previously adjusted)

C = Average monthly index for the most recent twelve-month period

D = Average monthly index for the twelve-month period preceding the date of this Loan Agreement.

In the event that the Consumer Price Index (CPI) ceases to use 1982-84 = 100 as the basis of calculation, or if, in Trust's sole judgment, a substantial change is made in the method used by the federal government to determine the CPI or the items used to calculate the CPI, then the CPI shall be converted to the figure that would have been calculated at (or as close to such figures as shall be practical) had the manner of calculating the CPI in effect at the date of this Loan Agreement not been altered.

In the event that the CPI is not issued or published for the period for which such minimum Annual Fees are to be adjusted and computed hereunder, or in the event that the Bureau of Labor Statistics of the United States Department of Labor should cease to publish said index figures, then any similar index published by any other branch or department of the United States Government selected by Trust, shall be used and if none is so published, then another index general recognized as authoritative shall be substituted by Trust.

9.22. Subcontracts.

(a) Upon request of Trust, or their designated agent, Borrower shall submit any requested subcontract agreements to the Trust for review and consent. Any requested Subcontracts shall be submitted to Trust within forty-eight (48) hours of such request.

(b) Borrower shall assume responsibility for all subcontracted services to assure compliance with this Agreement.

(c) Borrower shall cause all of the applicable provisions of this Agreement in its entirety to be included in and made a part of any subcontract executed in the performance of this Agreement.

9.23. Relocation. Borrower shall, if applicable, in all matters relating to the Project:

(a) Take all reasonable steps to minimize displacement by providing tenants a reasonable opportunity to lease and occupy dwelling units in the Project being improved, if applicable;

(b) Submit to Trust a plan outlining financial and advisory assistance in securing temporary housing for any eligible tenant who is temporarily or permanently relocated due to the Project; and,

(c) Comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and 49 CFR 24 in providing relocation assistance for persons displaced by the Project.

(d) Has in effect, and follows a residential anti-displacement and relocation plan required under Section 104 (d) of the Housing and Community Development Act of 1974, as amended, in conjunction with any activity assisted with funds under the subject program.

9.24. Mental Health Services Act Requirements. The Borrower shall carry out the design, construction and operation of the Project, and operate the Program, in conformity with all applicable laws, regulations, and rules of governmental agencies having jurisdiction, including without limitation, the requirements set forth in California Welfare and Institutions Code Section 5771.1 *et. seq.* and, without limitation, the requirements found in Exhibit D attached to this Agreement.

- 9.25. Lender Recognition. The owner shall ensure recognition of the role of the Trust in providing funds through this Agreement. All activities, facilities and items utilized pursuant to the Agreement shall be prominently labeled as to funding source.
- 9.26. Labor Standards. To the extent applicable, the Borrower agrees to comply with the requirements of the California Department of Industrial Relations Prevailing Wage Requirements and the Secretary of Labor in accordance with the Davis-Bacon Act as amended, the provisions of Contract Work Hours, the Safety Standards Act, the Copeland “Anti-Kickback” Act (40 U.S.C. 276, 327-333) and all other applicable federal, state and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. The Borrower shall maintain documentation, which demonstrates compliance with hour, and wage requirements of this part. Such documentation shall be made available to the Trust for review upon request. The Borrower agrees that, except with respect to the rehabilitation or construction of residential property designed for residential use for less than twelve (12) units, all contractors engaged under contracts in excess of \$2,000.00 for construction, renovation or repair of any building or work financed in whole or in part with assistance provided under this Agreement, shall comply with federal requirements adopted by the Trust pertaining to such contracts and with the applicable requirements of the regulations of the U.S. Department of Labor, under 29 CFR, Parts 1, 3, 5, 7 and 1926 governing the payment of wages and ratio of apprentices and trainees to journeymen; provided, that if wage rates higher than those required under the regulations are imposed by state or local law, nothing herein is intended to relieve the Borrower of its obligation, if any, to require payment of the higher rate. The Borrower shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph, for such contracts in excess of \$10,000.00.

9.27. Annual Audit.

Following the Conversion Date and commencing on the date six (6) months after closing of the Borrower’s previous year’s books and every one year anniversary date thereafter during the Term, Borrower shall submit to Trust the following audit reporting package (the “Audit Reporting Package”). Trust reserves the right to revise the Audit Reporting Package requirements in accordance with changed Federal, State or County rules, regulations, ordinances, laws and statutes. The Audit Reporting Package shall include the following:

- (a) Financial Statements for the Project preferably with a classified Balance Sheet identifying Current Assets and Current Liabilities;
- (b) Schedule of expenditures of Federal awards;
- (c) Independent Auditor’s report;
- (d) Summary schedule and prior audit findings, if applicable;

- (e) Corrective action plan, if applicable; and
- (f) Management Letter.

9.28. Operating Reserve. [REMOVE IF PROJECT HAS PROJECT BASED SECTION
8 VOUCHERS]

Borrower shall establish an interest bearing account to be known as the Operating Reserve Account. Upon the Conversion Date shall deposit an amount into the Operating Reserve Account sufficient to pay three (3) months of operating expenses and three (3) months of mandatory debt service payments (“Target Balance”).

Funds shall be invested subject to the prior written approval of the Trust, which approval shall not be unreasonably withheld, and any earnings shall become and remain a part of the Operating Reserve. Funds may be drawn only when revenue is insufficient to pay operating expenses. The Borrowers shall not draw funds from the Operating Reserve Account without the prior written approval of the Trust, which approval shall not be unreasonably withheld.

If the balance in the Operating Reserve Account falls below the amount required to pay three (3) months of operating expenses and three (3) months of mandatory debt service payments, then Borrower shall apply Residual Receipts, when and if available, or other funds, to the replenishment of Operating Reserves until the Target Balance is achieved.

In the event of a failure by the Borrower to pay operating expenses, mandatory debt service payments, or other payments required under the Loan Documents or Mortgage Loan Documents, or during the continuance of an event of default by Borrower under the Loan Documents or Mortgage Loan Documents that would provide for the acceleration of the Loan or Mortgage Loan, then Trust may, after delivery of notice to Borrower and the expiration of any applicable cure periods, apply the funds in the Operating Reserve Account to the Loan, a Mortgage Loan, or use such funds for the continued operation of the Project.

9.29. Replacement Reserve. [WITHOUT MHSA THIS IS APPROPRIATE. WITH
MHSA FUNDS \$350 GOES TO \$500 AND GO UP 5% EVERY 5 YEARS]

At or before the Conversion Date, Borrower shall establish an interest bearing account to be known as the Replacement Reserve Account. Annually prior to March 31 of each year, Borrower shall deposit into the Replacement Reserve Account an amount equal to three hundred and fifty dollars (\$350) per unit or such higher amount as may be required by a tax creditor investor or senior Mortgagee and approved by Trust, which approval shall not be unreasonably withheld. The Funds shall be invested subject to the prior written approval of the Trust and any earnings shall become and remain a part of the Replacement Reserve. The Borrowers shall not draw funds from the Replacement Reserve Account without the prior written approval of the Trust, which approval shall not be unreasonably withheld.

Funds may only be drawn from the Replacement Reserve Account to replace or maintain Project assets which have a useful life of more than one (1) year in accordance with Generally Accepted Accounting Principles ("GAAP"), and have been or will be depreciated on the Partnership Tax Return, Form 1040P, filed with the Internal Revenue Service by the Borrower's accountant.

In the event of a failure by the Borrower to adequately maintain the Project, or pay operating expenses, mandatory debt service payments, or other payments required under the Loan Documents or Mortgage Loan Documents, or during the continuance of an event of default by Borrower under the Loan Documents or Mortgage Loan Documents that would provide for the acceleration of the Loan or Mortgage Loan, then Trust may, after delivery of notice to Borrower and the expiration of any applicable cure periods, apply the funds in the Replacement Reserve Account to the Loan, a Mortgage Loan, or use such funds for the maintenance, improvement, or continued operation of the Project.

ARTICLE X

DEFAULT AND REMEDIES

10.1. Events of Default. Each of the following shall constitute an "Event of Default" by Borrower under this Agreement:

(a) Failure to Make Note Payments. Borrower fails to make any payment of principal and/or interest under the Note when due, after ten (10) days notice from Trust. Any payment that falls due on a non-business day may be made the next succeeding business day without penalty and shall not be considered a past-due payment;

(b) Failure to Make Other Payments. Borrower fails to perform any other obligation for the payment of money (other than payments described in subparagraph (a) above) under any Loan Document within ten (10) days after Trust gives Borrower written notice that such obligation was not performed or paid for;

(c) Non-Monetary Failure to Perform. Borrower fails to timely perform, comply with or observe any of the terms, covenants, or conditions of this Agreement or any other Loan Document (other than those provisions elsewhere referred to in this Section 10.1) and such failure continues uncured or without Borrower commencing to diligently cure for thirty (30) days after notice thereof in writing is given by the Trust to Borrower, provided that if Borrower has commenced cure but cannot complete such cure reasonably within thirty (30) days, Borrower shall have ninety (90) days from the date of notice to cure such failure without such failure constituting an event of default;

(d) Mortgage Loan Document Breach. Any default or breach of Borrower that continues uncured after the expiration of any applicable cure period under

any other loan document including, but not limited to, the Mortgage Loan Documents;

(e) Voluntary Suspension. The voluntary suspension of Borrower's business or the dissolution or termination of the partnership (if any) constituting Borrower;

(f) Unauthorized Transfer. Borrower's sale or other transfer of the Property or the Project in violation of Section 9.7 above;

(g) Fraud or Material Misstatement or Omissions. Any fraudulent act or omission of Borrower's, or intentional misrepresentation of Borrower's, pertaining to or made in connection with the Loan, Loan Documents or the Project;

(h) Insolvency. A court having jurisdiction shall have made or entered any decree or order (i) adjudging Borrower to be bankrupt or insolvent, (ii) approving as properly filed a petition seeking reorganization of Borrower or seeking any arrangement for Borrower under the bankruptcy law or any other applicable debtor's relief law or statute of the United States or any state or other jurisdiction, (iii) appointing a receiver, trustee, liquidator, or assignee of Borrower in bankruptcy or insolvency or for any of their properties, or (iv) directing the winding up or liquidation of Borrower, if any such decree or order described in clauses (i) to (iv), inclusive, shall have continued unstayed or undischarged for a period of ninety (90) days unless a lesser time period is permitted for cure under any other mortgage on the Property, in which event such lesser time period will apply under this subsection 10.1(h) as well; or Borrower shall have admitted in writing its inability to pay its debts as they fall due or shall have voluntarily submitted to or filed a petition seeking any decree or order of the nature described in clauses (i) to (iv), inclusive. The occurrence of any of the events of default in this paragraph shall act to accelerate automatically, without the need for any action by the Trust, the indebtedness evidenced by the Note; or

(i) Project Monies. Borrower's misapplication or embezzlement of Project monies.

10.2. Remedies. The occurrence of any Event of Default shall, either at the option of the Trust or automatically where so specified, relieve the Trust of any obligation to make or continue the Loan and shall give the Trust the right to proceed with any and all remedies set forth in this Agreement and the Loan Documents or otherwise available at law or in equity or by statute (and all of the Trust's rights and remedies shall be cumulative), including but not limited to the following:

(a) Acceleration of Note. The Trust shall have the right to cause all indebtedness of the Borrower to the Trust under this Agreement and the Note, together with any accrued interest thereon, to become immediately due and payable. The Borrower waives all right to presentment, demand, protest or notice of protest, or dishonor. The Trust may proceed to enforce payment of the indebtedness and to exercise any or all rights afforded to the Trust as a creditor and secured party under the law including the Uniform Commercial Code, including foreclosure under the Deed of Trust. The Borrower shall be liable to pay the Trust on demand all expenses, costs and fees (including, without

limitation, attorneys' fees and expenses) paid or incurred by the Trust in connection with the collection of the Loan and the preservation, maintenance, protection, sale, or other disposition of the security given for the Loan.

(b) Specific Performance. The Trust shall have the right to mandamus or other suit, action or proceeding at law or in equity to require Borrower to perform its obligations and covenants under the Loan Documents or to enjoin acts on things that may be unlawful or in violation of the provisions of the Loan Documents.

(c) Right to Cure at Borrower's Expense. The Trust shall have the right to cure any monetary default by Borrower under a loan other than the Loan. The Borrower agrees to reimburse the Trust for any funds advanced by the Trust to cure a monetary default by Borrower upon demand therefore, together with interest thereon at the rate of twelve percent (12%) per annum (which rate shall in no event exceed the maximum rate permitted by law and if it does, said rate shall be reduced to the maximum rate then permitted by law), from the date of expenditure until the date of reimbursement.

10.3. Remedies Cumulative. No right, power, or remedy given to the Trust by the terms of this Agreement or the Loan Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given to the Trust by the terms of any such instrument, or by any statute or otherwise against Borrower and any other person. Neither the failure nor any delay on the part of the Trust to exercise any such rights and remedies shall operate as a waiver thereof, nor shall any single or partial exercise by the Trust of any such right or remedy preclude any other or further exercise of such right or remedy, or any other right or remedy.

10.4. Waiver of Terms and Conditions. No waiver of any default or breach by Borrower hereunder shall be implied from any omission by the Trust to take action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the waiver, and such waiver shall be operative only for the time and to the extent therein stated. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition. The consent or approval by the Trust to or of any act by Borrower requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act. The exercise of any right, power, or remedy shall in no event constitute a cure or a waiver of any default under this Agreement or the Loan Documents, nor shall it invalidate any act done pursuant to notice of default, or prejudice the Trust in the exercise of any right, power, or remedy hereunder or under the Loan Documents, unless in the exercise of any such right, power, or remedy all obligations of Borrower to Trust are paid and discharged in full.

- 11.15. Obligations Unconditional and Independent. Notwithstanding the existence at any time of any obligation or liability of Trust to Borrower, or any claim by Borrower against Trust, in connection with the Loan or otherwise, Borrower hereby waives any right it might otherwise have (a) to offset any such obligation, liability or claim against Borrower's obligations under the Loan Documents or

v. The Borrower agrees to provide to Qualified Tenants notice of all rent increases pursuant to applicable California law.

(c) **Qualified Tenant Protections.** The Restricted Units shall be rented to eligible and qualified Qualified Tenants in accordance with the following terms.

i. **Lease.** The Lease between Borrower and a Qualified Tenant must be for not less than one (1) year, unless otherwise agreed to in writing by both the Qualified Tenant and the Borrower.

ii. Prohibited Lease Terms. The Lease between the Borrower and any Qualified Tenant may not contain any of the following provisions:

A. Agreement to be sued. Agreement by the Qualified Tenant to be sued, to admit guilt or to a judgment in favor of the Borrower in a lawsuit brought in connection with the lease.

B. Treatment of property. Agreement by the Qualified Tenant that the Borrower may take, hold, or sell personal property of household members without notice to the Qualified Tenant and a court decision on the rights of the parties. This prohibition, however, does not apply to an agreement by the Qualified Tenant concerning disposition of personal property remaining in the Restricted Unit after the Qualified Tenant has moved out of the Restricted Unit. The Borrower may dispose of this personal property in accordance with applicable state law.

C. Excusing owner from responsibility. Agreement by the Qualified Tenant not to hold the Borrower or its agents legally responsible for any action or failure to act, whether intentional or negligent.

D. Waiver of notice. Agreement of the Qualified Tenant that the Borrower may evict the Qualified Tenant or household members without notice to the Qualified Tenant.

E. Waiver of legal proceedings. Agreement by the Qualified Tenant that the Borrower may evict the Qualified Tenant or household members without instituting a civil court proceeding in which the Qualified Tenant has the opportunity to present a defense, or before a court decision on the rights of the parties.

F. Waiver of a jury trial. Agreement by the Qualified Tenant to waive any right to a trial by jury.

G. Waiver of right to appeal court decision. Agreement by the Qualified Tenant to waive the Qualified Tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease.

H. Qualified Tenant chargeable with cost of legal actions regardless of outcome. Agreement by the Qualified Tenant to pay attorney's fees or other legal costs even if the Qualified Tenant wins in a court proceeding by the Borrower against the Qualified Tenant. The Qualified Tenant, however, may be obligated to pay costs if the Qualified Tenant loses.

(d) Termination of Tenancy. Borrower may not terminate the tenancy or refuse to renew the lease of a Qualified Tenant except for serious or repeated violation of the terms and conditions of the Lease; for violation of applicable federal, state, or local law; for completion of the transitional housing tenancy period (if the housing is transitional); or for other good cause. Any termination or refusal to renew must be

preceded by not less than thirty (30) days by the Borrower's service upon the Qualified Tenant of a written notice specifying the grounds for the action.

(e) Nondiscrimination Covenant. By acceptance hereof, the Borrower agrees, for itself, its successors and assigns, to refrain from restricting the rental, or lease of the Project on the basis of race, color, creed, religion, ancestry, sex, marital status, national origin or age of any person. All leases or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses: "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through them, and this lease or sublease is made and accepted upon and subject to the following conditions: That there be no discrimination against or segregation of, any person or group of persons, on account of race, color, creed, religion, handicap, national origin, sex, sexual orientation, marital status, age or ancestry in the leasing, subleasing, transferring, use or enjoyment of the land herein leased or subleased, nor shall the lessee himself or herself, or any persons claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subleases, or subtenants in the land herein leased."

(f) Non-Qualifying Adjusted Income. Subject to the applicable requirements and provisions of, and changes to, Section 42 of the Code, if, upon recertification of the income of a Qualified Tenant of a Restricted Unit, the Borrower determines that a Qualified Tenant has an Adjusted Income exceeding 30% of Median Income for the Area, adjusted for household size in accordance with the Act, as defined in Section 1.2 above, such Qualified Tenant may be permitted to continue to occupy the Restricted Unit at the rental rate as provided for in Exhibit B, until the Qualified Tenant chooses to vacate the Restricted Unit. After the Restricted Unit is vacated, the Restricted Unit shall be re-rented to a Qualified Tenant pursuant to the terms, covenants and conditions of this Agreement.

(g) Loss of Project Based Voucher Subsidy.

1. It is anticipated that during the Qualified Project Period the Project will maintain Project Based Voucher ("PBV") Restricted Units, supported by Project-Based Section 8 rental subsidy payments (the "**Rental Subsidy**"). If, during the Qualified Project Period, any change in federal law or regulations occurs, or any action (or inaction) by Congress or any federal or State agency occurs, which results in a reduction, termination, or nonrenewal of the Rental Subsidy through no fault of Borrower, such that the Rental Subsidy shown on the Financing Plan (as defined in the Loan Agreement) is no longer available (or available in a lesser amount), Borrower may request approval of the Trust to increase the rent on one or more of the PBV Restricted Units, to an adjusted income that does not exceed sixty percent (60%) of Area Median Income, adjusted for actual household.

2. The rent increase is subject to the following requirements: (a) concurrently with the request, Borrower shall provide the Trust with evidence of the

anticipated reduction, termination, or nonrenewal of the Rental Subsidy, (b) a Management Plan (as defined in Section 1.19 of the Loan Agreement) for the Project for the Trust's approval pursuant to Sections 4.1 and 7.8 of the Loan Agreement, showing the impact of the loss or reduction of the Rental Subsidy, (c) a proposed operating budget reflecting the rent increases (the “**Operating Budget**”), and (d) a description of efforts to obtain alternate sources of rent. The number of PBV Restricted Units subject to the rent increase and the amount of the proposed increase may not be greater than the number or amount required to ensure that the Project generates sufficient income to cover its operating costs, required deposits to replacement reserves, and debt service on approved financing as shown on the Operating Budget, and as is necessary to maintain the financial stability of the Project. In addition, upon a reduction, termination or nonrenewal of the Rental Subsidy as described above, Borrower hereby agrees to the following:

i. Borrower shall use good faith efforts to obtain alternative sources of rental subsidies and shall provide the Trust with annual progress reports on efforts to obtain alternative sources of rental subsidies that would allow the rents to be reduced. Upon receipt of any alternative rental subsidies, Borrower shall reduce the rents back to the original restrictions found in Exhibit B to the extent that the alternative rental subsidies provide sufficient income to cover the operating costs, required replacement reserves and debt service of the Project as shown on the Operating Budget.

ii. Borrower shall provide Qualified Tenants in the PBV Restricted Units with notice of any rent increase pursuant to Section 2.(g)(4), below, and shall notify the Qualified Tenant that if they have received a tenant-based voucher from the Orange County Housing Authority they may use the tenant-based voucher for their Restricted Unit.

3. All rent increases are subject to County approval pursuant to the terms of this Section 2 (g). No later than sixty (60) days prior to the proposed implementation of any rent increase, Borrower shall submit to the County a schedule of any proposed increase in the rent. The County will disapprove a rent increase allowed pursuant to Section 2(g)(1) if it does not comply with the restrictions set forth in Section 2(g)(2). Notwithstanding the foregoing, rent increases for the PBV Restricted Units shall be subject to review and approval of the County.

4. Borrower shall give Qualified Tenants of all PBV Restricted Units written notice at least sixty (60) days prior to any rent increase.

3. Qualified Tenants; Records, Reports and Monitoring. During the Qualified Project Period, the Borrower shall submit to the Trust (i) not later than July 15, of each year, a report showing the necessary information to allow the Trust to determine the Owner’s compliance with this Regulatory Agreement, and (ii) within fifteen (15) days after receipt of a written request, any other information or completed forms requested by the Trust in order to comply with reporting requirements of HUD, or the State of California. Borrower agrees to fully comply with Trust’s requirements for monitoring the affordability of the Project.

4. Management. Borrower shall manage the Restricted Units in accordance with a management plan prepared by Borrower and approved by the Trust Manager, describing Borrower's standards for operating, managing and maintaining the Restricted Units, including, but not limited to, the components listed below (the "Management Plan"). The Management Plan shall provide for occupancy standards that are appropriate for the Restricted Units. Borrower shall manage the Restricted Units in accordance with the approved Management Plan, including such amendments as may be approved in writing from time to time by the Trust Manager, for the Qualified Project Period. The components of the Management Plan shall include:

(a) Management Agent. During the Qualified Project Period, Borrower shall be the management agent or Borrower shall submit the name and qualifications of the proposed management agent. If the management agent is not Borrower, the Trust shall approve or disapprove the proposed management agent in writing based on the experience and qualifications of the management agent.

(b) Management Agreement. At the outset of the Qualified Project Period, Borrower shall submit a copy of the proposed management agreement specifying the amount of the management fee, and the relationship and division of responsibilities between Borrower and management agent.

(c) Marketing Plan. The marketing plan will apply to all of the units in the Project, including the Restricted Units, except the Manager's Unit. The Borrower shall submit a marketing plan for review and approval by the Trust Manager. The marketing plan must contain procedures that ensure marketing of the Restricted Units to Qualified Tenants throughout Orange County (including both unincorporated areas and other incorporated cities). Such procedures shall be applicable for initial rent-up and ongoing marketing of the units throughout the Qualified Project Period. Borrower shall advertise vacancies of the Restricted Units in general distribution newspapers that circulate throughout the County. Where the Borrower utilizes other forms of advertising, such advertising shall also be distributed throughout the County.

(d) Annual Budget and Projected Cash Flows. Concurrently with the beginning of the Qualified Project Period, and annually thereafter not later than seventy-five (75) days after the close of each calendar year (December 31) thereafter, Borrower shall submit, in a form that is acceptable to the Trust, a projected operating budget and cash flow for the Project to the Trust.

(e) Trust Right to Replace Management Agent. If at any time the Trust determines that the Project is not being managed or maintained in accordance with the approved Management Plan, Borrower shall change the management agent or the practices complained of, upon receipt of written notice from the Trust. The Trust may require Borrower to change management practices or to terminate the management contract and designate and retain a different management agent, to be approved by the Trust. The management agreement shall provide that it is subject to termination by

Borrower without penalty, upon thirty (30) days prior written notice, at the direction of the Trust. Within ten (10) days following a direction of the Trust to replace the management agent, Borrower shall select another management agent or make other arrangements satisfactory to the Trust for continuing management of the Project.

5. Maintenance; Compliance with Law. During the Qualified Project Period, Borrower agrees to maintain all interior and exterior improvements, including landscaping, on the Project in good condition, repair and sanitary condition (and, as to landscaping, in a healthy condition) and in accordance with any Management Plan approved by the Trust under this Agreement (including without limitation any landscaping and signage), as the same may be amended from time to time, and all other applicable laws, rules, ordinances, orders, and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials. Borrower acknowledges the great emphasis the Trust places on quality maintenance to protect its investment and to provide quality low income housing for its constituents and to ensure that all Trust subsidized affordable housing projects within the County are not allowed to deteriorate due to deficient maintenance. In addition, Borrower shall keep the Project free from all graffiti and any accumulation of debris or waste material. Borrower shall promptly make all repairs and replacements necessary to keep the Project in good condition and repair and shall promptly eliminate all graffiti and replace dead and diseased plants and landscaping with comparable approved materials.

In the event that Borrower breaches any of the covenants contained in this Section 5 and such default continues for a period of five (5) days after written notice from the Trust (with respect to graffiti, debris, waste material, and general maintenance) or thirty (30) days after written notice from the Trust (with respect to landscaping and building improvements), then the Trust, in addition to whatever other right or remedy it may have under the Loan Agreement, the other Loan Documents, this Regulatory Agreement or at law or in equity, shall have the right to enter upon the Project and perform or cause to be performed all such acts and work necessary to cure the default. Pursuant to such right of entry, the Trust shall be permitted (but is not required) to enter upon the Project and perform all acts and work necessary to protect, maintain and preserve the improvements and landscaped areas on the Project. Borrower shall promptly pay to the Trust, as applicable, the amount of the expenditure arising from such acts and work of protection, maintenance, and preservation by the Trust and/or costs of such cure, including a fifteen percent (15%) administrative charge.

6. Consideration. The Trust has made the Loan for the purpose, among others, of inducing the Borrower to provide affordable housing in the County of Orange. In consideration of the Loan to the Borrower, the Borrower has entered into this Agreement and has agreed to restrict the Restricted Units of the Project on the terms and conditions set forth herein.

7. Sale or Transfer of the Project. The Borrower hereby covenants and agrees not to voluntarily sell, transfer or otherwise dispose of the Property or the Project, or any

portion thereof (other than for individual tenant use as contemplated hereunder), without obtaining the prior written consent of the Trust. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Property or the Project in violation of this Section 7 shall be null, void and without effect, shall cause a reversion of title to the Borrower and shall be ineffective to relieve the Borrower of its obligations under this Agreement. Any transfer of the Property or the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 7.

8. Term. This Agreement and all and each of the provisions hereof shall become effective upon its execution and delivery, shall remain in full force and effect for the period provided herein and in the Loan Agreement, and, shall terminate in its entirety at the expiration of the Qualified Project Period, it being expressly agreed and understood that the provisions hereof are intended to survive the discharge of the Loan and termination of the Loan Agreement. In the event that the Conversion Date, as defined in the Loan Agreement, does not occur and the Qualified Project period does not commence, as set forth in the Loan Agreement, the restrictions of this Agreement shall have no effect and the Trust shall provide the Borrower with a release of this Agreement.

9. Covenants to Run with the Land.

(a) All conditions, covenants, and restrictions contained in this Agreement shall be covenants running with the land, and shall, in any event, and without regard to technical classification or designation, legal or otherwise, be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and enforceable by Trust, its successors and assigns, against Borrower, its successors and assigns, to or of the Project or any portion thereof or any interest therein, and any party in possession or occupancy of said Project or portion thereof.

(b) In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that Trust shall be deemed a beneficiary of the agreements and covenants provided hereinabove both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of the Trust and such covenants shall run in favor of the Trust for the entire period during which such covenants shall be in force and effect, without regard to whether the Trust is or remains an owner of any land or interest therein to which such covenants relate. The Trust shall have the right, in the event of any breach of any such agreement or covenant, to exercise all the rights and remedies, and to maintain any action at law or suit in equity or other proper proceedings to enforce the curing of such breach of agreement or covenant.

(c) The Trust and its successors and assigns, and Borrower and the permitted successors and assigns of Borrower in and to all or any part of the fee title to the Project, shall jointly have the right upon written agreement signed by both parties to consent and agree to changes in, or to eliminate in whole or in part, any of the covenants, easements, or restrictions contained in this Agreement without the consent of any tenant, lessee, easement holder, licensee, mortgagee, trustee, beneficiary under a deed of trust, or any

other person or entity having any interest less than a fee in the Project. The covenants contained in this Agreement, without regard to technical classification shall not benefit or be enforceable by any owner of any other real property within or outside the Project, or any person or entity having any interest in any other such realty.

(d) No breach of any of the provisions of this Agreement shall impair, defeat or render invalid the lien of any mortgage, deed of trust or like encumbrance made in good faith and for value encumbering the Property or the Project or any portion thereof.

10. Burden and Benefit. The Trust and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the Property and the Project in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Trust and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touching and concerning the land is the enhancement and increased enjoyment and use of the Project by Qualified Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by the furthering of public purposes for which the Loan was made.

11. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project.

12. Default. Each of the following shall constitute an "Event of Default" by Borrower under this Agreement:

(a) Failure to Make Payments. Borrower fails to make any payment of due the Trust under this Agreement within ten (10) days after receiving written notice for said payment from the Trust;

(b) Non-Monetary Failure to Perform. Borrower fails to timely perform, comply with or observe any of the terms, covenants, or conditions of this Agreement (other than those provisions elsewhere referred to in this Section 12) and such failure continues uncured or without Borrower commencing to diligently cure for thirty (30) days after notice thereof in writing is given by the Trust to Borrower;

(c) Mortgage Loan Document Breach. Any default or breach of Borrower which continues uncured after the expiration of any applicable cure period under the Loan Agreement (including, but not limited to, the obligations of the Borrower under Article VI of the Loan Agreement), any Loan Document or any other loan document including, but not limited to, the Mortgage Loan Documents, as defined and set forth in the Loan Agreement;

(d) Voluntary Suspension. The voluntary suspension of Borrower's business or the dissolution or termination of the partnership (if any) constituting Borrower;

(e) Unauthorized Transfer. Borrower's sale or other transfer of the Project in violation of this Agreement;

(f) Fraud or Material Misstatement or Omissions. Any fraudulent act or omission of Borrower pertaining to or made in connection with the Loan, Loan Documents or the Project;

(g) Insolvency. A court having jurisdiction shall have made or entered any decree or order (i) adjudging Borrower to be bankrupt or insolvent, (ii) approving as properly filed a petition seeking reorganization of Borrower or seeking any arrangement for Borrower under the bankruptcy law or any other applicable debtor's relief law or statute of the United States or any state or other jurisdiction, (iii) appointing a receiver, trustee, liquidator, or assignee of Borrower in bankruptcy or insolvency or for any of their properties, or (iv) directing the winding up or liquidation of Borrower, if any such decree or order described in clauses (i) to (iv), inclusive, shall have continued unstayed or undischarged for a period of sixty (60) days unless a lesser time period is permitted for cure under any other mortgage on the Property, in which event such lesser time period will apply under this subsection 12(g) as well; or Borrower shall have admitted in writing its inability to pay its debts as they fall due or shall have voluntarily submitted to or filed a petition seeking any decree or order of the nature described in clauses (i) to (iv), inclusive. The occurrence of any of the events of default in this paragraph shall act to accelerate automatically, without the need for any action by the Trust, the indebtedness evidenced by the Note; or

(h) Project Monies. Borrower's misapplication or embezzlement of Project monies.

13. Remedies. The occurrence of any Event of Default shall, either at the option of the Trust or automatically where so specified, relieve the Trust of any obligation to make or continue the Loan and shall give the Trust the right to proceed with any and all remedies set forth in this Agreement and the Loan Documents or otherwise available at law or in equity or by statute (and all of the Trust's rights and remedies shall be cumulative), including but not limited to the following:

(a) Acceleration of Note. The Trust shall have the right to cause all indebtedness of the Borrower to the Trust under the Note, together with any accrued interest thereon, to become immediately due and payable. The Borrower waives all right to presentment, demand, protest or notice of protest, or dishonor. The Trust may proceed to enforce payment of the indebtedness and to exercise any or all rights afforded to the Trust as a creditor and secured party under the law including the Uniform Commercial Code, including foreclosure under the Deed of Trust. The Borrower shall be liable to pay the Trust on demand all expenses, costs and fees (including, without limitation, attorneys' fees and expenses) paid or incurred by the Trust in connection with the collection of the Loan and the preservation, maintenance, protection, sale, or other disposition of the security given for the Loan.

(b) Specific Performance. The Trust shall have the right to mandamus or other suit, action or proceeding at law or in equity to require Borrower to perform its obligations and covenants under this Agreement and/or the Loan Documents or to enjoin acts on things, which may be unlawful, or in violation of the provisions of this Agreement and/or the Loan Documents.

(c) Right to Cure at Borrower's Expense. The Trust shall have the right to cure any monetary default by Borrower under this Agreement. The Borrower agrees to reimburse the Trust for any funds advanced by the Trust to cure a monetary default by Borrower upon demand therefore, together with interest thereon at the rate of twelve percent (12%) per annum or the maximum rate permitted by law, whichever rate is lesser, from the date of expenditure until the date of reimbursement.

(d) Remedies Cumulative. No right, power, or remedy given to the Trust by the terms of this Agreement or the Loan Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given to the Trust by the terms of any such instrument, or by any statute or otherwise against Borrower and any other person. Neither the failure nor any delay on the part of the Trust to exercise any such rights and remedies shall operate as a waiver thereof, nor shall any single or partial exercise by the Trust of any such right or remedy preclude any other or further exercise of such right or remedy, or any other right or remedy.

(e) Waiver of Terms and Conditions. No waiver of any default or breach by Borrower hereunder shall be implied from any omission by the Trust to take action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the waiver, and such waiver shall be operative only for the time and to the extent therein stated. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition. The consent or approval by the Trust to or of any act by Borrower requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act. The exercise of any right, power, or remedy shall in no event constitute a cure or a waiver of any default under this Agreement or the Loan Documents, nor shall it invalidate any act done pursuant to notice of default, or prejudice the Trust in the exercise of any right, power, or remedy hereunder or under the Loan Documents, unless in the exercise of any such right, power, or remedy all obligations of Borrower to the Trust are paid and discharged in full.

14. Recording and Filing. The Borrower shall cause this Agreement, and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of Orange and in such other places as the Trust may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

15. Governing Law. This Agreement shall be governed by the laws of the State of California. In the event of any legal action to enforce or interpret this Agreement, the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California, and the parties hereto agree to and do hereby submit to the jurisdiction of such court, notwithstanding Code of Civil Procedure Section 394

16. Amendments. This Agreement shall be amended only by a written instrument executed by the parties hereto, or their successors in title and duly recorded in the real property records of the County of Orange.

17. Notices.

(a) Any notice required to be given hereunder shall be made in writing and shall be given by personal delivery, certified or registered mail, postage prepaid, return receipt requested, at the addresses specified below, or at such other addresses as may be specified in writing by the parties hereto:

18. Severability. If any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

19. Additional Terms.

(a) Indemnity. To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Trust and its elected officials, officers, governing members, employees, attorneys and agents (collectively, the "Indemnified Parties"), from and against any and all losses, damages, claims, actions, liabilities, costs and expenses of any and every conceivable nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in

settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject to under any statutory law (including federal or state securities laws) or at common law or otherwise, arising out of or based upon or in any way relating to:

i. this Agreement or the execution or amendment thereof in connection with the transactions contemplated thereby;

ii. Borrower's ownership or operation of the Property and the Project or any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Property and the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation, operation or rehabilitation of, the Project or any part thereof;

iii. any lien or charge upon payments by the Borrower to the Trust, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Trust in respect of any portion of the Project;

iv. any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Property or the Project or any part thereof;

v. any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower contained in any Loan Document or any of the documents or instruments relating to said Loan Documents that the Trust relied upon in making the Loan; except to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment and payment for of counsel selected by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement.

(b) Time. Time is of the essence in this Agreement.

(c) Construction. Except where the context otherwise requires, words imparting the singular number shall include the plural number and vice versa, words imparting persons shall include firms, associations, partnerships and corporations, and words of either gender shall include the other gender.

(d) Waiver of Jury Trial. Unless prohibited by Federal, State or local laws, each party to this Agreement hereby expressly waives any right to trial by jury of any

claim, demand, action or cause of action arising under any Loan Document or in any way connected with or related or incidental to the dealings of the parties hereto or any of them with respect to any Loan Document, or the transactions related thereto, in each case whether now existing or hereafter arising, and whether sounding in contract or tort or otherwise; and each party hereby agrees and consents that any such claim, demand, action or cause of action shall be decided by court trial without a jury, and that any party to this Agreement may file an original counterpart or a copy of this section with any court as written evidence of the consent of the parties hereto to the waiver of their right to trial by jury.

(e) Nonliability. By accepting or approving anything required to be performed or given to Trust under this Agreement, Trust shall not be deemed to have warranted or represented the sufficiency or legal effect of the same, and no such acceptance or approval shall constitute a warranty or representation by Trust to anyone.

(f) Obligations Unconditional and Independent. Notwithstanding the existence at any time of any obligation or liability of Trust to Borrower, or any claim by Borrower against Trust, in connection with this Agreement or otherwise, Borrower hereby waives any right it might otherwise have (a) to offset any such obligation, liability or claim against Borrower's obligations under this Agreement or (b) to claim that the existence of any such obligation, liability or claim excuses the nonperformance by Borrower of any of its obligations under this Agreement.

(g) Department of Housing and Community Development Underwriting Standards. The Trust attests that the underwriting standards being utilized for this transaction are those that have been submitted and approved by the Department of Housing and Community Development.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date and year first above written.

The Beneficiary is authorized to file a copy of any such financing statement in any jurisdiction(s) as it shall deem appropriate from time to time in order to protect the security interest established pursuant to this instrument.

Section 2.8. Operation of the Security.

The Trustor agrees and covenants to operate the Security in full compliance with the Loan Agreement and the Debt Instruments.

The foregoing covenants shall run with the land.

Section 2.11. Subrogation and Waiver of Offset.

(a) Trustor waives any and all right to claim or recover against Beneficiary, its officers, employees, agents and representatives, for loss of or damage to Trustor, the Security, Trustor's property or the property of others under Trustor's control from any cause insured against or required to be insured against by the provisions of this Deed of Trust; provided, however, that this waiver of subrogation shall not be effective with respect to any policy of insurance permitted or required by this Deed of Trust if (i) such policy prohibits, or if coverage thereunder would be reduced as a result of, such waiver of subrogation and (ii) Trustor is unable

to obtain from a carrier issuing such insurance a policy that, by special endorsement or otherwise, permits such a waiver of subrogation.

(b) Except as otherwise specifically provided herein, all amounts payable by Trustor pursuant to this Deed of Trust shall be paid without notice, demand, counterclaim, setoff, deduction or defense and without abatement, suspension, deferment, diminution or reduction, and the obligations and liabilities of Trustor hereunder shall in no way be released, discharged or otherwise affected (except as expressly provided herein) by reason of: (i) any damage to or destruction of or any condemnation or similar taking of the Security or any part thereof; (ii) any restriction or prevention of or interference by any third party with any use of the Security or any part thereof; (iii) any title defect or encumbrance or any eviction from the Security or any part thereof by title paramount or otherwise; (iv) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding relating to Beneficiary, or any action taken with respect to this Deed of Trust by any trustee or receiver of Beneficiary, or by any court, in any such proceeding; (v) any claim which Trustor has or might have against Beneficiary; (vi) any default or failure on the part of Beneficiary to perform or comply with any of the terms hereof or of any other agreement with Trustor; or (vii) any other occurrence whatsoever, whether similar or dissimilar to the foregoing. Except as expressly provided herein, Trustor waives all rights now or hereafter conferred by statute or otherwise to any abatement, suspension, deferment, diminution or reduction of any sum secured hereby and payable by Trustor.

Section 2.12. Utilities.

Trustor shall pay or cause to be paid when due all utility charges which are incurred for the benefit of the Security or which may become a charge or lien against the Security for gas, electricity, water, sewer services or other fees and charges for utilities furnished to the Security and all other assessments or charges of a similar nature, whether public or private, affecting or related to the Security or any portion thereof, whether or not such taxes, assessments or charges are or may become liens thereon.

Section 2.13. Actions by Beneficiary to Preserve Property.

If Trustor fails to make any payment or to do any act as and in the manner provided in this Deed of Trust, Beneficiary and Trustee, and each of them, each in its own discretion, without obligation to do so, without releasing Trustor from any Obligation, and subject only to the notice and cure provisions of the Loan Agreement, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof. In connection therewith (without limiting their general and other powers, whether conferred herein, in another Loan Document or by law), Beneficiary and Trustee shall each and are hereby given the right, but not the obligation: (i) to enter upon and take possession of the Security; (ii) to make additions, alterations, repairs and improvements to the Security which either of them consider necessary or proper to keep the Security in good condition and repair; (iii) to appear and participate in any action or proceeding which may affect the security hereof or the rights or powers of Beneficiary or Trustee; (iv) to pay, purchase, contest or compromise any encumbrance, claim, charge, lien or debt which in the judgment of either may affect the security of this Deed of Trust or be prior or superior hereto; and (v) in exercising such powers to pay necessary expenses, including

employment of counsel or other necessary or desirable consultants. Trustor shall reimburse Beneficiary on demand for all costs incurred by Beneficiary in connection with actions which Beneficiary deems advisable to protect its interest under the Loan Agreement and all such amounts shall bear interest at the Agreed Rate following demand and be secured hereby.

Section 2.14. Transfer of Property by Trustor.

Prior to repayment of the Note, Trustor agrees that Trustor shall not sell or transfer the Security or any interest therein or sell or transfer all or substantially all of the assets of Trustor or any of them except as may be provided in the Loan Agreement.

Section 2.15. Additional Security.

No other security now existing, or hereafter taken, to secure the Obligations secured hereby or the liability of any maker, surety guarantor or endorser with respect to such Obligations, or any of them, shall be impaired or affected by the execution of this Deed of Trust; and all additional security shall be taken, considered and held as cumulative. The taking of additional security, execution of partial releases of the Security, or any extension of the time of payment of the indebtedness shall not diminish the force, effect or lien of this Deed of Trust and shall not affect or impair the liability of any maker, surety, guarantor or endorser for the payment of said indebtedness. In the event Beneficiary at any time holds additional security for any of the Obligations secured hereby, it may enforce the sale thereof or otherwise realize upon the same, at its option, either before, concurrently, or after a sale is made hereunder.

Section 2.16. Liens.

Trustor shall not cause, incur suffer or permit to exist or become effective any lien, encumbrance or charge upon all or any part of the Property, the Improvements or any interest therein other than (a) easements, rights of way, covenants, conditions, restrictions, liens and other title limitations approved in writing by Beneficiary prior to the execution of this Deed of Trust, and (b) immaterial easements and rights of way which are required by governmental authorities as a condition to the use and operation of the Improvements which are approved in writing by Beneficiary after the execution of this Deed of Trust (the “**Permitted Encumbrances**”). Trustor shall pay and promptly discharge, at Trustor’s cost and expense, all liens, encumbrances and charges upon the Security, or any part thereof or interest therein other than the Permitted Encumbrances; provided, that the existence of any mechanic’s, laborer’s, materialman’s, supplier’s or vendor’s lien or right thereto shall not constitute a violation of this Section if payment is not yet due under the contract which is the foundation thereof. Trustor shall have the right to contest in good faith the validity of any such lien, encumbrance or charge, provided Trustor shall first deposit with the Beneficiary a bond or other security satisfactory to Beneficiary in such amounts as Beneficiary shall reasonably require, but not more than one hundred fifty percent (150%) of the amount of the claim or shall post a bond authorized by statute in lieu thereof, and provided further that Trustor shall thereafter diligently proceed to cause such lien, encumbrance or charge to be removed and discharged. If Trustor shall fail to remove and discharge any such lien, encumbrance, or charge, then, in addition to any other right or remedy of Beneficiary, Beneficiary may, but shall not be obligated to, discharge the same, without inquiring into the validity of such lien, encumbrance or charge nor into the existence of

any defense or offset thereto, either by paying the amount claimed to be due, or by procuring the discharge of such lien, encumbrance or charge by depositing in court a bond or the amount claimed, or otherwise giving security for such claim, in such manner as is or may be prescribed by law. Trustor shall, immediately upon demand therefor by Beneficiary, pay to Beneficiary an amount equal to all costs and expenses incurred by Beneficiary in connection with the exercise by Beneficiary of the foregoing right to discharge any such lien, encumbrance or charge, together with interest thereon from the date of such expenditure at the Agreed Rate and, until paid, such sums shall be secured hereby.

Section 2.17. Beneficiary's Powers.

Without affecting the liability of any other person liable for the payment of any Obligation herein mentioned, and without affecting the lien or charge of this Deed of Trust upon any portion of the Security not then or theretofore released as security for the full amount of all unpaid Obligations, Beneficiary may, from time to time and without notice: (a) release any person so liable, (b) extend the maturity or alter any of the terms of any such Obligation (to the extent that Beneficiary is so allowed under the Loan Agreement), (c) grant other indulgences, (d) release or reconvey, or cause to be released or reconveyed at any time at Beneficiary's option any parcel, portion or all of the Security, (e) take or release any other or additional security for any Obligation herein mentioned, or (f) make compositions or other arrangements with debtors in relation thereto. By accepting payment or performance of any Obligation secured by this Deed of Trust after the payment or performance thereof is due or after the filing of notice of default and election to sell (other than satisfaction in full of the Obligations), Beneficiary shall not have thereby waived its right to require prompt payment or performance, when due, of all other Obligations secured hereby, or to declare a default for failure so to pay or perform, or to proceed with the sale under any notice of default and election to sell theretofore given by Beneficiary, or with respect to any unpaid balance of the indebtedness secured hereby. The acceptance by Beneficiary of any sum in an amount less than the sum then due shall not constitute a waiver of the obligation of Trustor to pay the entire sum then due. Trustor's failure to pay the entire sum then due shall continue to be a default, notwithstanding the acceptance of partial payment, and, until the entire sum then due shall have been paid, Beneficiary or Trustee shall at all times be entitled to declare a default and to exercise all the remedies herein conferred, and the right to proceed with a sale under any notice of default and election to sell shall in no way be impaired, whether or not such amounts are received prior or subsequent to such notice. No delay or omission of Trustee or Beneficiary in the exercise of any other right or power hereunder shall impair such right or power or any other right or power nor shall the same be construed to be a waiver of any default or any acquiescence therein.

Section 2.18. Suits to Protect Property. Trustor agrees to appear in and defend any action or proceeding purporting to affect the security of this Deed of Trust or any additional or other security for the obligations secured, the interest of Beneficiary of the rights, powers and duties of Trustee, and to pay all costs and expenses, including without limitation, cost of evidence of title and attorneys' fees, in any action or proceeding in which Beneficiary or Trustee may appear to be made a party, including, but not limited to, foreclosure or other proceeding commenced by those claiming a right to any part of the Property under subordinate liens, in any action to partition or condemn all or part of the Property, whether pursued to final judgment, and

in any exercise of the power of sale in this Deed of Trust, whether the sale is actually consummated.

TAXES AND INSURANCE; ADVANCES

Section 3.1. Taxes, Other Governmental Charges and Utility Charges.

(a) Trustor shall pay, prior to delinquency, all real property taxes and assessments, general and special, and all other charges of any kind, including without limitation non-governmental levies or assessments such as maintenance charges, levies or other charges resulting from covenants, conditions and restrictions affecting the Security, which are assessed or imposed upon the Security or upon Trustor as owner or operator of the Security, or become due and payable, and which create or may create a lien upon the Security, or any part thereof, or upon any personal property, equipment or other facility used in the operation or maintenance thereof (all the above collectively hereinafter referred to as "Impositions"); provided, however, that if, by law, any Imposition is payable, or may at the option of the taxpayer be paid, in installments, Trustor may pay the same in installments (together with any interest charged) as the same become due and before any fine, penalty or cost may be added thereto for the nonpayment of any such installment. Notwithstanding the foregoing, Trustor shall have the right to diligently contest, in good faith and by appropriate proceedings, the validity of any Imposition, so long as Trustor demonstrates to Beneficiary that Trustor is maintaining sufficient reserves for the payment of all contested liabilities and so long as the security and value of Beneficiary's interest under this Deed of Trust are not impaired as a result of such contest.

(b) If at any time after the date hereof there shall be assessed or imposed (1) a tax or assessment on the Security in lieu of or in addition to the Impositions payable by Trustor pursuant to this Section 3.1 hereof, or (2) a license fee, tax or assessment imposed on Beneficiary and measured by or based in whole or in part upon the amount of the outstanding Obligations secured hereby, then all such taxes, assessments or fees shall be deemed to be included within the term "Impositions" as defined in this Section and Trustor shall pay and discharge the same as herein provided with respect to the payment of Impositions. If Trustor fails to pay such Impositions prior to delinquency or if Trustor is prohibited by law from paying such Impositions, Beneficiary may at its option declare all Obligations secured hereby, together with all accrued interest thereon, immediately due and payable. Anything to the contrary herein notwithstanding, Trustor shall have no obligation to pay any franchise, estate, inheritance, income, excess profits or similar tax levied on Beneficiary or on the Obligations secured hereby.

(c) Trustor shall deliver to Beneficiary within thirty (30) days after the date upon which any such Imposition is due and payable by Trustor official receipts of the appropriate taxing authority, or other proof satisfactory to Beneficiary, evidencing the payment thereof. Trustor shall not suffer, permit or initiate the joint assessment of any real and personal property which may constitute all or a portion of the Security and the personal property or suffer, permit or initiate any other procedure whereby the lien of real property taxes and the lien of personal property taxes shall be assessed, levied or charged to the Security as a single Lien. Trustor shall

cause to be furnished to Beneficiary a tax reporting service, covering the Property, of a type and duration, and with a company, reasonably satisfactory to Beneficiary.

(d) In the event that Trustor shall fail to pay any of the foregoing items required by this Section to be paid by Trustor, Beneficiary may (but shall be under no obligation to) pay the same, after the Beneficiary has notified the Trustor of such failure to pay and the Trustor fails to fully pay such items within seven (7) business days after receipt of such notice. Any amount so advanced therefor by Beneficiary, together with interest thereon from the date of such advance at the greater of twelve percent (12%) per annum or the maximum rate permitted by law (hereinafter the "Agreed Rate"), shall become an additional Obligation of Trustor to the Beneficiary and shall be secured hereby, and Trustor agrees to pay all such amounts.

Section 3.2. Insurance.

(a) Trustor agrees to provide insurance conforming in all respects to that required under the Loan Agreement at all times until all amounts secured by this Deed of Trust have been paid and all other Obligations secured hereunder fulfilled, and this Deed of Trust reconveyed. All such insurance policies and coverages shall be maintained at Trustor's sole cost and expense.

(b) All said insurance shall have attached thereto a lender's loss payable endorsement for the benefit of Beneficiary in form satisfactory to the Beneficiary and/or shall name Beneficiary as an additional insured, as Beneficiary may require, and shall contain an endorsement or agreement by the insurer that any loss shall be payable in accordance with the terms of such policies notwithstanding any act or negligence of Trustor or any party holding under Trustor which might otherwise result in forfeiture of said insurance and the further agreement of the insurer waiving all rights of setoff, counterclaim and deduction against Trustor. At Beneficiary's option, Trustor shall furnish Beneficiary with an original of all required policies of insurance and/or a certificate of insurance with all required endorsements for each required policy setting forth the coverage, the limits of liability, the deductible, if any, the name of the carrier, the policy number, and the period of coverage, which certificates and endorsements shall be executed by authorized officials of the companies issuing such insurance, or any agents or attorneys-in-fact authorized to issue said certificates and endorsements (in which event each such certificate and endorsements shall be accompanied by a notarized affidavit, agency agreement or power of attorney evidencing the authority of the signatory to issue such certificate on behalf of the insurer named therein), accompanied by a certificate from Trustor that the insurance satisfies the requirements of the Loan Agreement, and that Beneficiary may conclusively rely on such certificates. If Beneficiary consents, Trustor may provide any of the required insurance through blanket policies carried by Trustor and covering more than one location; provided, however, all such policies shall be in form and substance and issued by companies satisfactory to Beneficiary.

(c) At least thirty (30) days prior to the expiration of each required policy, Trustor shall deliver to Beneficiary evidence satisfactory to Beneficiary of the payment of premium and the renewal or replacement of such policy continuing insurance in form as required by this Deed of Trust or the Loan Agreement. All such policies shall contain a provision that, notwithstanding any contrary agreement between Trustor and the insurance company, such policies will not be canceled, allowed to lapse without renewal, surrendered or materially amended (which term shall

include any reduction in the scope, or limits of coverage) without at least thirty (30) days prior written notice to Beneficiary.

(d) In the event of foreclosure of this Deed of Trust or other transfer of title or assignment of the Property in extinguishment, in whole or in part, of the debt secured hereby, all right, title and interest of Trustor in and to all policies of insurance required by Section 3.2 hereof and any unearned premiums paid thereon shall, without further act, be assigned to and shall inure to the benefit of and pass to the successor in interest to Trustor or the purchaser or grantee of the Property, and Trustor hereby appoints Beneficiary its lawful attorney-in-fact to execute an assignment thereof and any other document necessary to effect such transfer.

Section 3.3. Advances.

In the event the Trustor shall fail to maintain the full insurance coverage required by this Deed of Trust or shall fail to keep the Security in accordance with the Loan Agreement, the Beneficiary, after at least twenty (20) days prior written notice to Trustor, may (but shall be under no Obligation to) take out the required policies of insurance and pay the premiums on the same or may make such repairs or replacements as are necessary and provide for payment thereof; and all amounts so advanced therefor by the Beneficiary shall become an additional Obligation of the Trustor to the Beneficiary (together with interest as set forth below) and shall be secured hereby, which amounts the Trustor agrees to pay on the demand of the Beneficiary, and if not so paid, shall bear interest from the date of the advance at the Agreed Rate.

ARTICLE IV

DAMAGE, DESTRUCTION OR CONDEMNATION

Section 4.1. Casualties.

Trustor shall give prompt written notice to Beneficiary upon the occurrence of casualty to or in connection with the Security or any part thereof, whether or not covered by insurance. In the event of such casualty Trustor hereby absolutely and unconditionally assigns to Beneficiary all insurance proceeds which it may be entitled to receive and such proceeds shall be delivered to and held by Beneficiary to be applied to Beneficiary's expenses in settling, prosecuting or defending any insurance claim, and then to the restoration of any portion of the Security that has been damaged or destroyed to the same condition, character and value as existed prior to such damage or destruction so long as the following conditions are satisfied: (i) Trustor is not in default hereunder (other than any default resulting from such casualty), (ii) Beneficiary's security is not materially impaired, (iii) all income (from the Security or otherwise) required to pay all debt service and operating expenses of the Security during such restoration and thereafter will be equal to or greater than the income which was required to pay such debt service and operating expenses prior to the casualty, (iv) Trustor evidences to the satisfaction of Beneficiary that the insurance required to be maintained hereunder will be available to the Trustor during restoration and thereafter, (v) Beneficiary shall have approved the plans and specifications for such restoration, which approval shall not be unreasonably withheld or delayed, and (vi) in the event that in Beneficiary's sole judgment the insurance proceeds and any amounts deposited with a senior lender are not sufficient to accomplish restoration, Trustor deposits with the Beneficiary

or senior lender, as required by that senior lender pursuant to the terms of the senior Debt Instrument, within five days of demand by Beneficiary, the additional amounts necessary to accomplish restoration. Proceeds disbursed for restoration will be released to Trustor in accordance with Beneficiary's then current customary disbursement procedures. In the event any of the conditions set forth above are not satisfied or if the insurance proceeds shall not be applied to the restoration of the Security within thirty days after receipt of such proceeds by Beneficiary, Beneficiary may release such proceeds to Trustor without such release being deemed a payment of any indebtedness secured hereby, rather than apply such proceeds to the restoration of the Security. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. If the Security is restored at a cost less than the available insurance proceeds, then such excess proceeds shall, if Trustor is not then in default hereunder, be paid over to Trustor. Beneficiary may commence, appear in, defend or prosecute any assigned claim or action, and may adjust, compromise, settle and collect all claims, proceeds and awards assigned to Beneficiary, but shall not be responsible for any failure to collect any claim, proceeds or award, regardless of the cause of the failure.

Section 4.2. Condemnation.

Immediately upon its obtaining knowledge of the institution or the threatened institution of any proceeding for the condemnation or other taking for public or quasi-public use of the Security or any part thereof, or if the same be taken or damaged by reason of any public improvement or condemnation proceeding, or in any other manner, or should Trustor receive any notice or other information regarding such proceedings, action, taking or damage, Trustor shall promptly notify Trustee and Beneficiary of such fact. Trustor shall then, if requested by Beneficiary, file or defend its right thereunder and prosecute the same with due diligence to its final disposition and shall cause any award or settlement to be paid to Beneficiary in accordance with the provisions of the Loan Agreement. At Beneficiary's option, Beneficiary or Trustor may be the nominal party in such proceeding but in any event Beneficiary shall be entitled, without regard to the adequacy of its security, to participate in, appear in, prosecute and settle, jointly with Trustor to control the same and to be represented therein by counsel of its choice, and Trustor will deliver, or cause to be delivered, to Beneficiary such instruments as may be requested by it from time to time to permit such participation. Trustor and Beneficiary agree to act in good faith with respect to any consent, settlement, or award arising out of said prosecution. If the Security or any part thereof is taken or diminished in value, or if a consent settlement is entered, by or under threat of such proceedings, all compensation, awards, damages, rights of action proceeds and settlements payable to Trustor by virtue of its interest in the security shall be and hereby are assigned, transferred and set over into Beneficiary to be held by it, in trust, subject to the lien and security interest of this Deed of Trust. All such proceeds shall be first applied to reimburse Trustee and Beneficiary, for all costs and expenses, including reasonable attorneys' fees, incurred in connection with the collection of such award or settlement, and then to the restoration of any portion of the Security that has been taken to the similar condition, character and value as existed prior to such taking so long as the following conditions are satisfied: (i) Trustor is not in default hereunder, (ii) Beneficiary's security is not materially impaired, (iii) all income (from the Security or otherwise) required to pay all debt service and operating expenses of the Security during such restoration and thereafter will be equal to or greater than the income which was required to pay such debt service and operating expenses prior to the casualty, (iv) Trustor evidences to the satisfaction of Beneficiary that the insurance

required to be maintained hereunder will be available to the Trustor during restoration and thereafter, (v) Beneficiary shall have approved the plans and specifications for such restoration, and (vi) in the event that in Beneficiary's sole judgment the insurance proceeds and any amounts deposited with a senior lender are not sufficient to accomplish restoration, Trustor deposits with the Beneficiary or senior lender, as required by that senior lender pursuant to the terms of the senior Debt Instrument, within five days of demand by Beneficiary, the additional amounts necessary to accomplish restoration. Application or release of proceeds as provided herein shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

ARTICLE V

ENVIRONMENTAL COVENANTS OF TRUSTOR

Section 5.1. Disclosures By Trustor. Except as disclosed in writing to, and acknowledged and accepted in writing by Beneficiary, Trustor represents and warrants that:

(a) during the period of Trustor's ownership of the Property

(1) there has been no use, generation, manufacture, storage, treatment, disposal, discharge, Release, or threatened Release of any Hazardous Substance by any person on or around the Property except in such small quantities as are customary and usual in the ordinary course of constructing, using and operating a residential housing business on the Property and in strict compliance with all Hazardous Substances Laws, and

(2) there have been no Hazardous Substances transported over or through the Property;

(b) after diligent inquiry, Trustor has no knowledge of, or reason to believe that, there has been:

(1) any use, generation, manufacture, storage, treatment, disposal, Release, or threatened Release of any hazardous waste or substance by any prior owners or prior occupants of the Property or by any third parties onto the Property, or

(2) any actual or threatened litigation or claims of any kind by any person relating to these matters;

(f) the Property and all operations and activities at, and the use and occupancy of, the Property comply with all applicable Hazardous Substance Laws;

(g) Trustor is now in strict compliance with, every permit, license, and approval required by all applicable Hazardous Substance Laws for all activities and operations at, and the use and occupancy of, the Property;

(h) to the best of Trustor's knowledge, after diligent inquiry, there are no Hazardous Substance Claims pending or threatened with regard to Property or against Trustor;

(i) to its knowledge the Property has not been nor is it within 2,000 feet of any other property designated as "hazardous waste property" or "border zone property" pursuant to Health and Safety Code §§ 25220 et seq., and no proceedings for a determination of this designation are pending or threatened;

(j) to the best of its knowledge after diligent inquiry, there exists no occurrence or condition on any real property adjoining or within 2,000 feet of the Property that would cause the Property or any part of it to be designated as "hazardous waste property" or "border zone property" under the provisions of Health and Safety Code §§ 25220 et seq., and any regulation adopted in accordance with that section;

(k) that the use of the Property shall be residential housing;

(l) any written disclosure submitted by or on behalf of Trustor to Beneficiary concerning any Release or threatened Release, past or present compliance by Trustor or other person of any Hazardous Substance Laws applicable to the Property, the past and present use and occupancy of the Property, and any environmental concerns relating to the Property, was true and complete when submitted and continues to be true and complete as of the date of this Deed of Trust.

Section 5.2 Covenants of Trustor. Trustor agrees, except in the ordinary course of business and in strict compliance with all applicable Hazardous Substance Laws, as follows:

(a) not to cause or permit the property to be used as a site for the use, generation, manufacture, storage, treatment, Release, discharge, disposal, transportation, or presence of any Hazardous Substance;

(b) not to cause, contribute to, permit, or acquiesce in any Release or threatened Release;

(d) to comply with and to cause the Property and every invitee or occupant of the Property to comply with all Hazardous Substance Laws;

(e) to immediately notify Beneficiary in writing of and to provide Beneficiary with a reasonably detailed description of:

Laws;

- (1) any noncompliance of the Property with any Hazardous Substance
- (2) any Hazardous Substance Claim;
- (3) any Release or Threatened Release;
- (4) not engage in any of the activities enumerated in Cal. Health & Safety Code section 25227 on land that is subject to a recorded land use restriction pursuant to former Health & Safety Code Section 25229, 25230, or 25398.7, as those sections read on January 1, 2012, or pursuant to Sections 25202.5, 25221, or 25355.5 of the same, unless the person obtains a specific approval in writing as required pursuant to Section 25227.

(f) if Trustor discovers a Release or the presence of any Hazardous Substance on or about the Property in violation of any Hazardous Substance Law, to:

- (1) notify Beneficiary of that discovery together with a reasonably detailed description;

- (2) engage promptly after a request by Beneficiary, a qualified environmental engineer reasonably satisfactory to Beneficiary to investigate these matters and prepare and submit to Beneficiary a written report containing the findings and conclusions resulting from that investigation, all at the sole expense of Trustor, and

- (3) take, at Trustor's sole expense, all necessary actions to remedy, repair, clean up, or detoxify any Release or Hazardous Substance, including, but not limited to, any remedial action required by any Hazardous Substance Laws or any judgment, consent, decree, settlement, or compromise in respect of any Hazardous Substance Claims, these actions to be performed:

- A. in accordance with Hazardous Substance Laws,
- B. in a good and proper manner,
- C. under the supervision of a qualified environmental engineer approved in writing by Beneficiary,

- D. in accordance with plans and specifications for these actions approved in writing by Beneficiary, and

- E. using licensed and insured qualified contractors approved in writing by Beneficiary;

- (g) immediately furnish to Beneficiary copies of all written communications received by Trustor from any governmental authority or other person or given by Trustor to any person and any other information Beneficiary may reasonably request concerning any Release, threatened Release, Hazardous Substance Claim, or the discovery of any Hazardous Substance on or about the Property in violation of any Hazardous Substance Law; and

(h) keep Beneficiary generally informed regarding any Release, threatened Release, Hazardous Substance Claim, or the discovery of any Hazardous Substance on or about the Property in violation of any Hazardous Substance Law.

Section 5.3 Rights of Beneficiary. Upon Beneficiary's reasonable belief of the existence of a past or present Release or threatened Release not previously disclosed by Trustor in connection with the making of the Loan or the execution of this Deed of Trust or upon Beneficiary's reasonable belief that Trustor has failed to comply with any environmental provision of this Deed of Trust or any other Loan Document and upon reasonable prior notice (except in the case of an emergency) to Trustor, Beneficiary or its representatives, employees, and agents, may from time to time and at all reasonable times (or at any time in the case of an emergency) enter and inspect the Property and every part of it (including all samples of building materials, soil, and groundwater and all books, records, and files of Trustor relating to the Property) and perform those acts and things that Beneficiary deems necessary or desirable to inspect, investigate, assess, and protect the Security of this Deed of Trust, for the purpose of determining:

(a) the existence, location, nature, and magnitude of any past or present Release or threatened Release,

(b) the presence of any Hazardous Substances on or about the Property in violation of any Hazardous Substance Law, and

(c) the compliance by Trustor of every environmental provision of this Deed of Trust and every other Loan Document.

In furtherance of the purposes above, without limitation of any of its other rights, Beneficiary may:

(1) obtain a court order to enforce Beneficiary's right to enter and inspect the Property under Civil Code § 2929.5; and

(2) have a receiver appointed under Code of Civil Procedure § 564 to enforce Beneficiary's right to enter and inspect the Property for the purpose set forth above.

All costs and expenses incurred by Beneficiary with respect to the audits, tests, inspections, and examinations that Beneficiary or its agents, representatives, or employees may conduct, including the fees of the engineers, laboratories, contractors, consultants, and attorneys, will be paid by Trustor. All costs or expenses incurred by Trustee and Beneficiary pursuant to this Section (including without limitation court costs, consultant's fees, and attorney fees, whether incurred in litigation and whether before or after judgment) will bear interest at the Agreed Rate from the date they are incurred until those sums have been paid in full. Except as provided by law, any inspections or tests made by Beneficiary or its representatives, employees, and agents will be for Beneficiary's purposes only and will not be construed to create any responsibility or liability on the part of Beneficiary to Trustor or to any other person. Beneficiary will have the right, but not the obligation, to communicate with any governmental authority regarding any fact or reasonable belief of Beneficiary that constitutes or could

constitute a breach of any of Trustor's obligations under any environmental provision contained in this Deed of Trust or any Loan Document.

Section 5.4 Waiver and Indemnity. Trustor:

(a) releases and waives any future claims against Beneficiary for indemnity or contribution in the event Trustor becomes liable for cleanup or other costs under any Hazardous Substance Laws or under any Hazardous Substance Claim;

(b) agrees to reimburse Beneficiary, on demand, for all costs and expenses incurred by Beneficiary in connection with any review, approval, consent, or inspection relating to the environmental provisions in this Deed of Trust together with interest, after demand, at the Agreed Rate; and

(c) agrees to indemnify, defend, and hold Beneficiary and Trustee harmless from all losses, costs, claims, damages, penalties, liabilities, causes of action, judgments, court costs, attorney fees and other legal expenses, costs of evidence of title, cost of evidence of value, and other expenses (collectively, "**Expenses**"), including, but not limited to, any Expenses incurred or accruing after the foreclosure of the lien of this Deed of Trust, which either may suffer or incur and which directly or indirectly arises out of or is in any way connected with the breach of any environmental provision either in this Deed of Trust or in any Loan Document or as a consequence of any Release or threatened Release on the presence, use, generation, manufacture, storage, disposal, transportation, Release, or threatened Release of any Hazardous Substance on or about the Property, including the soils and groundwater, caused or permitted by Trustor, any prior owner or operator of the Property, any adjoining landowner or any other party, including, without limitation, the cost of any required or necessary repair, cleanup, remedy, or detoxification of any hazardous Substance and the preparation of any closure, remedial action, or other required plans, whether that action is required or necessary by reason of acts or omissions occurring prior to or following the recordation of this Deed of Trust. Trustor's obligations will survive the satisfaction, release, or cancellation of the indebtedness, the release and reconveyance or partial release and reconveyance of this Deed of Trust, and the foreclosure of the lien of this Deed of Trust or deed in lieu of the Deed of Trust.

Section 5.5 Additional Covenants of Trustor.

(a) Trustor and Beneficiary agree that:

(1) this Section is intended as Beneficiary's written request for information and Trustor's written response concerning the environmental condition of the Property as provided by Code of Civil Procedure § 726.5; and

(2) each representation, warranty, covenant, or indemnity made by Trustor in this Article or in any other provision of this Deed of Trust or any Loan Document that relates to the environmental condition of the Property is intended by Trustor and Beneficiary to be an "environmental provision" for purposes of Code of Civil Procedure § 736 and will survive the payment of the indebtedness and the termination or expiration of this Deed of Trust and will not be affected by Lender's acquisition of any interest in the Property, whether by full credit bid at foreclosure, deed in lieu of that, or otherwise. If there is any transfer of any portion of

Trustor's interest in the Property, any successor-in-interest to Trustor agrees by its succession to that interest that the written request made pursuant to this Article will be deemed remade to the successor-in-interest without any further or additional action on the part of Beneficiary and that by assuming the debt secured by this Deed of Trust or by accepting the interest of Trustor subject to the lien of this Deed of Trust, the successor remakes each of the representations and warranties in this Deed of Trust and agrees to be bound by each covenant in this Deed of Trust, including, but not limited to, any indemnity provision.

(b) Even though Trustor may have provided Beneficiary with an environmental site assessment or other environmental report together with other relevant information regarding the environmental condition of the Property, Trustor acknowledges and agrees that Beneficiary is not accepting the Property as security for the Loan based on that assessment, report, or information. Rather, Beneficiary has relied on the representations and warranties of Trustor in this Deed of Trust, and Beneficiary is not waiving any of its rights and remedies in the environmental provisions of this Deed of Trust or any other Loan Document.

(c) Beneficiary or its agents, representatives, and employees may seek a judgment that Trustor has breached its covenants, representations, or warranties in Article II of this Deed of Trust or any other covenants, representations, or warranties that are deemed to be "environmental provisions" pursuant to Code of Civil Procedure § 736 (each an "**Environmental Provision**"), by commencing and maintaining an action or actions in any court of competent jurisdiction pursuant to Code of Civil Procedure § 736, whether commenced prior to or after foreclosure of the lien of this Deed of Trust. Beneficiary or its agents, representatives, and employees may also seek an injunction to cause Trustor to abate any action in violation of any Environmental Provision and may seek the recovery of all costs, damages, expenses, fees, penalties, fines, judgments, indemnification payments to third parties, and other out-of-pocket costs or expenses actually incurred by Beneficiary (collectively, "**Environmental Costs**") incurred or advanced by Beneficiary relating to the cleanup, remedy, or other response action required by any Hazardous Substances Law or any Hazardous Substance Claim, or which Beneficiary believes necessary to protect the Property. It will be conclusively presumed between Beneficiary and Trustor that all Environmental Costs incurred or advanced by Beneficiary relating to the cleanup, remedy, or other response action of or to the Property were made by Beneficiary in good faith. All Environmental Costs incurred by Beneficiary under this Section (including without limitation court costs, consultant fees, and attorney fees, whether incurred in litigation and whether before or after judgment) will bear interest at the Agreed Rate from the date of expenditure until those sums have been paid in full. Beneficiary will be entitled to bid, at any trustee's or foreclosure sale of the Property, the amount of the costs, expenses, and interest in addition to the amount of other indebtedness.

(d) Beneficiary or its agents, representatives, and employees may waive its lien against the Property or any portion of it, including but not limited to the Improvements, to the extent that the Property or any portion of the Security is found to be environmentally impaired in accordance with Code of Civil Procedure § 726.5, and to exercise all rights and remedies of an unsecured creditor against Trustor and all of Trustor's assets and property for the recovery of any deficiency and Environmental Costs, including, but not limited to, seeking an attachment order under Code of Civil Procedure § 483.010. As between Beneficiary and Trustor, for purposes of Code of Civil Procedure § 726.5, Trustor will have the burden of

proving that Trustor or any related party (or any affiliate or agent of Trustor or any related party) was not in any way negligent in permitting the Release or threatened Release of the Hazardous Substances.

ARTICLE VI

ASSIGNMENTS OF RENTS, ISSUES AND PROFITS

Section 6.1. Assignment.

Trustor hereby absolutely, irrevocably and unconditionally assigns to Beneficiary, as security for the Obligations, all rents, profits, deposits, royalties, income and other issues and similar benefits derived from the Security (collectively, the “**Rents**”), and hereby confers upon Beneficiary the right, power and authority to collect such Rents. Trustor irrevocably appoints Beneficiary its true and lawful attorney-in-fact, at the option of Beneficiary, at any time and from time to time, to demand, receive and enforce payment, to give receipts, releases and satisfactions, and to sue, in its name or in the name of Trustor, for all Rents, and apply the same to the Obligations secured hereby; provided, however, that Trustor shall have the right, as between Trustor and Beneficiary, to collect the Rents but not more than one (1) month in advance of the date due unless the written approval of Beneficiary has first been obtained, with the exception of security deposits and “first and last months’ rent” collected from tenants in connection with Trustor’s ordinary leasing of residential apartments within the Property), and to retain and enjoy the same, so long as an Event of Default shall not have occurred hereunder and be continuing.

Section 6.2. Collection Upon Default.

While any Event of Default remains uncured, Beneficiary may, at any time without notice, either in person, by agent or by a receiver appointed by a court, and without regard to the adequacy of any security for the Obligations hereby secured, enter upon and take possession of the Security, or any part thereof, and, with or without taking possession of the Security or any part thereof, in its own name sue for or otherwise collect such Rents (including those past due and unpaid, and all prepaid Rents and all other monies which may have been or may hereafter be deposited with Trustor by any tenant to secure the payment of any Rent or for any services thereafter to be rendered by Trustor for any other obligation of any tenant to Trustor arising under any lease, and Trustor agrees that, upon the occurrence of any Event or Default hereunder, Trustor shall promptly deliver all Rents and other moneys to Beneficiary), and Beneficiary may apply the same, less costs and expenses of operation and collection, including, without limitation, attorneys fees, whether or not suit is brought or prosecuted to judgment, against any indebtedness or Obligation of Trustor secured hereby, and in such order as Beneficiary may determine notwithstanding that said indebtedness or the performance of said Obligation may not then be due. The collection of Rents, or the entering upon and taking possession of the Security, or the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done in response to such default or pursuant to such notice of default or be deemed or construed to make Beneficiary a mortgagee-in-possession of the Security or any portion thereof.

Section 6.3. Further Assignments.

Upon demand of Beneficiary, Trustor shall, from time to time hereafter, execute, and deliver to Beneficiary recordable assignments of Trustor's interest in any or all leases, subleases, contracts, rights, licenses and permits now or hereafter affecting the Security or any portion thereof. Such assignments shall be made by instruments in form and substance satisfactory to Beneficiary; provided, however, that no such assignment shall be construed as imposing upon Beneficiary any obligation with respect thereto. Beneficiary may, at its option, exercise its rights hereunder or under any such specific assignment and such exercise shall not constitute a waiver of any right hereunder or under any such specific assignment.

ARTICLE VII

DEFAULTS

Section 7.1. Events of Default.

Each of the following shall constitute Events of Default: (1) the occurrence of an "Event of Default" as defined in the Loan Agreement or as defined in any Debt Instrument; or (2) the failure to make any payment or perform any of Trustor's other Obligations now or hereafter secured by this Deed of Trust (subject to any applicable cure period).

Section 7.2. Acceleration of Maturity.

If an Event of Default shall have occurred and be continuing, then at the option of the Beneficiary, the amount of any payment related to the Event of Default, the unpaid Principal of the Note and any other indebtedness and other Obligations secured hereby shall immediately become due and payable without presentment, protest notice or demand, all of which are hereby expressly waived, upon written notice by the Beneficiary to the Trustor and no omission on the part of the Beneficiary to exercise such option when entitled to do so shall be construed as a waiver of such right.

Section 7.3. The Beneficiary's Right to Enter and Take Possession.

If an Event of Default shall have occurred and be continuing, the Beneficiary may:

(a) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, and without regard to the adequacy of its security, enter upon the Security and take possession thereof (or any part thereof) and of any of the Security, in its own name or in the name of Trustee, and do any acts which it deems necessary or desirable to preserve the value or marketability of the Security, or part thereof or interest therein, increase the income therefrom or protect the security thereof and, with or without taking possession of the Security, sue for or otherwise collect the Rents, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection including without limitation attorneys fees, against any indebtedness secured hereby, all in such order as Beneficiary may determine. The entering upon and taking possession of the Security the collection of such Rents and the application thereof as aforesaid shall not cure or waive any Event of Default or notice of default hereunder or invalidate any act done in response to such Event of Default or pursuant to such notice of default, and, notwithstanding the continuance in possession of the Security, Beneficiary shall be entitled to exercise every right provided for in

this Deed of Trust, or by law upon occurrence of any Event of Default, including the right to exercise the power of sale;

(b) Commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver, or specifically enforce any of the covenants hereof;

(c) Deliver to Trustee a written declaration of default and demand for sale, and a written notice of default and election to cause Trustor's interest in the Security to be sold, which notice Trustee or Beneficiary shall cause to be duly filed for record in the Official Records of Orange County; or

(d) Exercise all other rights and remedies provided herein, in the instruments by which the Trustor acquires title to any Security, or in any other document or agreement now or hereafter evidencing, creating or securing all or any portion of the Obligations secured hereby, or provided by law.

Section 7.4. Foreclosure by Power of Sale.

Should the Beneficiary elect to foreclose by exercise of the power of sale herein contained, the Beneficiary shall notify Trustee and shall deposit with Trustee this Deed of Trust, the Loan Agreement and the Note which is secured hereby (and the deposit of which shall be deemed to constitute evidence that the unpaid Principal amount of the Note is immediately due and payable), and such receipts and evidence of any expenditures made that are additionally secured hereby as Trustee may require.

(a) Upon receipt of such notice from the Beneficiary ("**Notice of Default**"), Trustee shall cause to be recorded, published and delivered to Trustor such Notice of Default and election to sell as then required by law and by this Deed of Trust. Trustee shall, without demand on Trustor, after lapse of such time as may then be required by law and after recordation of such Notice of Default and after notice of sale having been given as required by law ("**Notice of Sale**"), sell the Security, at the time and place of sale fixed by it in said Notice of Sale, whether as a whole or in separate lots or parcels or items as Trustee shall deem expedient and in such order as it may determine unless specified otherwise to the Trustor according to California Civil Code Section 2924g(b), at public auction to the highest bidder, for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed or any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee or Beneficiary, may purchase at such sale.

(b) After deducting all reasonable costs, fees and expenses of Trustee, including costs of evidence of title in connection with such sale, Trustee shall apply the proceeds of sale to payment of: (1) the unpaid Principal amount of the Note; (2) all other sums then secured hereby; and (3) the remainder, if any, to Trustor.

(c) Trustee may postpone sale of all or any portion of the Security by public announcement at such time and place of sale, and from time to time thereafter, and without

further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new notice of sale.

Section 7.5. Receiver

If an Event of Default shall have occurred and be continuing, Beneficiary, as a matter of right and without further notice to Trustor or anyone claiming under the Security, and without regard to the then value of the Security or the interest of Trustor therein, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers of the Security (or a part thereof), and Trustor hereby irrevocably consents to such appointment and waives further notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases, and all the powers and duties of Beneficiary in case of entry as provided herein, and shall continue as such and exercise all such powers until the date of confirmation of sale of the Security, unless such receivership is sooner terminated.

Section 7.6. Application of Funds After Default.

Except as otherwise herein provided, upon the occurrence of an Event of Default hereunder, Beneficiary may, at any time without notice, apply any or all sums or amounts received and held by Beneficiary to pay insurance premiums, Impositions, or either of them, or as Rents or income of the Security, or as insurance or condemnation proceeds, and all other sums or amounts received by Beneficiary from or on account of Trustor or the Security, or otherwise, against any indebtedness or Obligation of the Trustor secured hereby, in such manner and order as Beneficiary may elect. The receipt, use or application of any such sum or amount shall not be construed to affect the maturity of any indebtedness secured by this Deed of Trust, or any of the rights or powers of Beneficiary under the terms of the Loan Agreement, this Deed of Trust or the Note, or any of the Obligations of Trustor or any guarantor under any other instruments or documents now or hereafter delivered in connection with the Loan Agreement or to cure or waive any default or notice of default under the Loan Agreement or any such instruments or documents; or to invalidate any act of Trustee or Beneficiary.

Section 7.7. Costs of Enforcement.

If any Event of Default occurs, Beneficiary and Trustee, and each of them, may employ an attorney or attorneys to protect their rights hereunder. Trustor promises to pay to Beneficiary, on demand, the fees and expenses of such attorneys and all other costs of enforcing the Obligations secured hereby, including, without limitation, recording fees, the expense of a trustee, sale guarantee, Trustee's fees and expenses, receivers fees and expenses, and all other expenses, of whatever kind or nature, incurred by Beneficiary and Trustee, and each of them, in connection with the enforcement of the Obligations secured hereby, whether or not such enforcement includes the filing of a lawsuit. Until paid, such sums shall be secured hereby and shall bear interest at the Agreed Rate.

Section 7.8. Remedies Cumulative.

No right, power or remedy conferred upon or reserved to the Beneficiary by this Deed of Trust is intended to be exclusive of any other right, power or remedy, but each and every such

right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law or in equity.

Section 7.9. No Waiver.

(a) No delay or omission of the Beneficiary to exercise any right, power or remedy accruing upon any Event of Default shall exhaust or impair any such right, power or remedy, or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power and remedy given by this Deed of Trust to the Beneficiary may be exercised from time to time and as often as may be deemed expeditious by the Beneficiary. No consent or waiver, expressed or implied, by the Beneficiary to or any breach by the Trustor in the performance of the Obligations hereunder shall be deemed or construed to be a consent to or waiver of Obligations of the Trustor hereunder. Failure on the part of the Beneficiary to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by the Beneficiary of its right hereunder or impair any rights, power or remedies consequent on any Event of Default by the Trustor.

(b) If the Beneficiary (1) grants forbearance or an extension of time for the payment of any sums secured hereby, (2) takes other or additional security or the payment of any sums secured hereby, (3) waives or does not exercise any right granted in the Loan Agreement, (4) releases any part of the Security from the lien of this Deed of Trust, or otherwise changes any of the terms, covenants, conditions or agreements in the Loan Agreement, (5) consents to the granting of any easement or other right affecting the Security, or (6) makes or consents to any agreement subordinating the lien hereof, any such act or omission shall not release, discharge, modify, change or affect the original liability under this Deed of Trust, or any other obligation of the Trustor or any subsequent purchaser of the Security or any part thereof, or any maker, co-signer, endorser, surety or guarantor (unless expressly released); nor shall any such act or omission preclude the Beneficiary from exercising any right, power or privilege herein granted or intended to be granted in any Event of Default then made or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by the Beneficiary shall the lien of this Deed of Trust be altered thereby.

Section 7.10. Suits to Protect the Security.

The Beneficiary shall have power to: (1) institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Security and the rights of the Beneficiary as may be unlawful or any violation of this Deed of Trust, (2) preserve or protect its interest (as described in this Deed of Trust) in the Security, and (3) restrain the enforcement of or compliance with any legislation or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement for compliance with such enactment, rule or order would impair the Security thereunder or be prejudicial to the interest of the Beneficiary.

Section 7.11. Trustee May File Proofs of Claim.

In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other proceedings affecting the Trustor, its creditors or its property,

the Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of the Beneficiary allowed in such proceedings and for any additional amount which may become due and payable by the Trustor hereunder after such date.

3. **License.** This Assignment shall constitute a present and absolute assignment to the Trust. However, Borrower shall have the right under a license (the "**License**") granted hereby to collect and use at the time of, but not prior to, the date provided for payment, all of the Rent and to retain and use the same in accordance with the terms and provisions of the Note, Deed of Trust, and other Loan Documents; provided, that such license shall be revoked automatically upon the occurrence of a Default as defined below. The Trust shall not revoke the License prior to an Event of Default.

(b) each Lease, when executed and delivered, will be valid and enforceable in accordance with its terms, will constitute the entire agreement between the lessee named therein and Borrower, and there will be no amendments, written or oral, to such agreements except in the ordinary course of business, without the Trust's prior written consent; and

Borrower agrees that such tenant shall have the right to rely upon any such statement and request by the Trust that such tenant shall pay such rents, royalties, issues and profits to the Trust without any obligation or right to inquire as to whether such Default or Event of Default actually exists notwithstanding any notice from or claim of Borrower to the contrary and that Borrower shall have no right or claim against such tenant for any such rents, royalties, issues and profits so paid by such tenant to the Trust. Upon the curing of all Defaults and Events of Default, the Trust shall give written notice thereof to such tenant and thereafter, until the possible receipt of any further similar written request of the Trust, such tenant shall pay the rents, royalties, issues and profits to Borrower.

Trust's defense of any claims or demands arising under any Lease or by reason of this Assignment; or (c) actions taken by the Trust which it deems necessary to conserve the value of the Property.

11. **Effect of Assignment.** This Assignment shall not cause the Trust to be: (a) a mortgagee in possession; (b) responsible or liable for the control, care, management or repair of the Property or for performing any of the terms, agreements, undertakings, obligations, representations, warranties, covenants and conditions of the Leases; or (c) responsible or liable for any waste committed on the Property by the lessees or any other parties, any dangerous or defective condition of the Property, any environmental condition or occurrence on or affecting the Property, or any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any lessee, licensee, employee, invitee or other person. the Trust shall not directly or indirectly be liable to Borrower or any other person as a consequence of: (i) the exercise of the rights, remedies or powers granted to the Trust in this Assignment; (ii) the failure or refusal of the Trust to perform or discharge any obligation, duty or liability of Borrower arising under the Leases or this Assignment; or (iii) any loss sustained by Borrower or any third party resulting from the Trust's failure to lease the Property after the occurrence of a Default or Event of Default or from any other act or omission of the Trust in managing the Property after the occurrence of a Default or Event of Default unless such loss is caused by the gross negligence, willful misconduct or bad faith of the Trust, and no such liability shall be asserted against or imposed upon the Trust, all such liability being expressly waived and released by Borrower.

12. **Foreclosure.** Upon issuance of any deed pursuant to any judicial or nonjudicial foreclosure of the Deed of Trust or any deed in lieu of foreclosure, all right, title and interest of Borrower in and to the Leases and the rents shall, by virtue of this Assignment, vest in and become the absolute Property of the grantee or grantees of any such deed without any further act or assignment by Borrower. Borrower hereby irrevocably appoints the Trust, and its successors and assigns, as its attorney-in-fact, to: (i) execute all instruments of assignment or further assurance in favor of any such grantee of any deed, as may be necessary or desirable for such purpose; and (ii) after a Default under this Assignment, take any other action permitted under Paragraph 7 hereof; provided, however, that the Trust as such attorney-in-fact shall only be accountable for such funds as are actually received by the Trust. Nothing contained in this Assignment shall prevent the Trust at the Trust's sole discretion from terminating any subordinate Lease through such foreclosure.

13. **Release.** The Trust may take or release security for the performance of the obligations referred to in Paragraph 2 and the Trust may release any party primarily or secondarily liable for the performance of any such obligations, all without prejudice to any of the Trust's rights under this Assignment.

14. **Definitions.** The terms "lessor" and "lessors" as used in this Assignment shall include all owners, landlords, licensors and other parties in a similar position with respect to the Leases. The terms "lessee" and "lessees" shall include any tenants, licensees, occupants and any other parties in a similar position and shall also include any guarantors of or other obligors under the Leases. 15. **Integration.** This Assignment and the other Loan Documents contain the entire agreement of the parties and supersede any and all prior negotiations. In the event of any conflict between the terms of this Assignment and the terms of the Deed of Trust, the Deed of Trust shall control.

16. **Waiver.** No delay or omission to exercise any power or remedy accruing to the Trust upon any breach or Default of Borrower under this Assignment shall impair any such right, power or remedy of the Trust, nor shall such delay or omission be construed as a waiver of any such breach or Default or an acquiescence therein or in any similar breach or Default thereafter occurring; nor shall any waiver of any single breach or Default be deemed a waiver of any other previous or subsequent breach or Default. Any waiver, permit, consent or approval of any kind or character on the part of the Trust of any provision or condition of this Assignment must be in writing and shall be effective only to the extent specifically set forth in the writing. All remedies, either under this Assignment, by law or otherwise, afforded to the Trust, shall be cumulative and not alternative.

17. **Term.** This Assignment shall become effective as of the date of its recordation in the Official Records of Orange County and shall remain in effect until it is terminated in writing by the Trust or the Loan is repaid in full, whichever occurs first.

18. **Successors and Assigns.** This Assignment is binding on Borrower, its heirs, successors and assigns and shall inure to the benefit of the Trust, its successors and assigns. Notwithstanding the foregoing, this Assignment is subject to restrictions on assignment by Borrower as set forth in the Loan Documents.

19. **Prevailing Law.** This Assignment shall be governed by and construed in accordance with the laws of the State of California, without regard to the choice of law rules of that state. In the event of any legal action to enforce or interpret this Assignment, the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California, and the parties hereto agree to and do hereby submit to the jurisdiction of such court, notwithstanding Code of Civil Procedure Section 394.

20. **Waiver of Jury Trial.** Each party acknowledges that it is aware of and has had the advice of counsel of its choice with respect to its rights to trial by jury, and each party, for itself and its successors and assigns, does hereby expressly and knowingly waive and release all such rights to trial by jury in any action, proceeding or counterclaim brought by any party hereto against the other (and/or against its officers, directors, employees, agents, or subsidiary or affiliated entities) on or with regard to any matters whatsoever arising out of or in any way connected with this Assignment and/or any claim of injury or damage to the fullest extent permitted by applicable law.

Capitalized terms used but not defined herein shall have the meaning as set forth in the Loan Agreement.

2. Interest and Repayment.

(a) Borrower promises to pay simple interest recalculated annually based upon the outstanding principal amount at the rate of three percent (3%) per annum. Such simple interest shall begin to accrue the date escrow closes on Loan Agreement.

This Paragraph 2(c) shall have no further

force or effect immediately (x) upon an occurrence of any failure by Borrower to make timely payments hereunder, (y) a breach of any term, covenant or condition hereunder or (z) an Event of Default under any Loan Document which continues to remain uncured after the expiration of any cure period. In the event the Loan is timely reinstated in full as permitted under California law prior to foreclosure with all outstanding monies, costs, and expenses owed to the Trust paid in full, then in such event the Residual Receipts sharing agreement stated hereinabove in this Paragraph 2 (c) shall also be reinstated.

(d) In the event that the Trust is dissolved prior to the repayment of the Loan in full, repayment of the LHTF Program Funds, as defined in the Loan Agreement, shall be made to the California Department of Housing and Community Development in accordance with the Loan Agreement.

Notwithstanding the foregoing, in no event shall Annual Operating Expenses include any costs, fees, fines, charges, penalties, awards, judgments or expenses (including, but not limited to legal and accounting fees and expenses) which are due to or arising out of the Borrower’s (A) breach or default of this Loan, any Loan Document or any Mortgage Loan Document (B) fraudulent acts or willful misconduct or (C) breach or default under any other contract, lease or agreement pertaining to the Project. Annual Operating Expenses shall also not include other expenses not related to the Project’s operations such as depreciation, amortization, accrued principal and interest expense on deferred payment debt and capital improvement expenditures.

3. Payments.

(a) All amounts due and payable under the Note are payable at the address provided to the Borrower by the Trust, or at such other place or places as the Trust may designate to the Borrower in writing from time to time. Any payment under this Note shall be paid in advance, on the first day of the month in currency of the United States of America, which at the time of payment is lawful for the payment of public and private debts and which on the respective dates on which such payments are due shall be in immediately available funds.

(b) All payments and prepayments received by the Trust pursuant to the terms hereof shall be applied in the following manner: first, to the payment of all expenses, charges, costs and fees incurred by or payable to the Trust by Borrower pursuant to the terms of the Loan Documents; second to the payment of all interest accrued to the date of such payment; and third, to the payment of the outstanding principal until paid in full. Notwithstanding anything to the contrary contained herein, after the occurrence and during the continuation of an Event of Default (as such term is defined in the Loan Agreement), all amounts received by the Trust from any party shall be applied in such order as the Trust, in its sole discretion, may elect.

4. Prepayments. Borrower may prepay all or part of the principal balance and accrued interest due under this Note without penalty.

5. Term. The term shall be 55 years or more to match the term of the Regulatory Agreement on rental properties

6. Security. This Note is secured by, among other things, a Deed of Trust covering real and personal property including, but not limited to, the Property and the Project (as such terms are defined in the Loan Agreement).

7. Waivers.

(a) Borrower expressly agrees that this Note or any payment hereunder may be extended from time to time at the Trust's sole discretion and that the Trust may accept security in consideration for any such extension or release any security for this Note at its sole discretion all without in any way affecting the liability of Borrower.

(b) No extension of time for payment of this Note or any installment hereof made by agreement by the Trust with any person now or hereafter liable for payment of this Note shall operate to release, discharge, modify, change, or affect the original liability of Borrower under this Note, either in whole or in part.

(c) The obligations of Borrower under this Note shall be absolute and Borrower waives any and all rights:

(1) to offset, deduct, or withhold any payments or charges due under this Note for any reasons whatsoever;

(2) of presentment for payment, demand, protest and notices of dishonor and protest; and

9. Joint and Several Obligations. This Note is the joint and several obligation of all makers, sureties, guarantors, and endorsers, and shall be binding upon them and their successors and assigns.

10. Acceleration. If any of the payments required by the terms hereof shall not be paid when the same becomes due, or if the payment due on the maturity date of this Note is not paid when due, whether by acceleration or otherwise, or if an Event of Default (as defined in the Loan Agreement) occurs under the Loan Agreement or other default under any other Loan Document occurs, then, or at any time thereafter, the whole of the unpaid principal and interest owing on this Note shall, at the option of the Trust and without notice, become immediately due and payable. This option may be exercised at any time after any such event and the acceptance of one or more installments or other payments from any person thereafter shall not constitute a waiver of the Trust's option. The Trust's failure to exercise said option in connection with any particular event or series of events shall not be construed as a waiver of the provisions hereof as regards that event or any subsequent event. The Loan Agreement and other Loan Documents may also contain provisions, which provide for the automatic acceleration of amounts owing under this Note upon the occurrence of certain specified events. The Trust shall have, and be entitled to exercise, upon the occurrence of any Event of Default or other event described above, all rights and remedies available to the Trust under the Loan Agreement, this Note, the other Loan Documents or at law or in equity. All such rights and remedies shall be cumulative.

The Borrower shall not make any sale, assignment or conveyance, or transfer in any other form, nor any further pledge, encumbrance, or mortgaging of the Property and/or the Project or any part thereof or of any of its interest therein, other than in accordance with the terms of this Note, the Loan Agreement, the Regulatory Agreement, the Deed of Trust and the other Loan Documents.

12. Default Interest; Default Under Other Loan Documents. All covenants, conditions, and agreements contained in this Note, the Loan Agreement, the Regulatory Agreement, the Deed of Trust and the other Loan Documents are hereby made a part of this Note, and the Borrower agrees that the unpaid balance of the then principal amount of this Note, together with all accrued interest thereon and charges owing, shall, at the option of the Trust hereof, become immediately due and payable, and thereafter until paid bear interest at the rate of

twelve percent (12%) per annum (which rate shall in no event exceed the highest interest rate then permitted at law and if it does, it will be reduced to said lower amount) (the "Default Rate"), compounded annually upon the failure of the Borrower to make any payment hereunder as and when due (after expiration of any cure period); upon the failure of the Borrower to perform or observe any other term or provision of this Note; or upon the occurrence of any event (whether termed default, event of default, or similar term) which (after the expiration of any cure period) under the terms of this Note, the Loan Agreement, the Regulatory Agreement, the Deed of Trust or other Loan Document shall entitle the Trust to exercise rights or remedies thereunder.

13. Definitions. Capitalized terms not defined in this Note shall have the same meanings as defined in the Loan Agreement, the terms of which are incorporated into this Note by this reference.

14. Governing Law. This Note shall be construed in accordance with and be governed by the laws of the State of California.

15. Severability. If any provision of this Note shall be judicially determined to be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions hereof shall not in any way be affected or impaired thereby.

16. Captions. The captions and headings in this Note are merely for convenience and substantively are not part of this Note.

17. JURY TRIAL WAIVER; VENUE. UNLESS PROHIBITED BY FEDERAL, STATE OR LOCAL LAWS, IN ANY JUDICIAL ACTION OR PROCEEDING ARISING FROM OR RELATING TO THE LOAN OR THE LOAN DOCUMENTS, INCLUDING ANY ACTION OR PROCEEDING INVOLVING A CLAIM BASED ON OR ARISING FROM AN ALLEGED TORT, BORROWER HEREBY WAIVES ANY RIGHT IT OR THEY MAY HAVE TO REQUEST OR DEMAND A TRIAL BY JURY. VENUE FOR ANY ACTION RELATED TO THE LOAN OR LOAN DOCUMENTS SHALL BE IN AN APPROPRIATE COURT IN ORANGE COUNTY, CALIFORNIA SELECTED BY COUNTY TO WHICH BORROWER HEREBY CONSENTS.

18. Joint and Several Liability. If Borrower consists of more than one person or entity, each shall be jointly and severally liable for the performance of Borrower's obligations under this Note.

19. Notices. All notices to be given pursuant to this Note shall be given as provided in the Loan Agreement.

20. Calculation of Interest. Interest hereunder shall be calculated on the basis of a three hundred sixty (360) day year consisting of twelve (12) months of thirty (30) days each, except that interest due and payable for a period less than a full month shall be calculated by dividing (a) the product of (i) the actual number of days elapsed in such period, (ii) the outstanding principal balance hereunder during that period and (iii) the Note interest rate in effect hereunder during that period by (b) 360.

21. Number and Gender. In this Note the singular shall include the plural and the masculine gender shall include the feminine and neuter genders, and vice versa, if the context so requires.

22. Time. Time is of the essence in this Note.

23. No Waiver by the Trust. No waiver of any breach, default, or failure of condition under the terms of this Note, the Loan Agreement, the Regulatory Agreement, the Deed of Trust or any other Loan Document or the obligations secured thereby shall be implied from any failure of the Trust to take, or any delay by the Trust in taking, action with respect to such breach, default or failure, or any form of previous waiver of any similar or unrelated breach, default or failure; and waiver of any term of this Note, the Loan Agreement, the Regulatory Agreement, the Deed of Trust or any other Loan Document or any of the obligations secured thereby must be made in writing and shall be limited to the express written terms of such waiver.

24. Amendments and Modifications. This Note may not be changed orally, but only by an amendment in writing signed by Borrower and the Trust. The parties agree and acknowledge that the Trust must obtain the approval of any amendments or modifications to this Note from the California Department of Housing and Community Development prior to signing any such amendments.

25. Non-Recourse. The Trust will neither seek nor obtain judgment against the Borrower for payment of principal or interest under the Note or for other obligations under the Loan Documents following a judicial foreclosure (or to the extent permitted by law, a nonjudicial foreclosure of the Deed of Trust), and the Trust's sole recourse against the Borrower for any default in the payment of principal or interest is limited to the Property and the Project and any other collateral of the Loan; provided, however, nothing in this Paragraph 24 will be deemed to limit or prejudice the rights of the Trust to:

(a) foreclose the Deed of Trust or enforce any of its other rights or remedies under the Loan Documents; or

(b) name the Borrower or the general partners of Borrower as a party defendant in any action, proceeding or arbitration, subject to the limitations of this Section; or

(c) assert any unpaid amounts on the Loan as a defense or offset to or against any claim or cause of action arising out of or pertaining to the Project made or alleged against the Trust by the Borrower or any of its general partners; or

(d) exercise self-help remedies such as set off or nonjudicial foreclosure against or sale of any real or personal property collateral or security; or

(e) proceed against any entity or person, including Borrower and the general partners of Borrower with respect to the enforcement of any leases, bonds, policies of insurance, or other agreements (other than the Loan Documents); or

(f) recover damages against Borrower or the general partners of Borrower for fraud, breach of warranty, failure to maintain insurance, waste, or material misrepresentation; or

(g) recover any condemnation proceeds or insurance proceeds or other similar funds or payments attributable to the Property and/or the Project that under the terms of the Loan Documents should have been paid to Lender; or

(h) recover any tenant security deposits, prepaid rents, or other similar sums paid to or held by Borrower or any other entity or person in connection with the Property and the Project; or

(i) recover the value of any personalty or fixtures removed by Borrower from the Project after the occurrence of an Event of Default

(j) recover the rents and profits of the Property and the Project accruing from and after the occurrence of an Event of Default that have not been applied to pay any portion of the Loan, operating, and maintenance expenses of the Property and/or the Project, insurance, premiums, impositions, deposits into a reserve for replacement, or other sums required by the Loan Documents; or

(k) recover any amounts owing to the Trust under indemnity provisions (including indemnity provisions pertaining to Hazardous Materials as such term is defined in the Loan Agreement) in the Loan Documents; or

(l) recover funds to reimburse the Trust for sums expended by the Trust for the protection or preservation of the Property, the Project or the Trust's interest therein (including, without limitation, payment of any real property taxes, assessments or other charges which would create liens on any portion of the Property or Project

The limitation of liability set forth in this Section 24 shall be deemed void and have no force or effect if Borrower or any general partner of Borrower attempts to materially delay any foreclosure of or on the Deed of Trust or any other collateral for the Loan, or if the Borrower or any of its general partners claim that this Agreement or any related documents are invalid or unenforceable to an extent that would preclude foreclosure. Notwithstanding anything to the contrary set forth in the immediately preceding sentence, in the event Borrower contests any foreclosure proceeding in good faith and Borrower prevails in such action, or in the event Borrower and the Trust agree to a settlement of any such action which gave rise to the foreclosure proceeding, the Loan shall remain nonrecourse. Any liability of Borrower or any of the general partners of Borrower for any obligations arising in connection with the matters set forth in clauses (a) through (l) inclusive will be personal liability, and may be asserted against and recovered from its or their interest in the Property and/or Project as well as against any of its and their other assets. Nothing contained in this Section impairs the validity of this Note or any related documents or any lien or security interest created or perfected by it.

- All units shall be furnished with standard furnishings applicable to the unit type.

In addition, the following recommended amenities or features are encouraged to better meet the needs of the target population:

- Clients prefer to reside one-bedroom apartments.
- There should be planned smoking areas for projects that have non-smoking units.
- Units are encouraged to be at least 450 square feet, with the consideration for tenant space needs such as service animals, space to store a bike within the unit, and accessibility needs for aging clients/tenants.

¹ At minimum, public transit that comes with reasonable frequency must be accessible within 0.5 mile. It is preferred that, where possible, other services be walkable within 0.5 mile (e.g. not including physical barriers that prevent access by foot or public transit).

The Reserve should provide 2 to 3 years rental income for the MSHA-assisted units (assuming rents that include utilities at 30% of SSI/SSP). This Reserve is held by Borrower as a revolving fund and is intended to be replenished over time from tenant rent back payments once the tenants qualify for SSI/SSP.

Developer/Borrower is required to continually seek future commitments of rental or operating subsidies for the MHSA Regulated Units (e.g., project-based Section 8 vouchers) for the life of the MHSA Loan.

MHSA Expression of Interest

The initial step in the Orange County process for developers interested in applying for MHSA funding and project-based rental assistance (Section 8 vouchers) is to submit an Expression of Interest (EOI).

The preliminary EOI information consists of the following items:

- The Development Summary Form (Attachment One)
- A narrative description of the proposed project and the experience of the sponsor and must provide a thorough discussion of the project, including, at a minimum, the service goals of the project, characteristics of tenants to be served, the type of housing that will be provided, how the building(s) in which housing and services will be provided (location, building type, layout, features, etc.) will meet the housing and service needs of the tenants, the primary service provider(s) and other project/development partners, and project financing.
- Site plan, floor plans, elevations and renderings, if available
- A current project budget/proforma

Submit one (1) copy of the information listed above to Michelle Zdeba at michelle.zdeba@occr.ocgov.com AND one (1) copy to ~~Marcy Kovacevich~~ ~~Lisa Row~~ at ~~erow@ochca.com~~ MKovacevich@ochca.com, no later than February 22, ~~2022~~2023.

Once the applicant submits the EOI and required information, HCA/Housing and Supportive Services and OCCR/Housing & Community Development will do any or all of the following:

- OCCR/Housing & Community Development staff will arrange a meeting between the developer, HCA/Housing and Supportive Services and OCCR/ Housing & Community Development to discuss the project concept/proposed development and determine if the project could meet County priorities and objectives;
- Provide input and suggested revisions intended to improve the proposed development and application;
- Request that the applicant make certain revisions to the proposal in order to reconsider providing a supportive services commitment for the application submission.

Application and Loan Commitment Notes

Upon review of the borrower application and a decision to loan MHSA funds, the following will be determined by the Trust and set forth in a commitment letter: 1) the per regulated unit loan amount; 2) the percent of MHSA regulated units as it relates to the entire Project; 3) the size of the regulated units to best meet MHSA client needs (bedroom count); 4) any permissible occupancy preferences (adults; seniors; transition age youth); 5) the maximum COSR (if applicable) to carry the project through the first 17 years of operations; 6) any permissible

developer fees for non-tax credit transactions; and 9) permissible overlaying occupancy, rent or income restrictions from other financing or tax credit sources.

Supportive services provisions and a Social Services Plan and operating budget from the primary or lead service provider(s) shall be provided as part of the application for Trust Funds.

All units assisted with MHSA funding through this NOFA shall additionally include supportive services provided by the Orange County Health Care Agency. The developer shall work with HCA/Housing and Supportive Services to develop and provide a supportive services plan that meet and address the needs of the MSHA tenants for the term of the Trust Loan.

Primary supportive services shall be provided on site to meet the specific needs of the population to be served.

All MHSA tenants must be MHSA Certified by HCA MHSA Housing Program staff as outlined in the MHSA Certification and Referral Process. It is important to note that in no event shall a person be required to be a client of the Orange County Behavioral Health department or a recipient of mental health or other services in order to qualify for or to remain in an Assisted MHSA Unit.

NOTE: This term sheet is subject to change.
